

What can
I do for you...

..so that you
won't be mad
at me?

?!

What was it...
I..must've misheard right?

...Impossible

...Sh-She could even
make such a face?

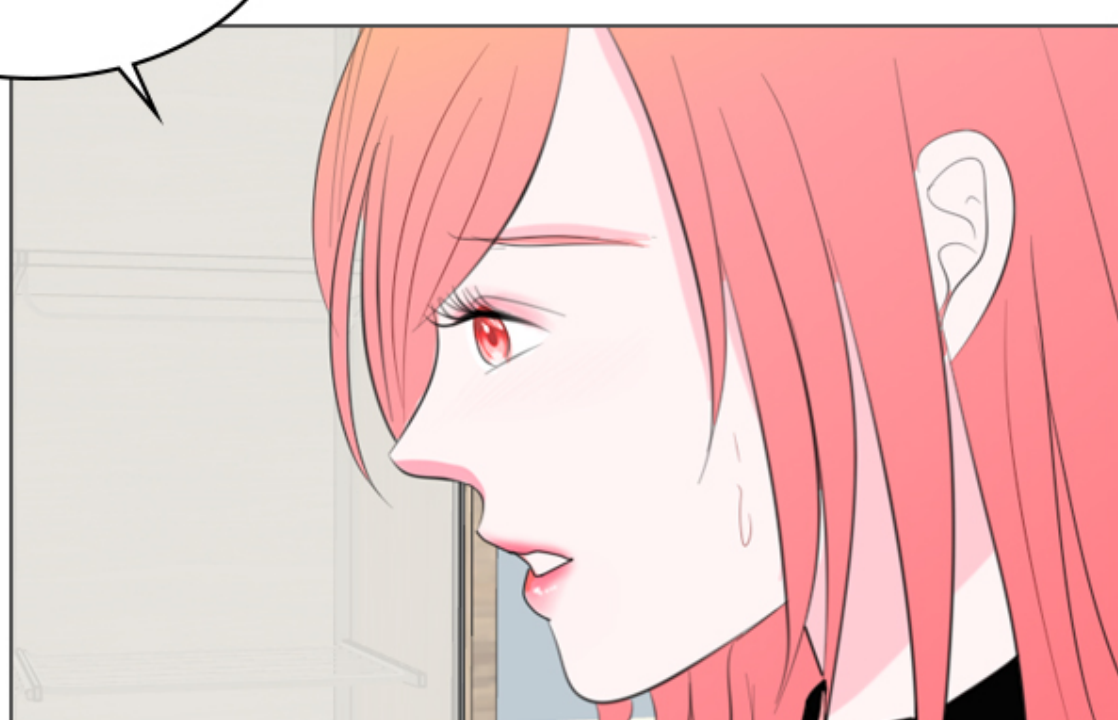

...

