

We need to cut our journey short and head back to Seoul immediately.

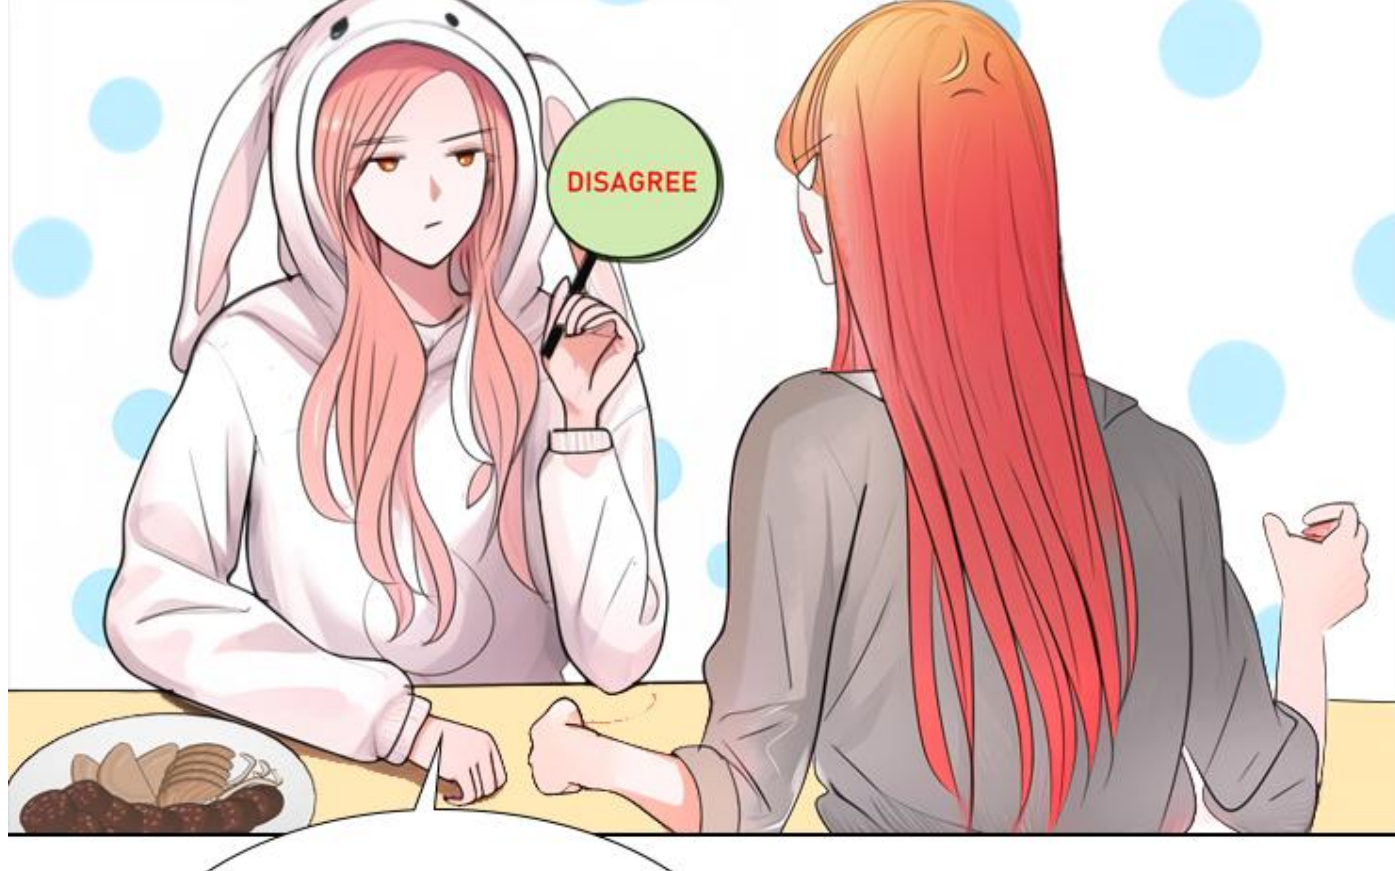

I want everyone's opinion on this

..%^&

**HAVE YOU BEEN CATCHING THE UPDATES ON TV ABOUT STREET CRIMES THESE DAYS?**

**WHY WOULD YOU TWO DISAGREE? AREN'T YOU AFRAID OF CRIMINAL?**

I don't want to deal with those who overcomplicates the situation

Honestly, I'm okay with either staying or leaving.

If things get risky, we can always leave ahead of schedule.

How about we check out some local markets or cultural spots before heading home?

Exactly, unnie. We haven't even shopped yet!

