Thank you very much for your support!

My dear Princess,
your fiance is here.

Look like he is
urging to meet you...

Princess Tania?

Anie, can I ask
you one question?

Princess, I don't think we have time...

My fiance... is a son of a King who invaded our country...

We lost and my Father has to hear their condition...

To ensure everyone's safety, I was asked to marry their Prince...

Although I didn't love
him, do you think...
I should reject?

It was your
Father wishes...

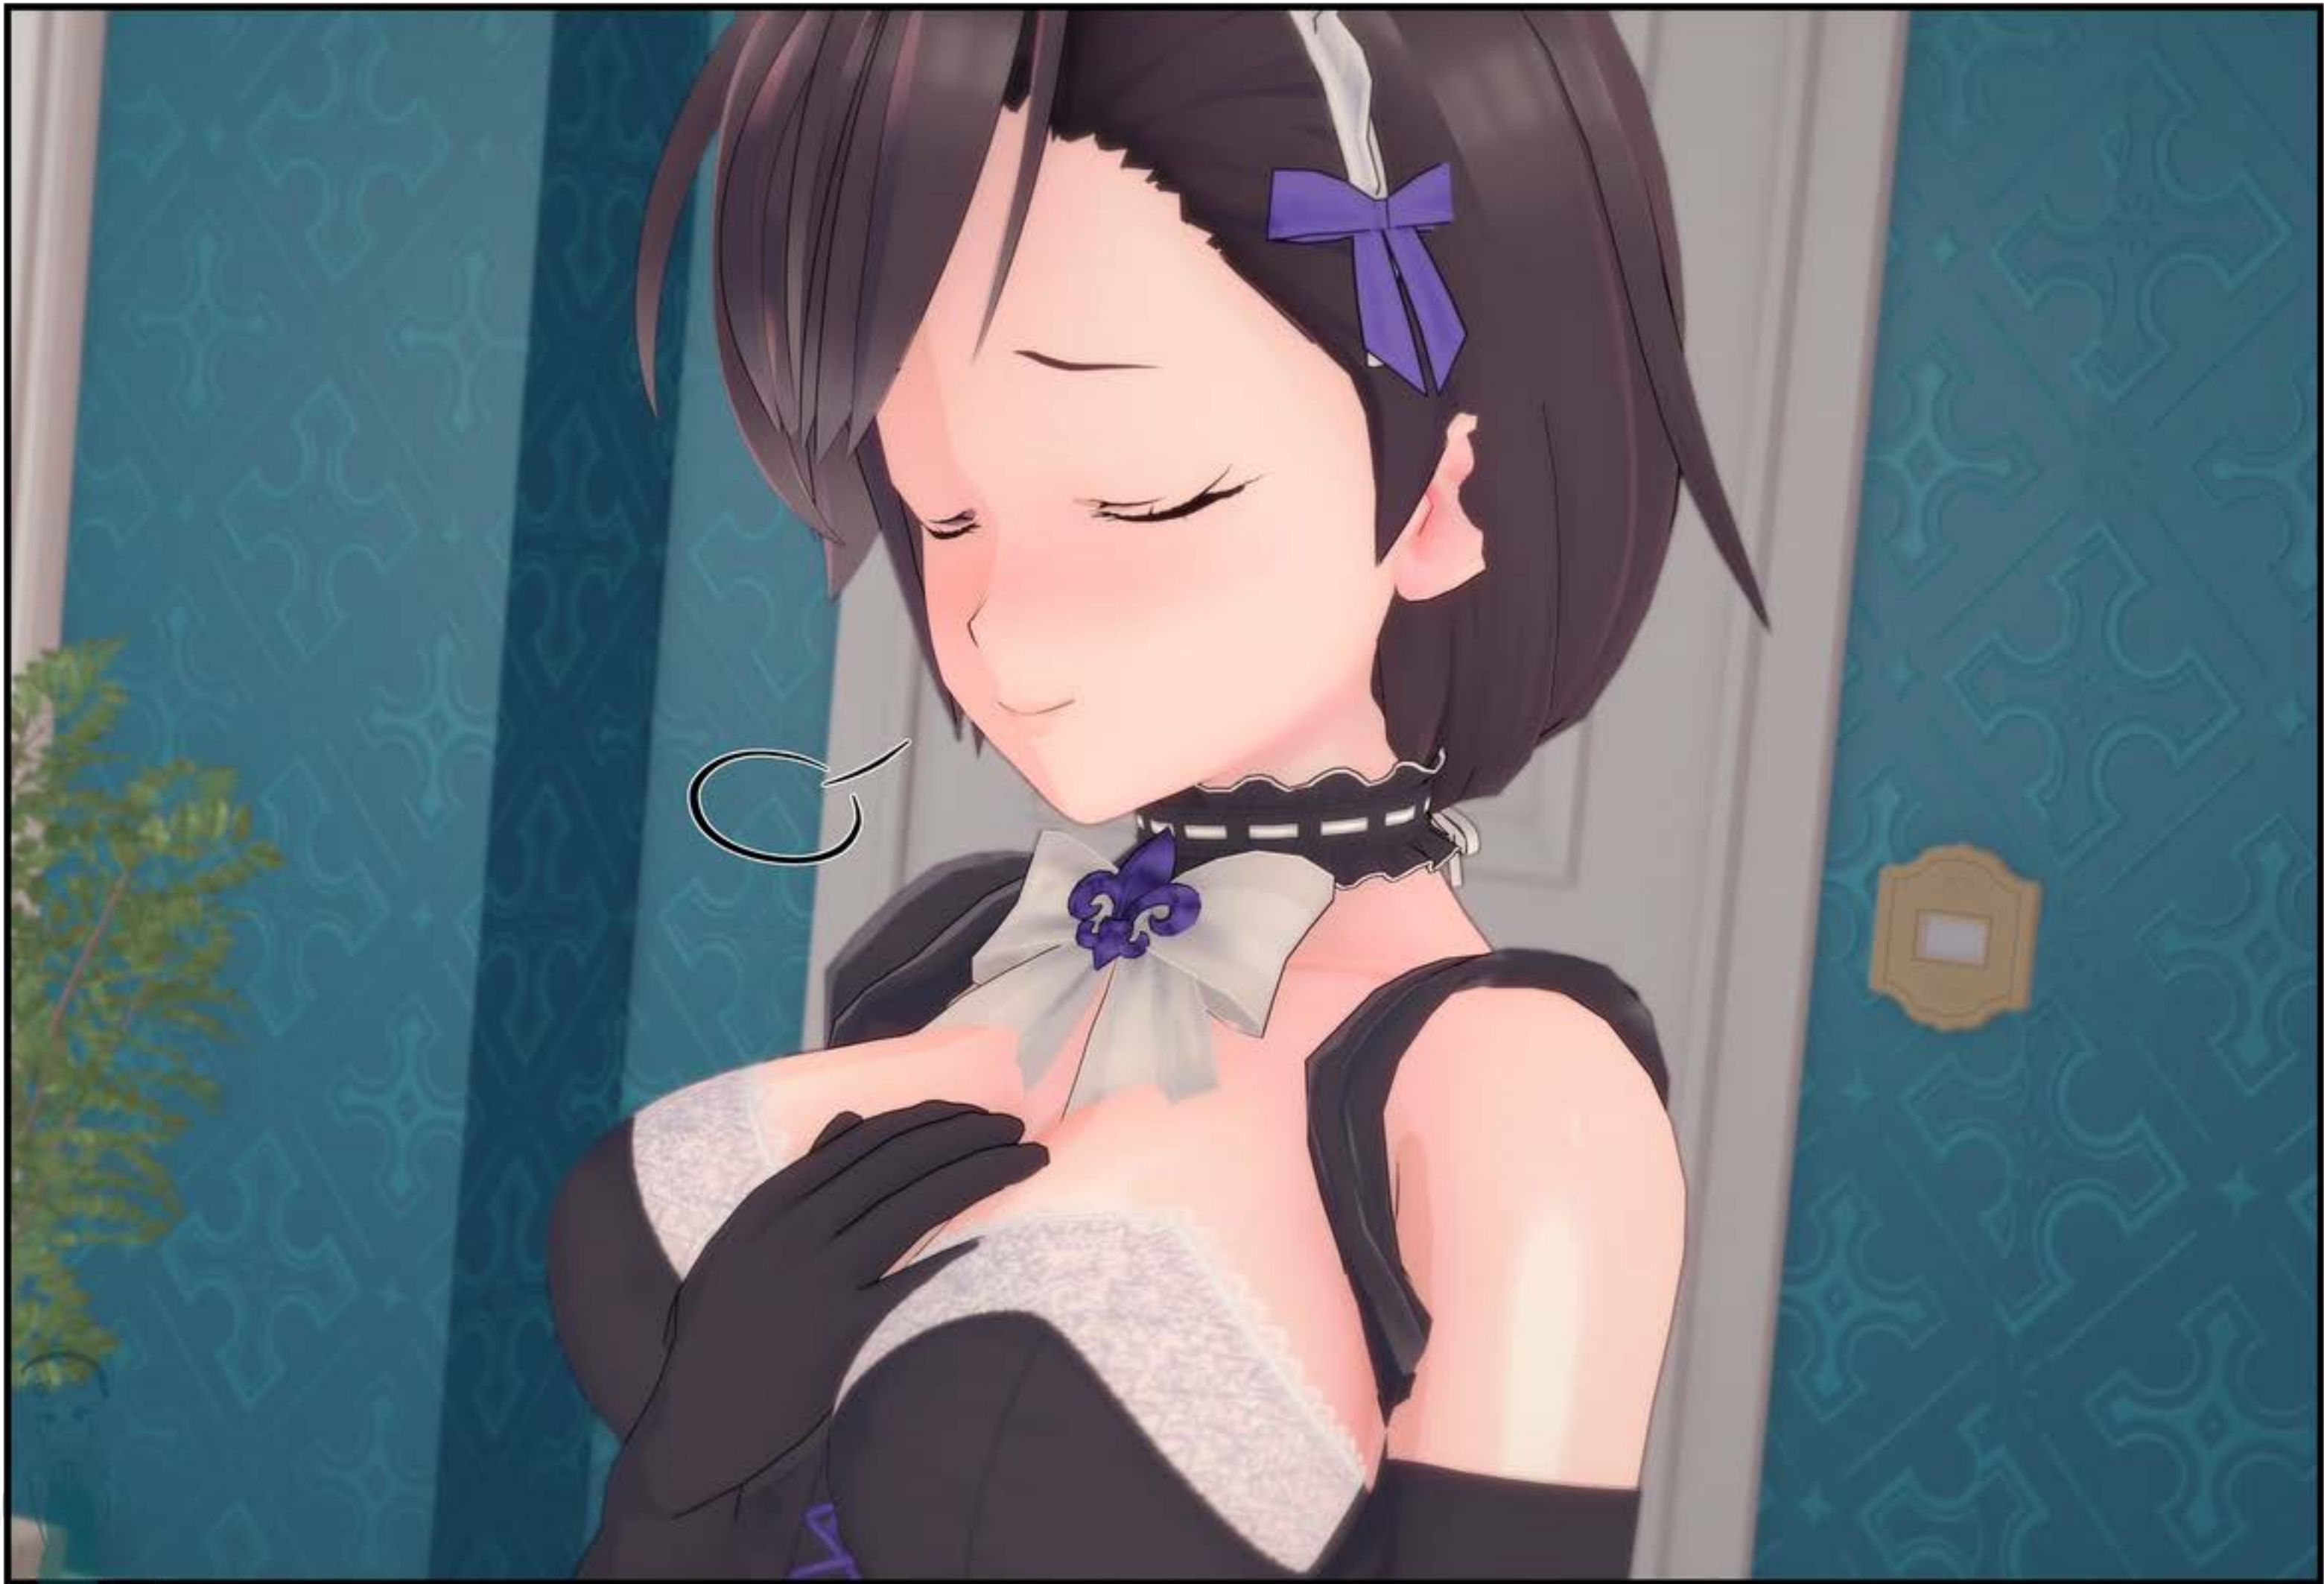

I may not in the position to answer this, Princess. But to protect our country...

