Ah...

A pink-haired anime girl with a white star-shaped hair ornament is sitting on a large, pink, curved object. She is wearing a pink and white plaid dress. The background is dark with some purple and blue elements, possibly a stage or a set. A speech bubble is positioned above her, containing text.

Where... am I?
Ugh... I feel like
a pain through
my spine.

"Hm... I passed
out on the desert.
But who took me here?"

"I underestimated
this place... Myself
can't even withstand
the hot."

hmm

Ah... You
awake.

GENS
IMP

Oh, I'm sorry.
Didn't mean to
startle you.

My name is Kajuri.
It's nice to meet you.

What were you doing
out in the sand?

I was... travelling.
Looking for my friend.

In that gear? I saw
it automatically changed
from black to pink.

That was my battle
outfit. This is my
casual wear.

Ahaha, it was my magic. It's a lot to explain...

Heeehhh... Such a great technology. Clothes auto changed when you unconscious.

Hmmm... Is that so...

Please don't keep
staring at me...

Because this is
my first time seeing
a half-human type.

Animal ears...

Also, that fluffy
tail of yours...

It made me has a
feeling to dive into
and rest on it...

You seem to be very excited. Maybe next time, I will show you more, Kajuri.

There are 2 person
I know. Probably,
you can see her at
Inazuma.

Really!?! Promise
me that you will take
me to there sometime!

I can't tell, because
right now, there's
someone that I have
to find.

Your friend? Is that person important to you?

A bit stubborn, but he is a good one.

By the way, thank
you again for saving
me on that desert.

I won't allow you to
risk yourself out there!

Why? We just
only met...

Kajuri is right,
stranger.

Without the proper
gear, you will get lost
and dry on the desert!

A character with a red and gold outfit is shown from the waist up. The outfit features intricate gold patterns on a red background. The character has a large, ornate gold and red collar with a white gem. A speech bubble is positioned to the right of the character's head.

You won't know
what is waiting for
you on this land of sand.

Hilichurls, wild animal,...
And worse, sandstorm.

But if you eager to leave, we won't stop you.

Also, luck may not
on your side next time.

"She's right... I would have been a corpse if it hadn't for Kajuri..."

A close-up illustration of a young woman with long, straight pink hair. She is wearing a pink and white plaid dress with a large white bow at the collar. Her eyes are closed, and she has a slightly sad or thoughtful expression. The background is a blurred desert landscape with reddish-brown rock formations under a purple and blue sky. A speech bubble is positioned to the left of her head.

Ah... I don't think I will ever get used to this desert.

My name is Yuriko.
May I ask for your
assistance, Miss...

Mother Babel.

I'm a leader of
a tribe, everyone
usually call me that.

And I'm Kajuri! It's
nice to have you join
us, Yuriko!

I heard you were looking
for someone. Same as
you, I was, too.

Then, it seem that
we have the exact goal.

Two of my childs
went missing when
they reach Sumeru.

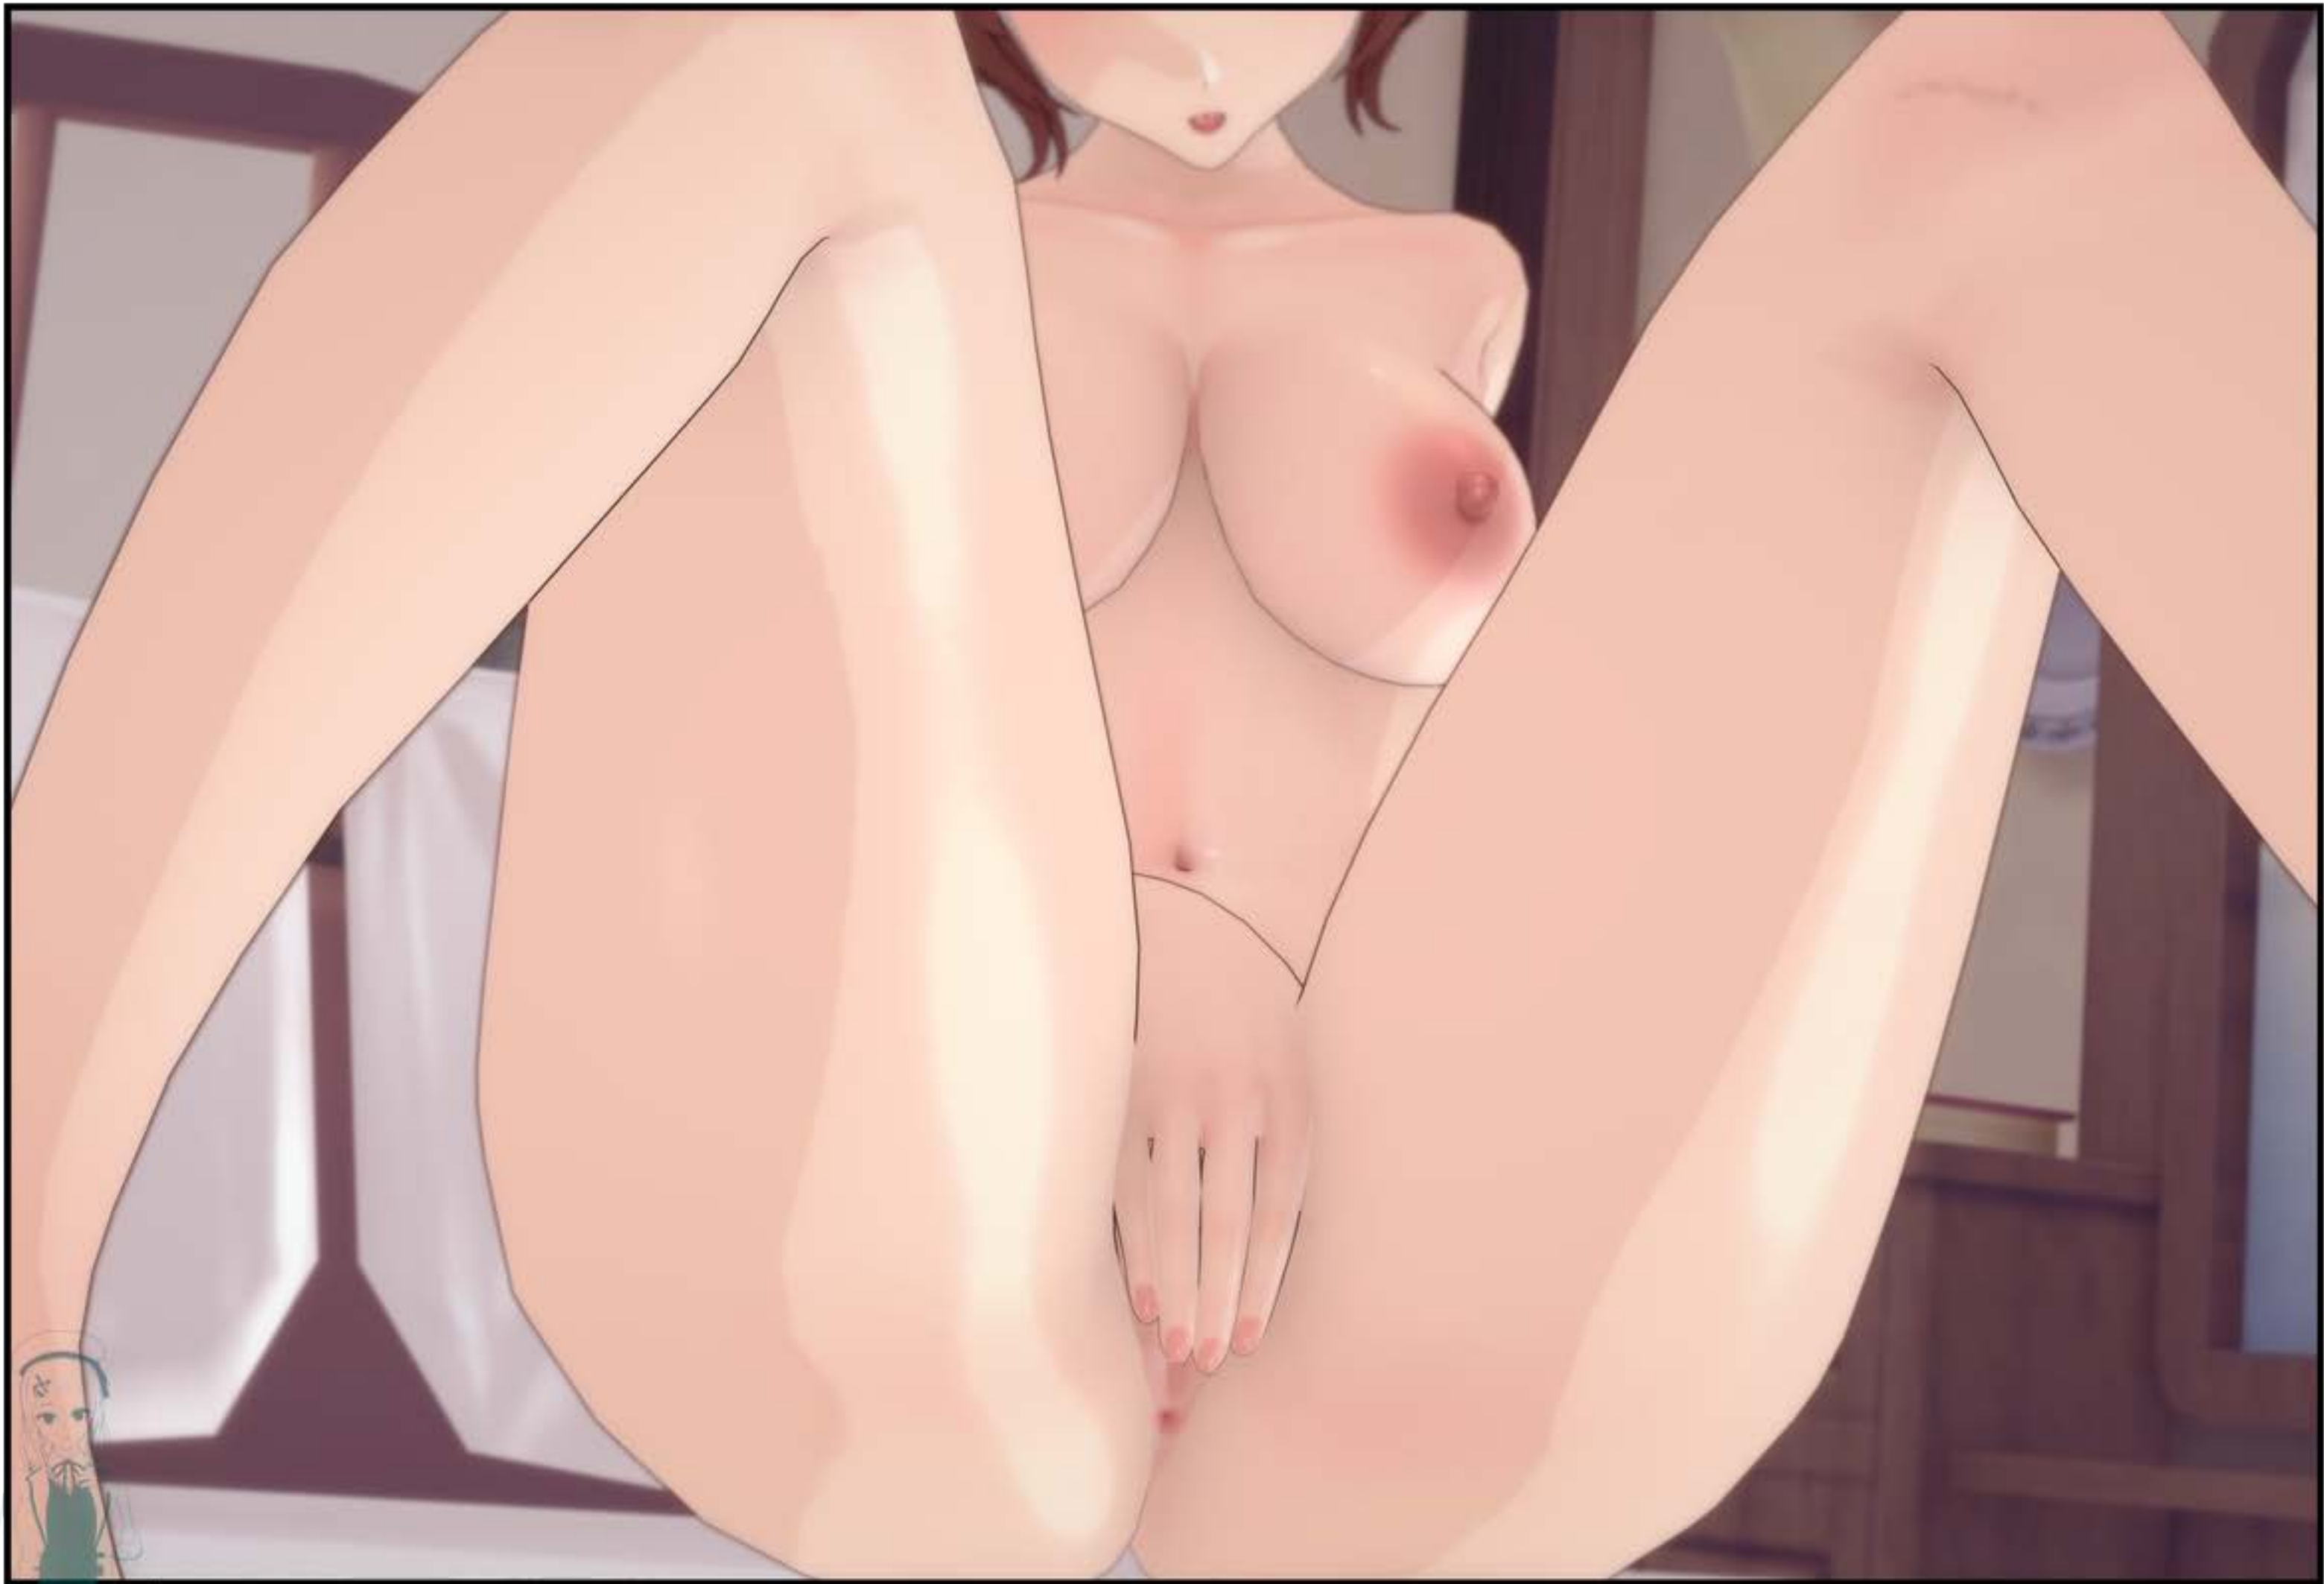

Where are you
going to find them?

A village near the gate that you passed to enter this desert.

I'm sure that your
friend may stop there
to take a rest and
information.

I'm... going to...
climax now!!!

Heh... Masturbation never fail me...