..\$@\$

No, unnie! I'm not interested

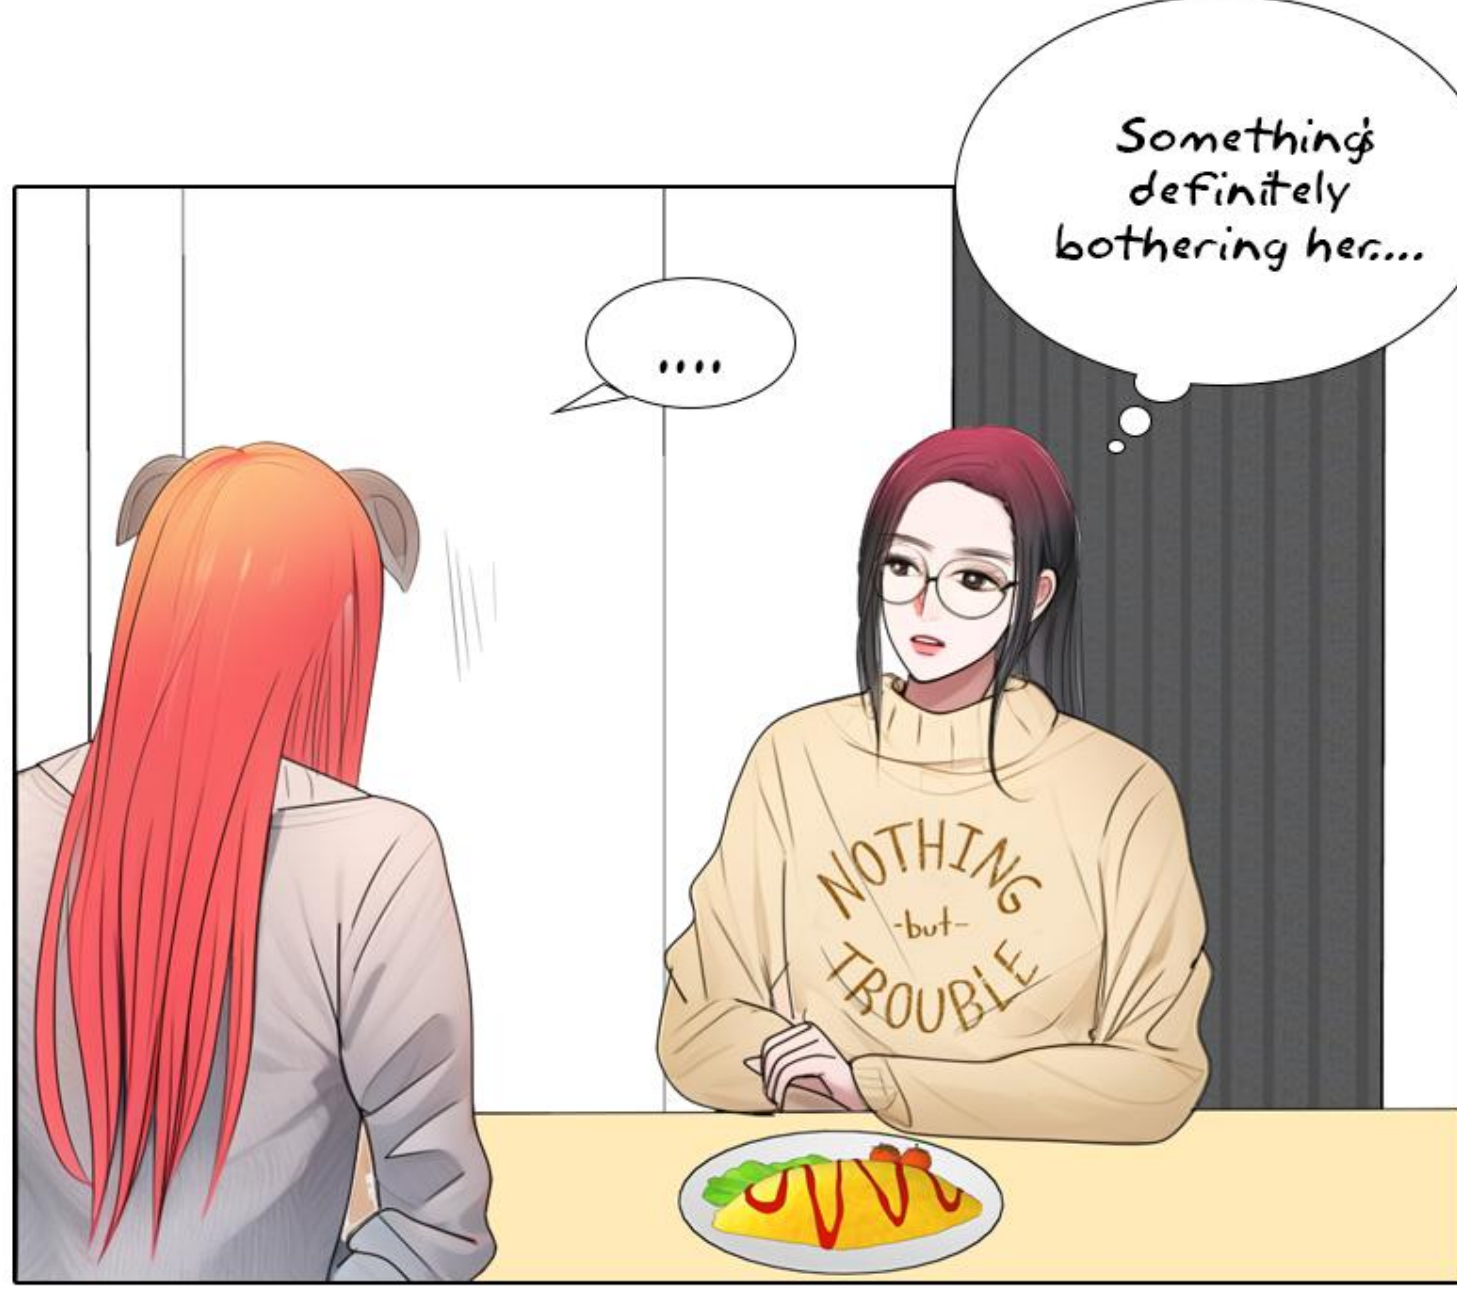

No one's siding with me

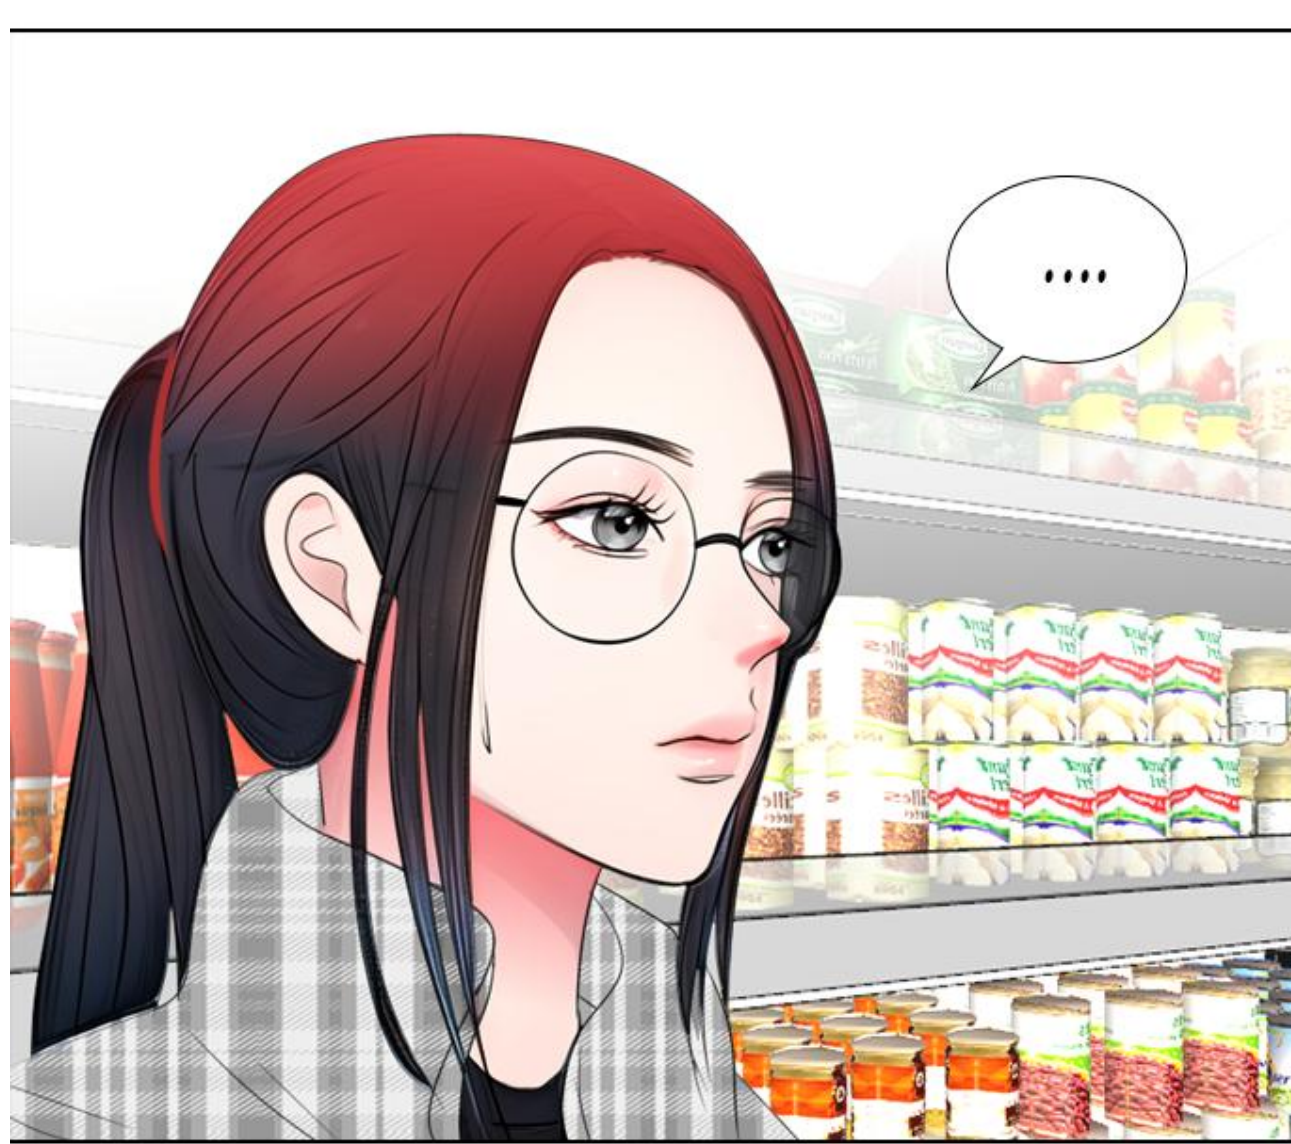

But revealing I actually know that psycho would only add chaos...

Is it just a coincidence that she is here?

Something's definitely bothering her...

....

