

Sometimes, you'll find answers to questions you forgot you even had

Yeah.. The morning of the exam day..

There.. there was this cop, and he was harrasing this homeless lady.. I had to-

Wait, wait, wait!! That was YOU?!

YOU killed that corrupted cop in Dan City?!?

You KILLED him?? Like.. With your own hands?? That's fucking HUGE!

Yeah, but.. my DNA was all over the crime scene..

Ah.. I see.

That's why you're here, huh.

Yeah.

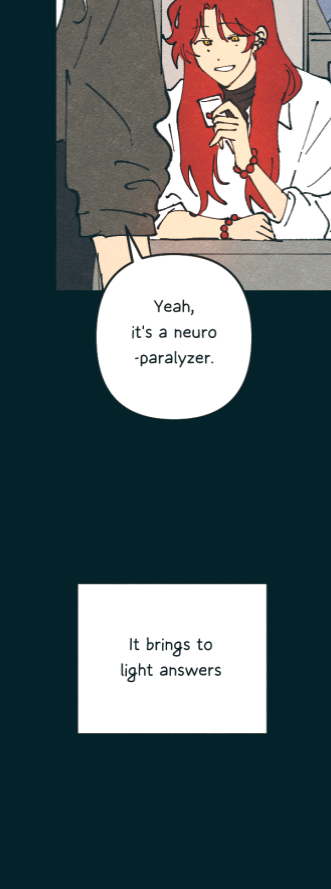

That's why I'm here..

I.. don't understand, Mae.

This.. this is what I've been waiting for for as long as I can remember..

But right now.. All I want to do is go back.

Ehhh?? What do you mean???

Isn't this what you wanted??

To join the Syndicate as soon as you graduate??

It used to be.. but not anymore.

I had.. someone back there, Mae.

I left him all by himself..

And everything just hurts so fucking bad here..

What's wrong with me..?

It's like my heart is in pieces..

Fuck, hold on.. I forgot I was recording

Let me turn the camera off, sorry.

Sometimes, you find answers

to questions you forgot you even had.

Crush..

You fucking idiot..

For life has a way of unfolding in its own due time.

If.. you must use Crush

Have him take this.

And in fates quiet wisdom

Is this the pill that you fed him at Hawthorn?

Yeah, it's a neuro-paralyzer.

It brings to light answers