S...sorry,

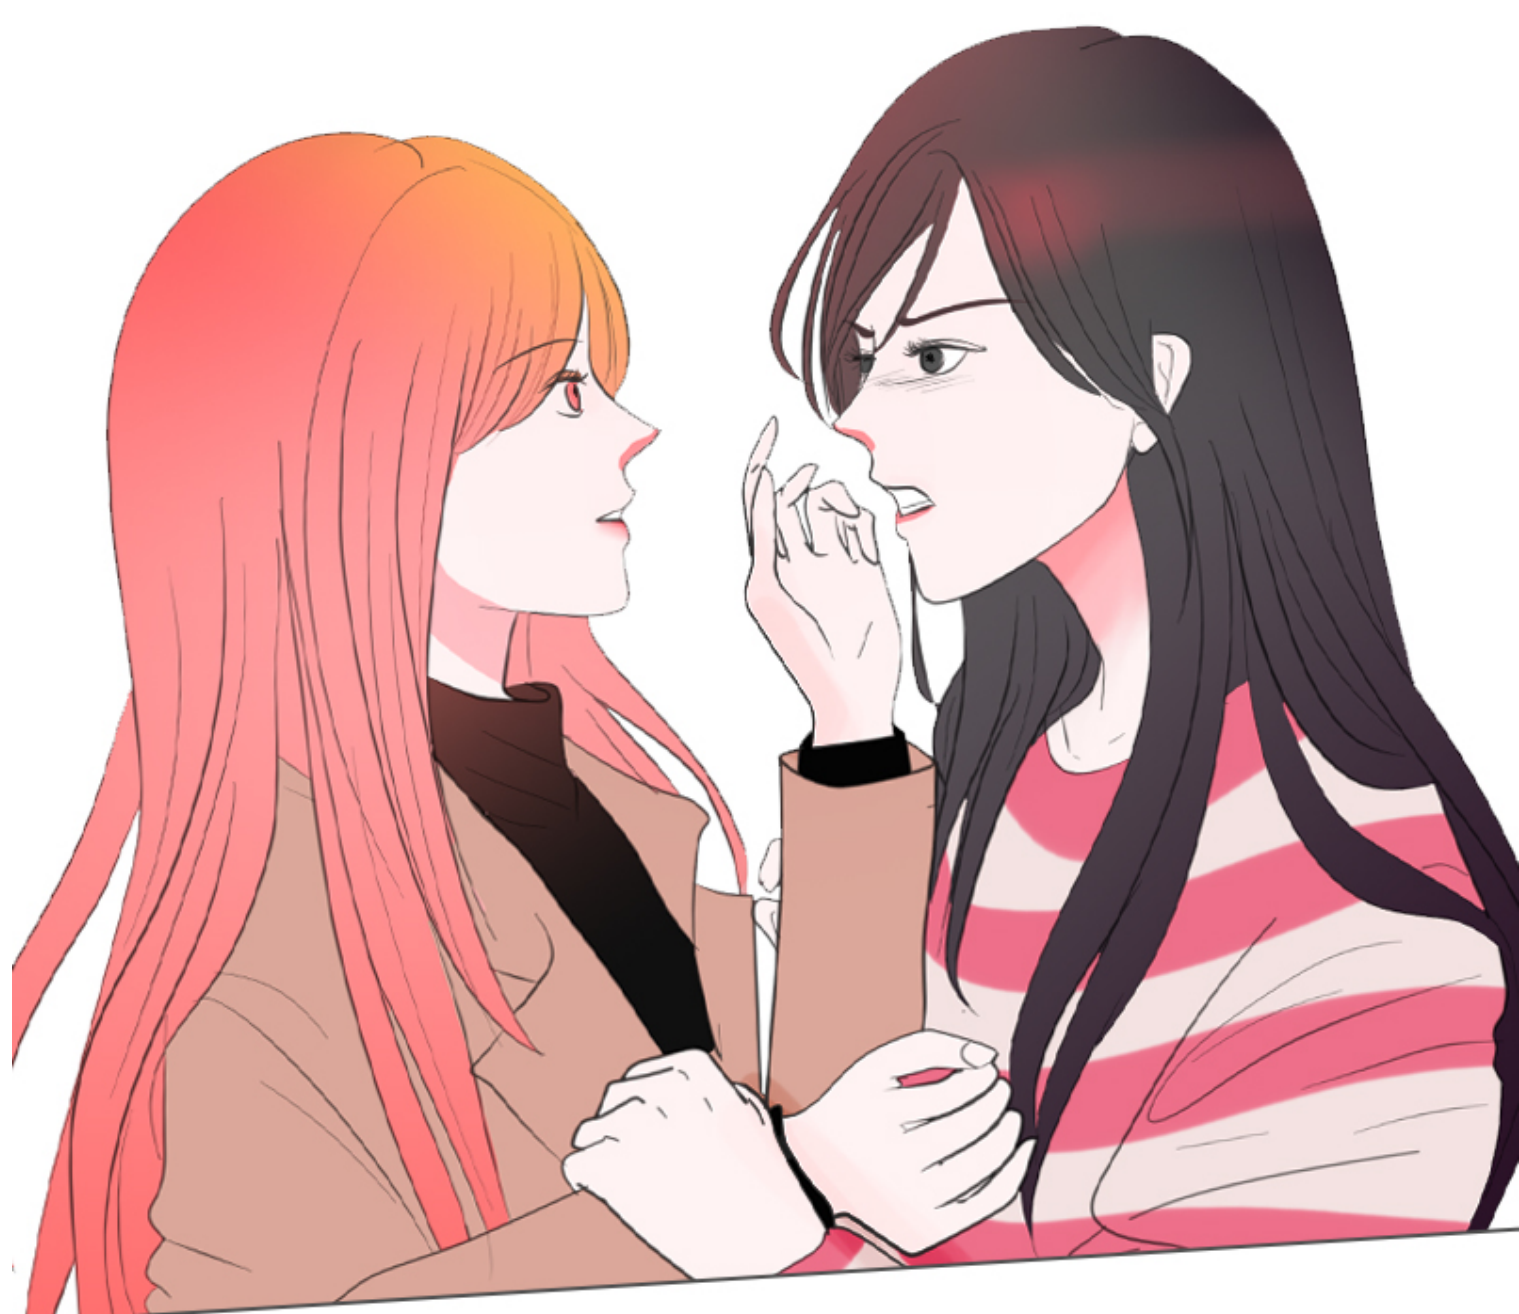

I blurted
it out witho-

Joking?

?

You think it's funny
trying to lead me on
with all these jokes
again?!!!!

Why do you love joking so much when it comes to me ?!!

Tell me, what was the matter ?!

You didn't even mention any of the reasons why you wanted to play with my feelings

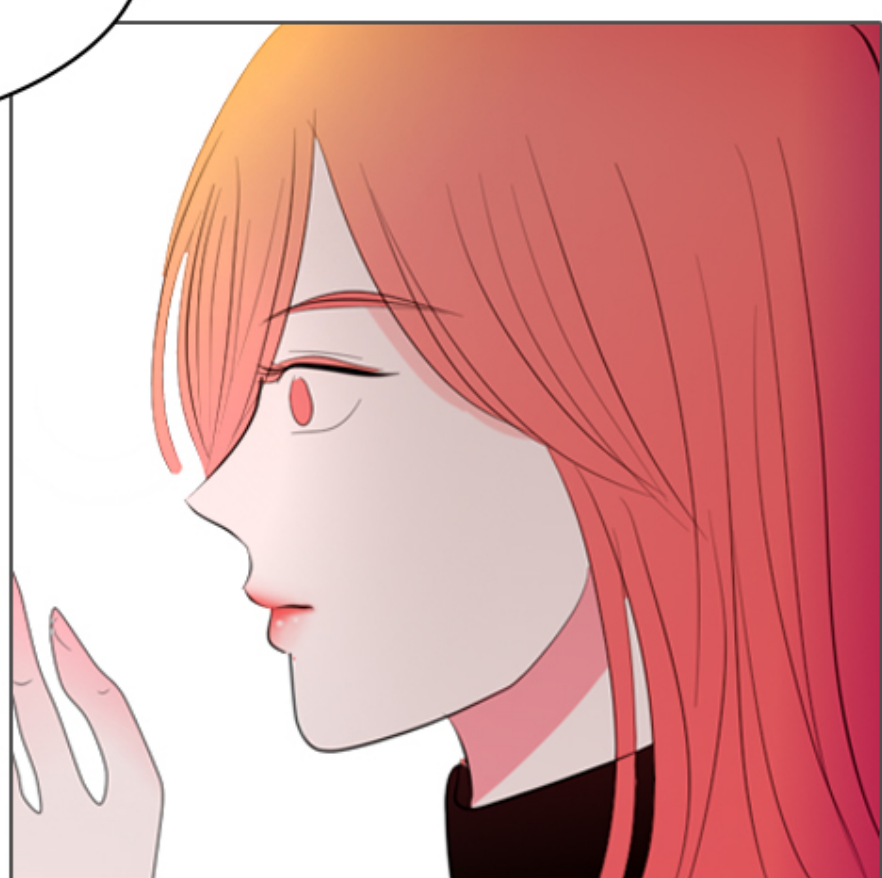

And now you're here asking me to stop being angry with you?

How could you do that?