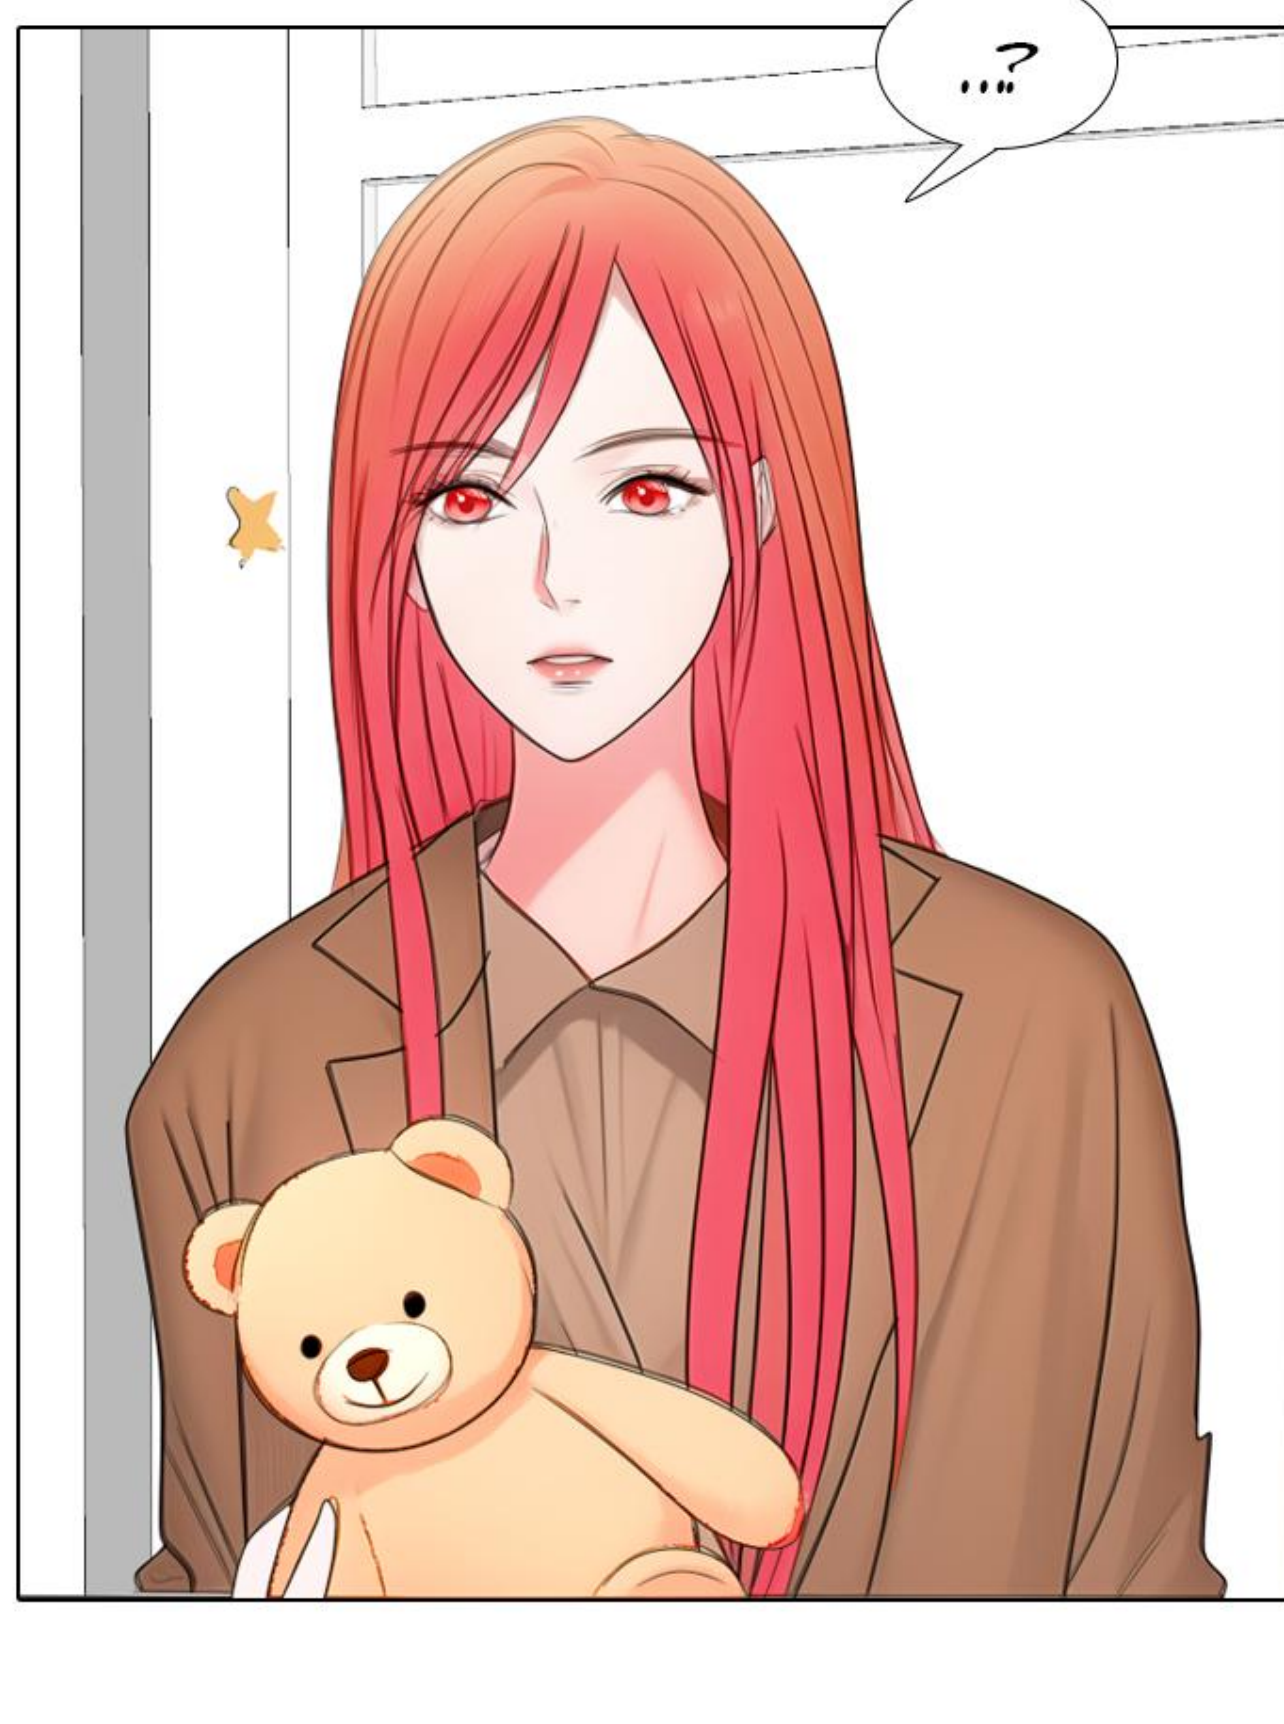

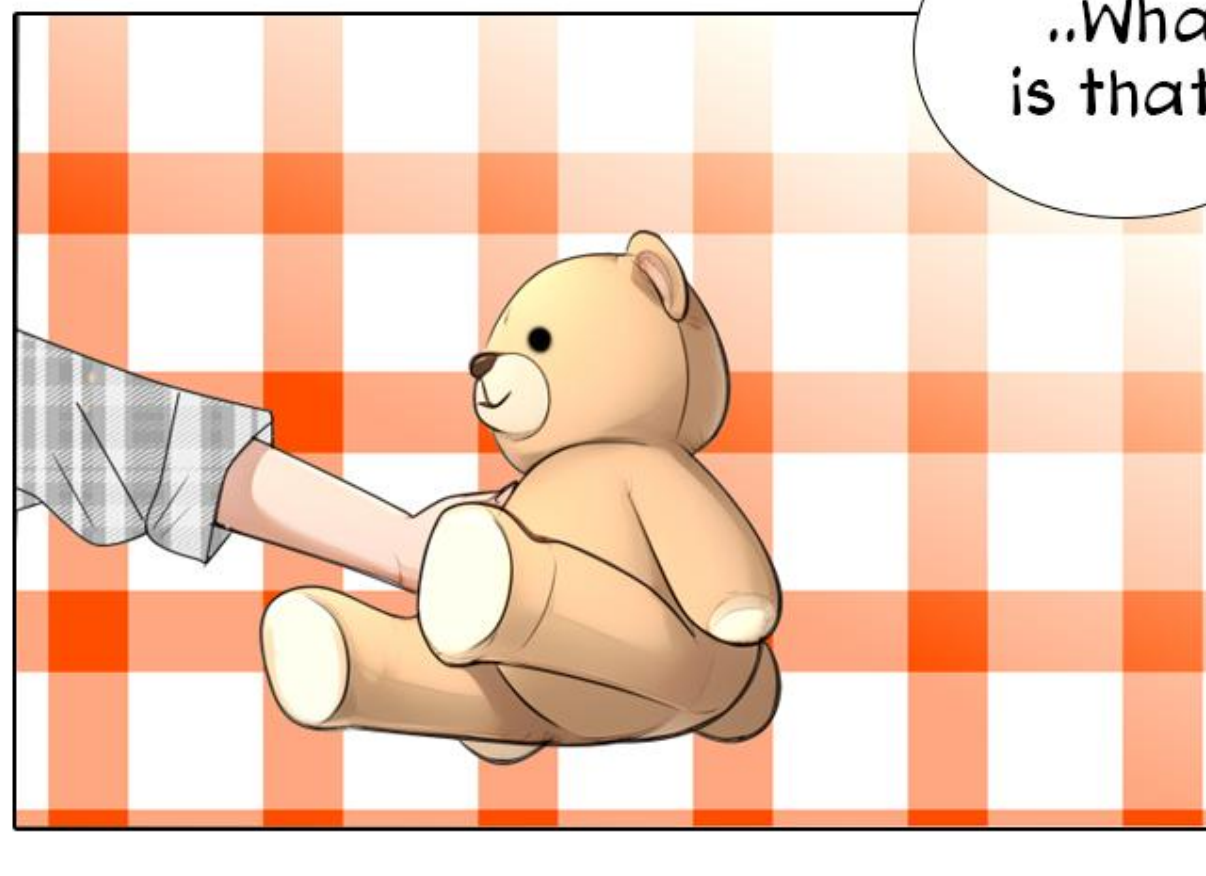

She can't even rest assured even when we go shopping..

What's really going on? She's been standing there...like a security guard....

...?

..What is that?!

Can I buy this one for you?

I'll keep one,  
and you keep  
the other.

Whenever  
you miss me,  
just play with it!

**W..WHO SAID  
I WOULD MISS  
YOU?!**

**YOU'RE  
WASTING MONEY  
!!!**

**BESIDES,  
I DONT LIKE  
PLUSHIES!  
THEY'RE TOO  
CHILDISH!**

You don't  
like it?