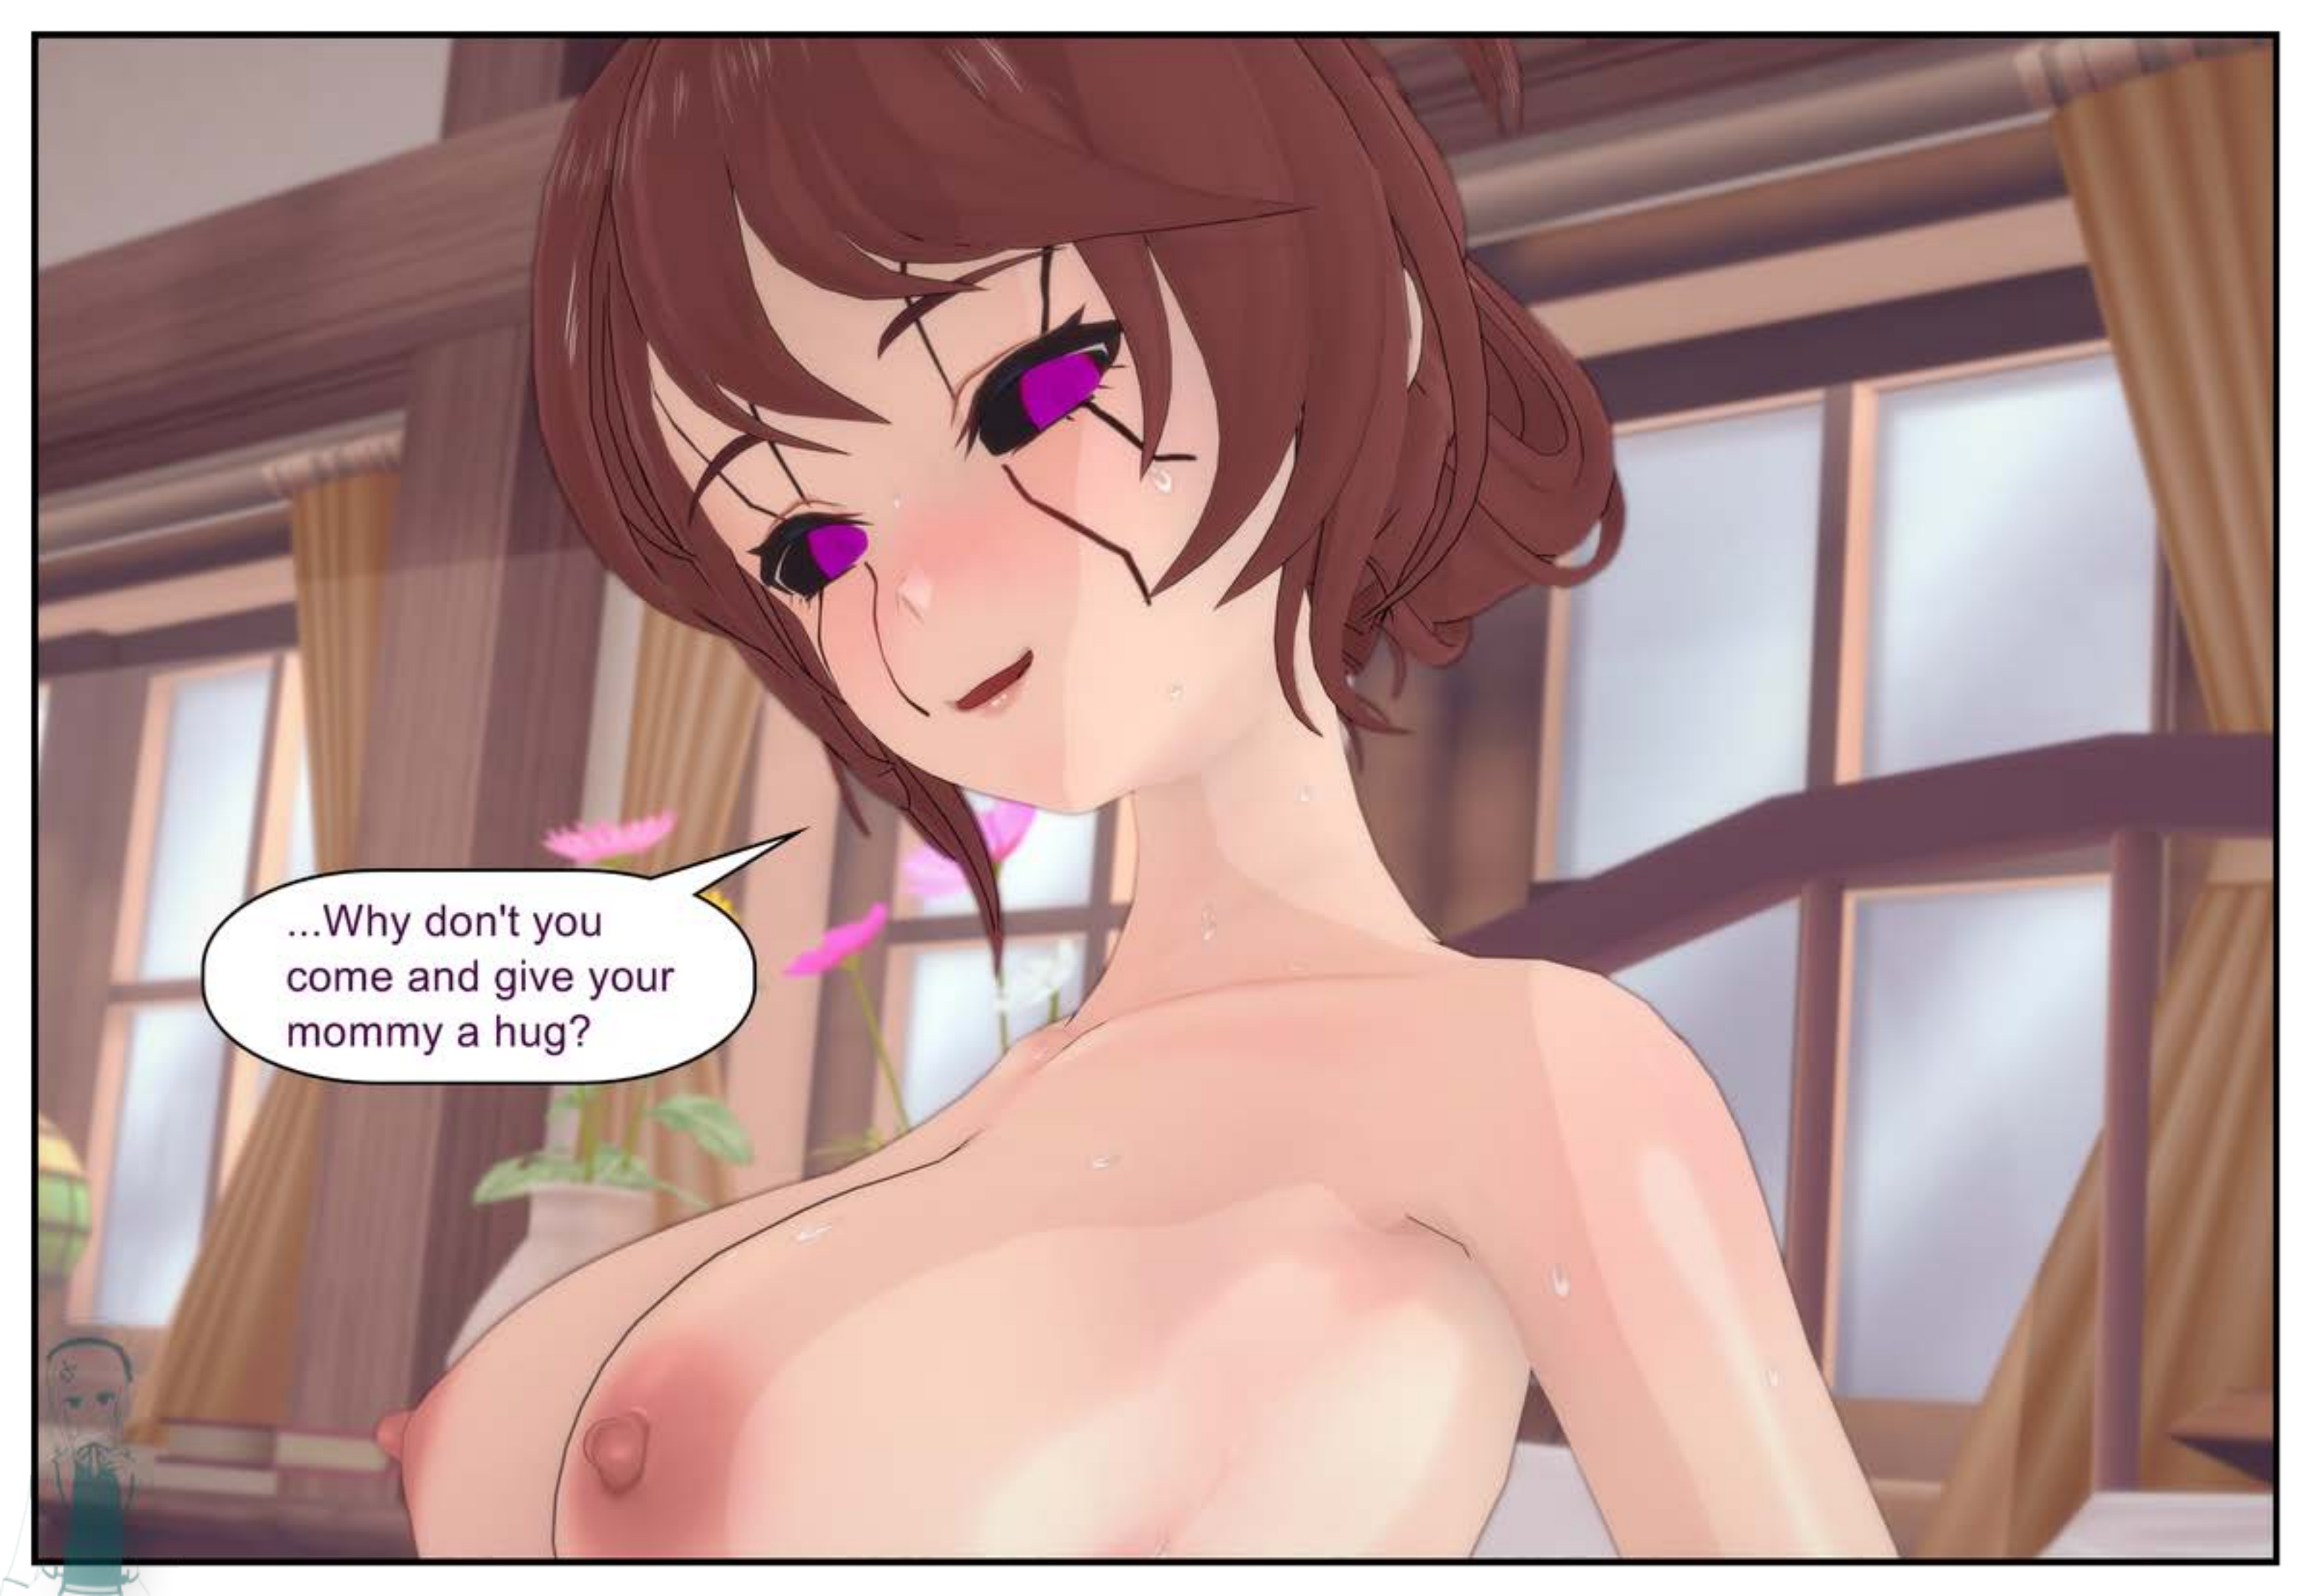

What should I do
more with this body...

Hi there, my
little daughter...

...Why don't you
come and give your
mommy a hug?

You are not...
my mother...

That hurt. If I'm not,
then who is?

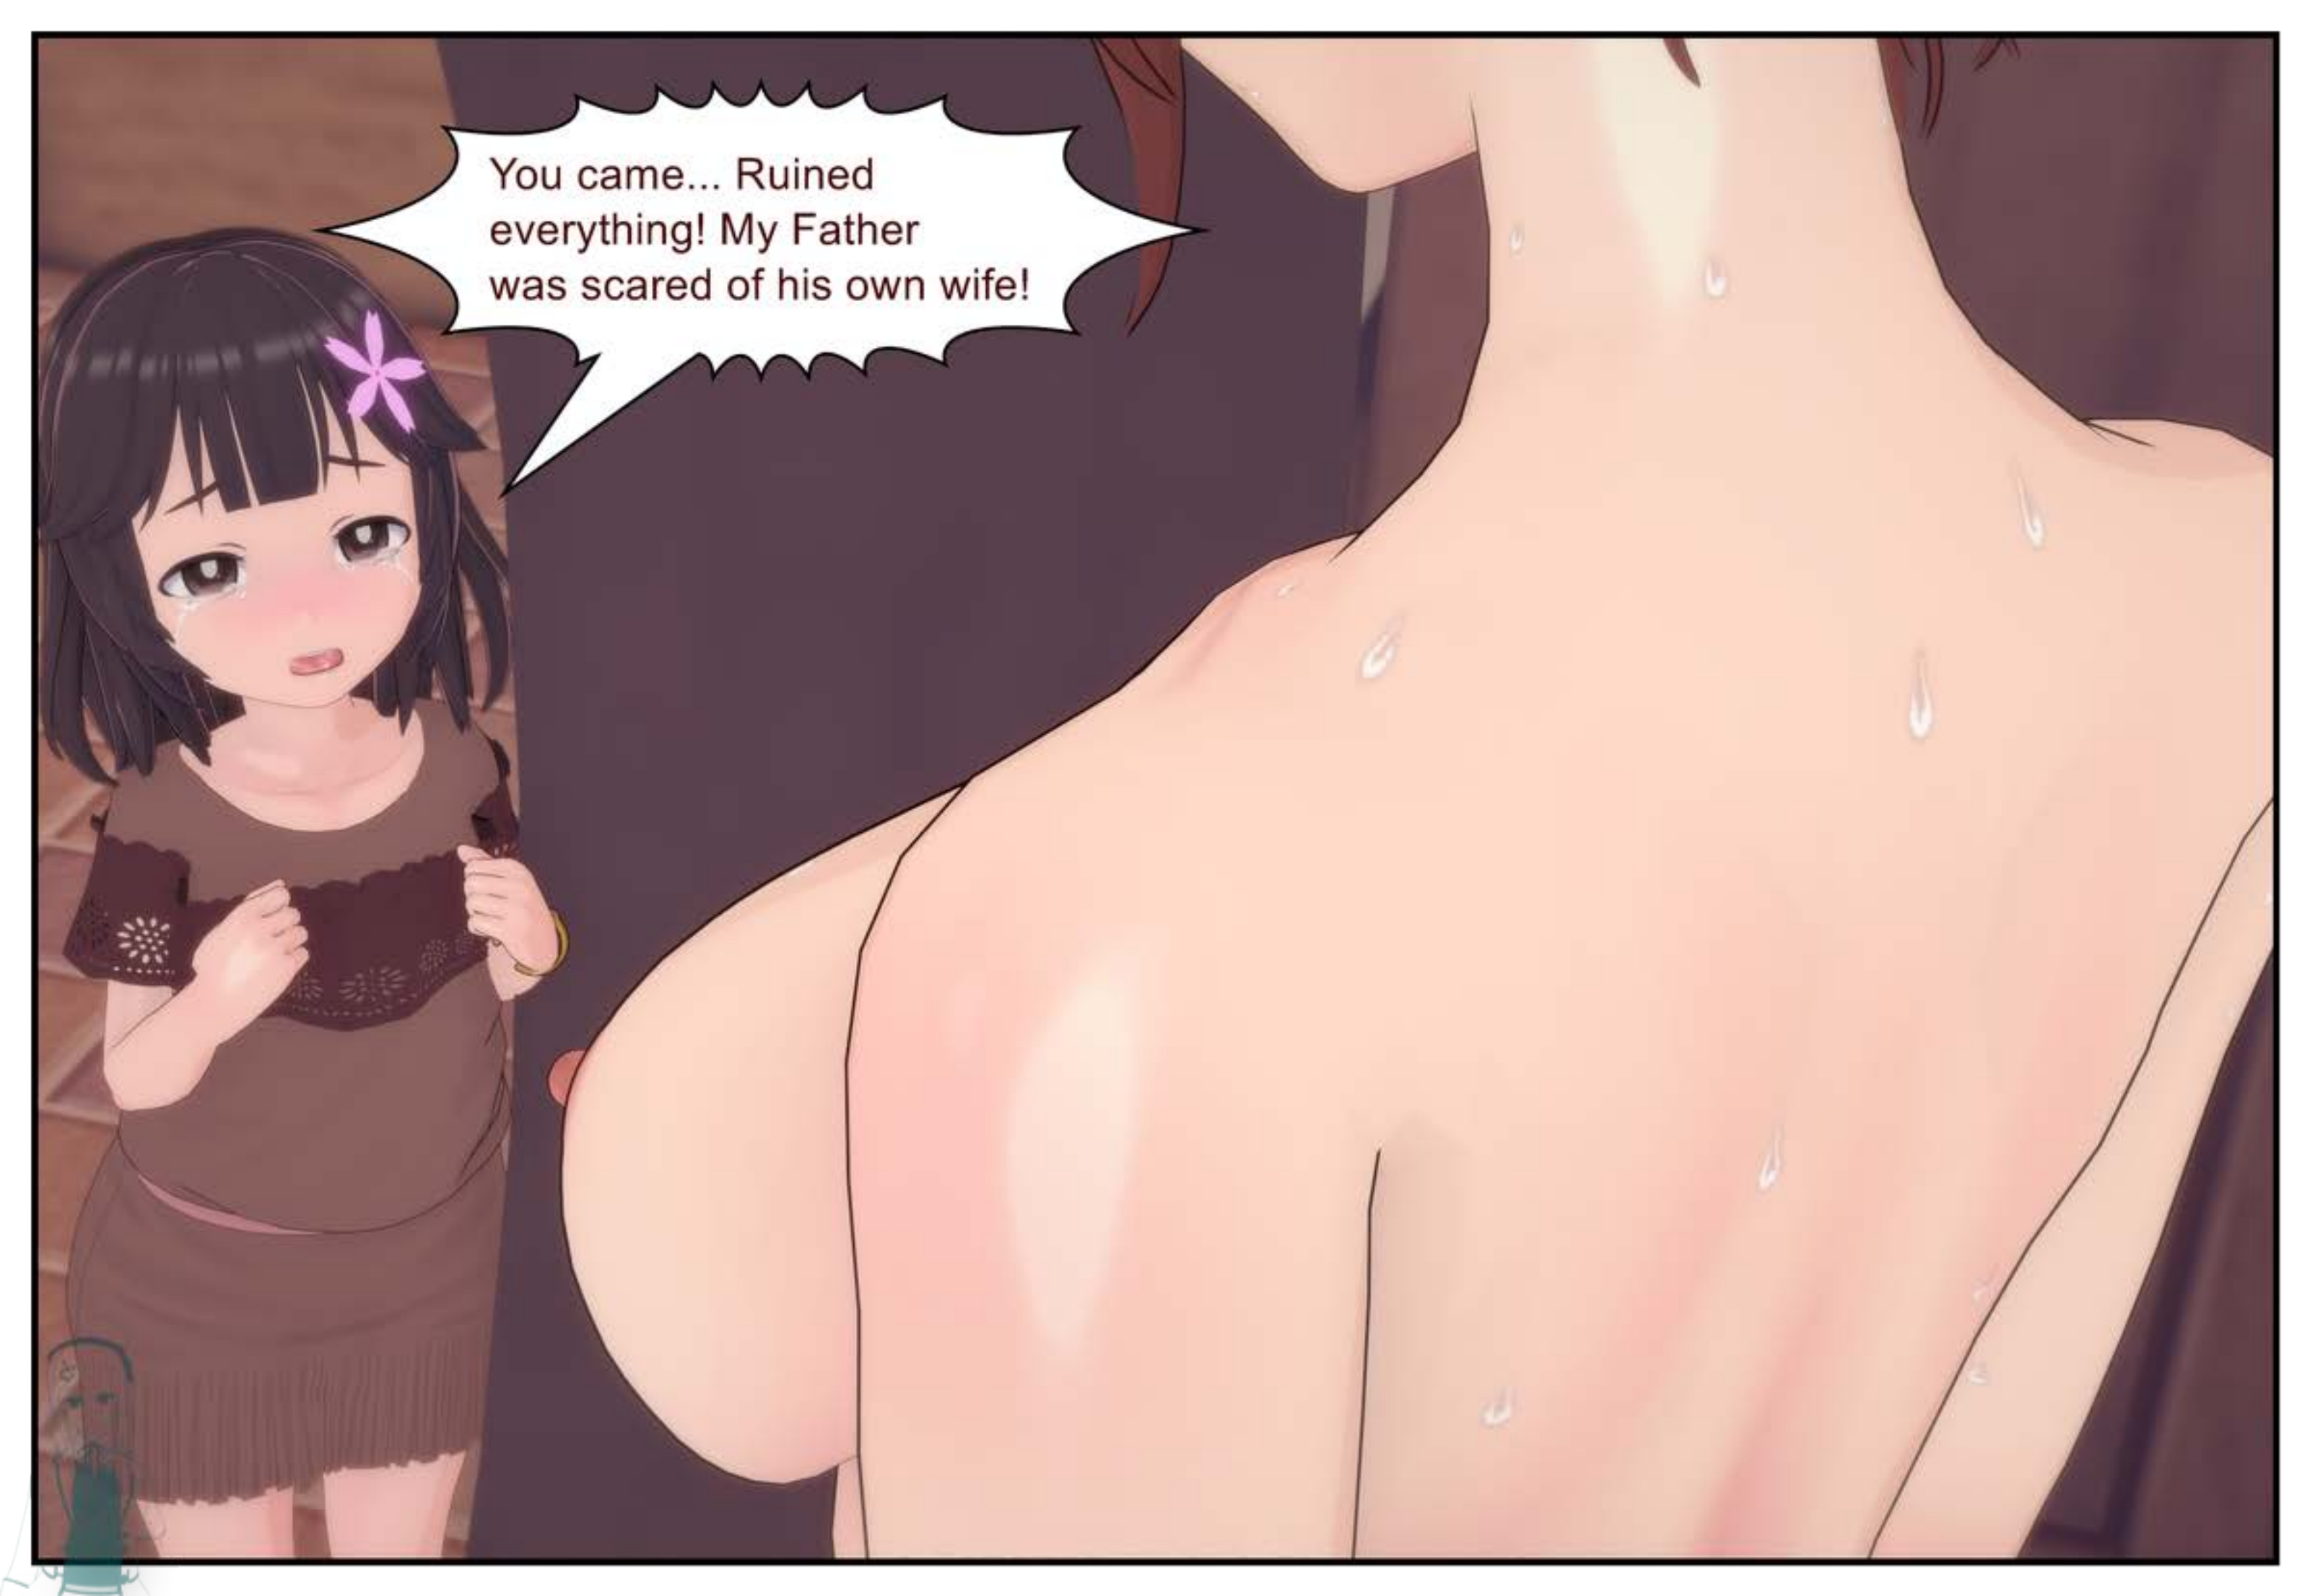

She is not a person like you, she is a good wife and a great mother to me.

My Mom always help everyone in the village. Even if it a hard task.

She put her family
first, we were living
peacefully day by day.