Jung Aerin,

I thought you
would be different
from them,

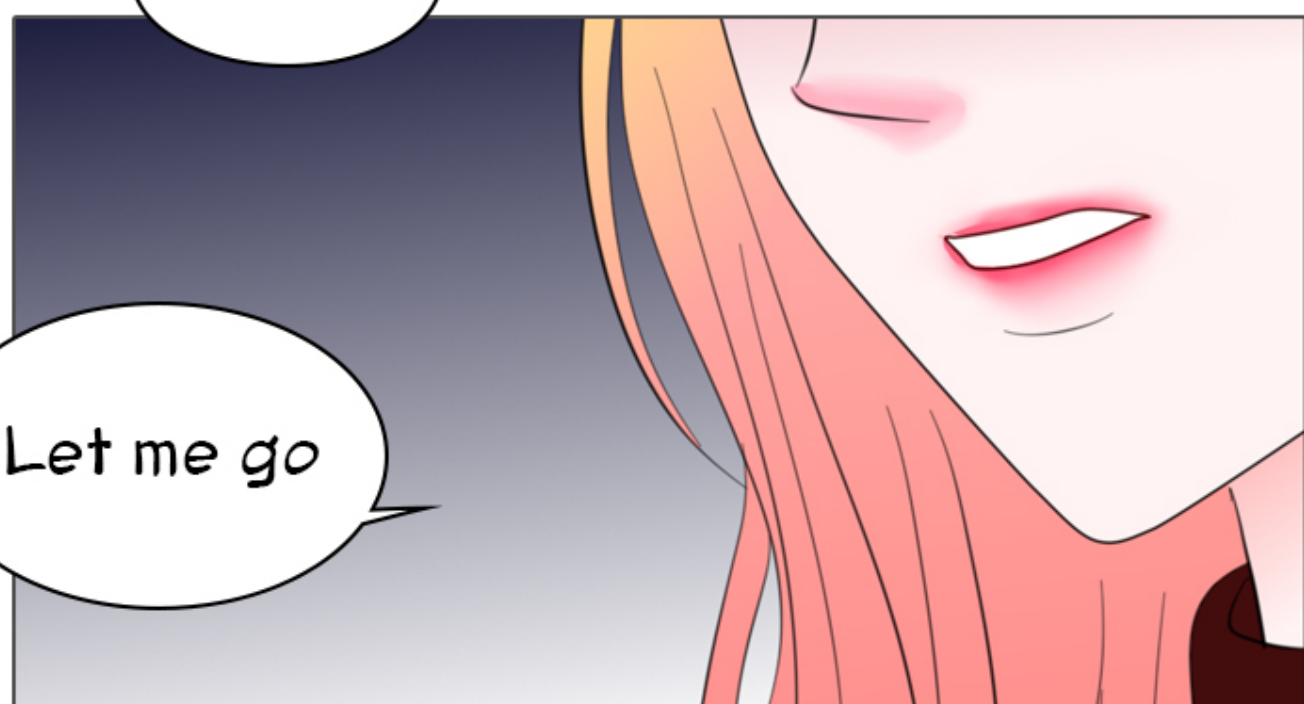

But it
turned out
you all were
just liars

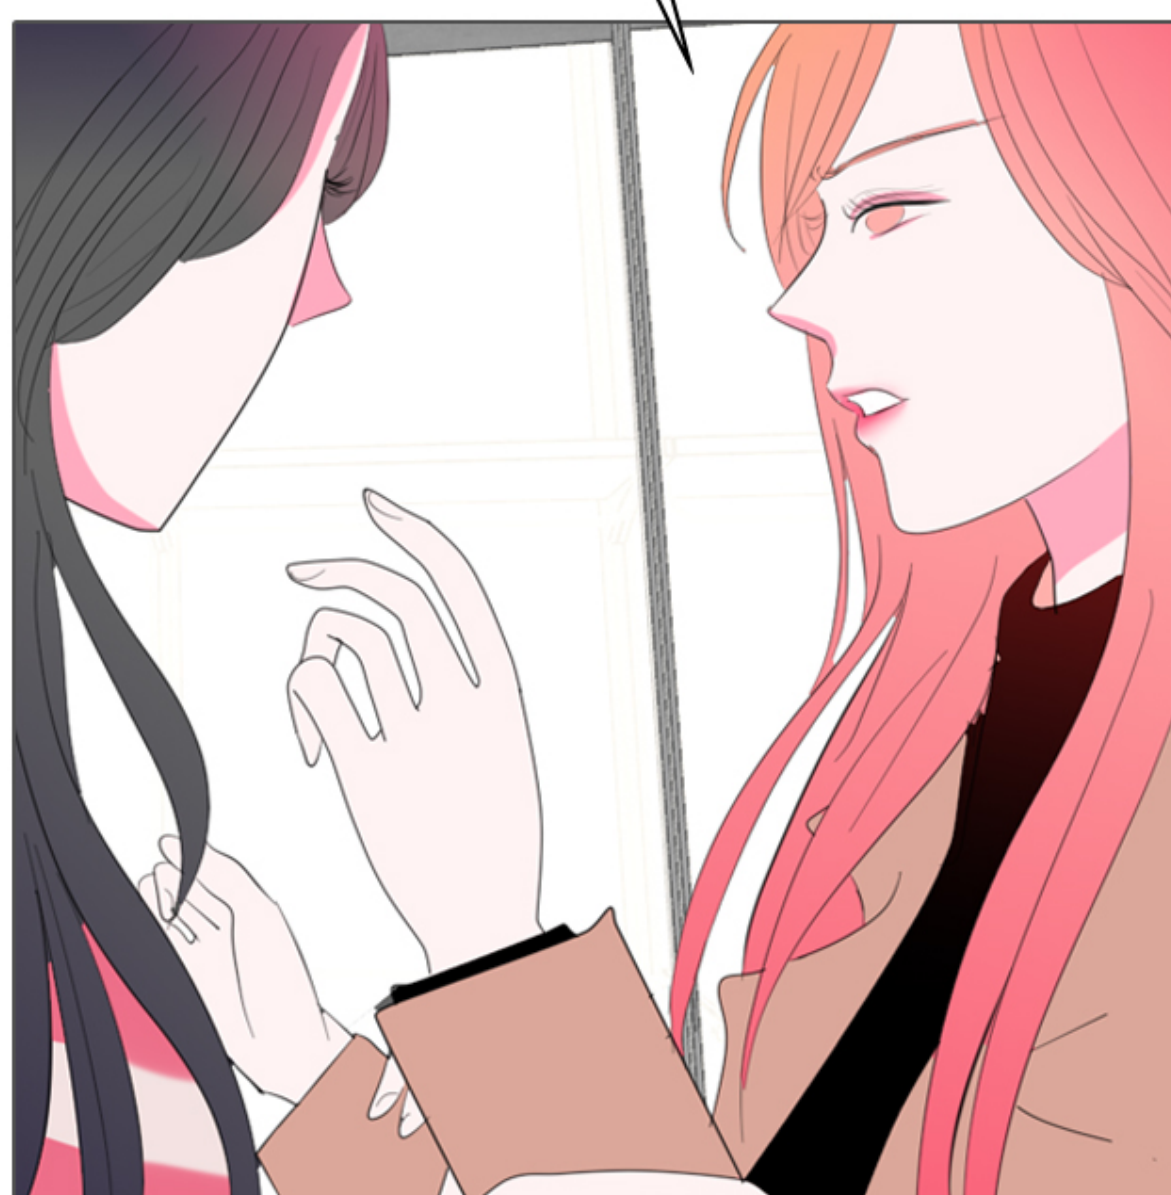

....