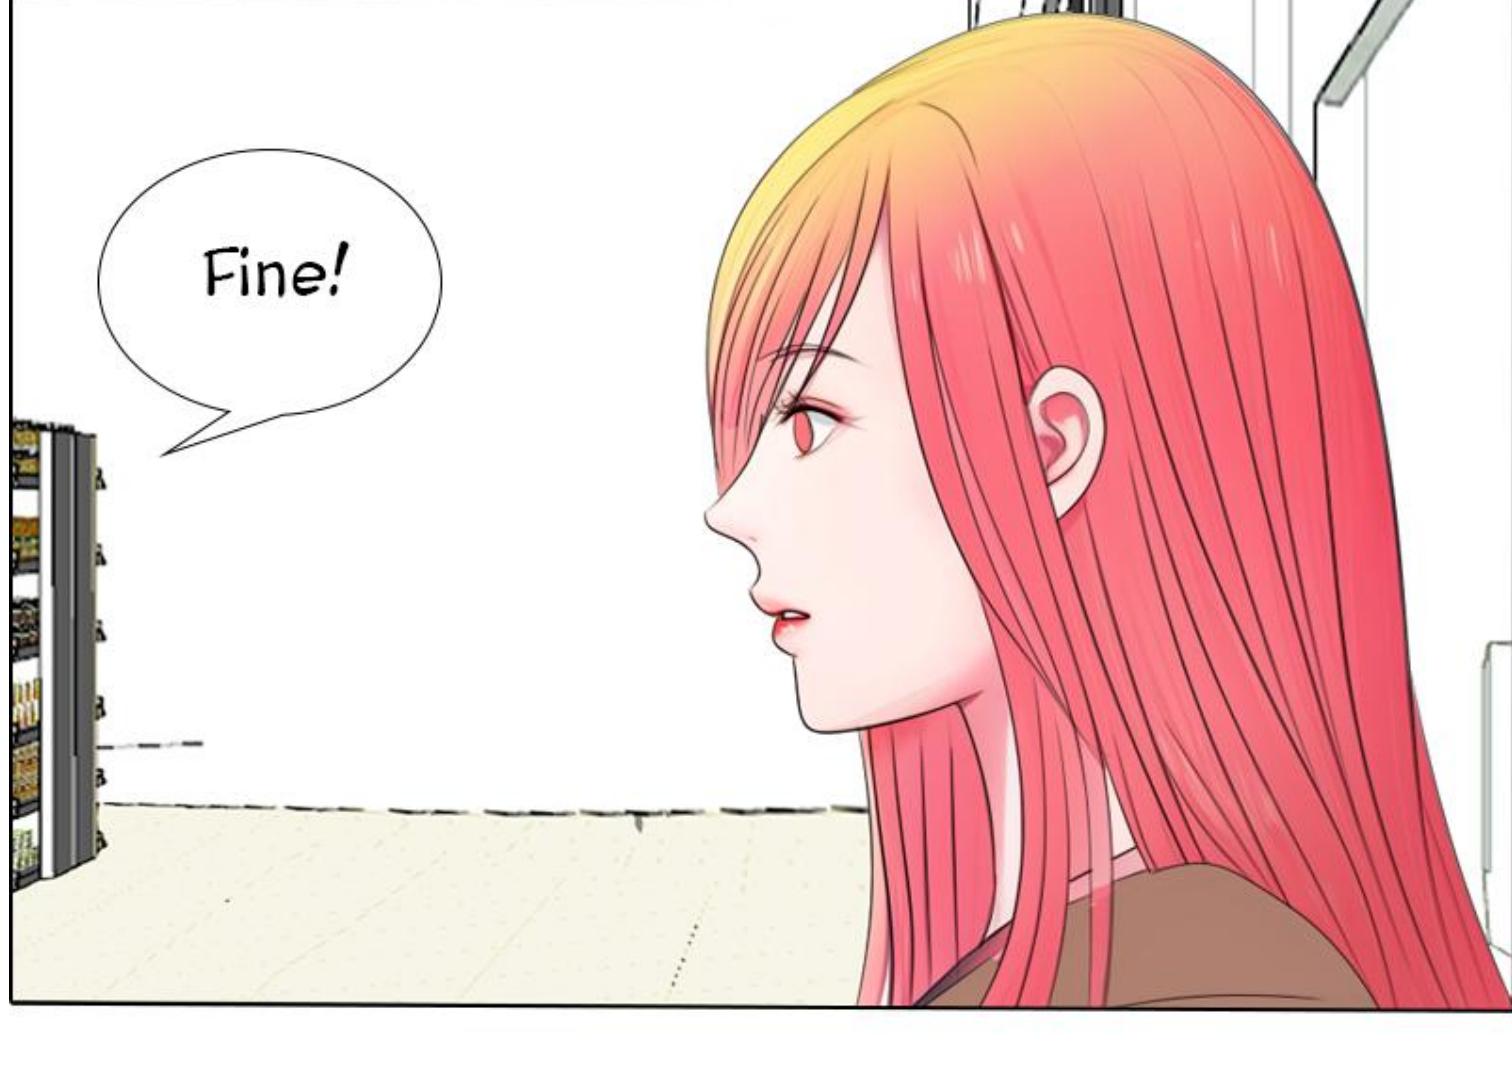

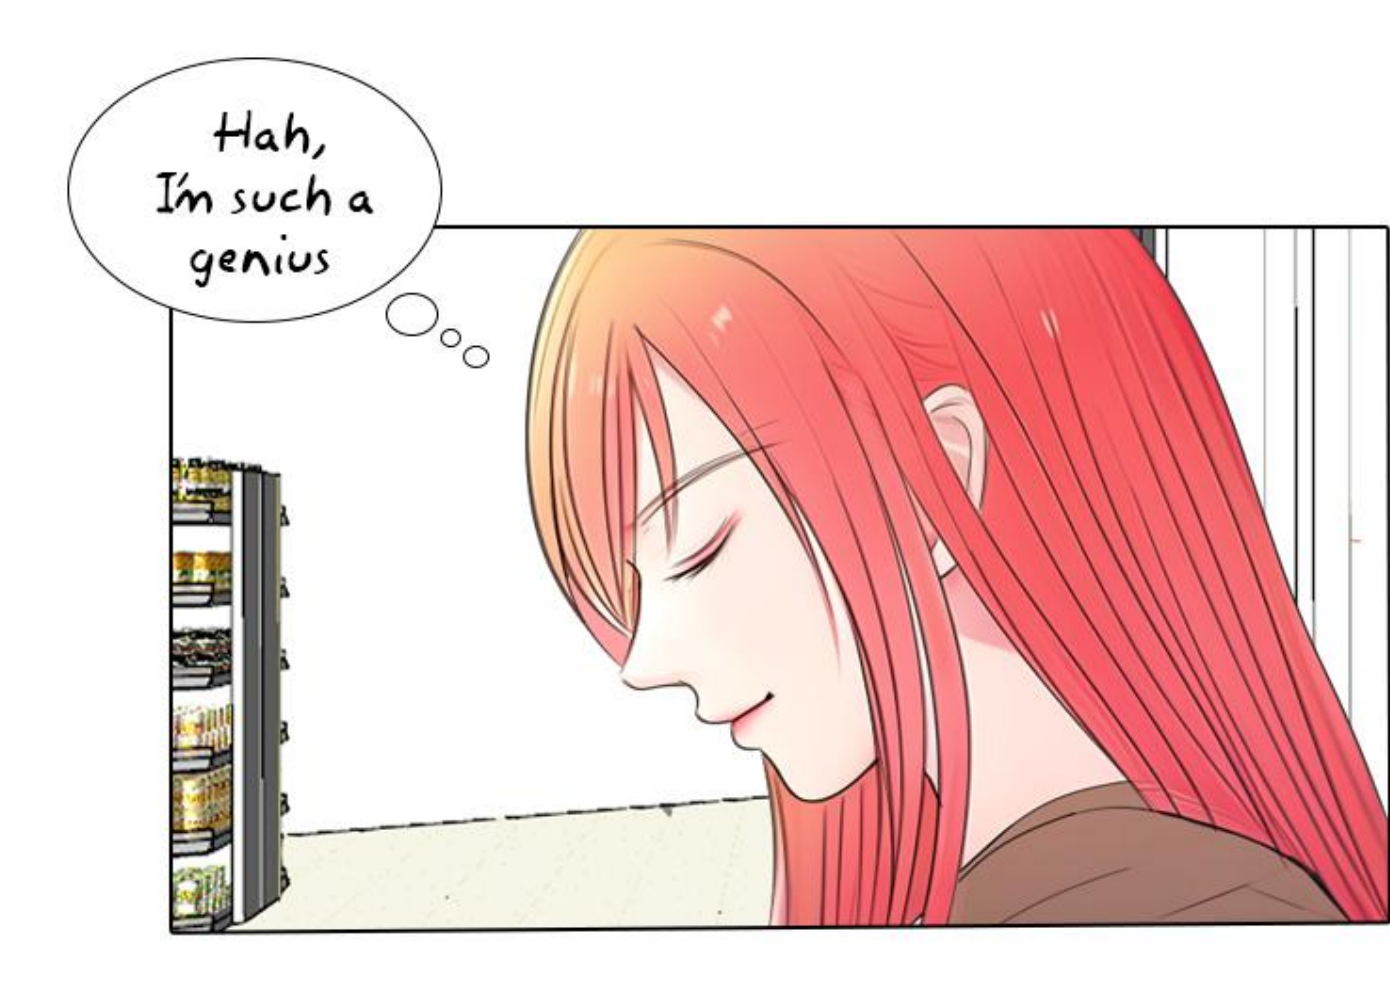

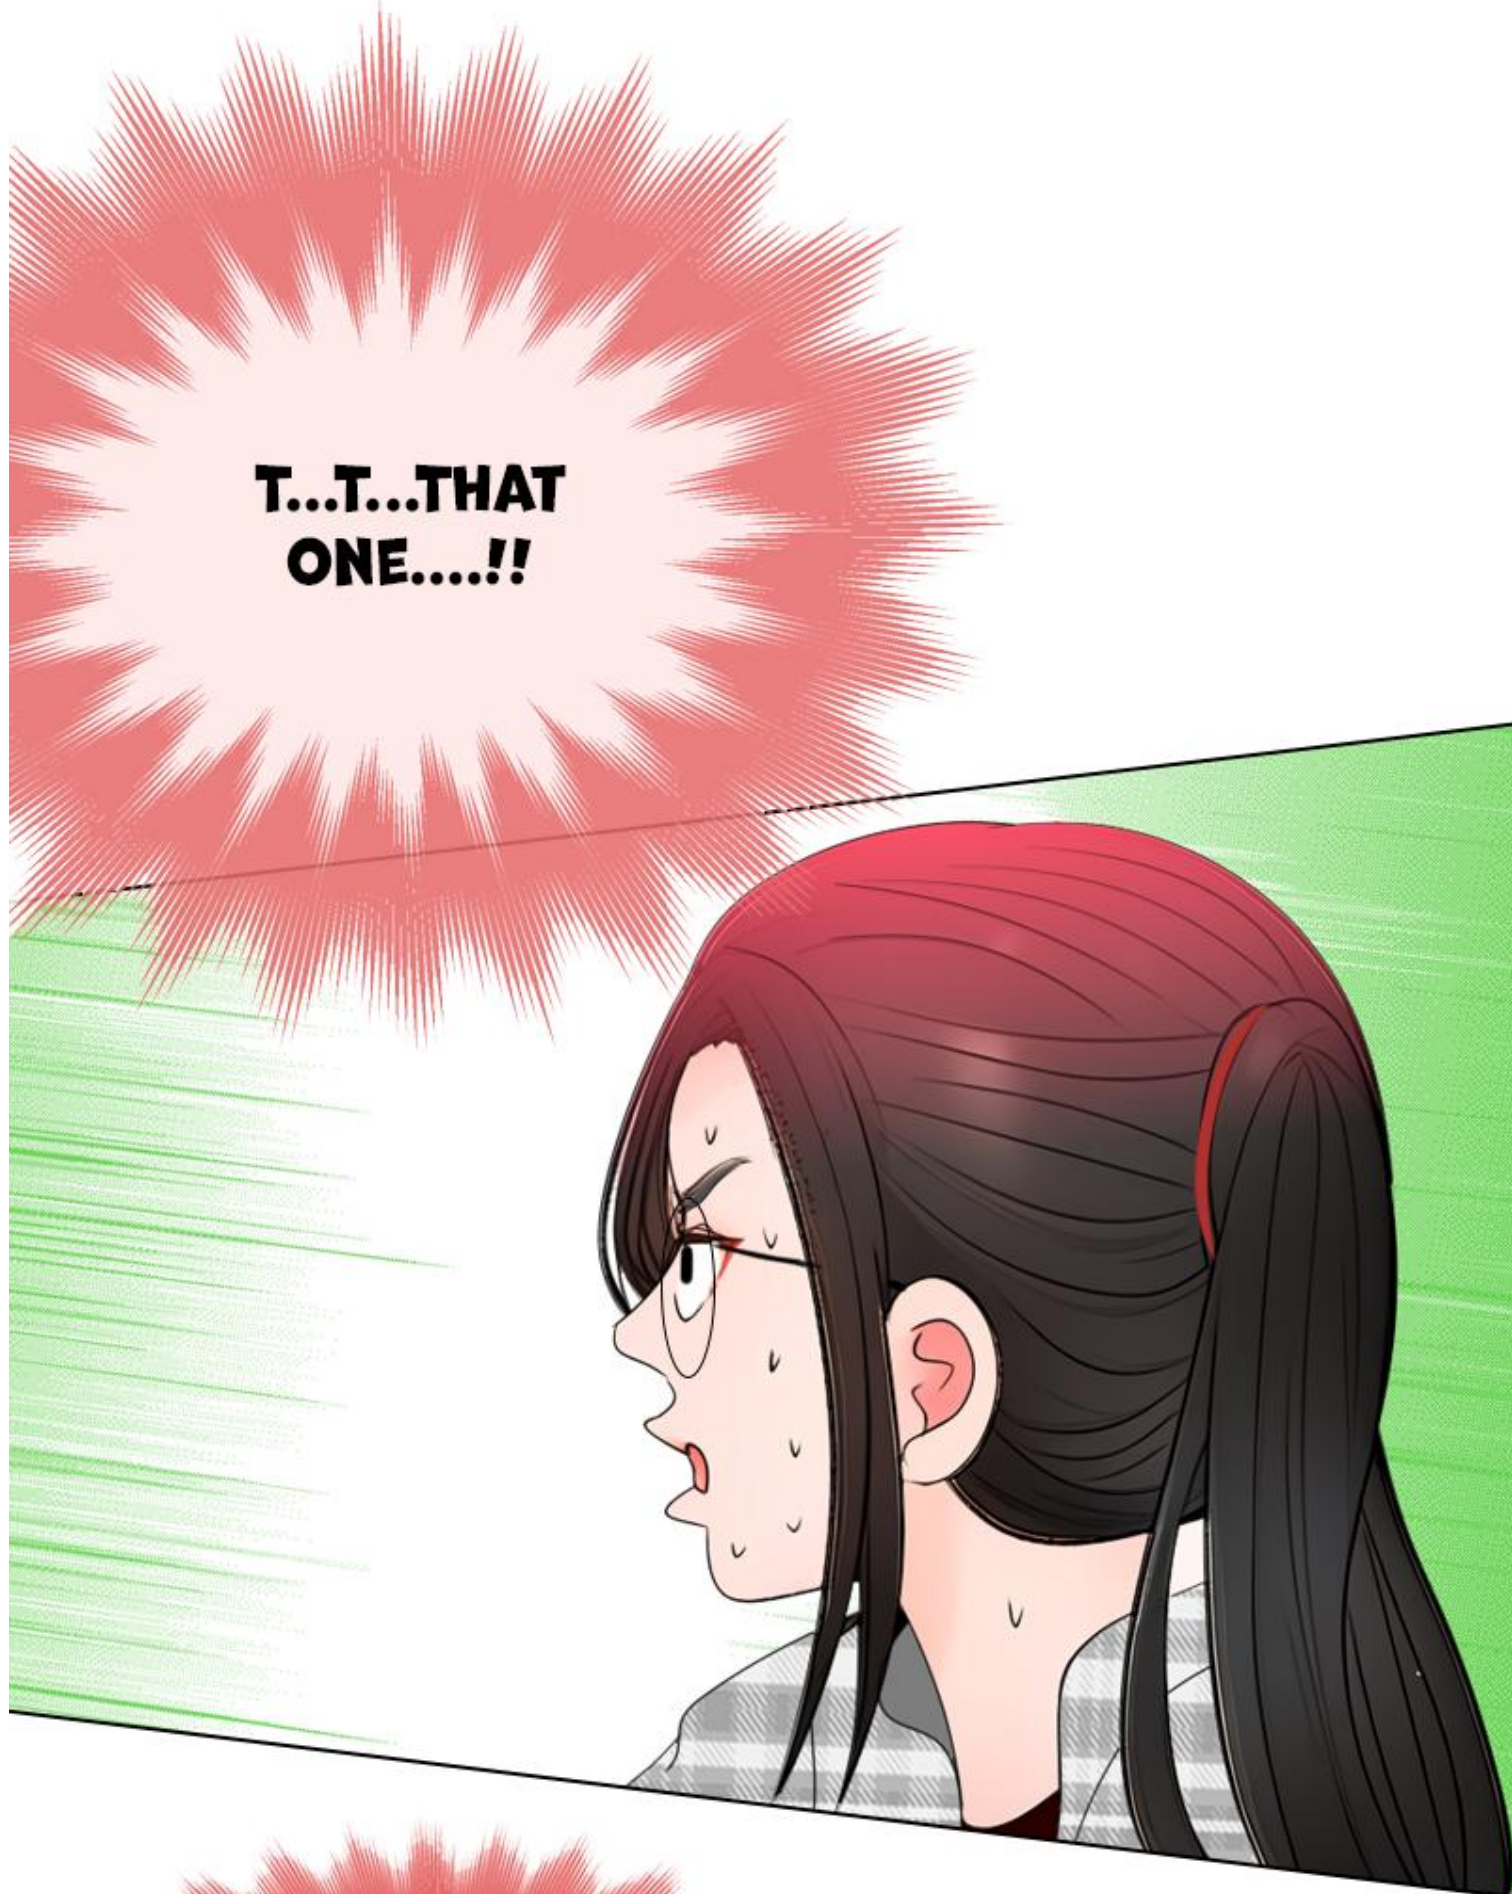

But  
I really like it

This... is...

W-W-WHATEVER  
YOU LIKE,  
I'LL BUY THEM  
FOR YOU

EVEN IF IT MEANS  
BUYING THIS  
ENTIRE SUPERMARKET,  
I'LL WORK TIRELESSLY  
FOR IT!

B...ut you gotta  
wait until I...  
graduate

...What?!!

A minute later...