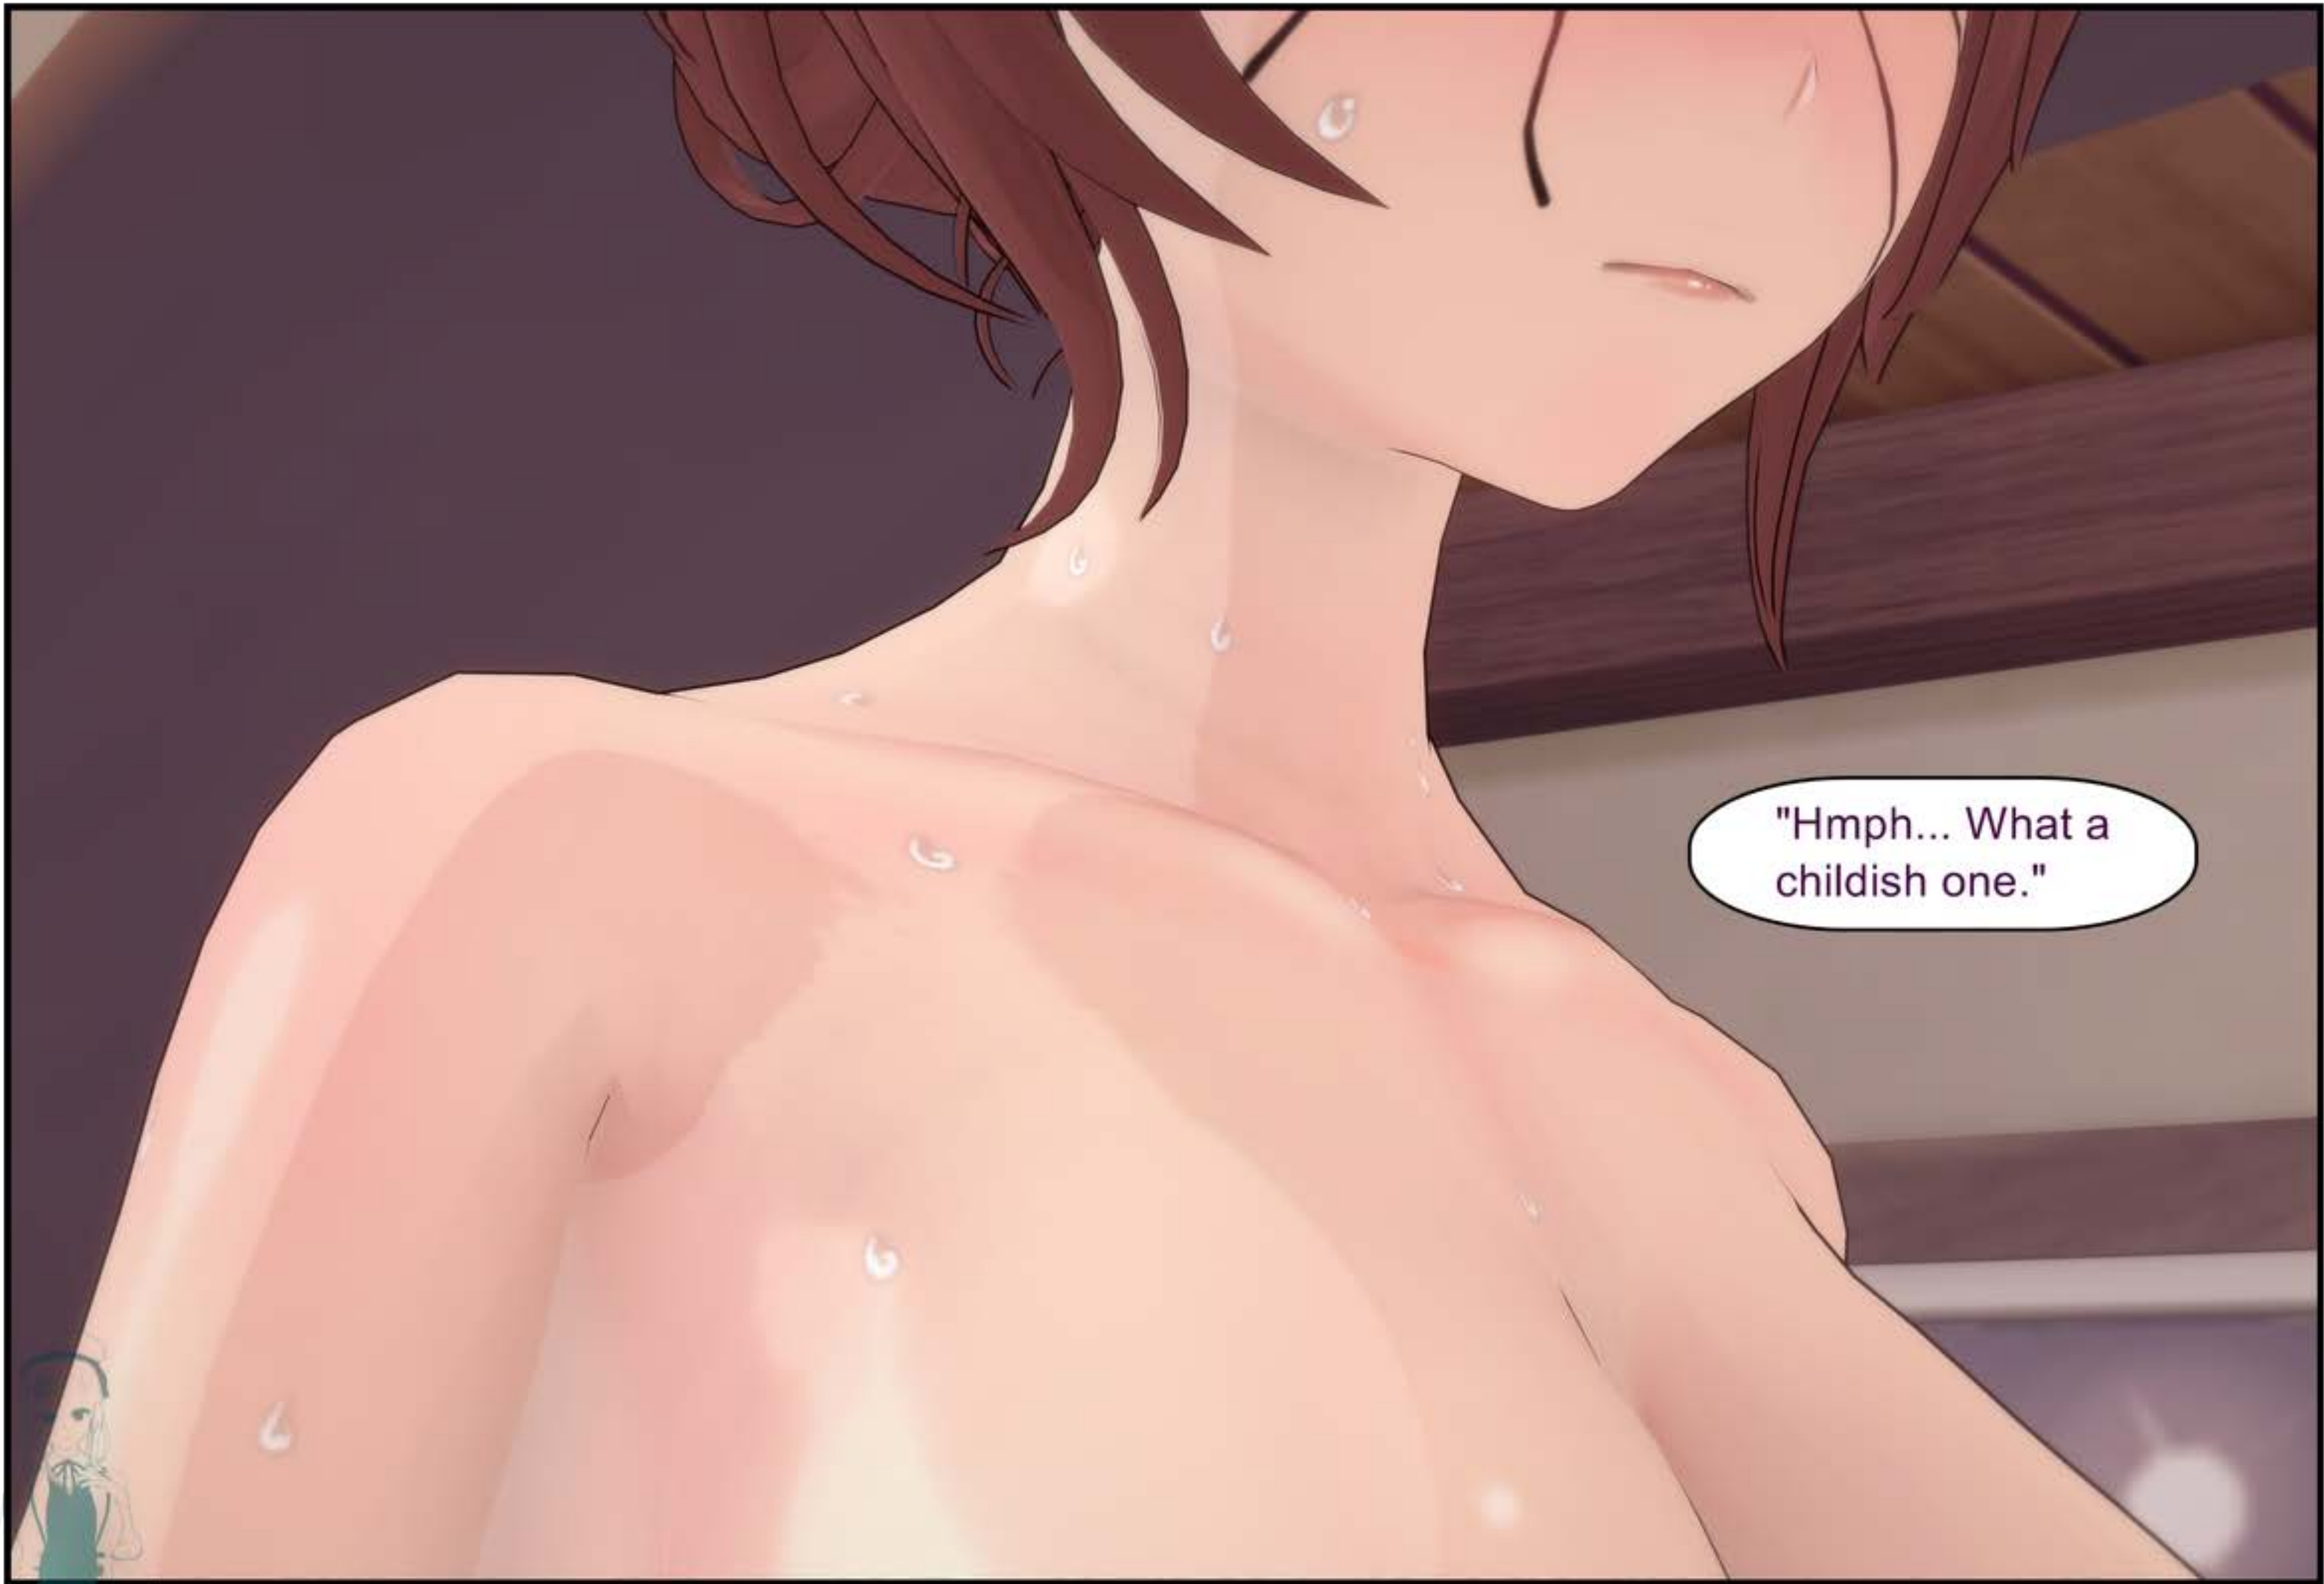

You came... Ruined everything! My Father was scared of his own wife!

You were truly an evil being! Destroy other family!

"Hmph... What a childish one."

A large, nude, glowing female figure is the central focus of the image. She has a pale, almost white skin tone with a bright yellowish-gold glow emanating from her body. Her pose is somewhat awkward, with her right arm raised and her left arm resting on her hip. The background shows a room with a wooden door, a framed picture on the wall, and a dark shadow on the right side. A speech bubble is positioned above her head.

"Of course, I
am an evil ghost."

"A kid word is nothing to me. Instead, I enjoy it."

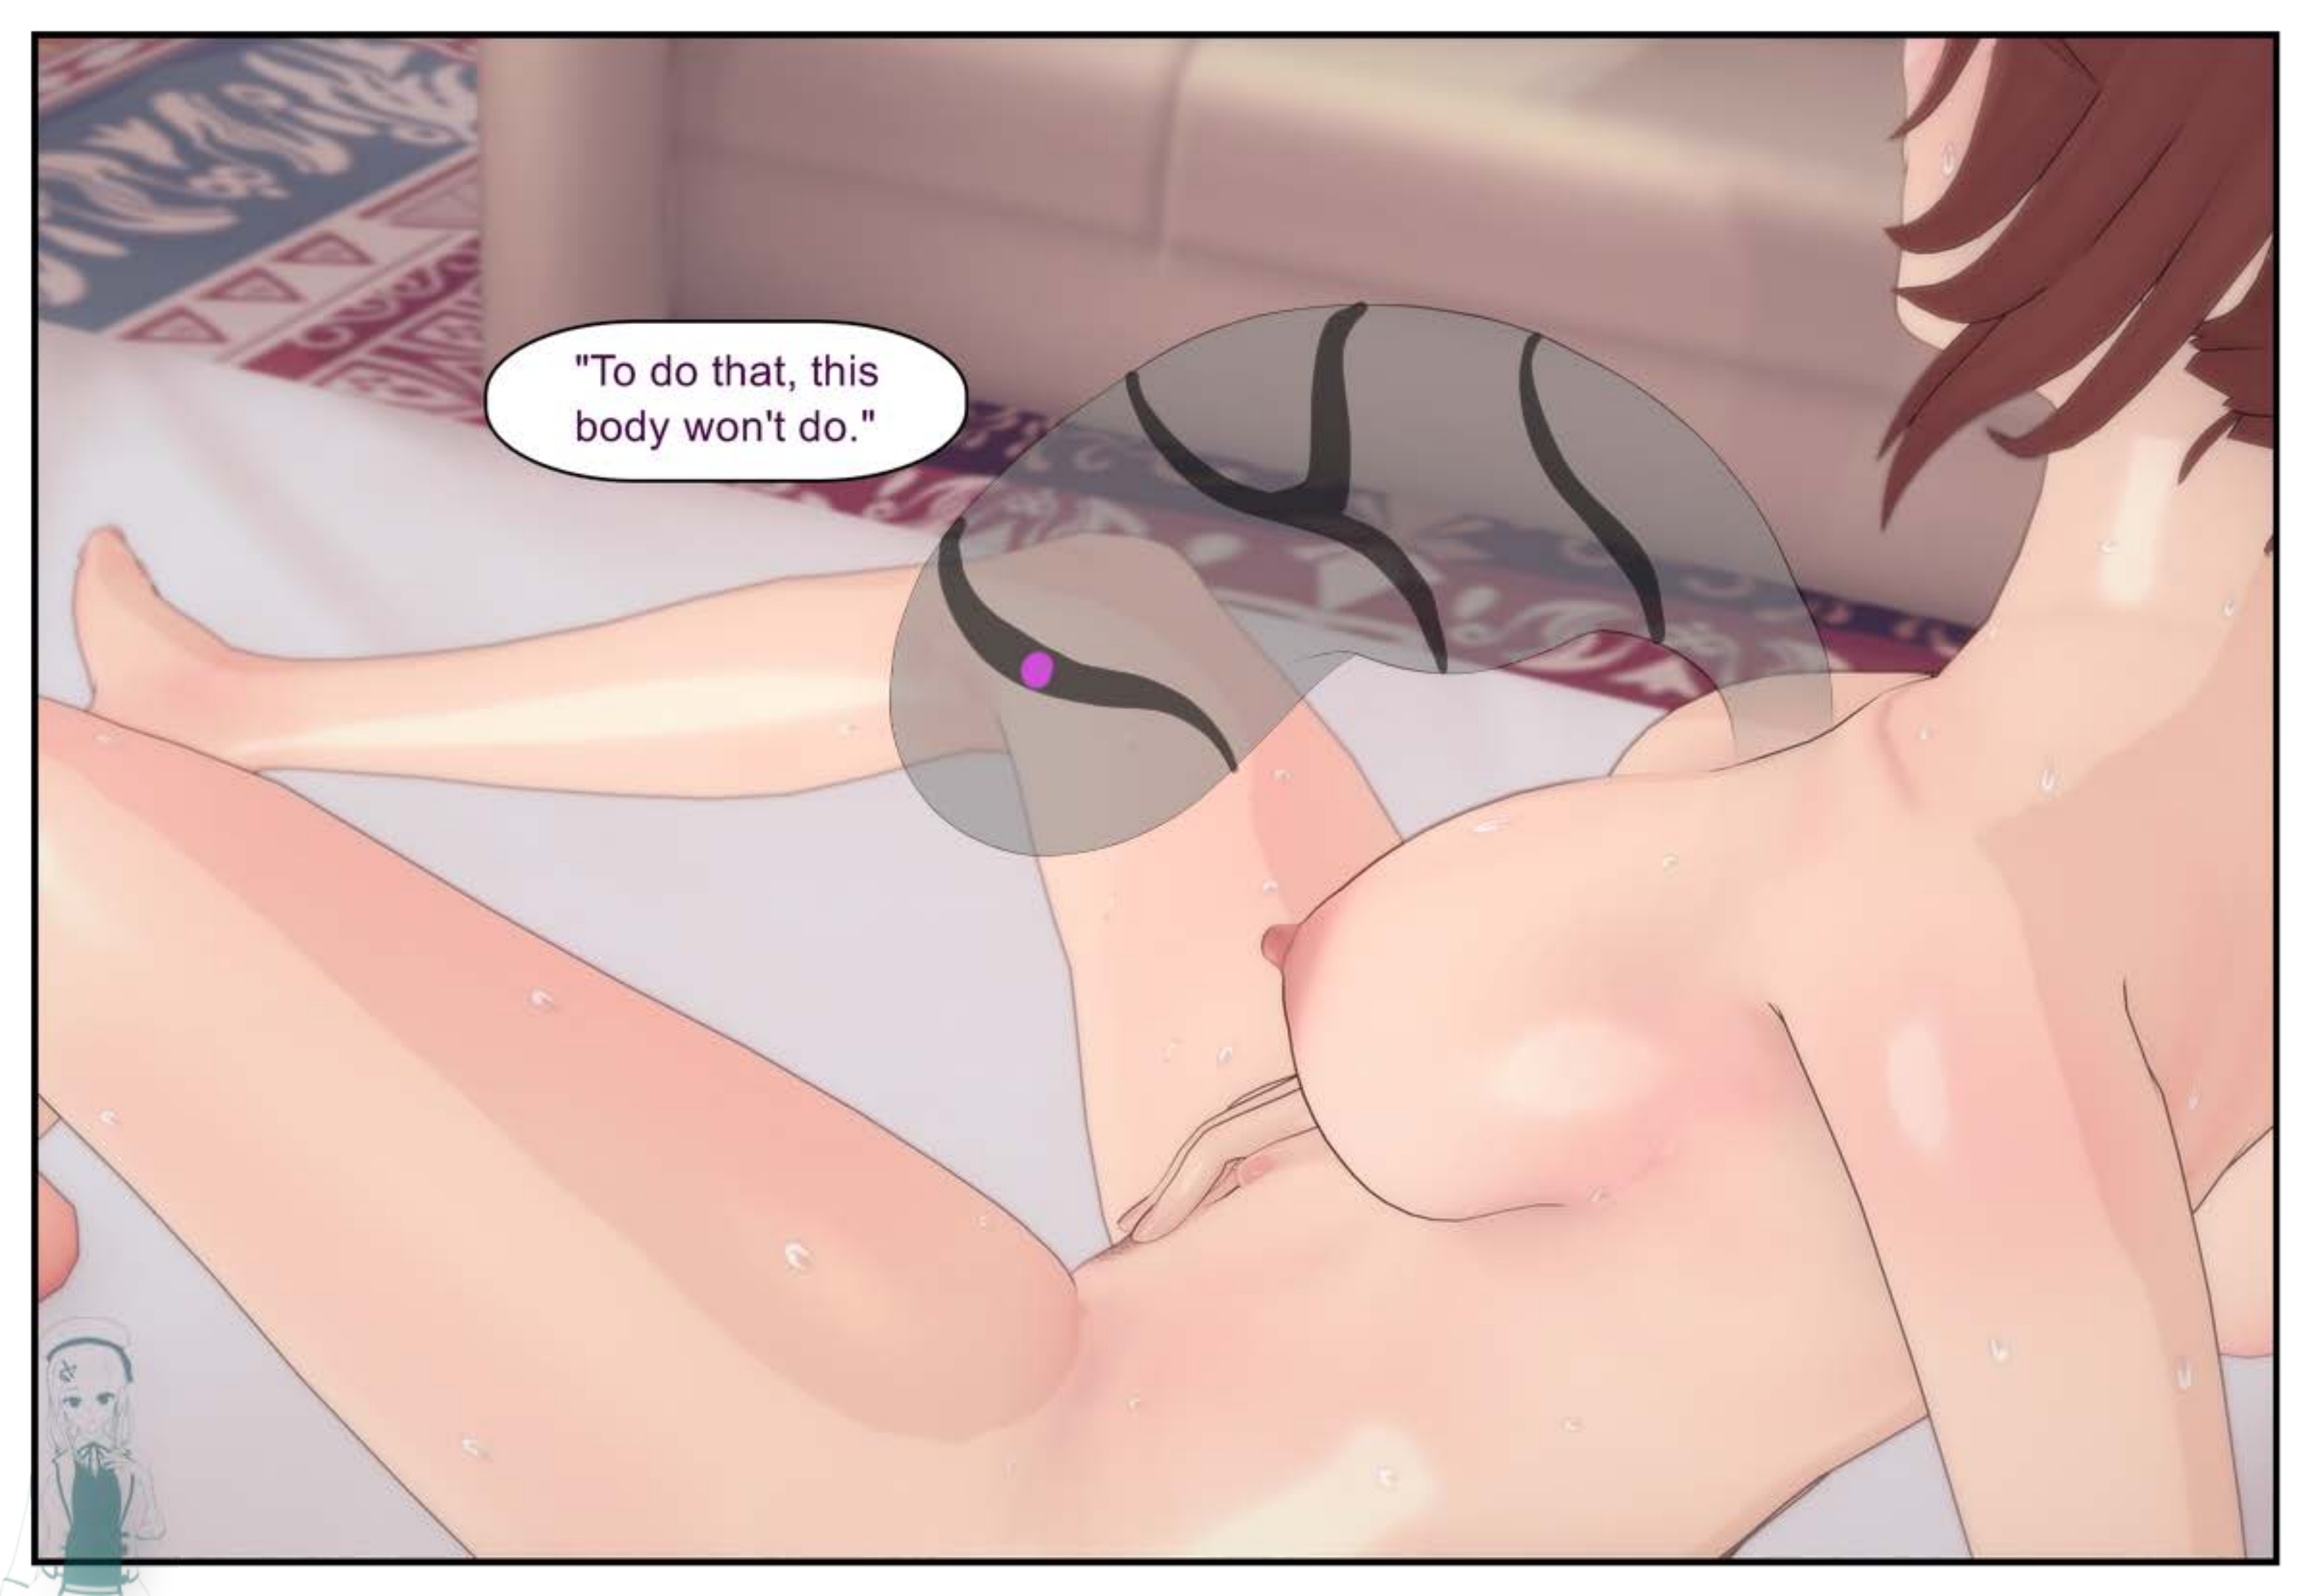

"It seem that I started to lost track of my mission."

"To turn this world
into my new home."

A manga-style illustration showing a close-up of a woman's body, including her legs, torso, and breasts. She has a distressed expression, with sweat drops on her skin. A semi-transparent, grey, ghostly overlay of her face is positioned over her chest area. The overlay shows her eyes closed and a purple mark on her forehead. In the background, a patterned rug is visible. A speech bubble is located in the upper left quadrant.

"To do that, this
body won't do."

"I wonder if there's anyone enough..."

"Guess I will stay
in this one until then."