Anie, don't be too strict. Say anything you wanted in my room.

Princess... I...

Yes, I hate seeing
you marry that person.

Yes yes, I knew
we have common
thought.

If my Mom, Rosari, the Head Maid still here, she would object this... Haha...

Indeed, she was a
good maid with honor.
Taken care of me since
I was born.

I wishes... she still here with us...

Ah... I didn't mean
to... Anie...

It's alright, my Princess.
From now on, my duty
to look after you for my Mother.

Morning there, ladies.

Oh, my Princess.
I asked your maid
to call you, but you
didn't show up.

AI's
ROOM

I wonder that you were being shy of my handsome, right?

I'm sorry, but can you please leave me alone, Ryu? I'm tired.

A character with short, bright blonde hair is shown from the chest up, wearing a dark grey suit jacket over a red shirt and a dark red tie. Their right hand is raised, palm facing forward, in a gesture of surprise or protest. The background is a teal wall with a repeating geometric pattern. A speech bubble is positioned to the left of the character's hand.

Oh no, I wanted us
to have a date today.
You can't reject it.

You know that my country will...

Sir, this is as close as you can get.

This is Princess's
privacy area. I would
like to ask you to leave.

Ah... Is that so?
Fine then, I will
notify your Father.

And you should get ready to pack up your stuff. Because when I married her...

...I will kick you
out and replace you.
Ahahaha!!!!

I will see you again soon, Princess Tania.

MIRAI'S ROOM

Are you... okay?

Sooner or later,
it will happen. I
can't change my fate.

I don't blame my
Father for his decision...
But I don't want it...

I don't want to marry him, Anie... I really...

"Princess..."

Meanwhile...

Cheer!!! For our
successful expeditionary!

"Ah... Here they are
again... This atmosphere..."

"Maybe... there is no place for a broke priest like me..."

"A full meal in front of my eyes... But they won't share it for a guy like me..."

Without Yukiko's support, we would have...

"Heroes, Knights,
Witch, Priest... All
are successful and
honorable people..."

"Only me... Who was the useless one. Got kicked out of the team."

Oh? You in
the corner...

"E-Eh...?"

I thought this place tonight won't have any outside guest...

Well, look at you,
must be around here
a few times?

Only 3 silver coins left, hm? Not enough for a full meal...

Anyway, do you
want to come and
join us over there?

We have plenty of food to share, even a slot in team for a second priest?

I'm sorry... I will
take my leave now!

Then, do you want to get rich? A full life without worrying?

I heard that there's
a Price from other
country...

Just use this scroll, and
you will become him.

Read it out loud,
and you will get your
dream life.

Or... You can sit here, in this corner until you die without even trying...

I will do it...

"Well... I wonder
how will he perform it."

"A great smell of blood and despair..."

"Isn't this... the ancient language?"

"To other, it's a blank scroll... But I'm a priest, I can clearly see the words."

Ah... biht... kotich...
canahri.... ikugah...

Katah... Bahri... Ihto...
Kanarih... Atna...

"Hm...? Did I
just hear..."

"...someone is casting a strange spell?"

Hey! This is the memorial area!
You are not allow
in here, Priest!