Let me go

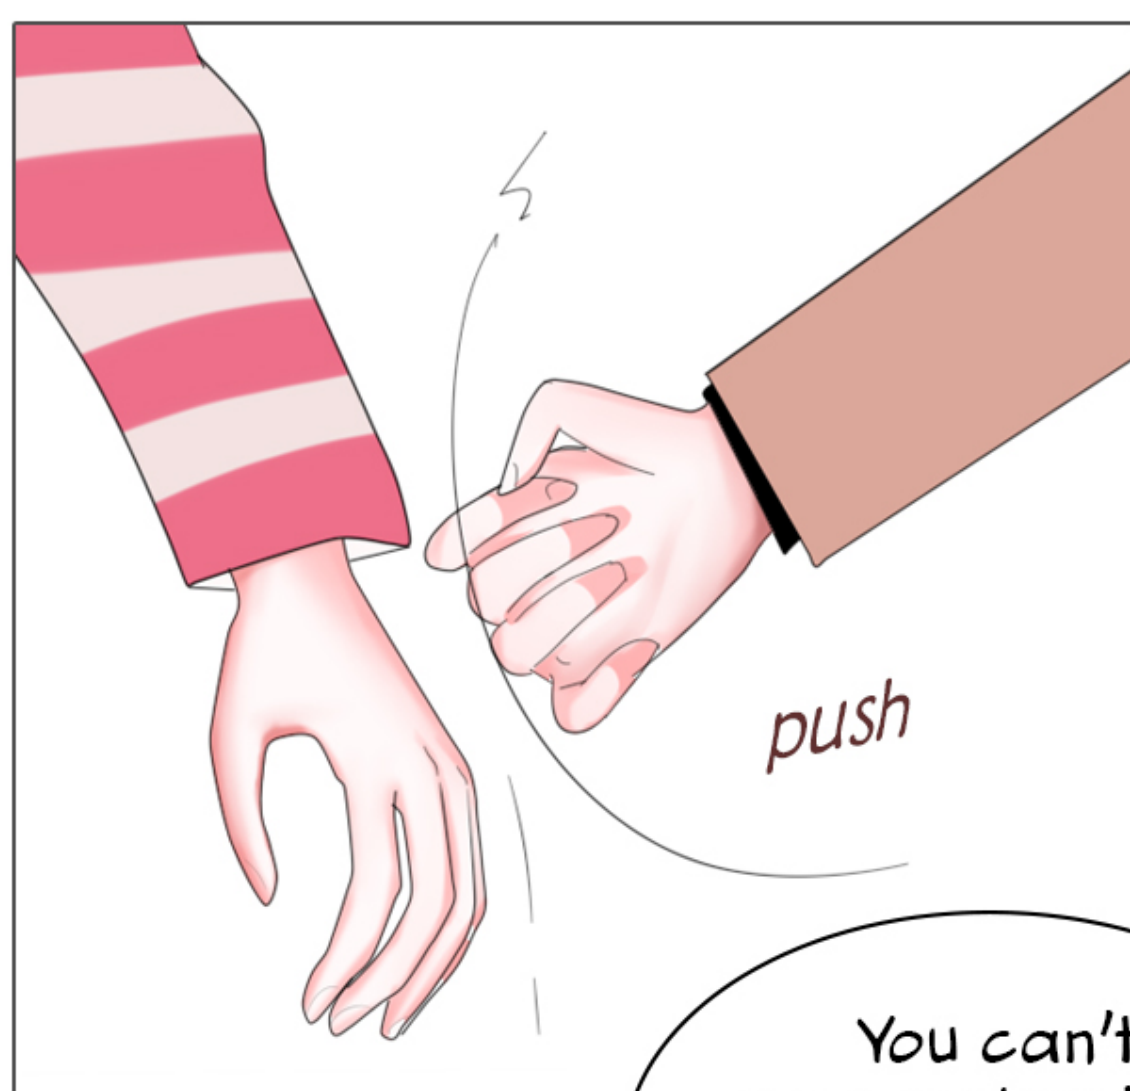

Look
Kim Jisoo

It's not like
I'm begging for
your forgiveness
or anything.