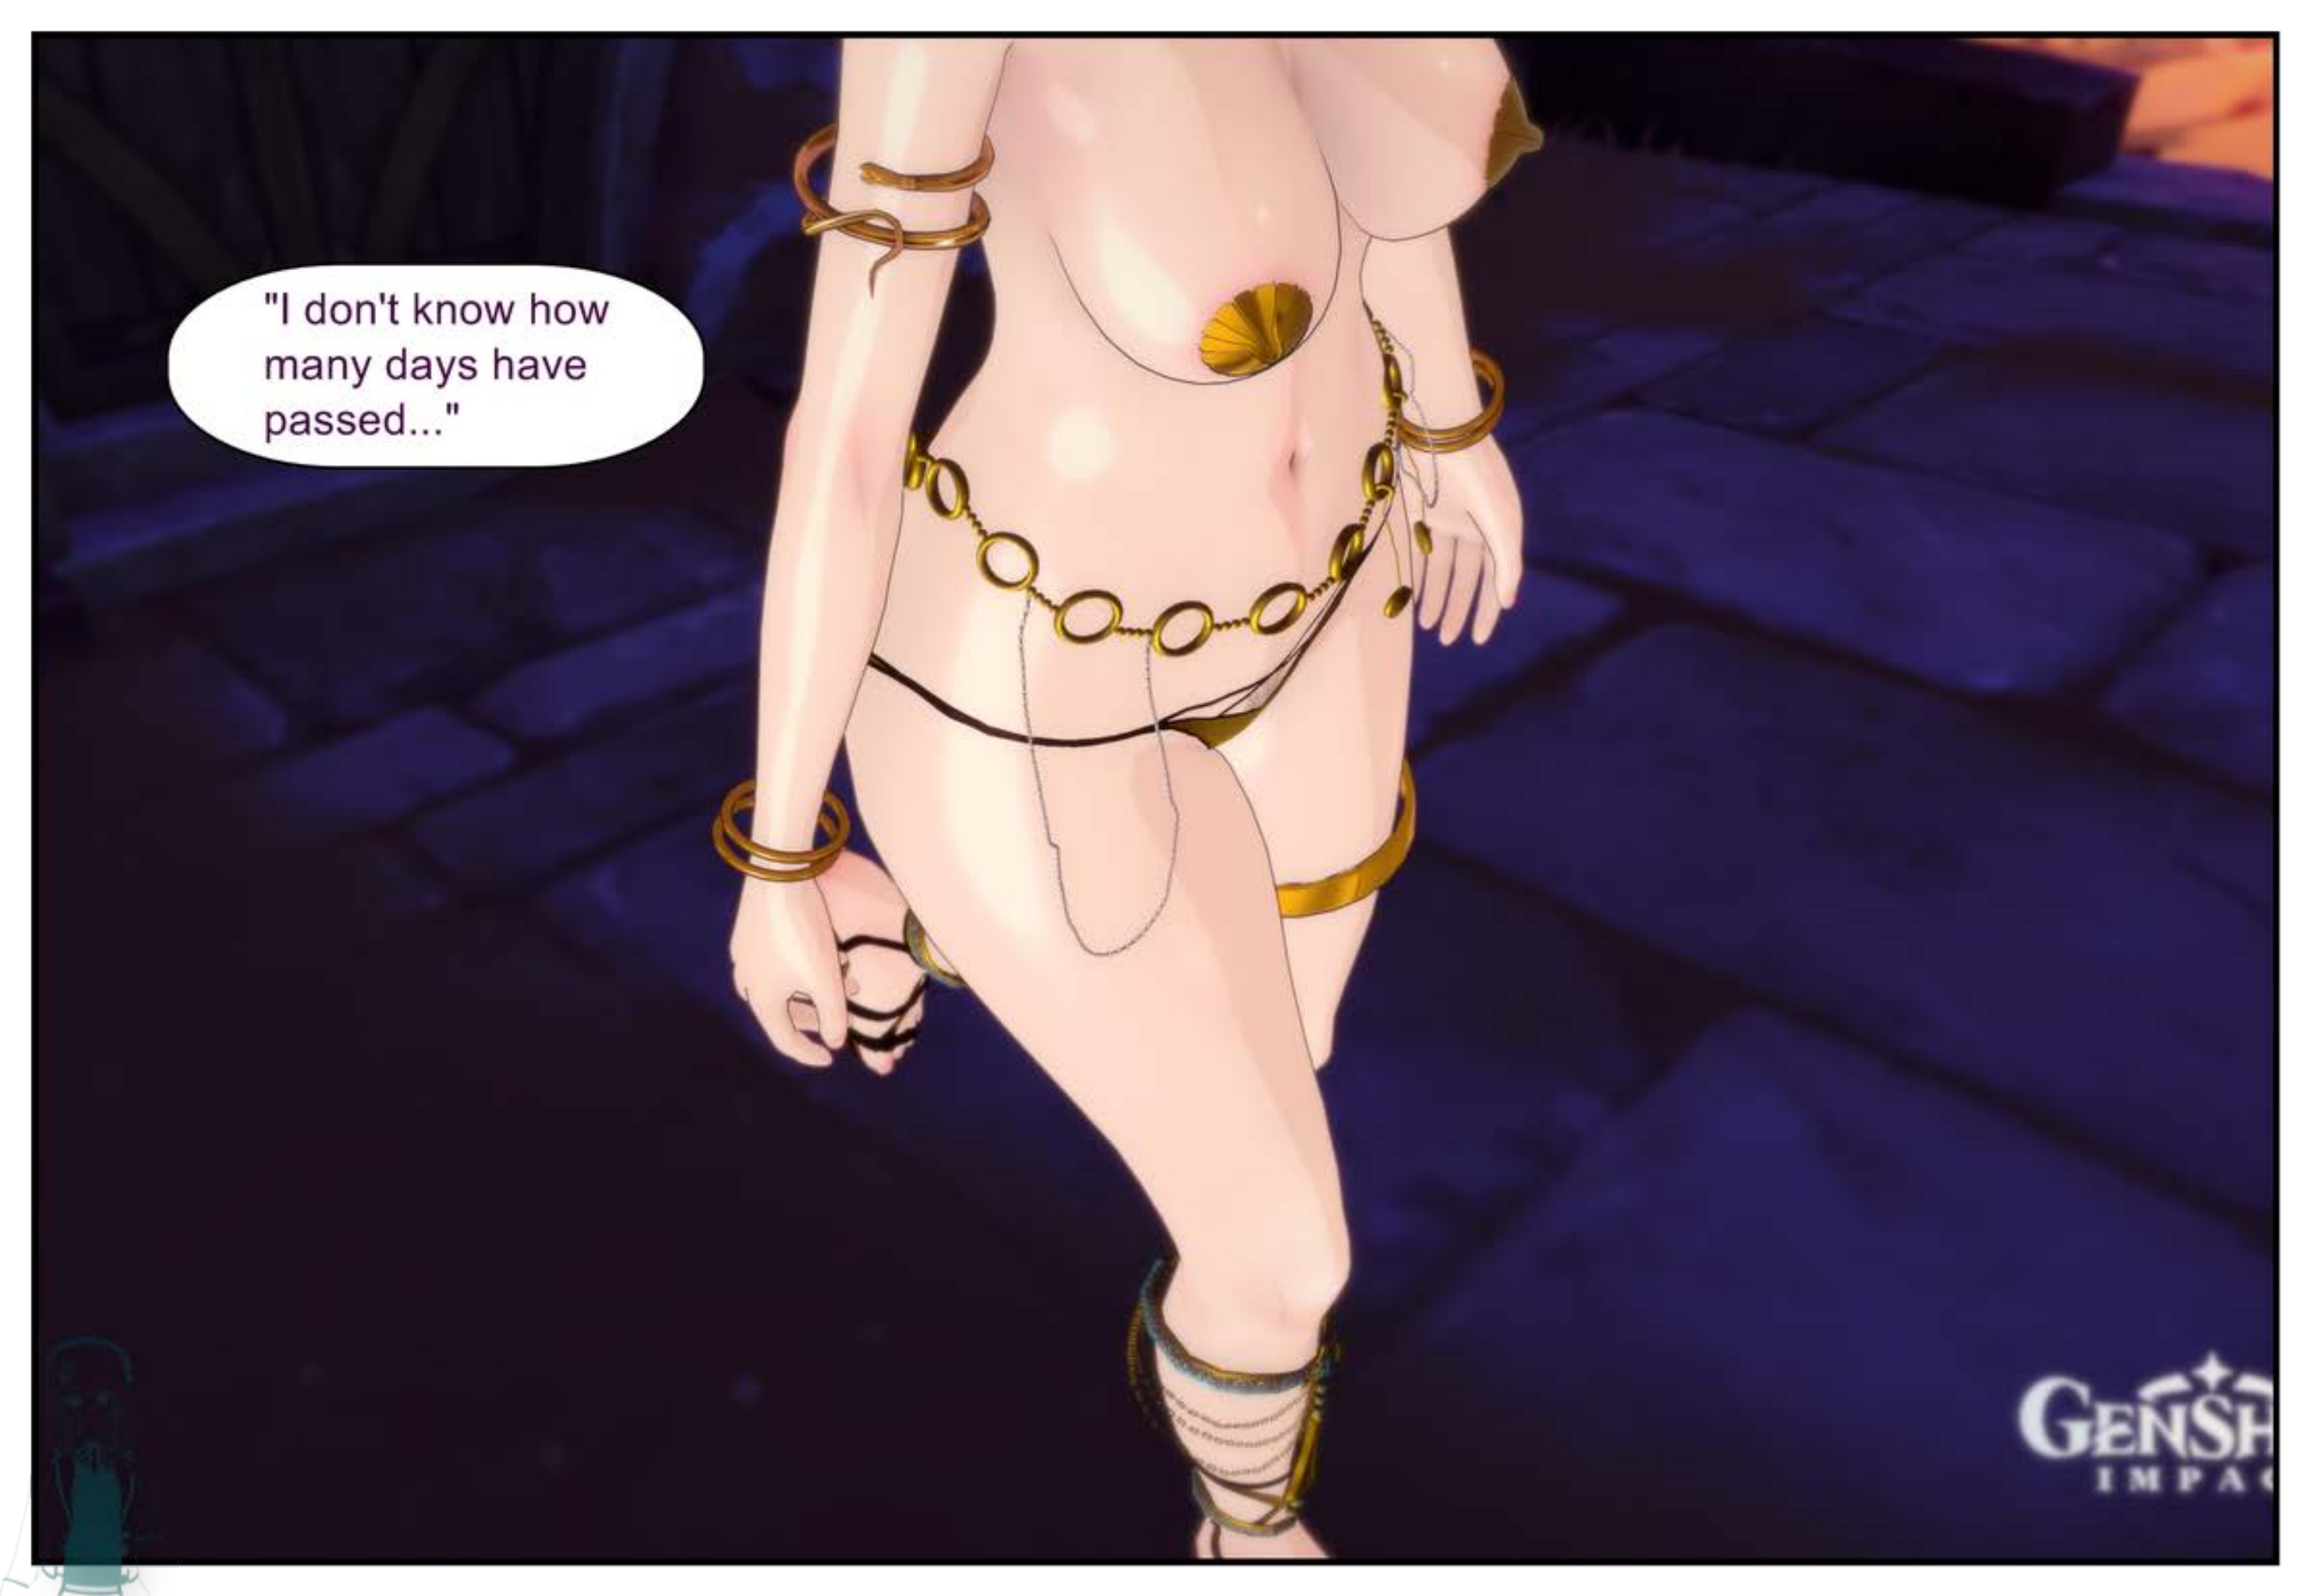

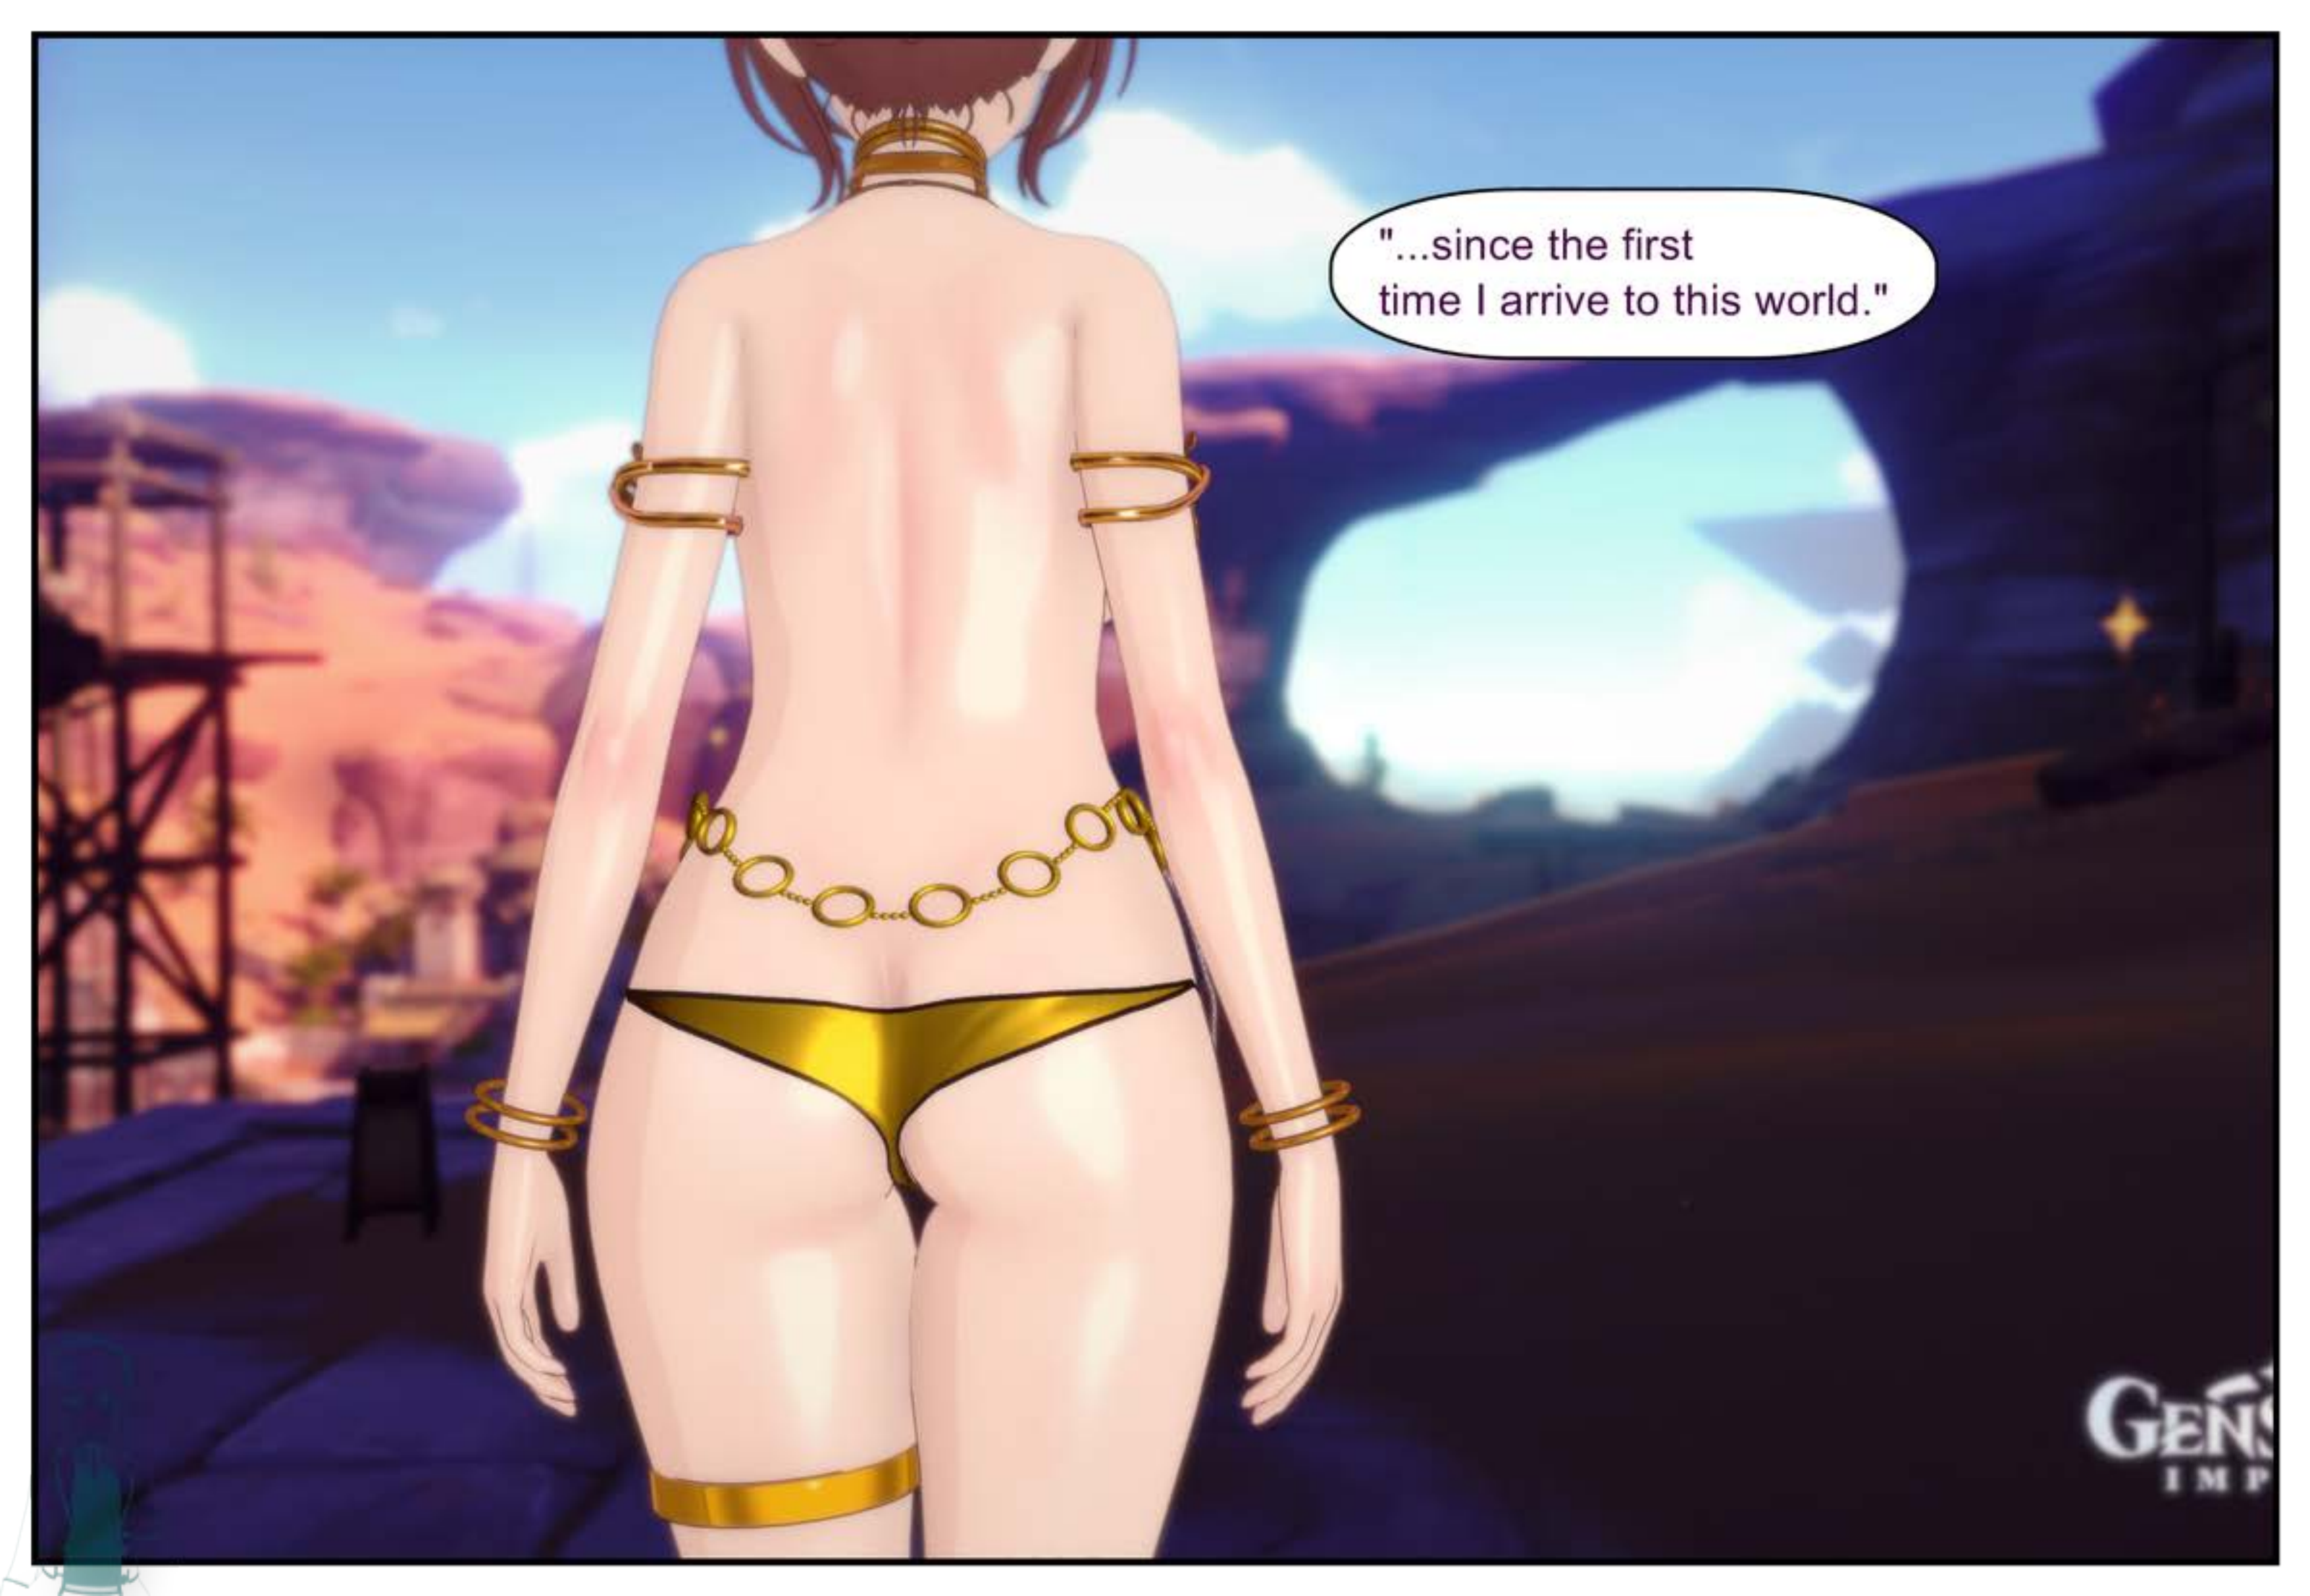

Going out should
be in the new outfit,
isn't that right?