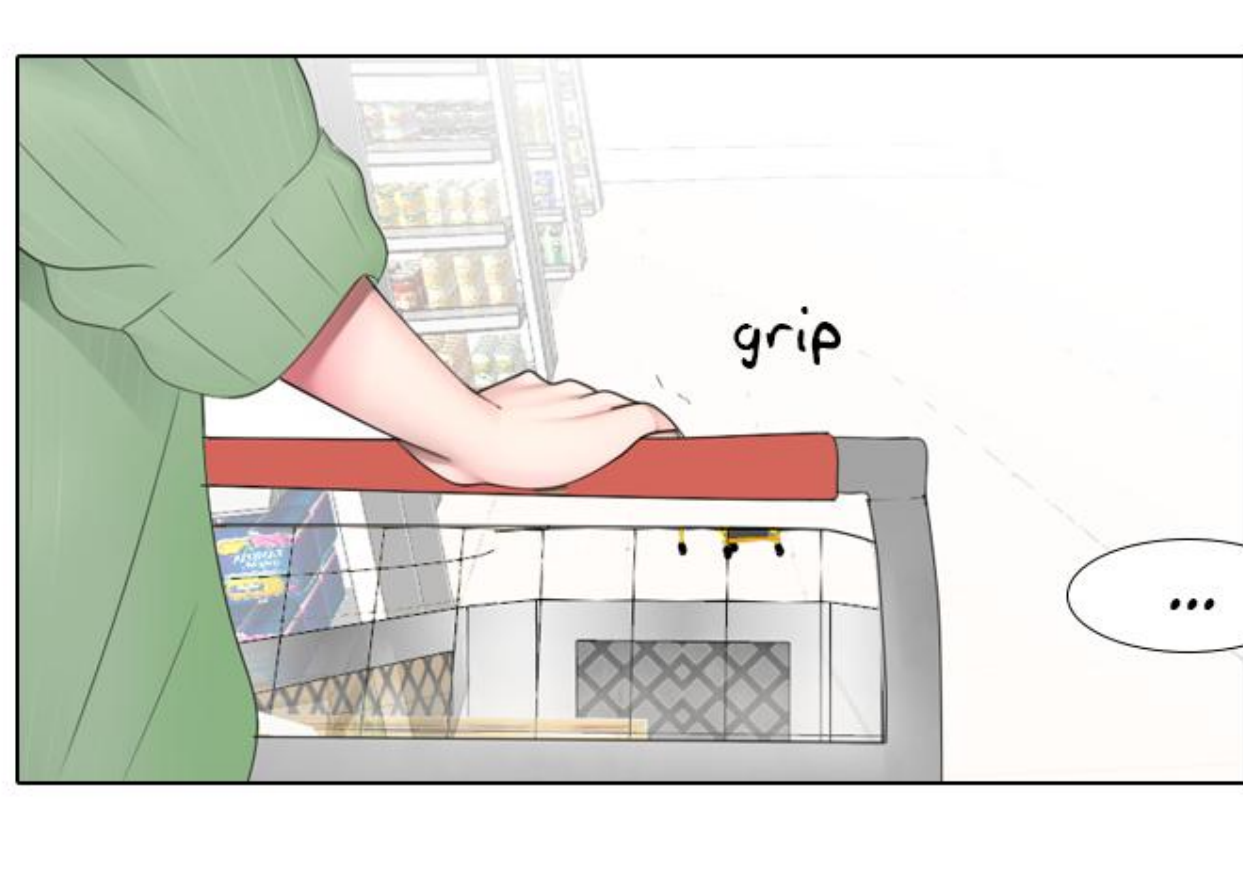

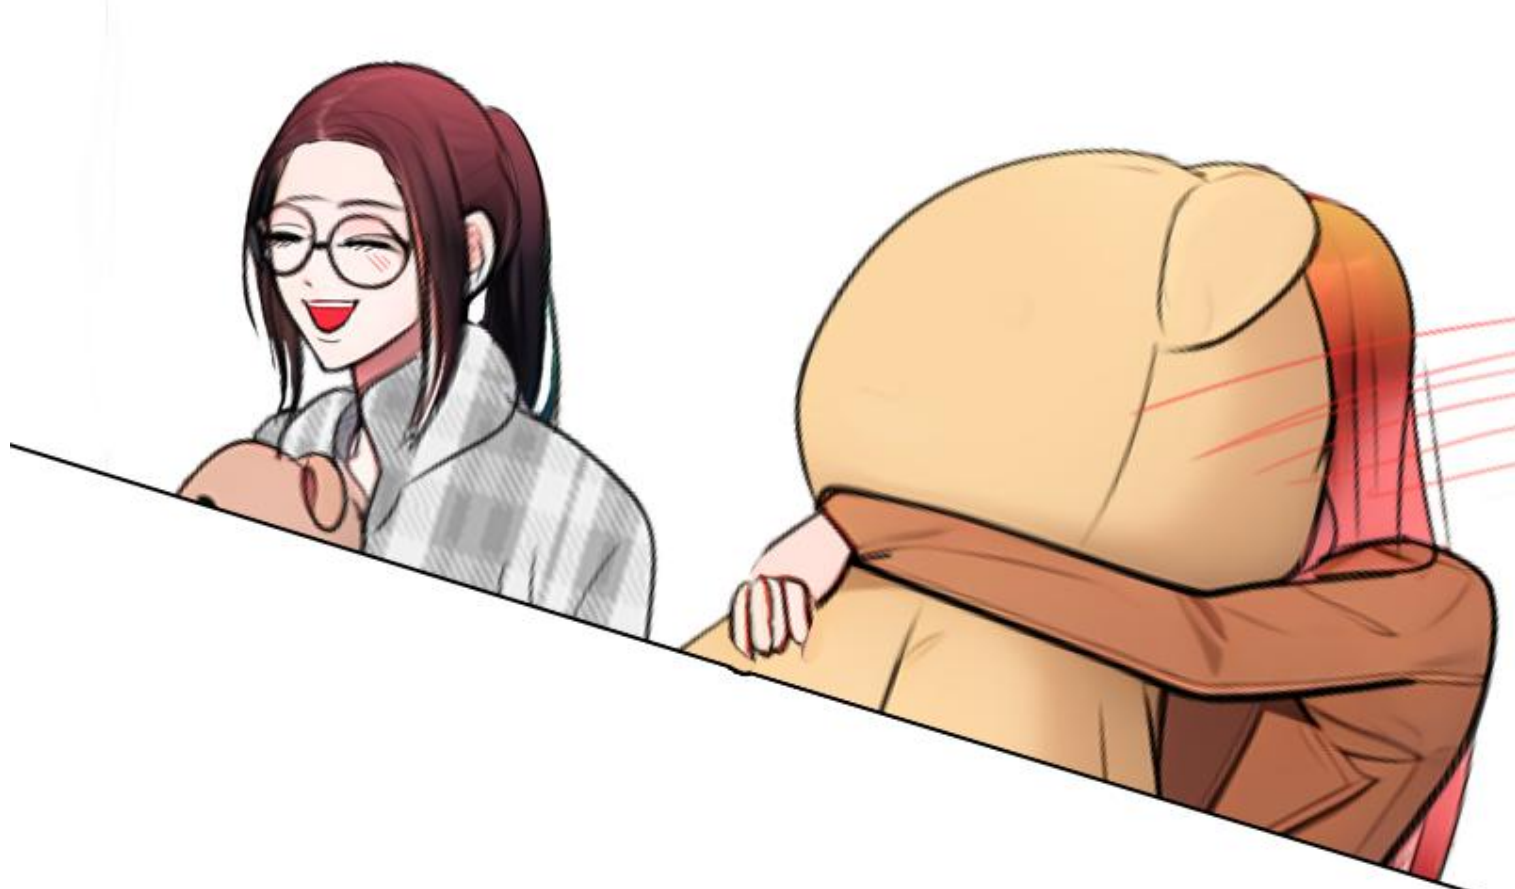

Ehehe

We now have  
matching items!