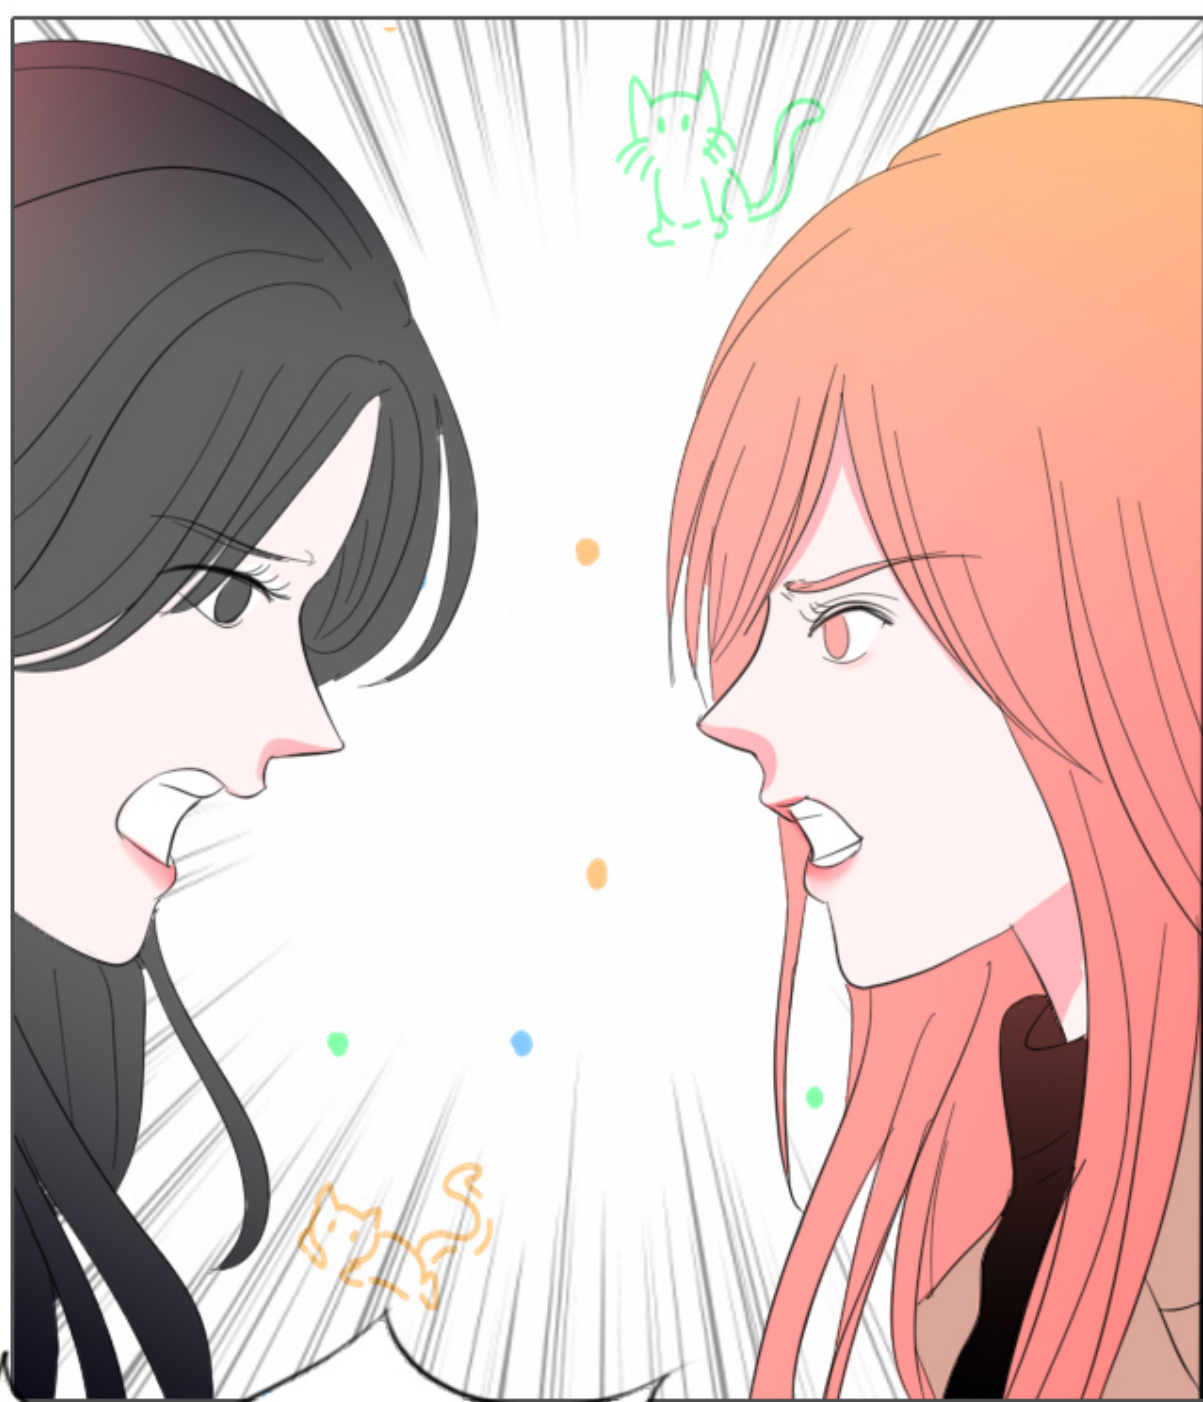

I know
I hurt you,

But don't ever try to
make it seem like it
was only you who felt
uneasy

You can't
even understand
what I'm trying to
say

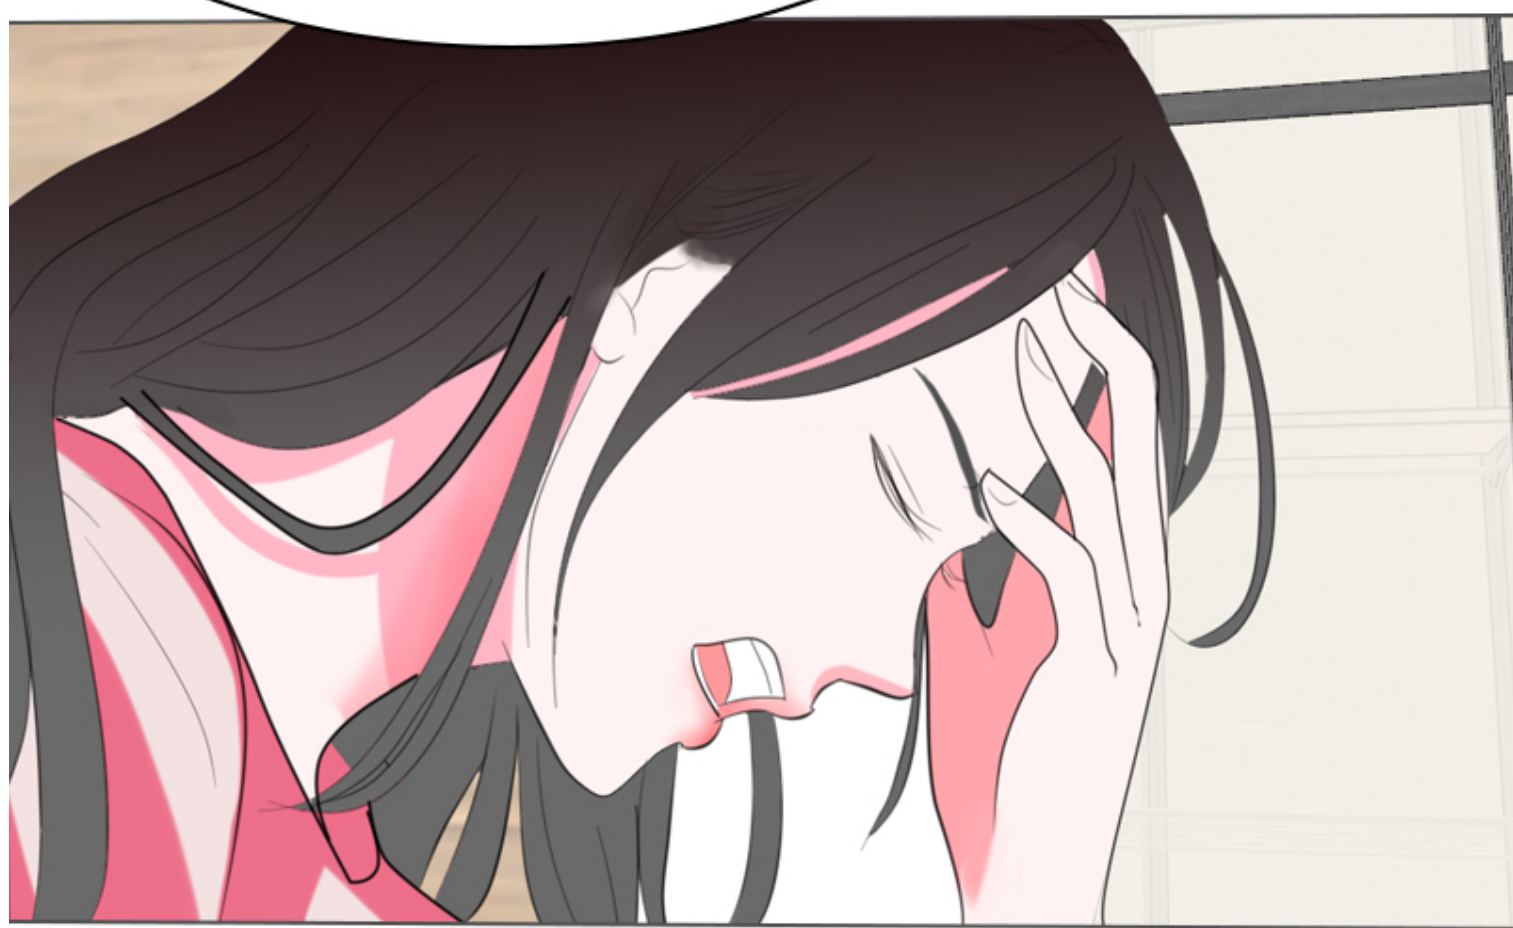

Yeah! I don't understand!!!