"I don't know how many days have passed..."

"...since the first
time I arrive to this world."

A character with short brown hair, wearing a white, form-fitting outfit with gold jewelry, is shown in profile. The background is a desert landscape with purple and orange rock formations and a small village. A speech bubble is positioned to the right of the character.

"Been through many things..."

"But freedom is still the best."

Didn't we meet once?

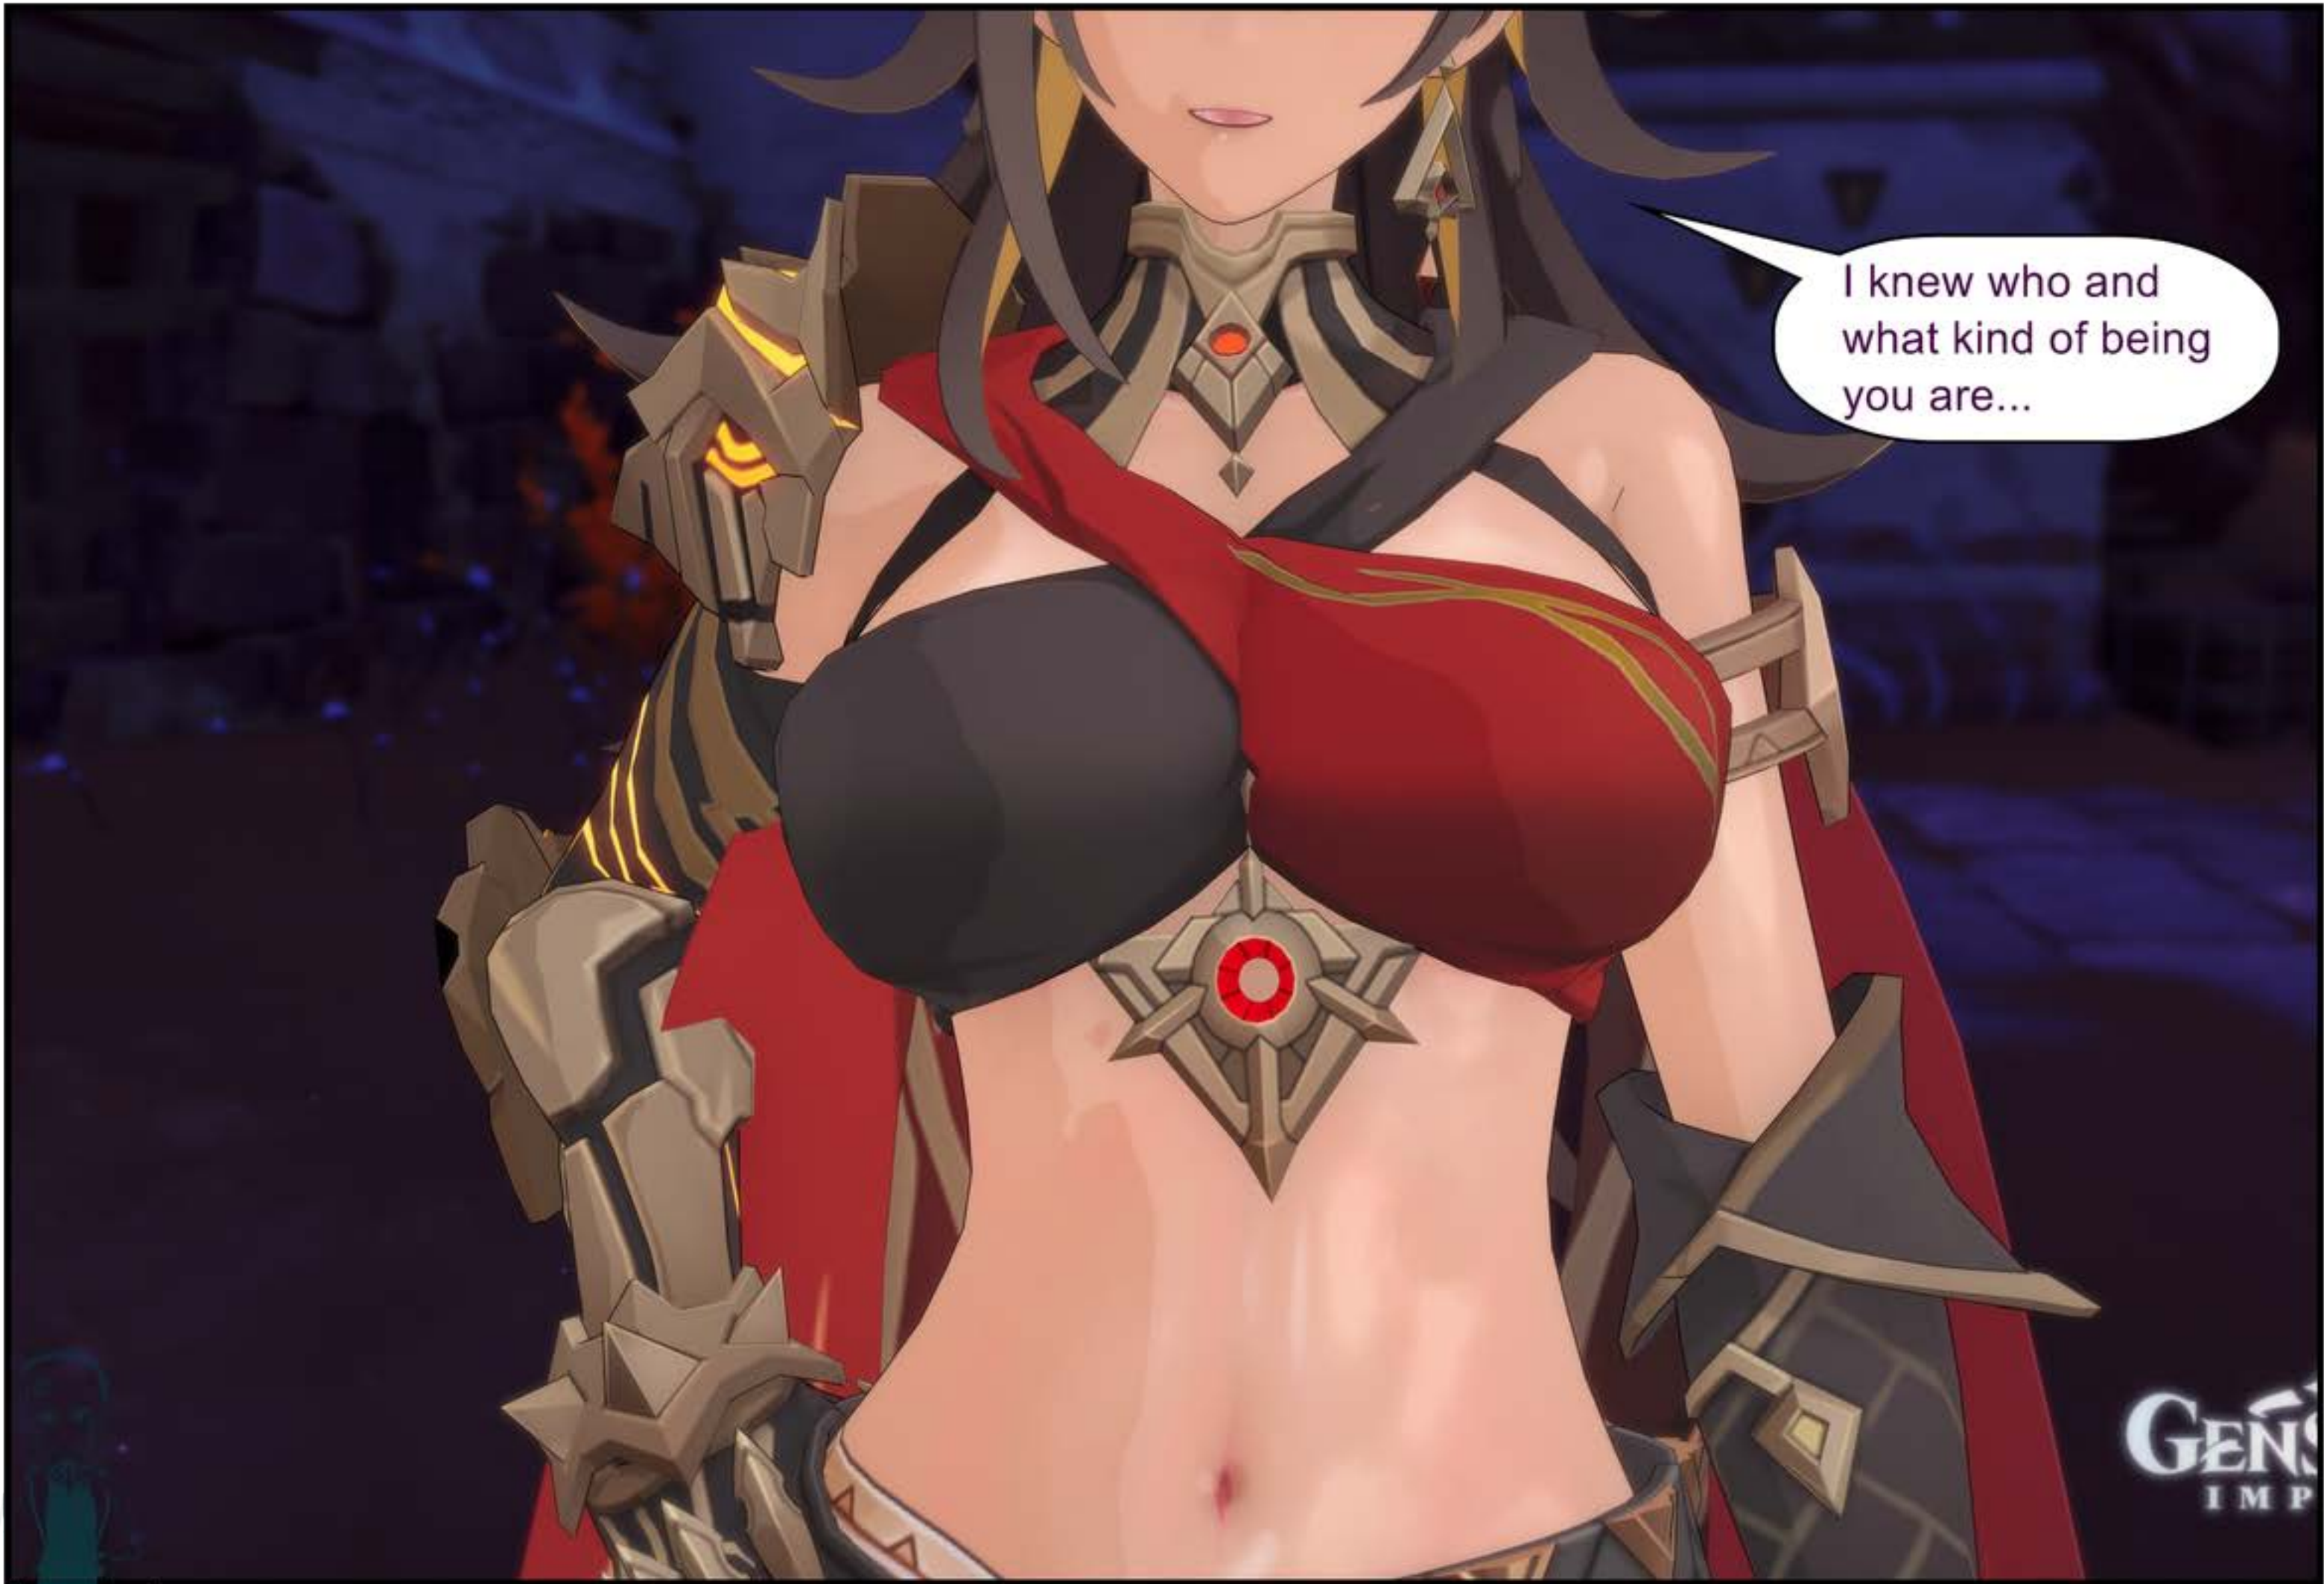

And you already forgot your enemy's face?

I'm not your foe!
Just a normal person...

In that outfit?
Don't you try to
fool me.

I knew who and what kind of being you are...

A spirit form that
possess human body
to hide from the sun.

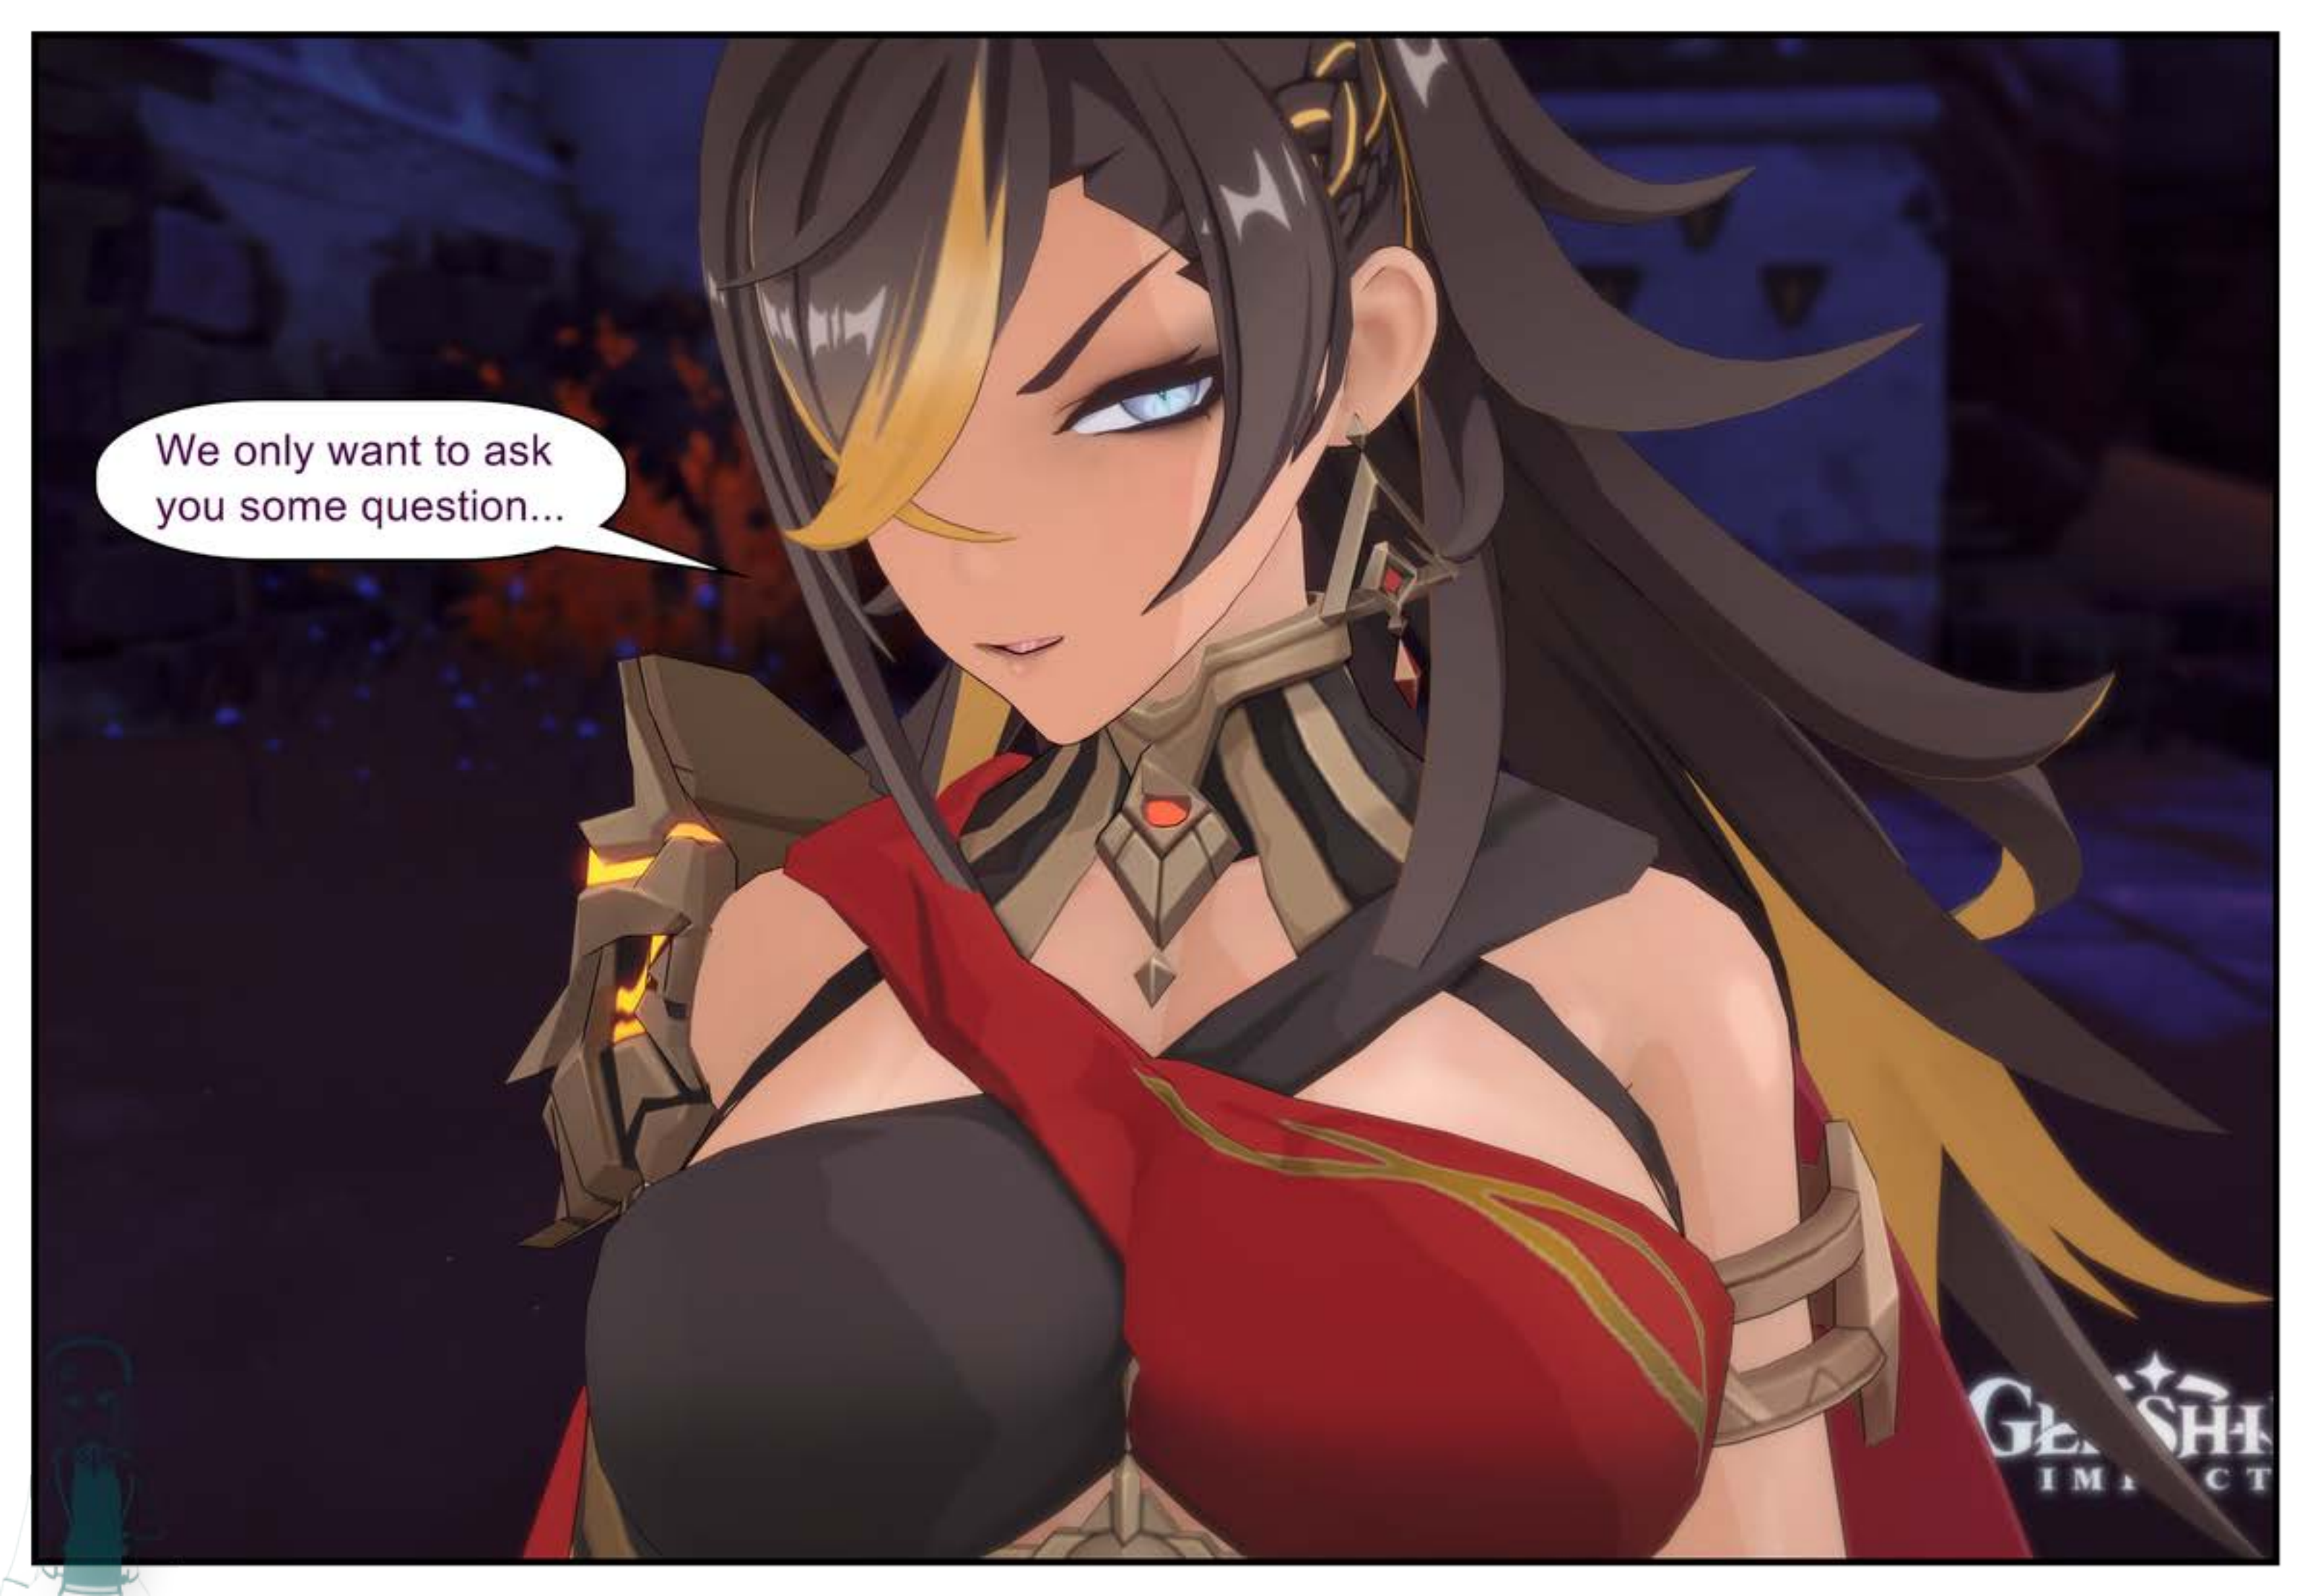

Also, someone told me that you are inside her body.