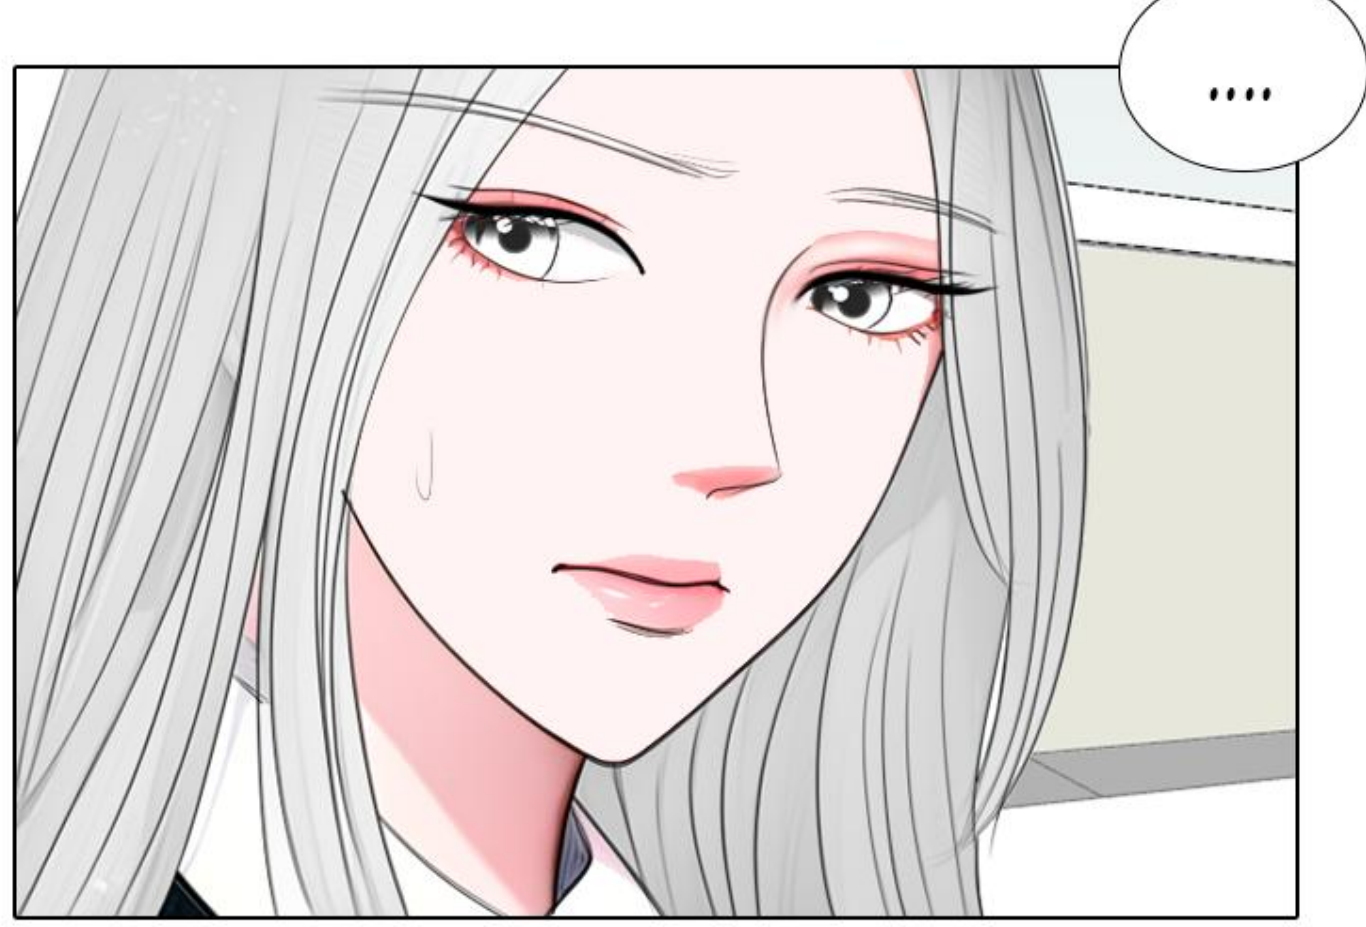

....

Didn't ...Eunpa  
pick up only those stuff  
that Jisoo likes..?