How am I supposed to understand when all of your words were always unclearly said?!!

So the problem was me?!!!
Why can't you learn to be smarter?!!

Ah....Right..I'm stupid.
Talking to you makes my head go dizzy

Let's leave it at that!

I'm also
too done
talking to you

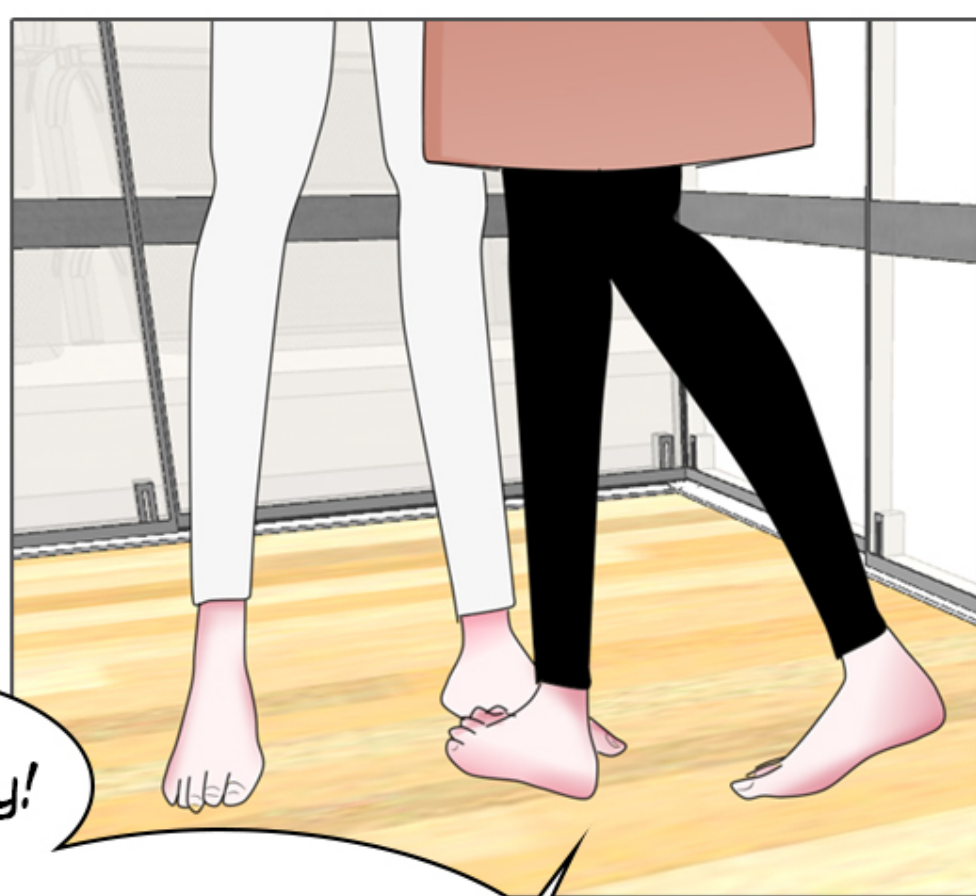

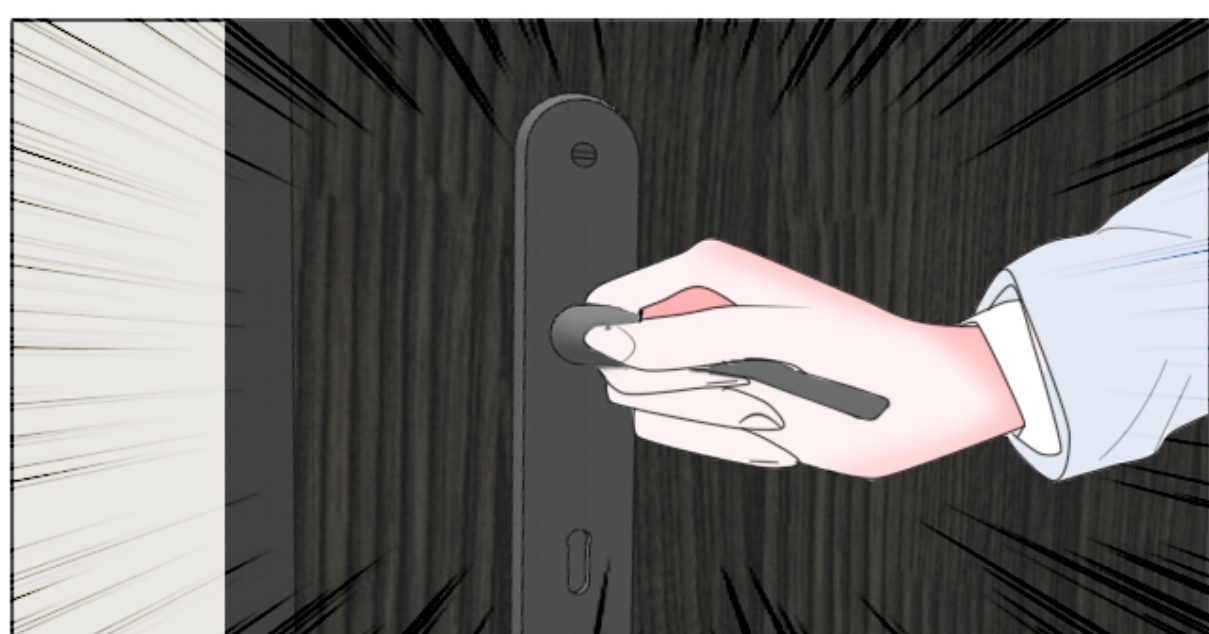

Shouldn't have
come in the first
place

.....

Get away!

I don't want to be
here any longer!