You are talking
non-sense...

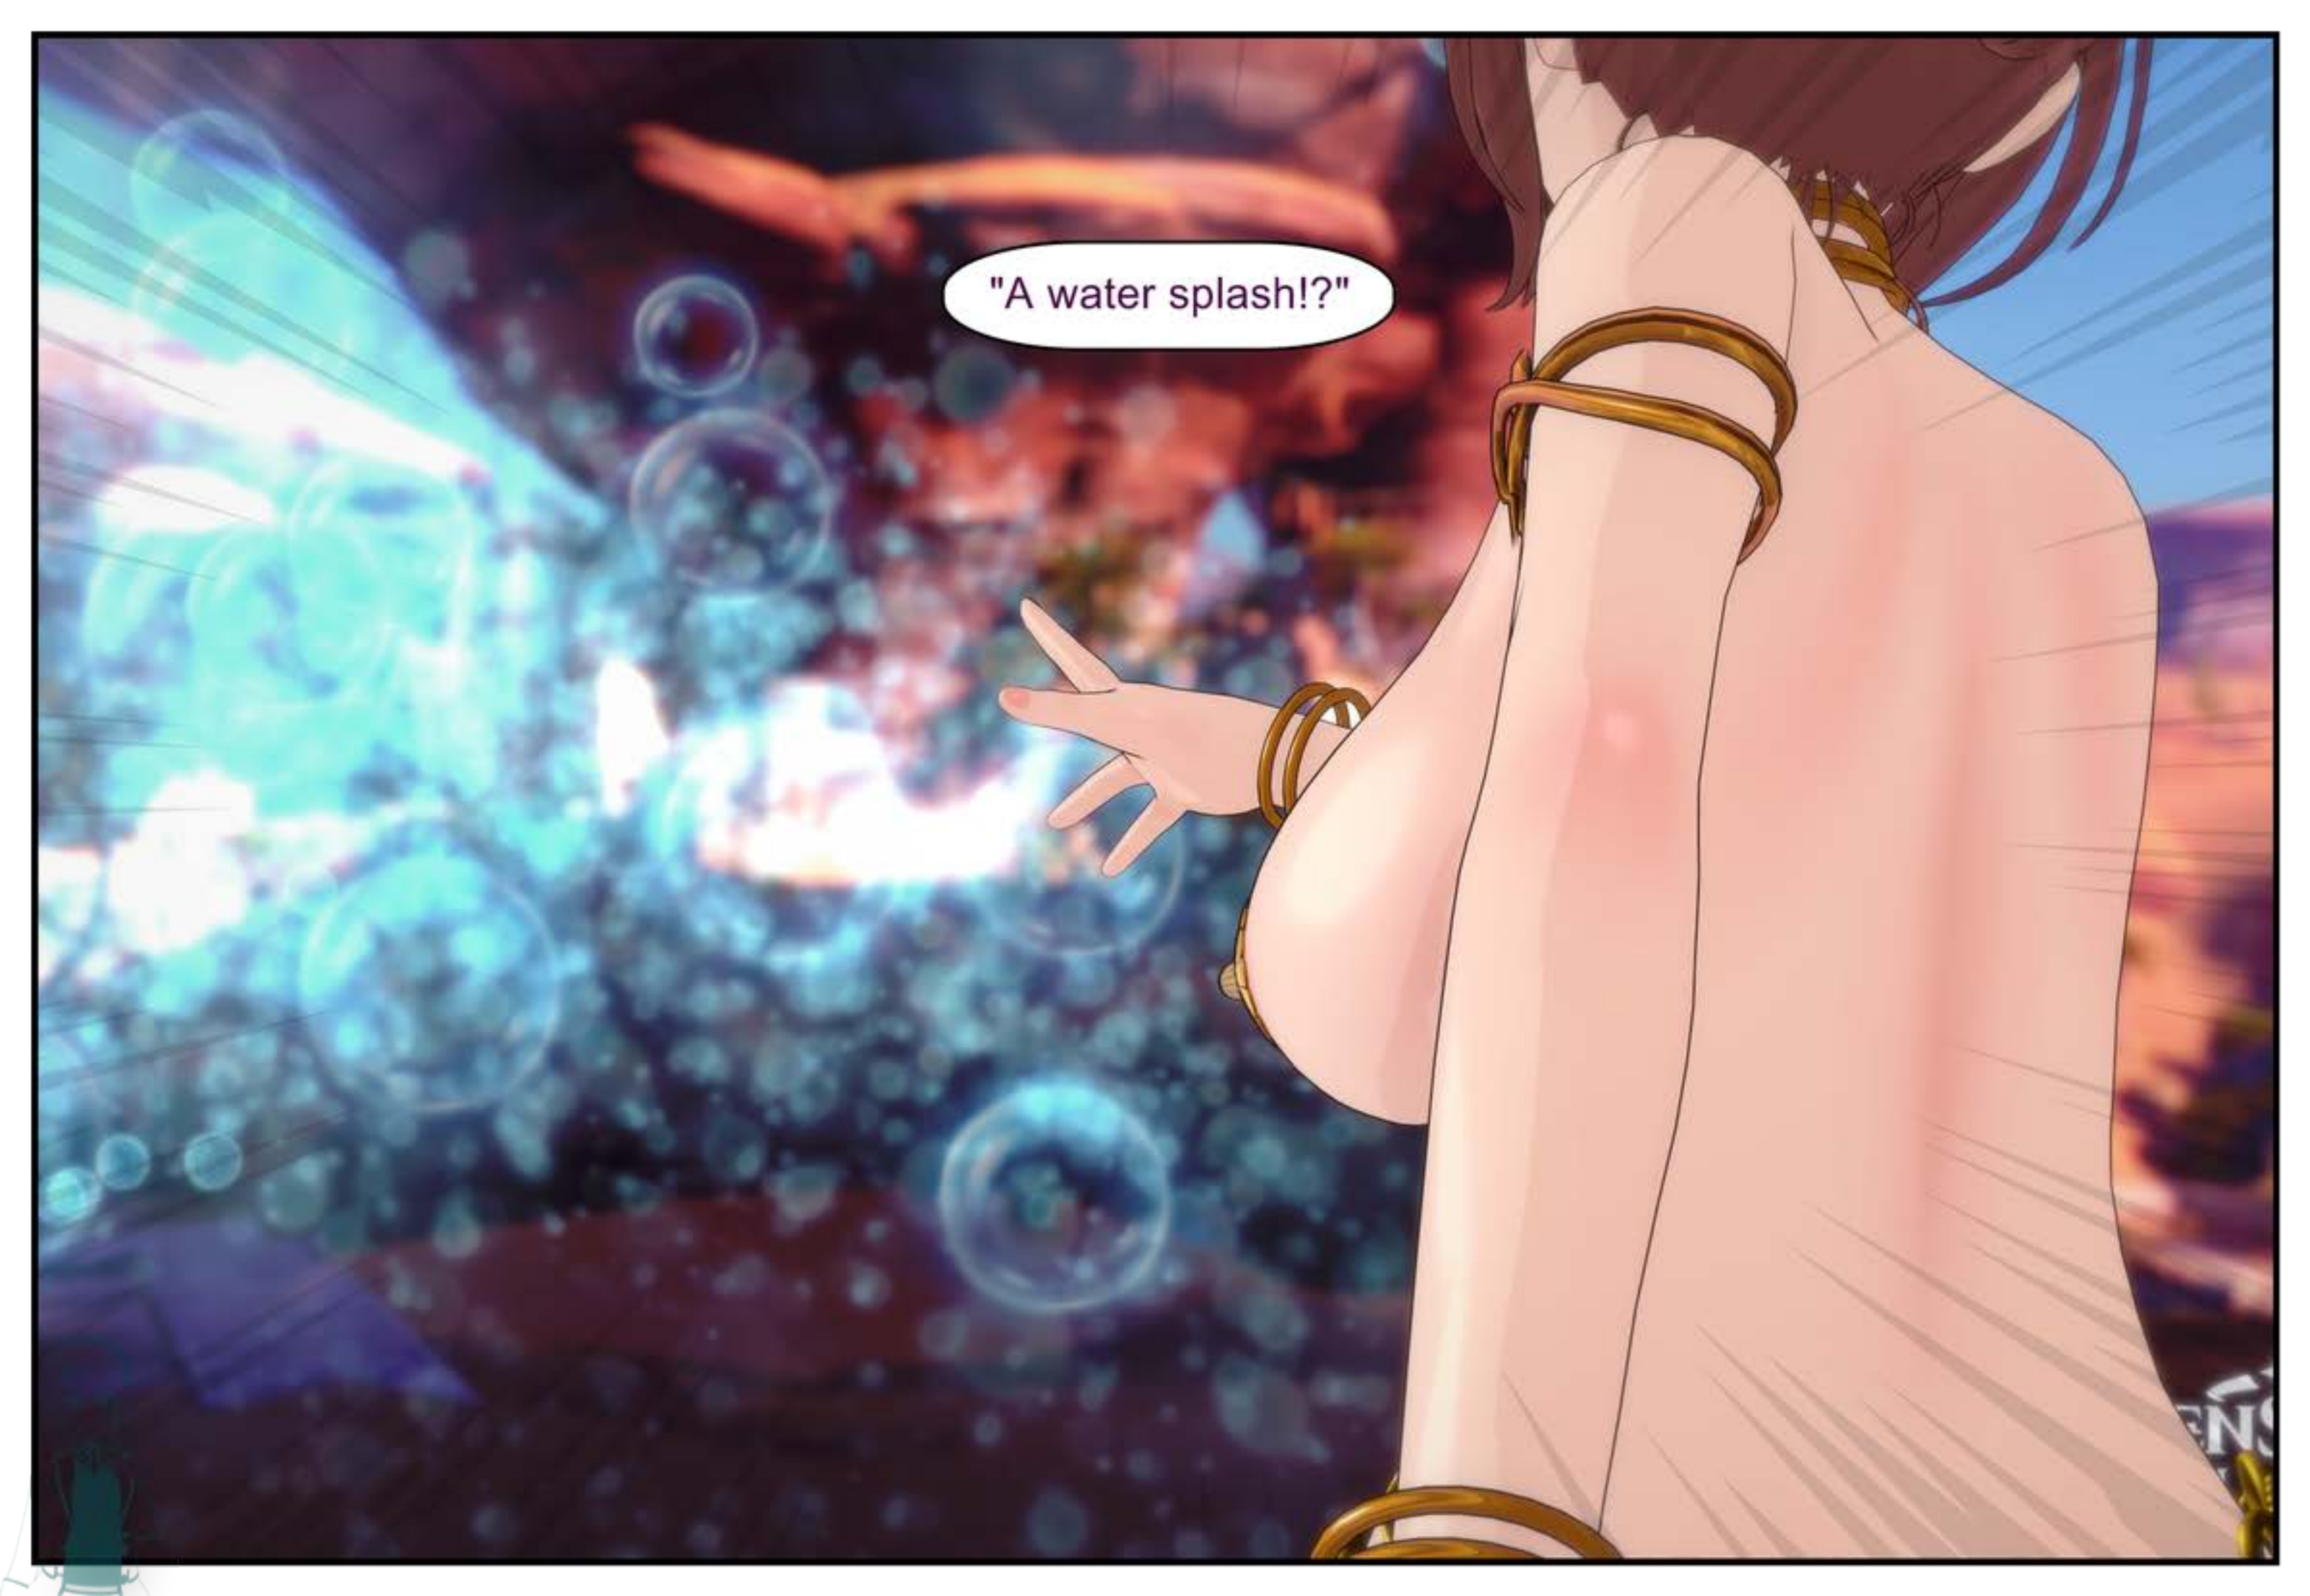

Really? Then you
should talk it for
yourself...

We only want to ask
you some question...

A woman with long brown hair, wearing a white dress and gold jewelry, is shown from the side. She is looking towards a bright blue energy splash that is surrounded by many bubbles. The background is a mix of red and blue colors, suggesting a dramatic or magical scene. The woman's expression is one of surprise or concern.

"A water splash!?"

Hm... You have a pretty good relfex.

Seem like... I have lured you out.

