

Name:	Spoon of Shoehorning	
Rare (one of a kind)	Worth: 500 GP	
	<p>This spoon was forged by master craftsmen who specialized in enchanted spoons. This spoon is one of a kind in a set that has been scattered across the lands by treasure hunters and collectors.</p> <p>This spoon is depicted as a simple shoe horn with a Tiger's Eye gem embedded at the tip and a ruler along the stem. This spoon has an ability to expand and stretch any opening to allow access to the wielder. However, it only grows big enough to slip in with a considerable amount of effort. And more often than not, the excessive force causes the wielder to launch out the other end with harmful force.</p>