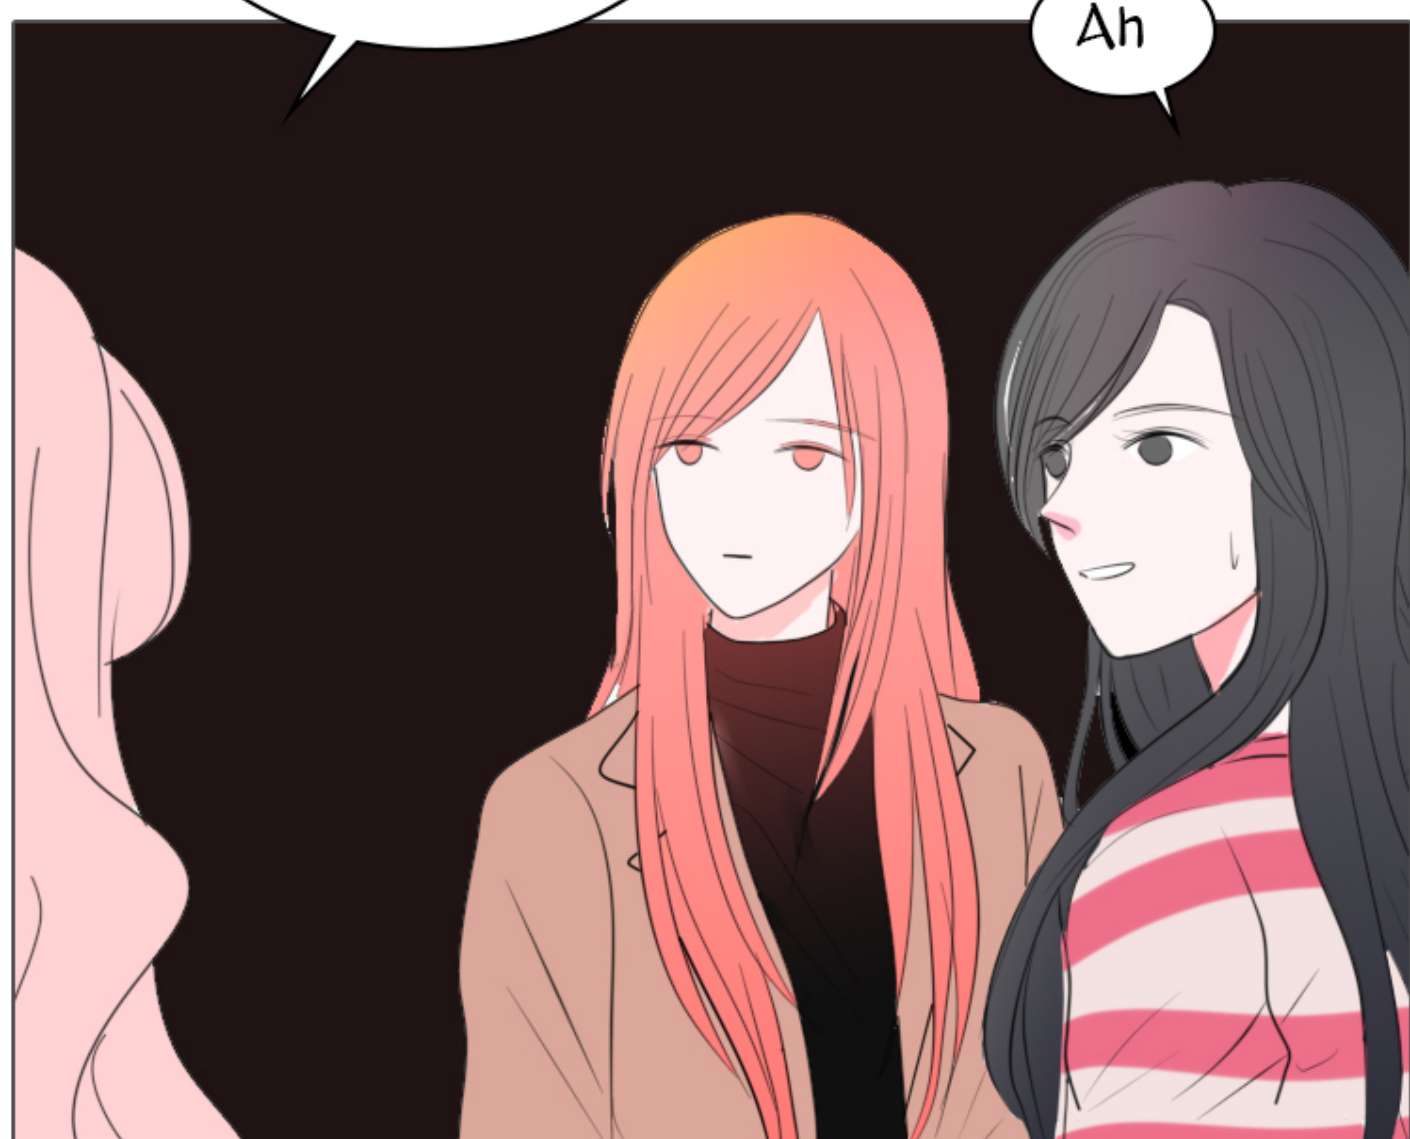

Jisoo yah~
I brought
some video
games for you
baby

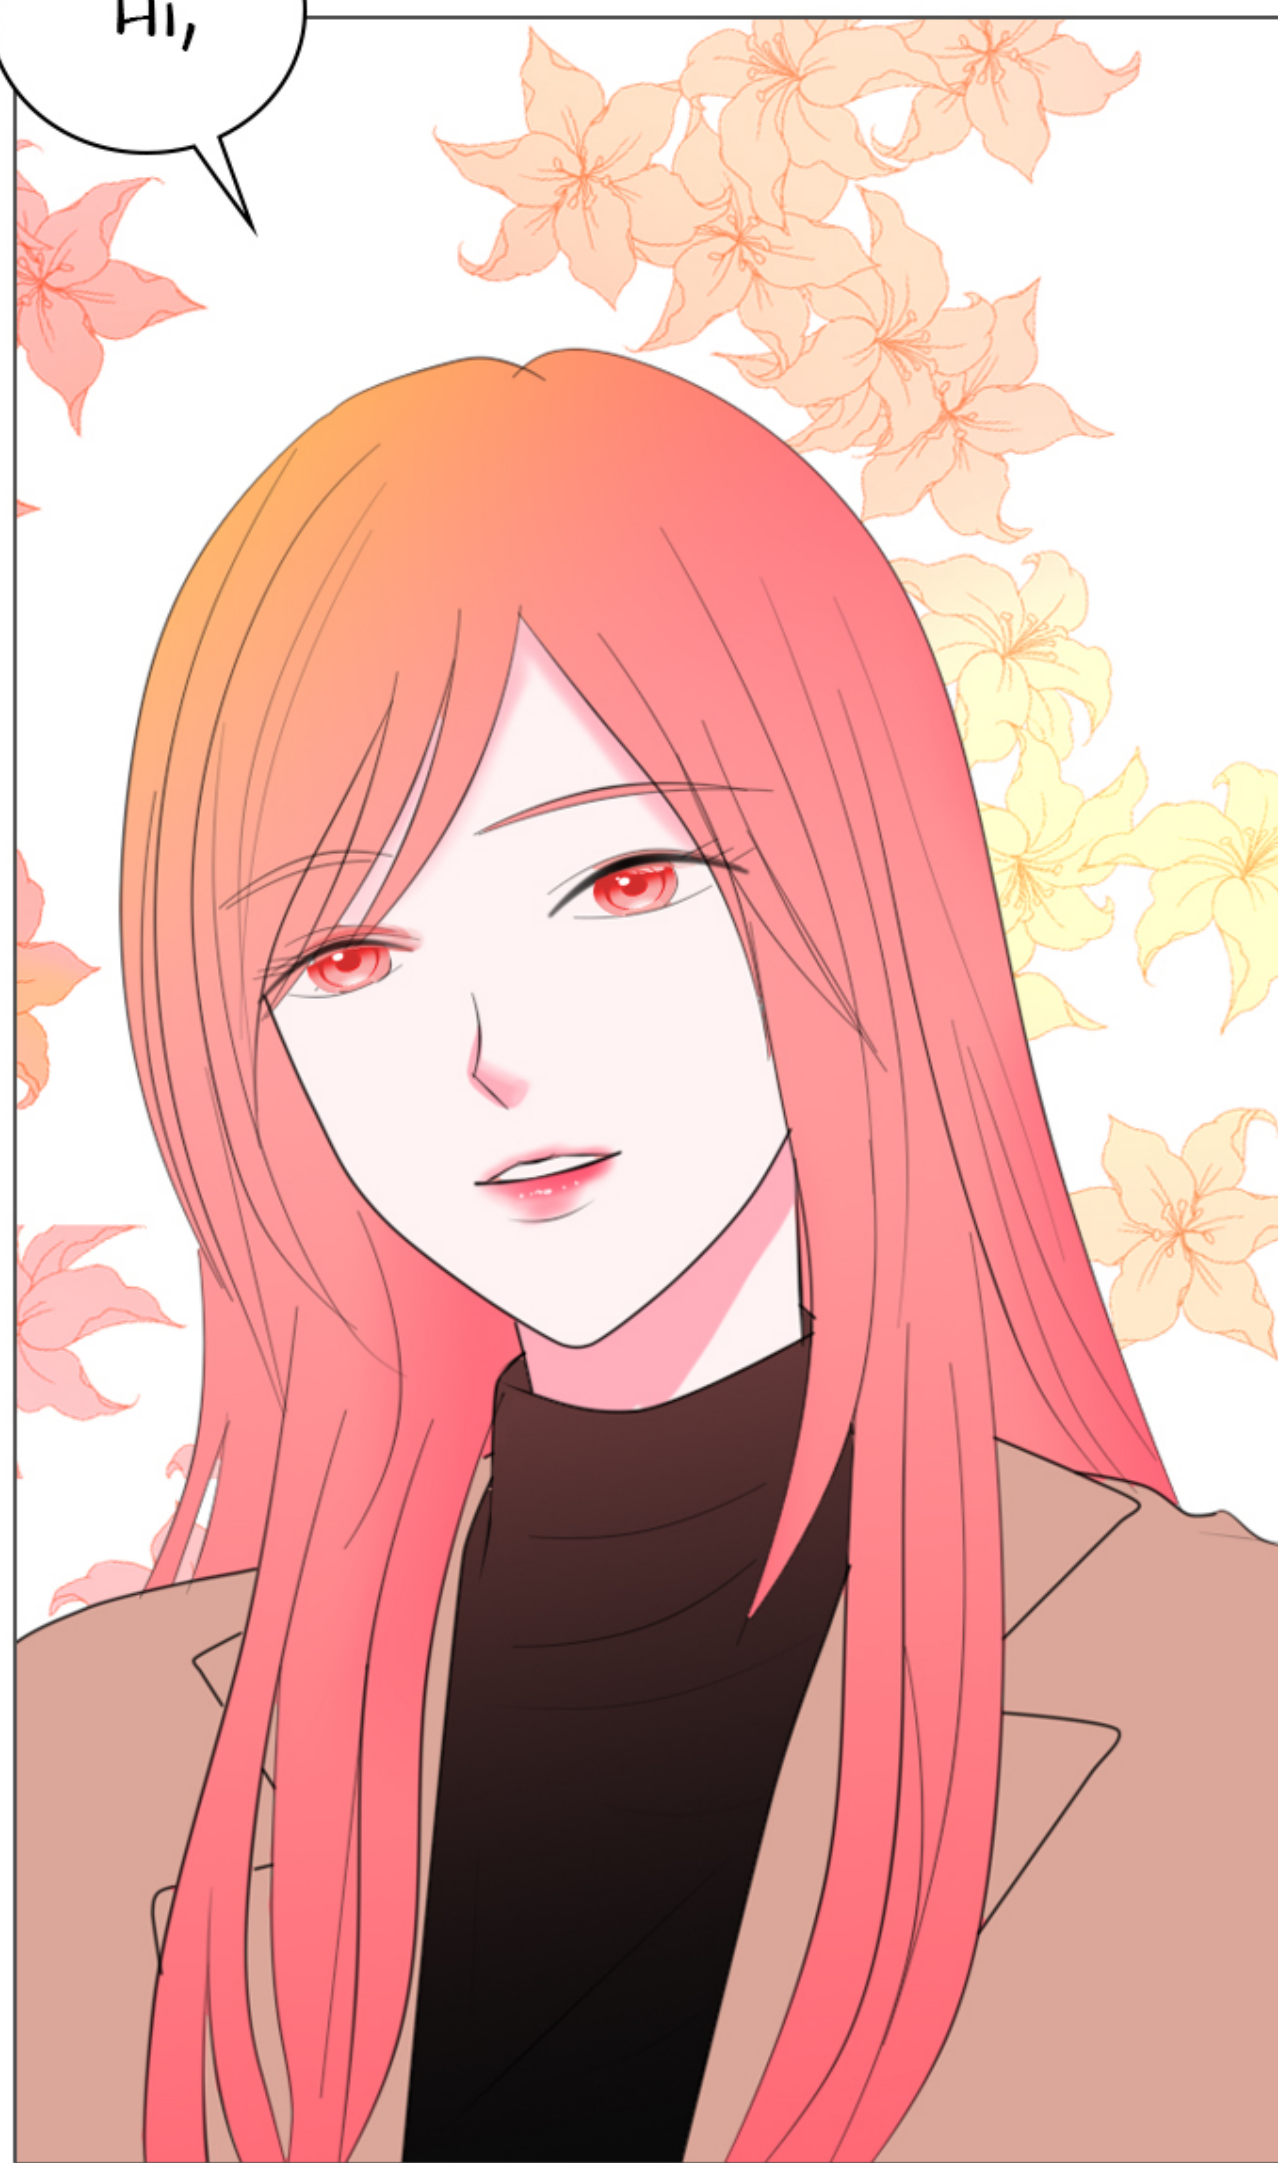

....

...Babe,
You said it will be
just the two of us

Ah

Hi,

I'll be staying
the night here
too