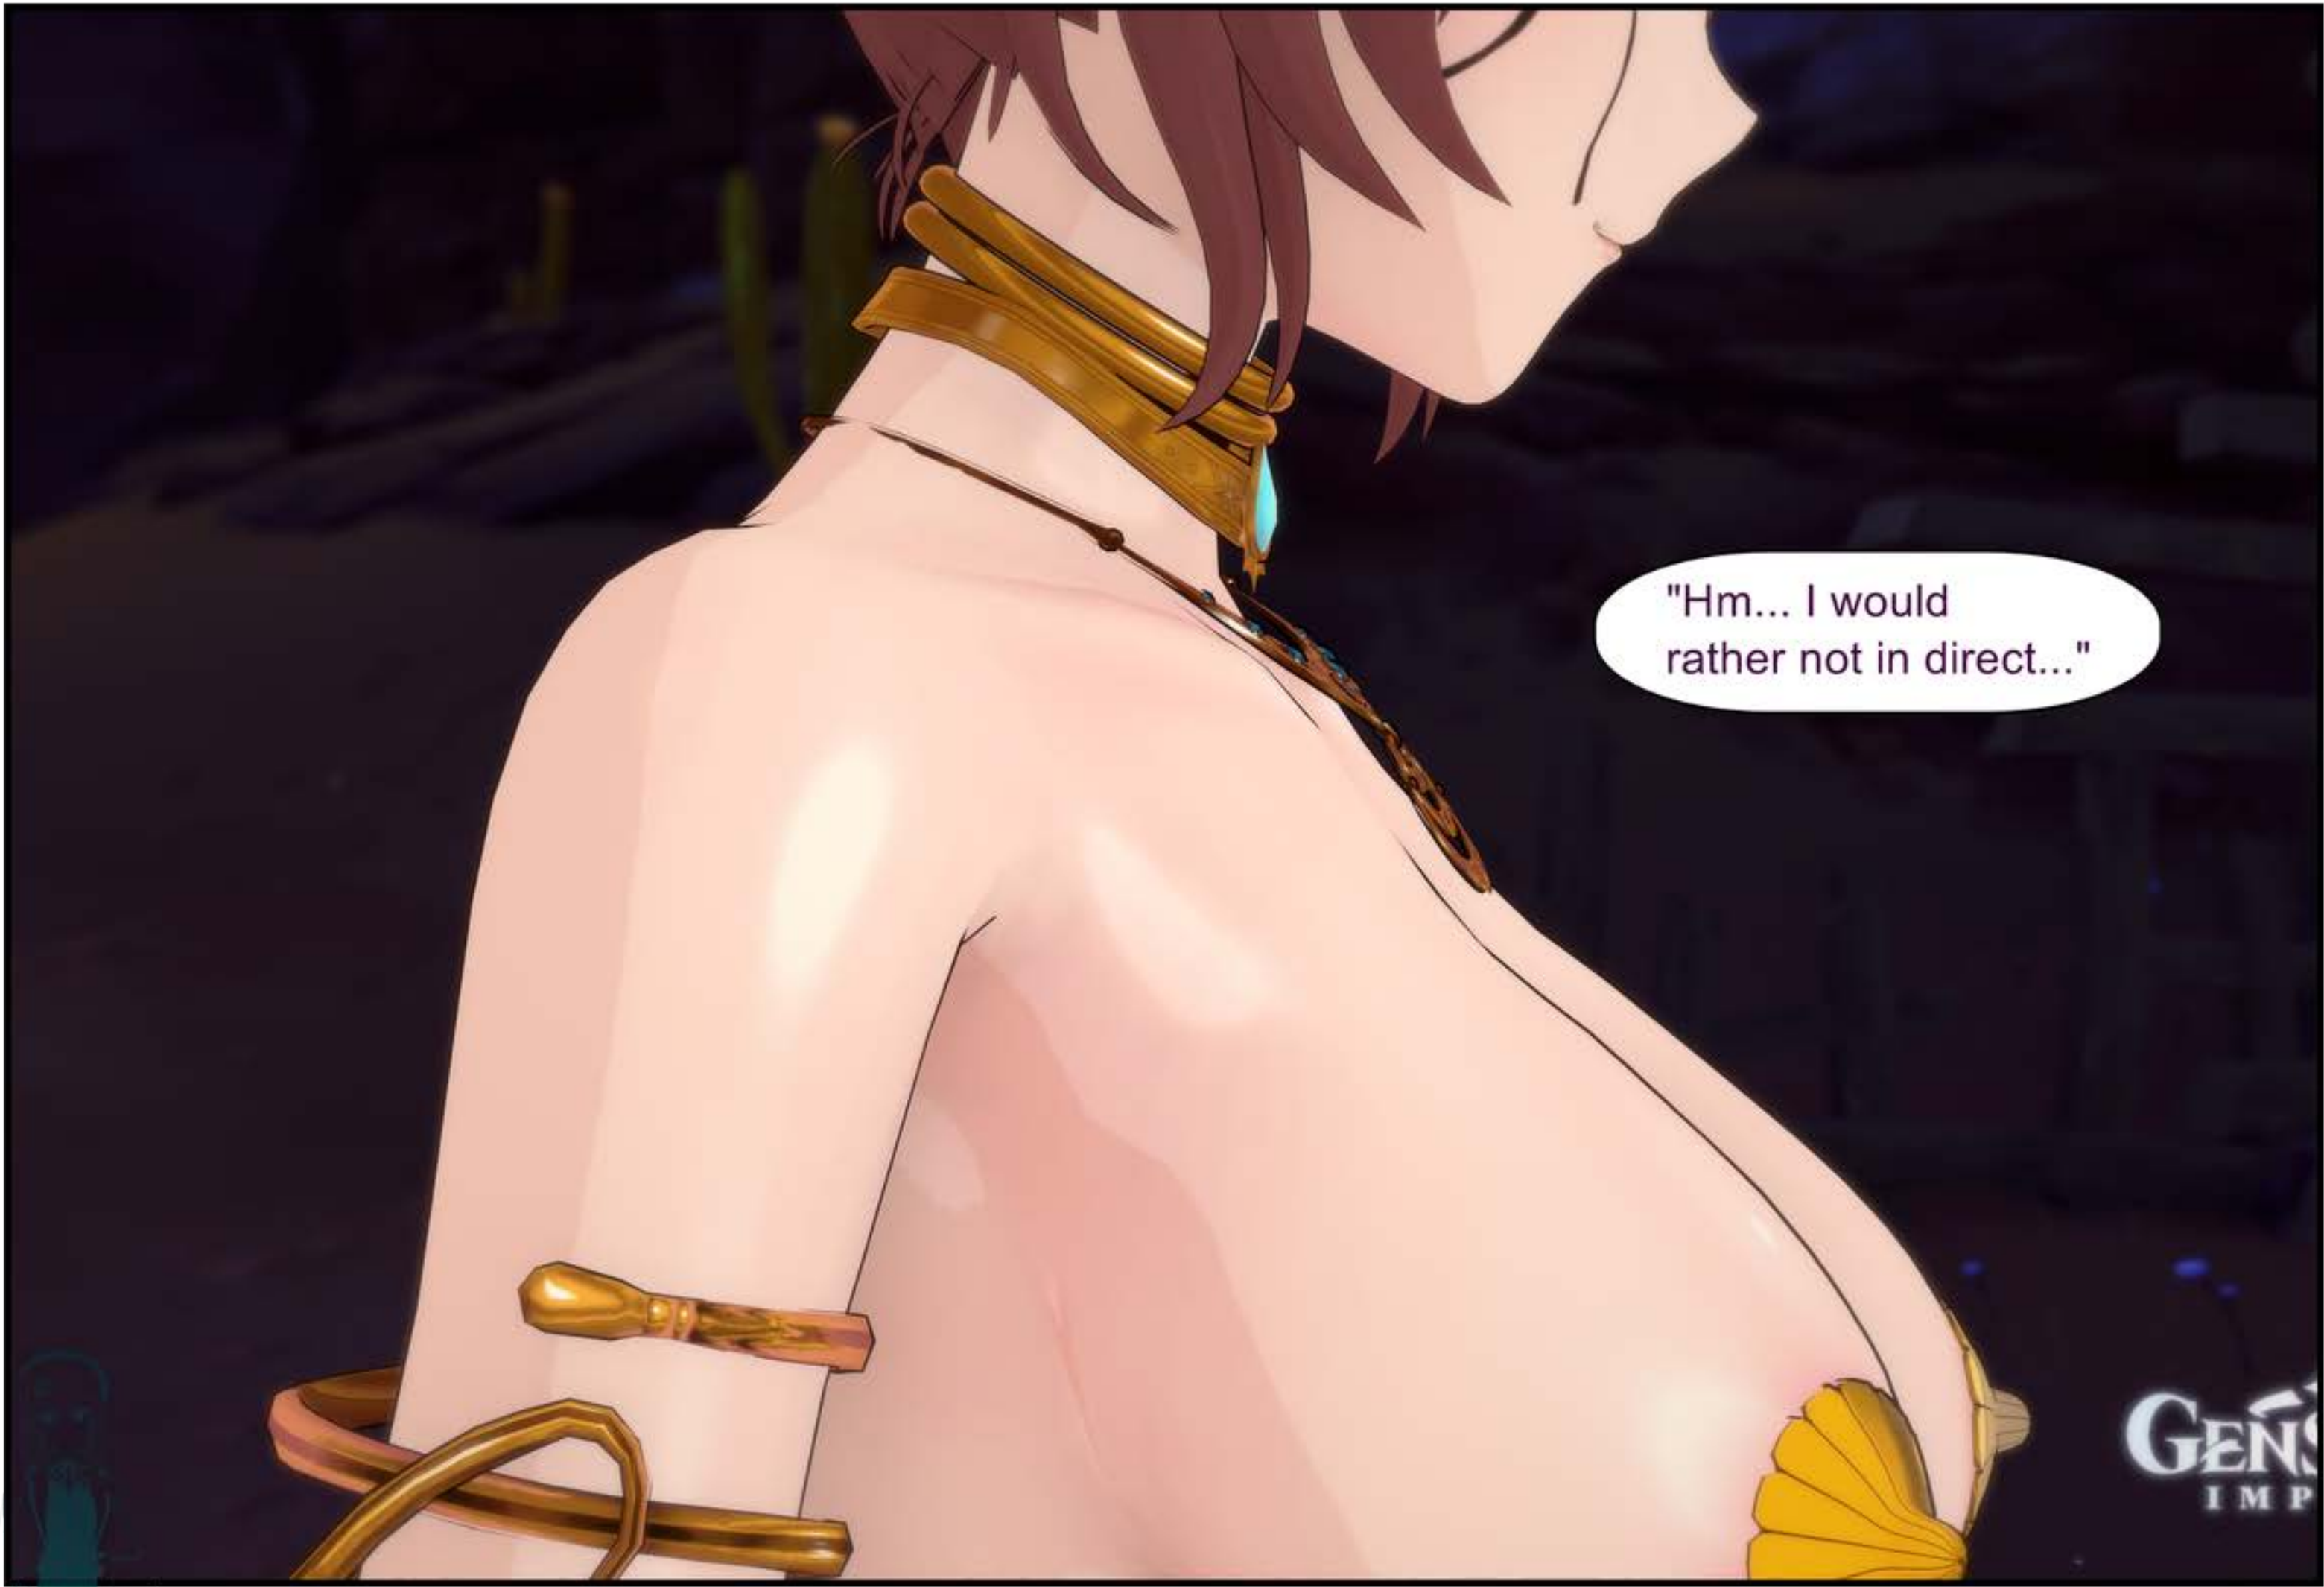

We will take you in for questioning. Don't try to resist.

Give it up,
you hear me?

"They cornered
me in... Even if I
try to possess..."

"Hm... I would rather not in direct..."

Take this!!!

Nice to talk to
you. Bye-Bye.

H-Hey!!! Stop
it right there!

Tch... A fast runner that one.

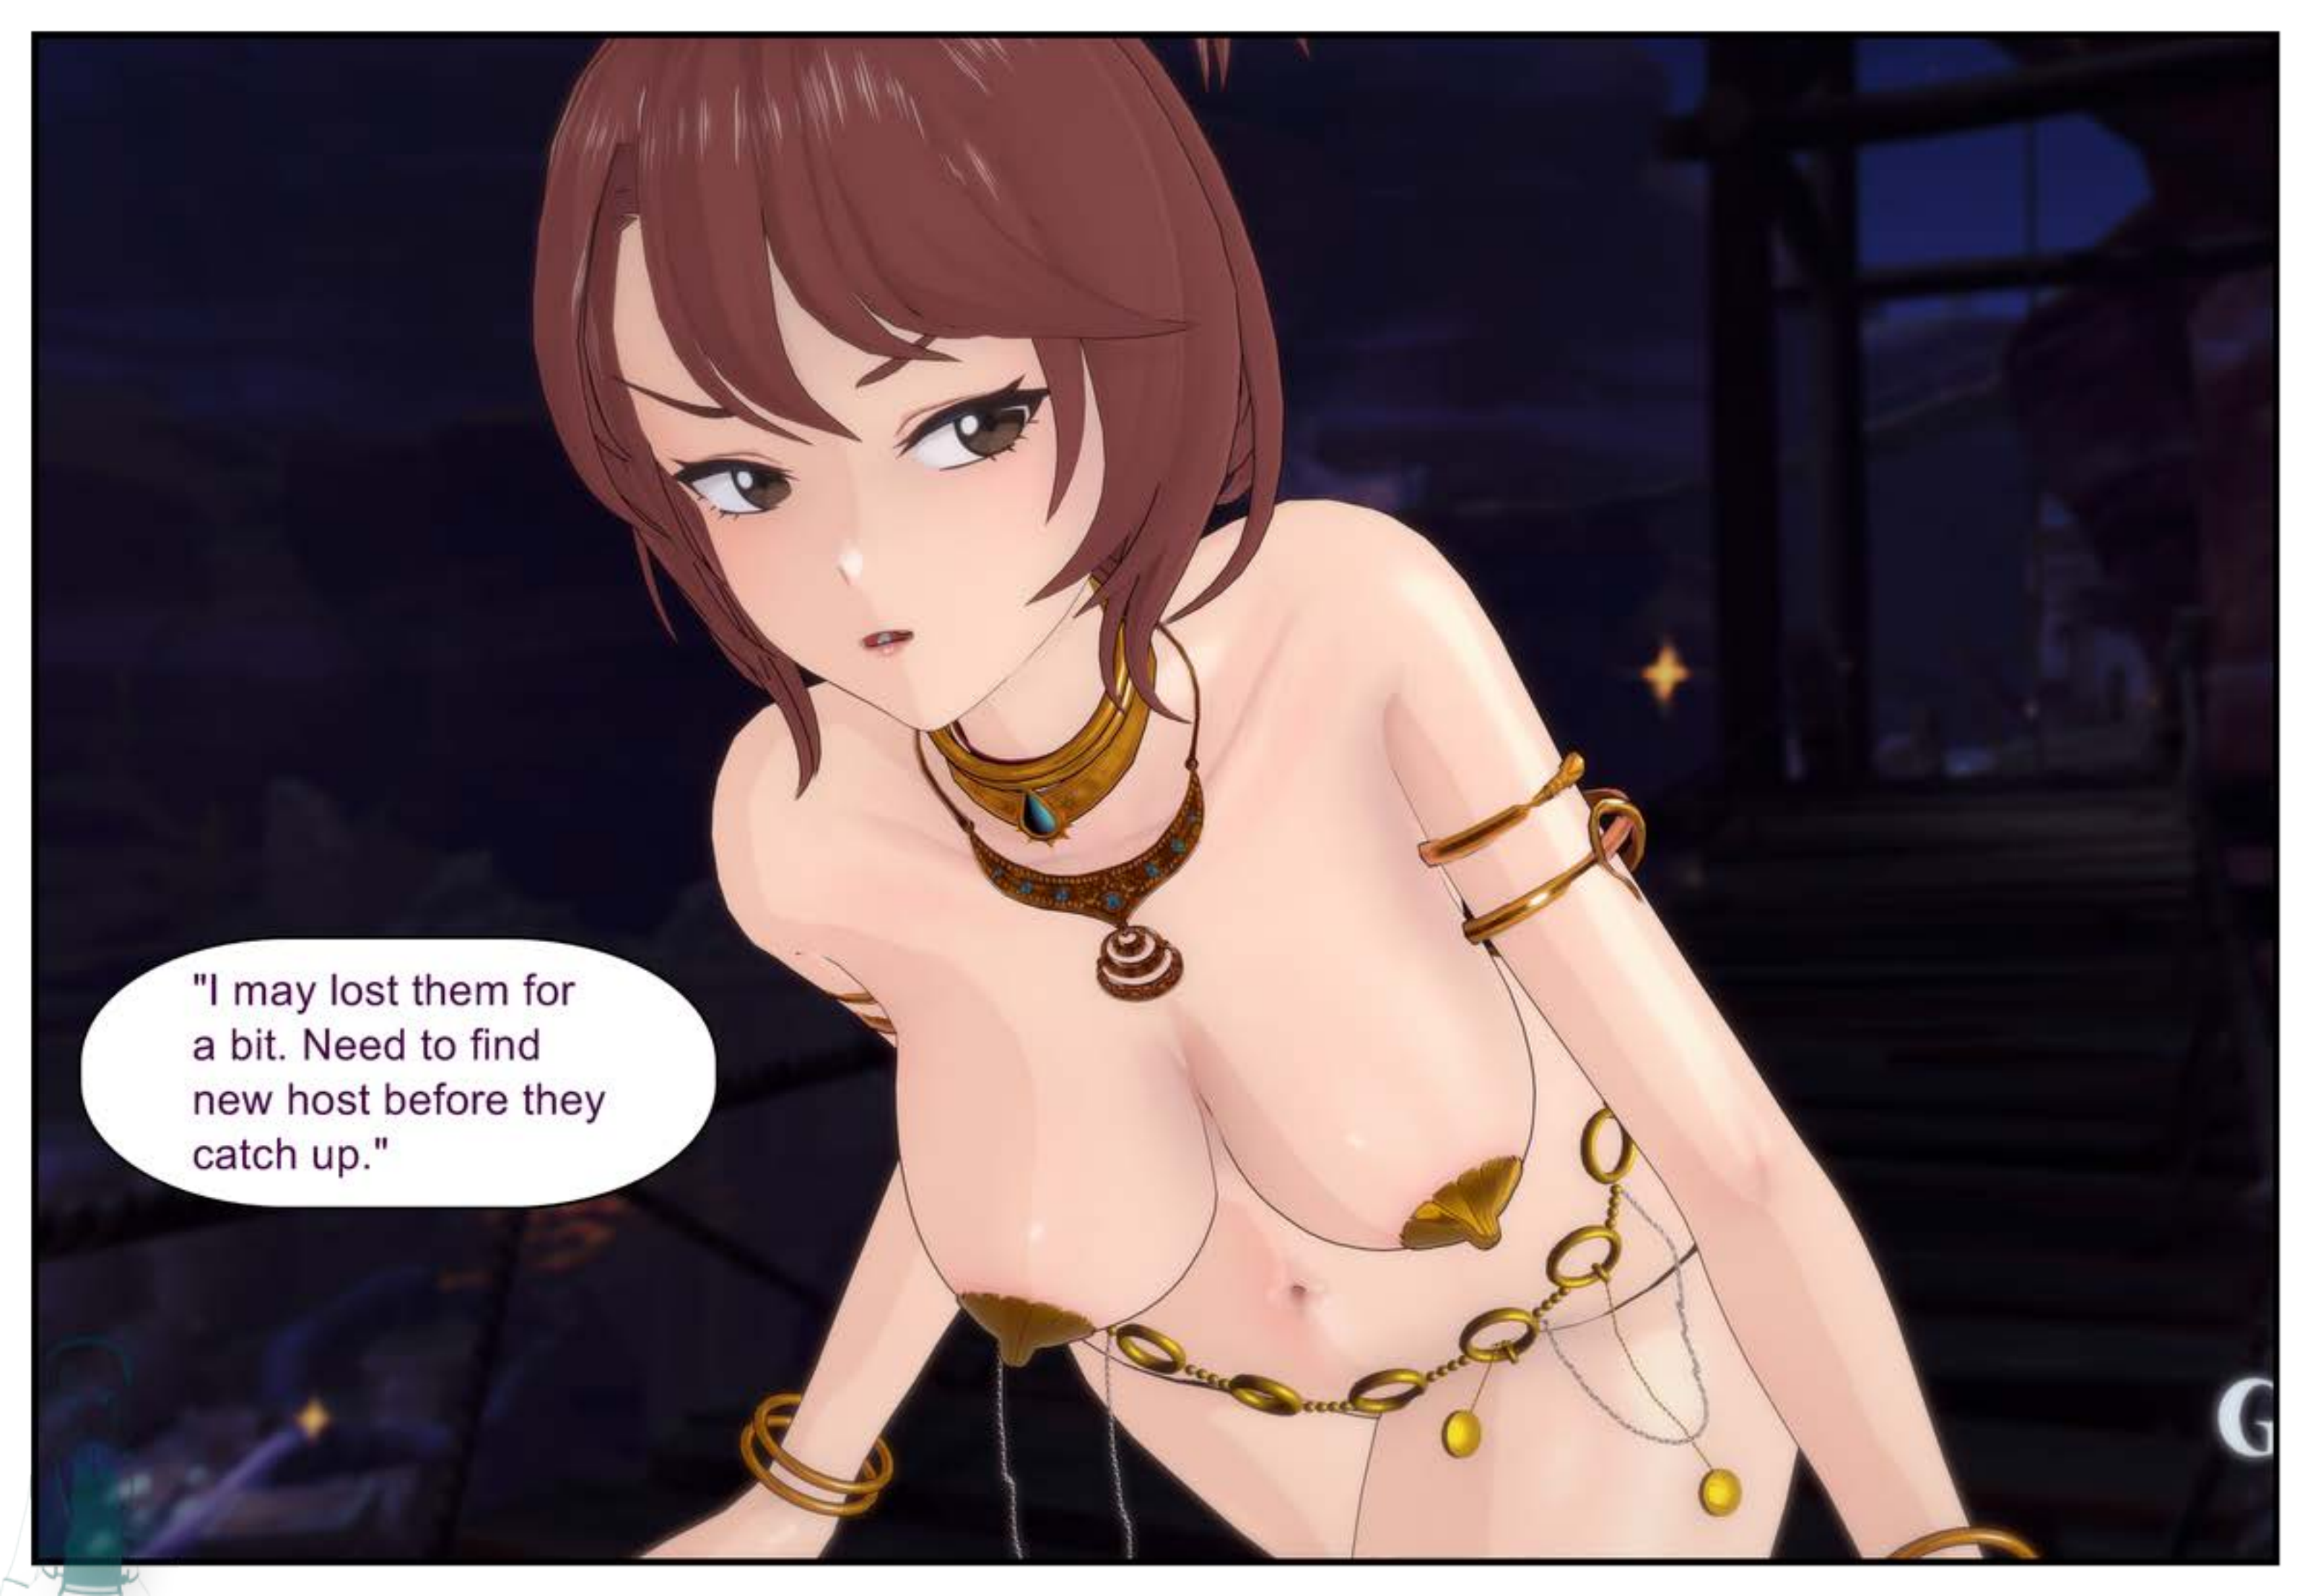

It won't get far from this village.

Let it run, sooner or later, it's already trapped in our cage.

"They put people
to guard the gate out
of this place..."

"I may lost them for a bit. Need to find new host before they catch up."

"But who pinpoint
me for those two?
And that person knew
everything about me."

"This would be hard
for me to do any evil..."

That one! It used us as a tool!

R-Really...!?

Oh... Seem interesting.
Wasn't a normal human?

"They already knew..."

It can possess someone's body, Mother Babel!

Found you!

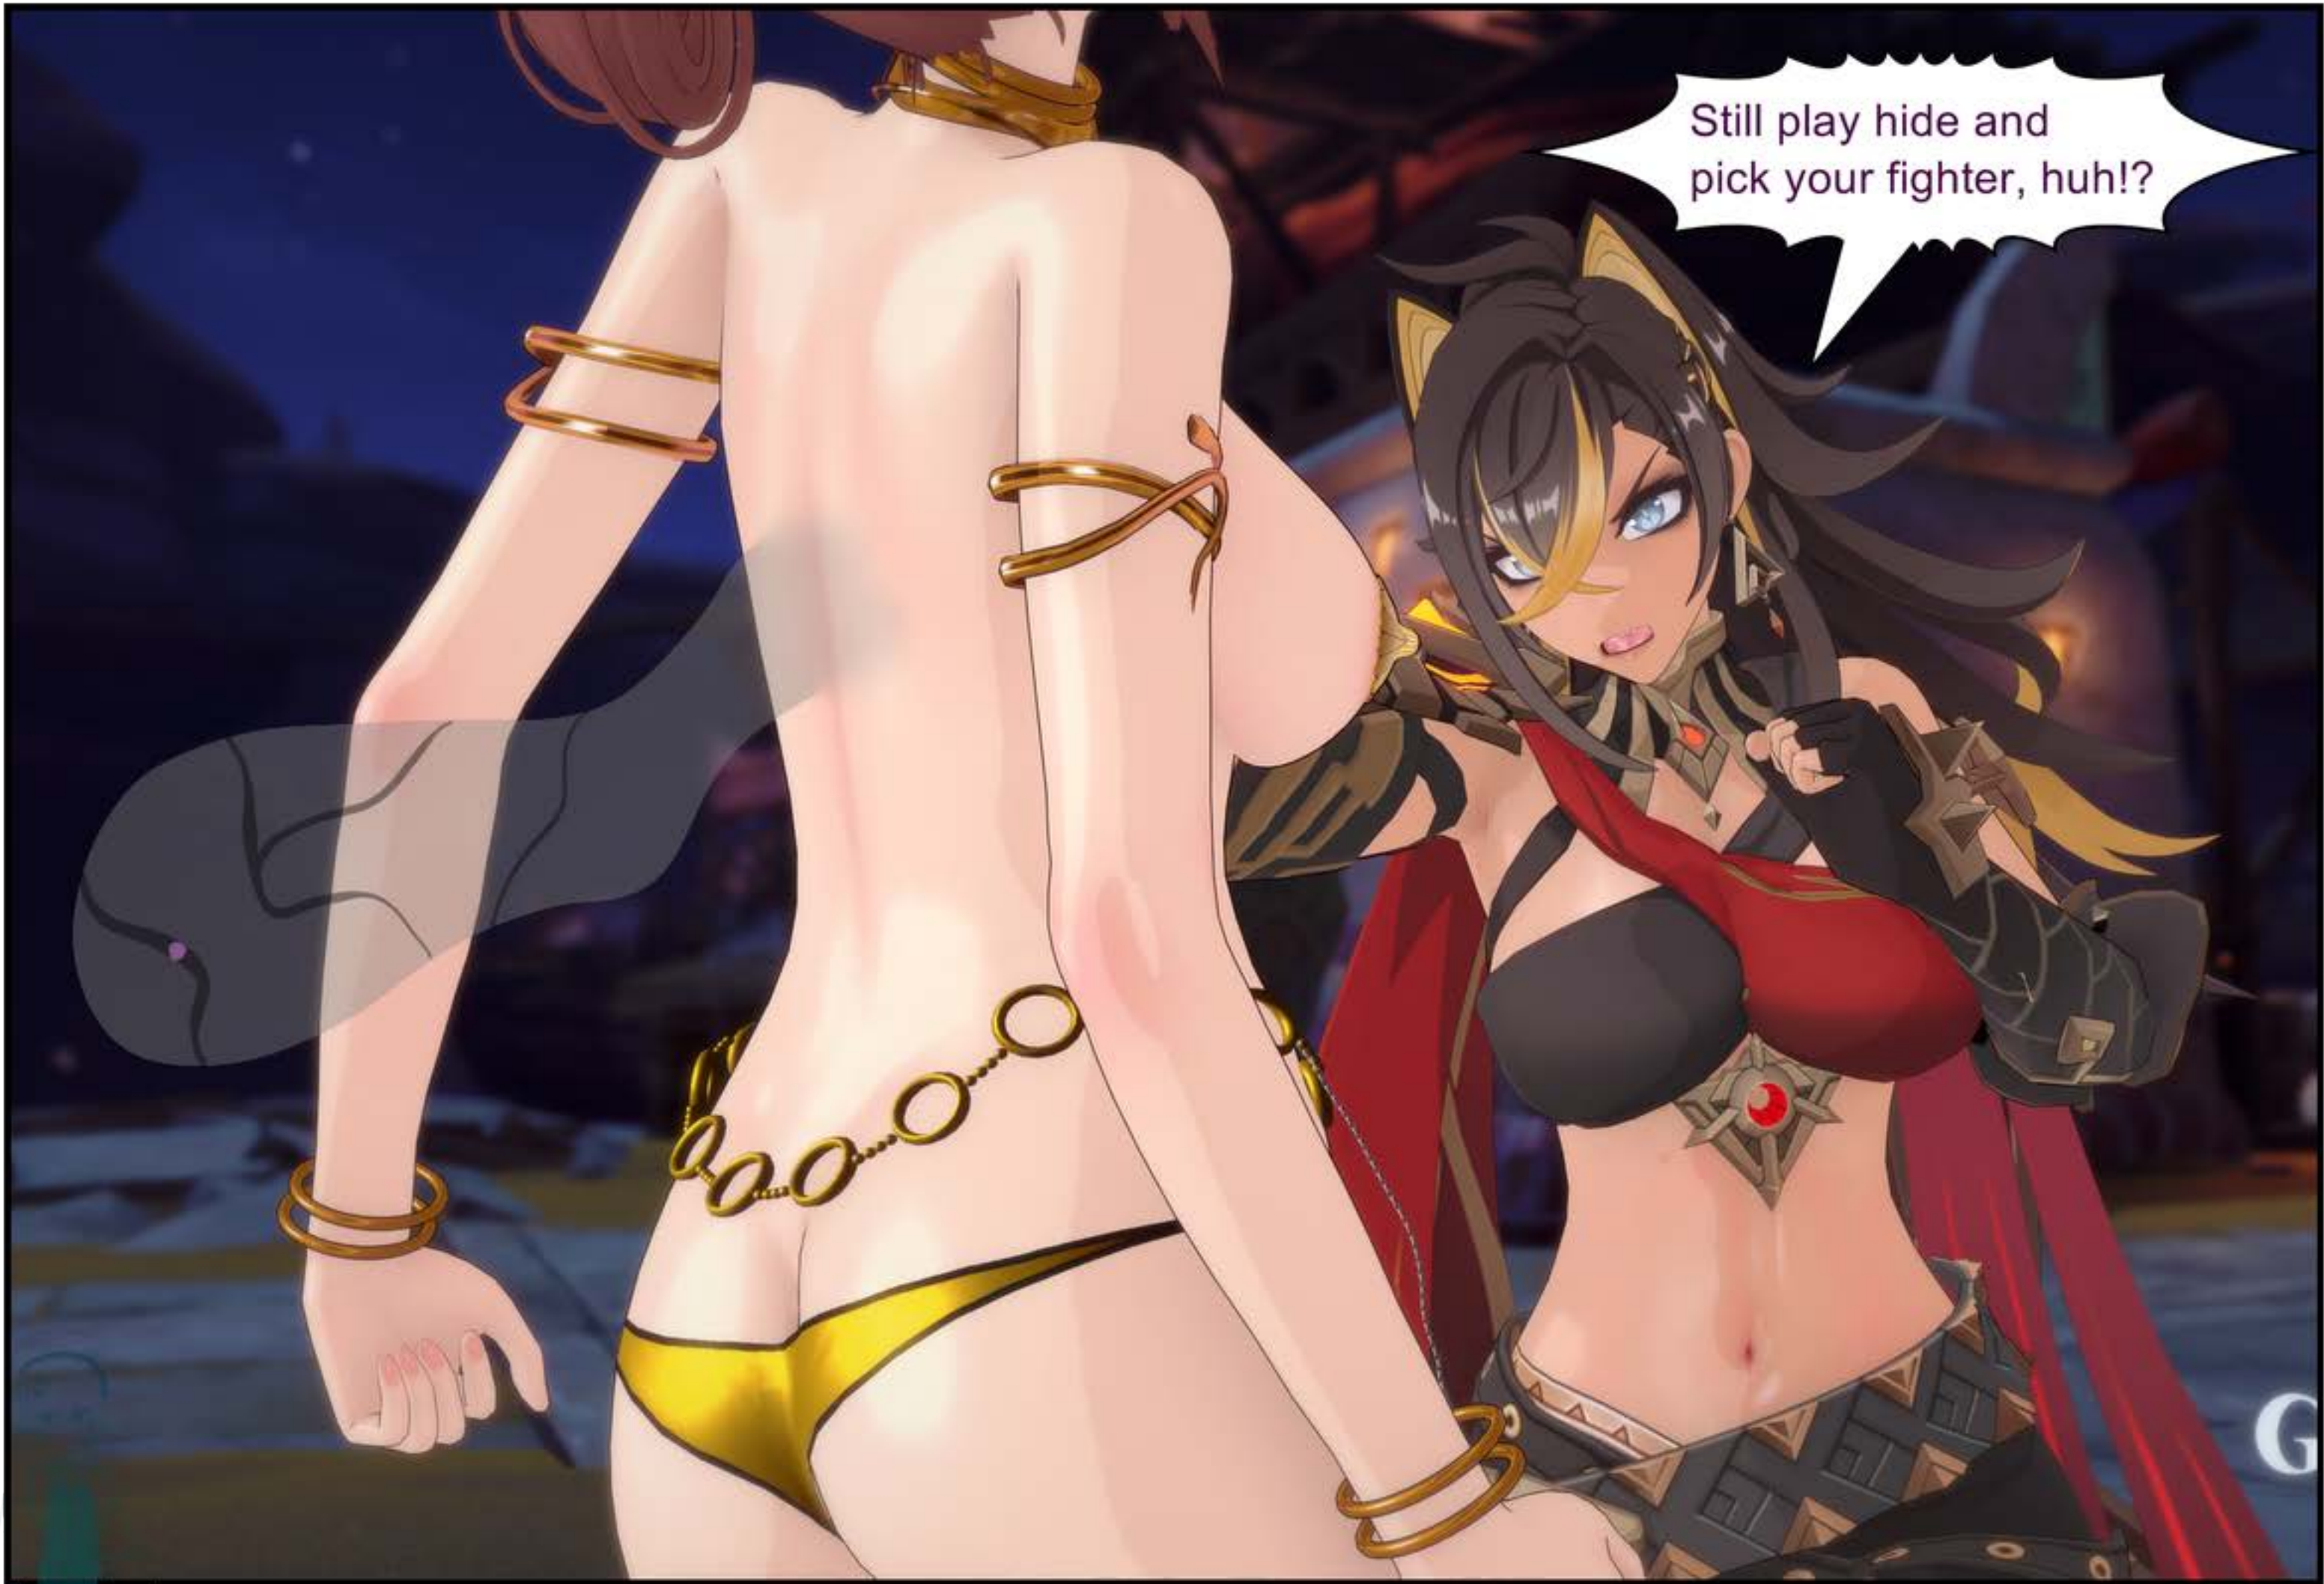

"...Even that..."

Try and run away
from me again!

Still play hide and
pick your fighter, huh!?

"She is being cautious... But I won't need her."

"I need someone...
who not even aware of
the situation..."

"A single and lonely
lamb in its herd..."

K-Kajuri...!?

Kaju... ri...?

Take over
complete.

A 3D-rendered anime-style scene. In the center, a young woman with purple hair in a ponytail, purple eyes, and a black headband stands on a stone-paved courtyard at night. She wears a white and red two-piece outfit with a red sash and brown thigh-high stockings. She has a confident, slightly mischievous expression. In the foreground, the backs of two other characters are visible. On the left, a character with long purple hair and a large, ornate golden and brown helmet. On the right, another character with purple hair and a similar helmet. The background shows a dark, stone-walled courtyard with a few glowing lanterns.

Ehehe... You all aware but never know what's coming.

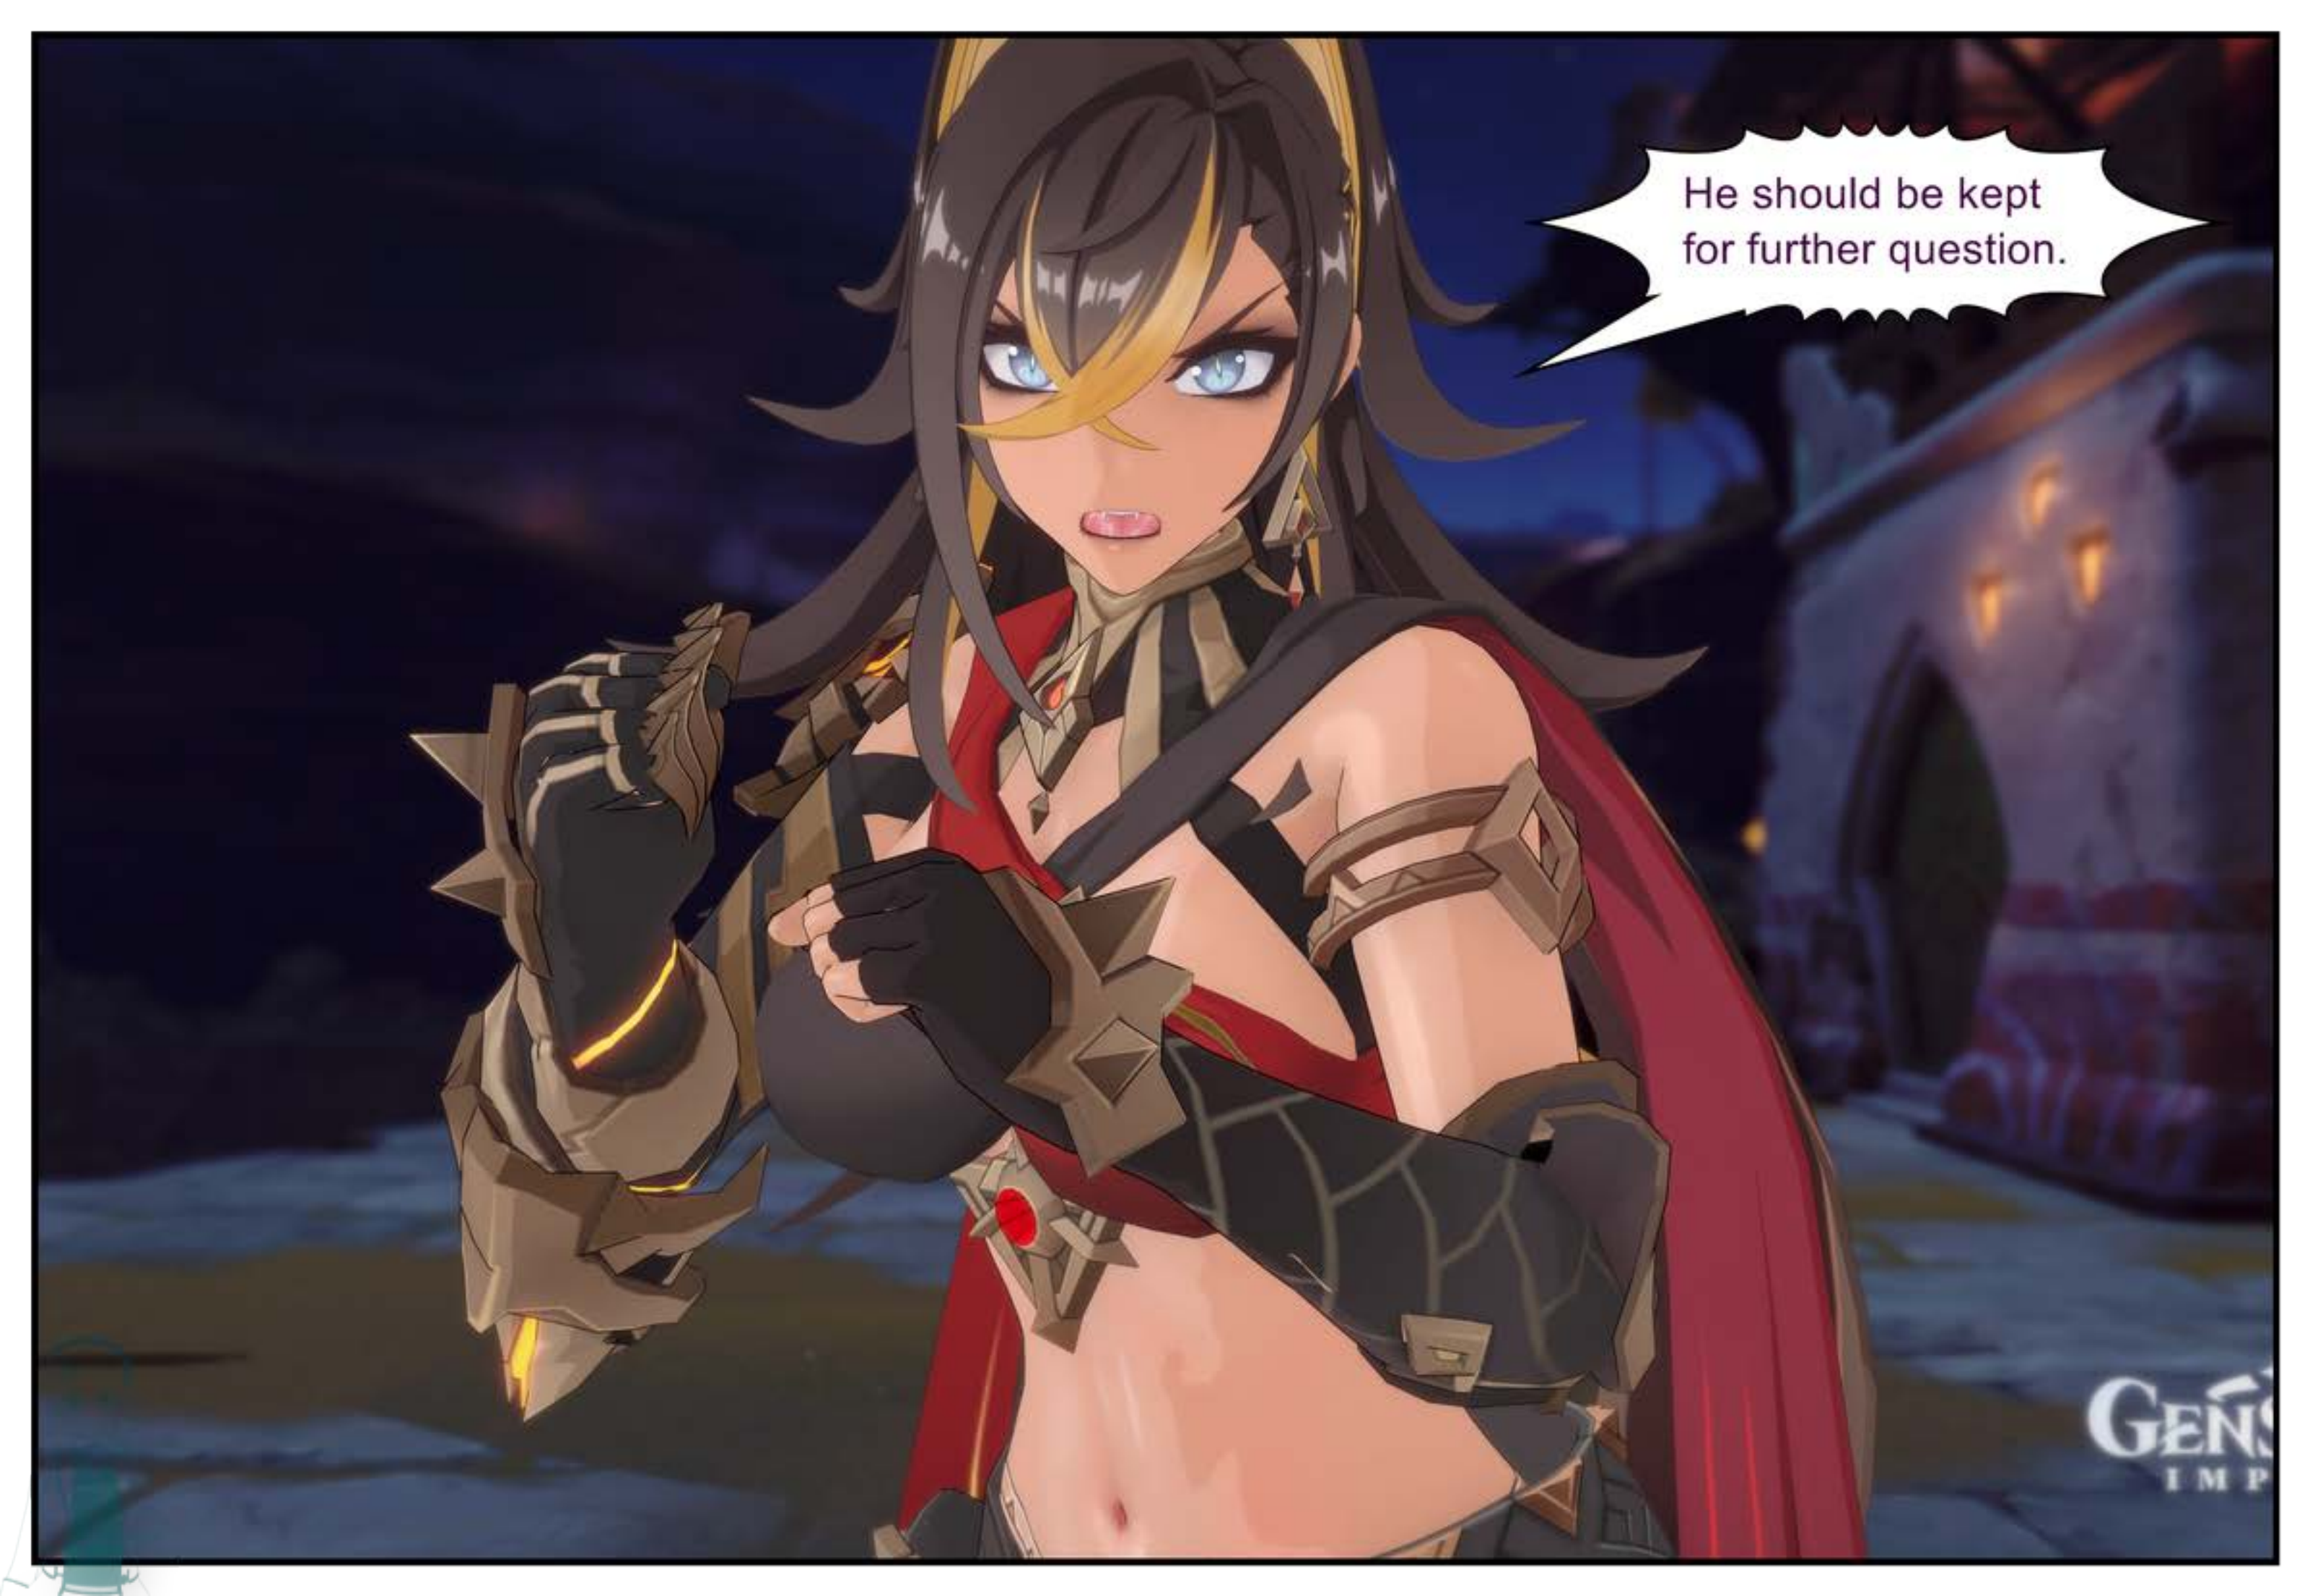

Don't you want to save your friend here?

Hm... You really seem to use human body to fight.

Babel, that's one
is ours to take care of.

He should be kept
for further question.

As you pleased, but
it hurt my children...

What do
you want!?

"Hmph... They are arguing. A perfect chance to strike."

GENSHIN
IMPACT

I will return you
the debt before!!!

A mercenary won't
do much damage...

But I think you are getting better than the last time...

I will gladly take
your compliment...

Running away again!?

Do I look like a fool that will stay and let you catch?

Heh? Then I think you already were a fool.

Nowhere to run.

You are going to be taken straight to Sumeru for questioning.

Haha... Seem like
I was trapped.

You can't see me clearly, dear. Unless you have a God Eyes.

A character with purple hair and a large golden headpiece is running on a stone path. She is wearing a purple and gold outfit with a large black and gold headpiece. She has a determined expression and is looking towards the viewer. The background shows a stone path and some foliage.

Heh... Look how
confusing she is.

Your magic will be
a great tool for me!