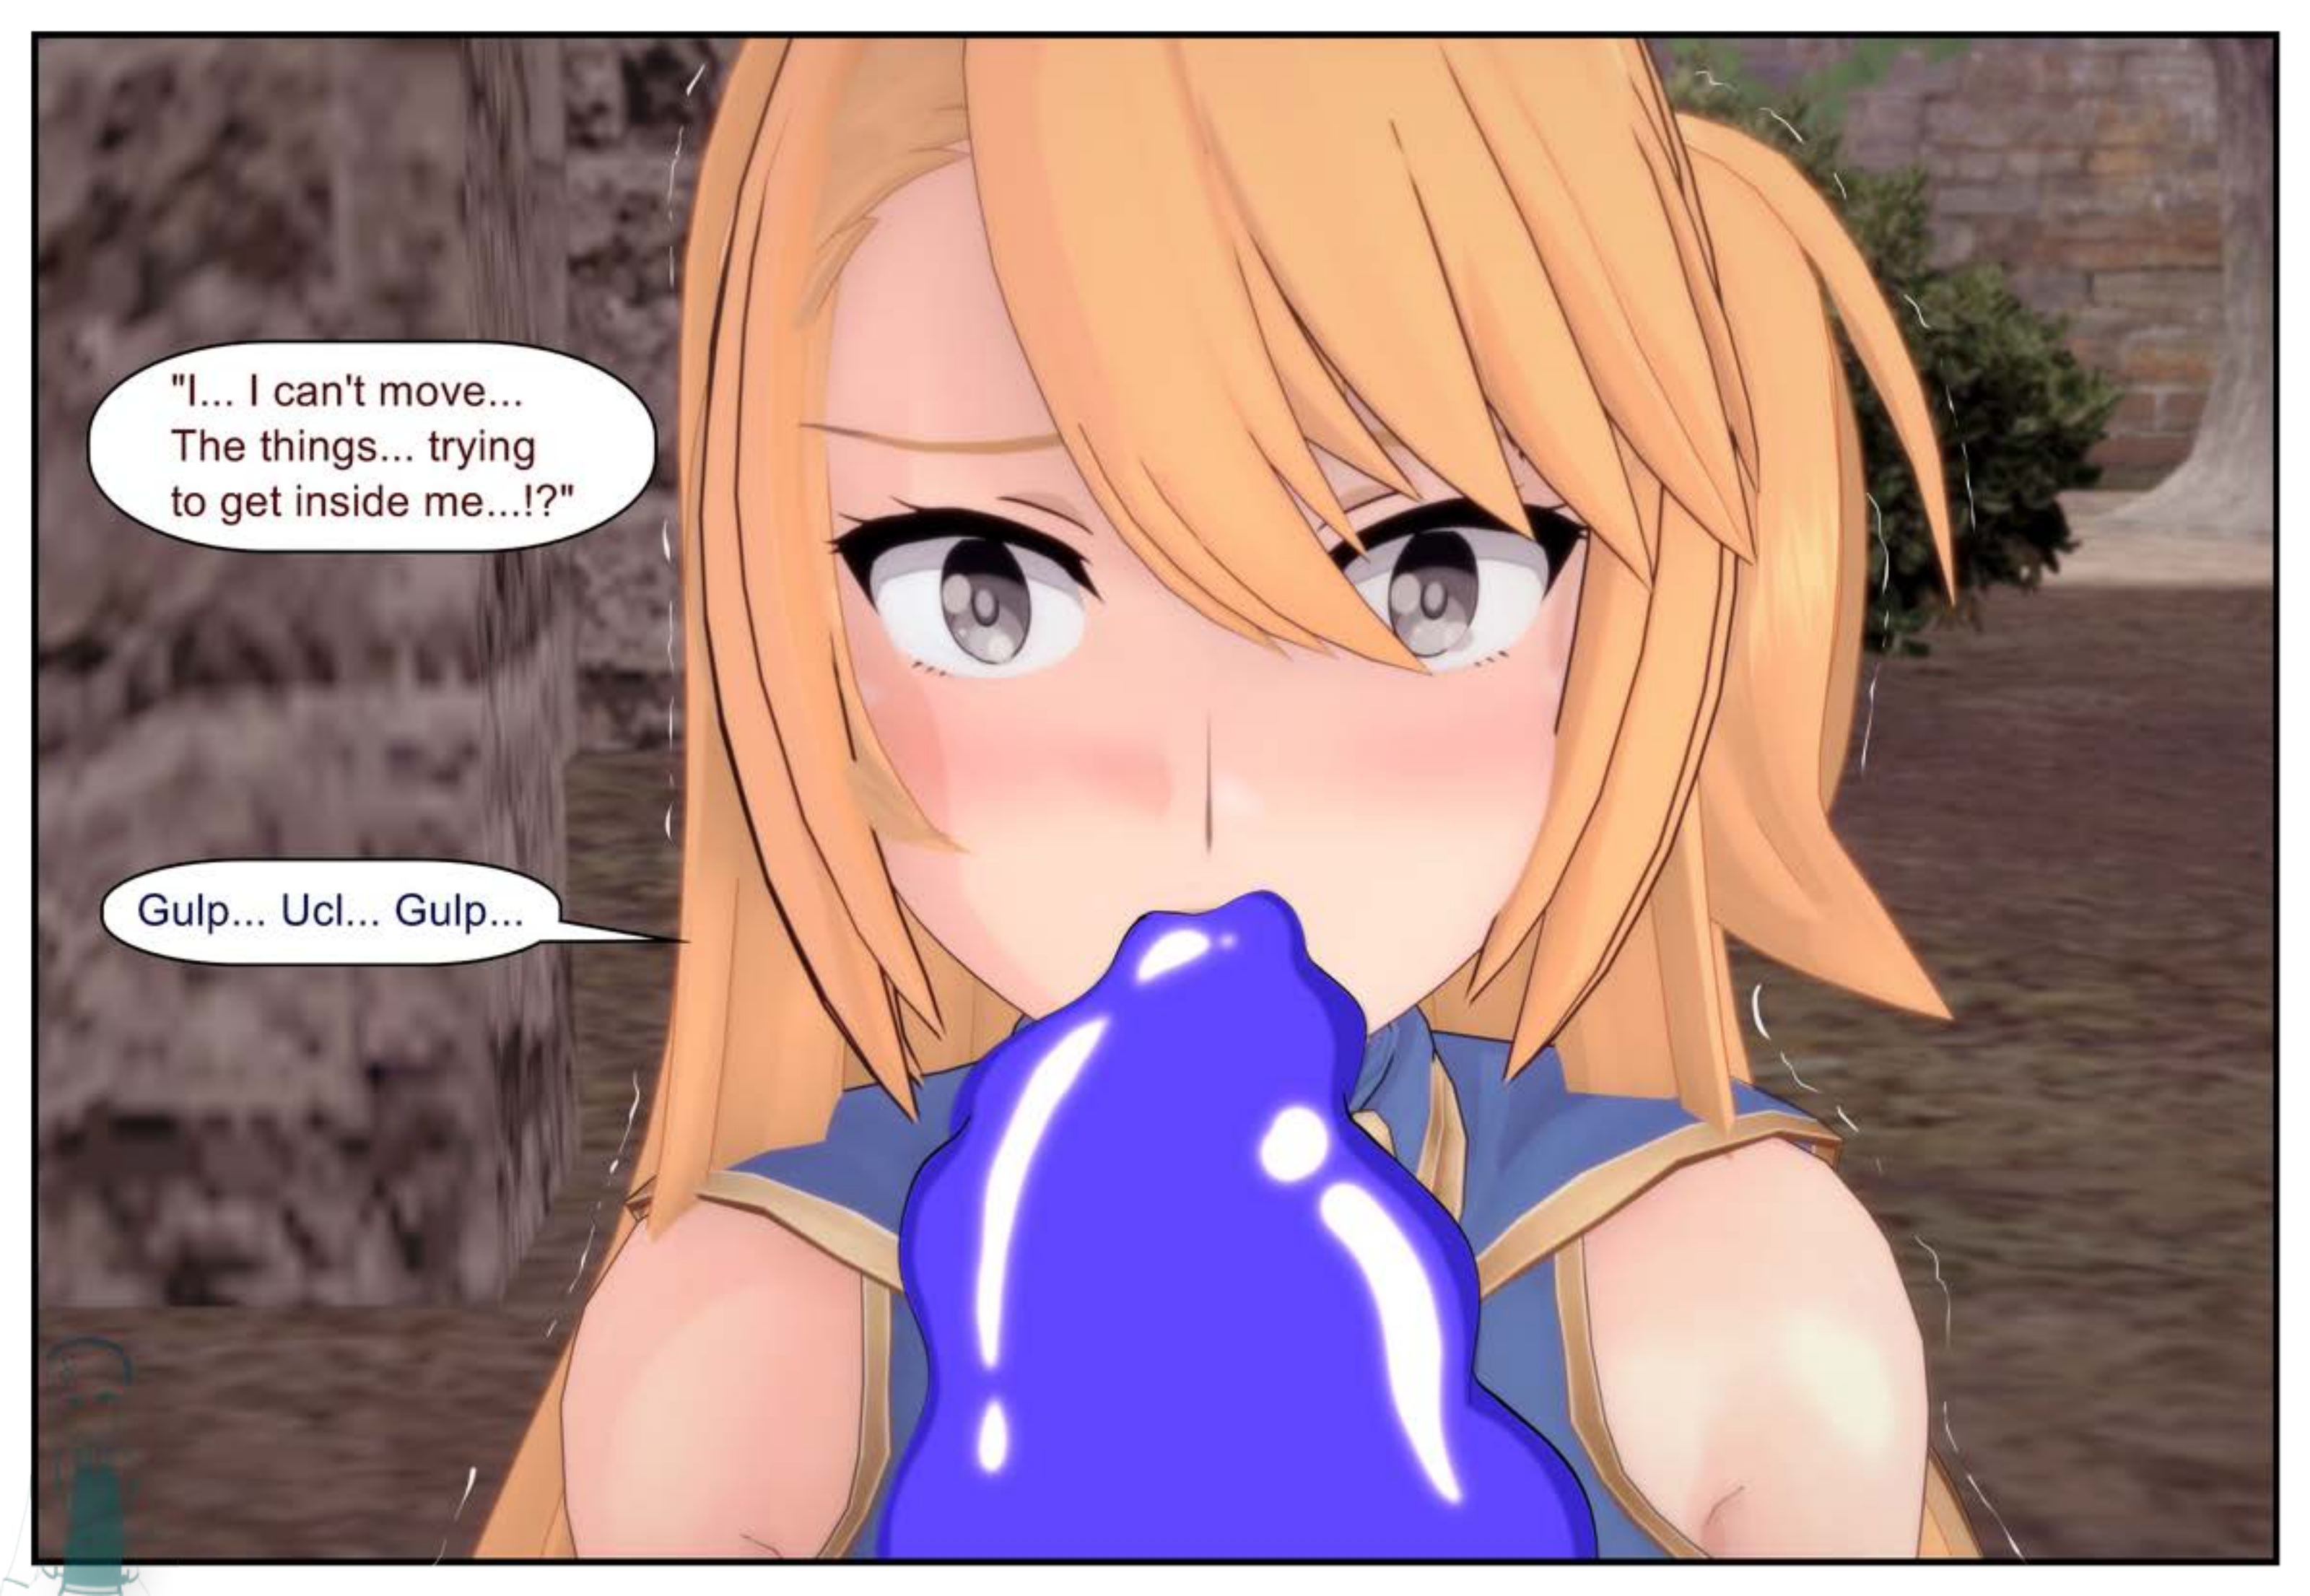

Hey, are you listening!?

"I... I can't move...
The things... trying
to get inside me...!?"

Gulp... Ucl... Gulp...

Gulp... Gulp...
Glup... Glup...

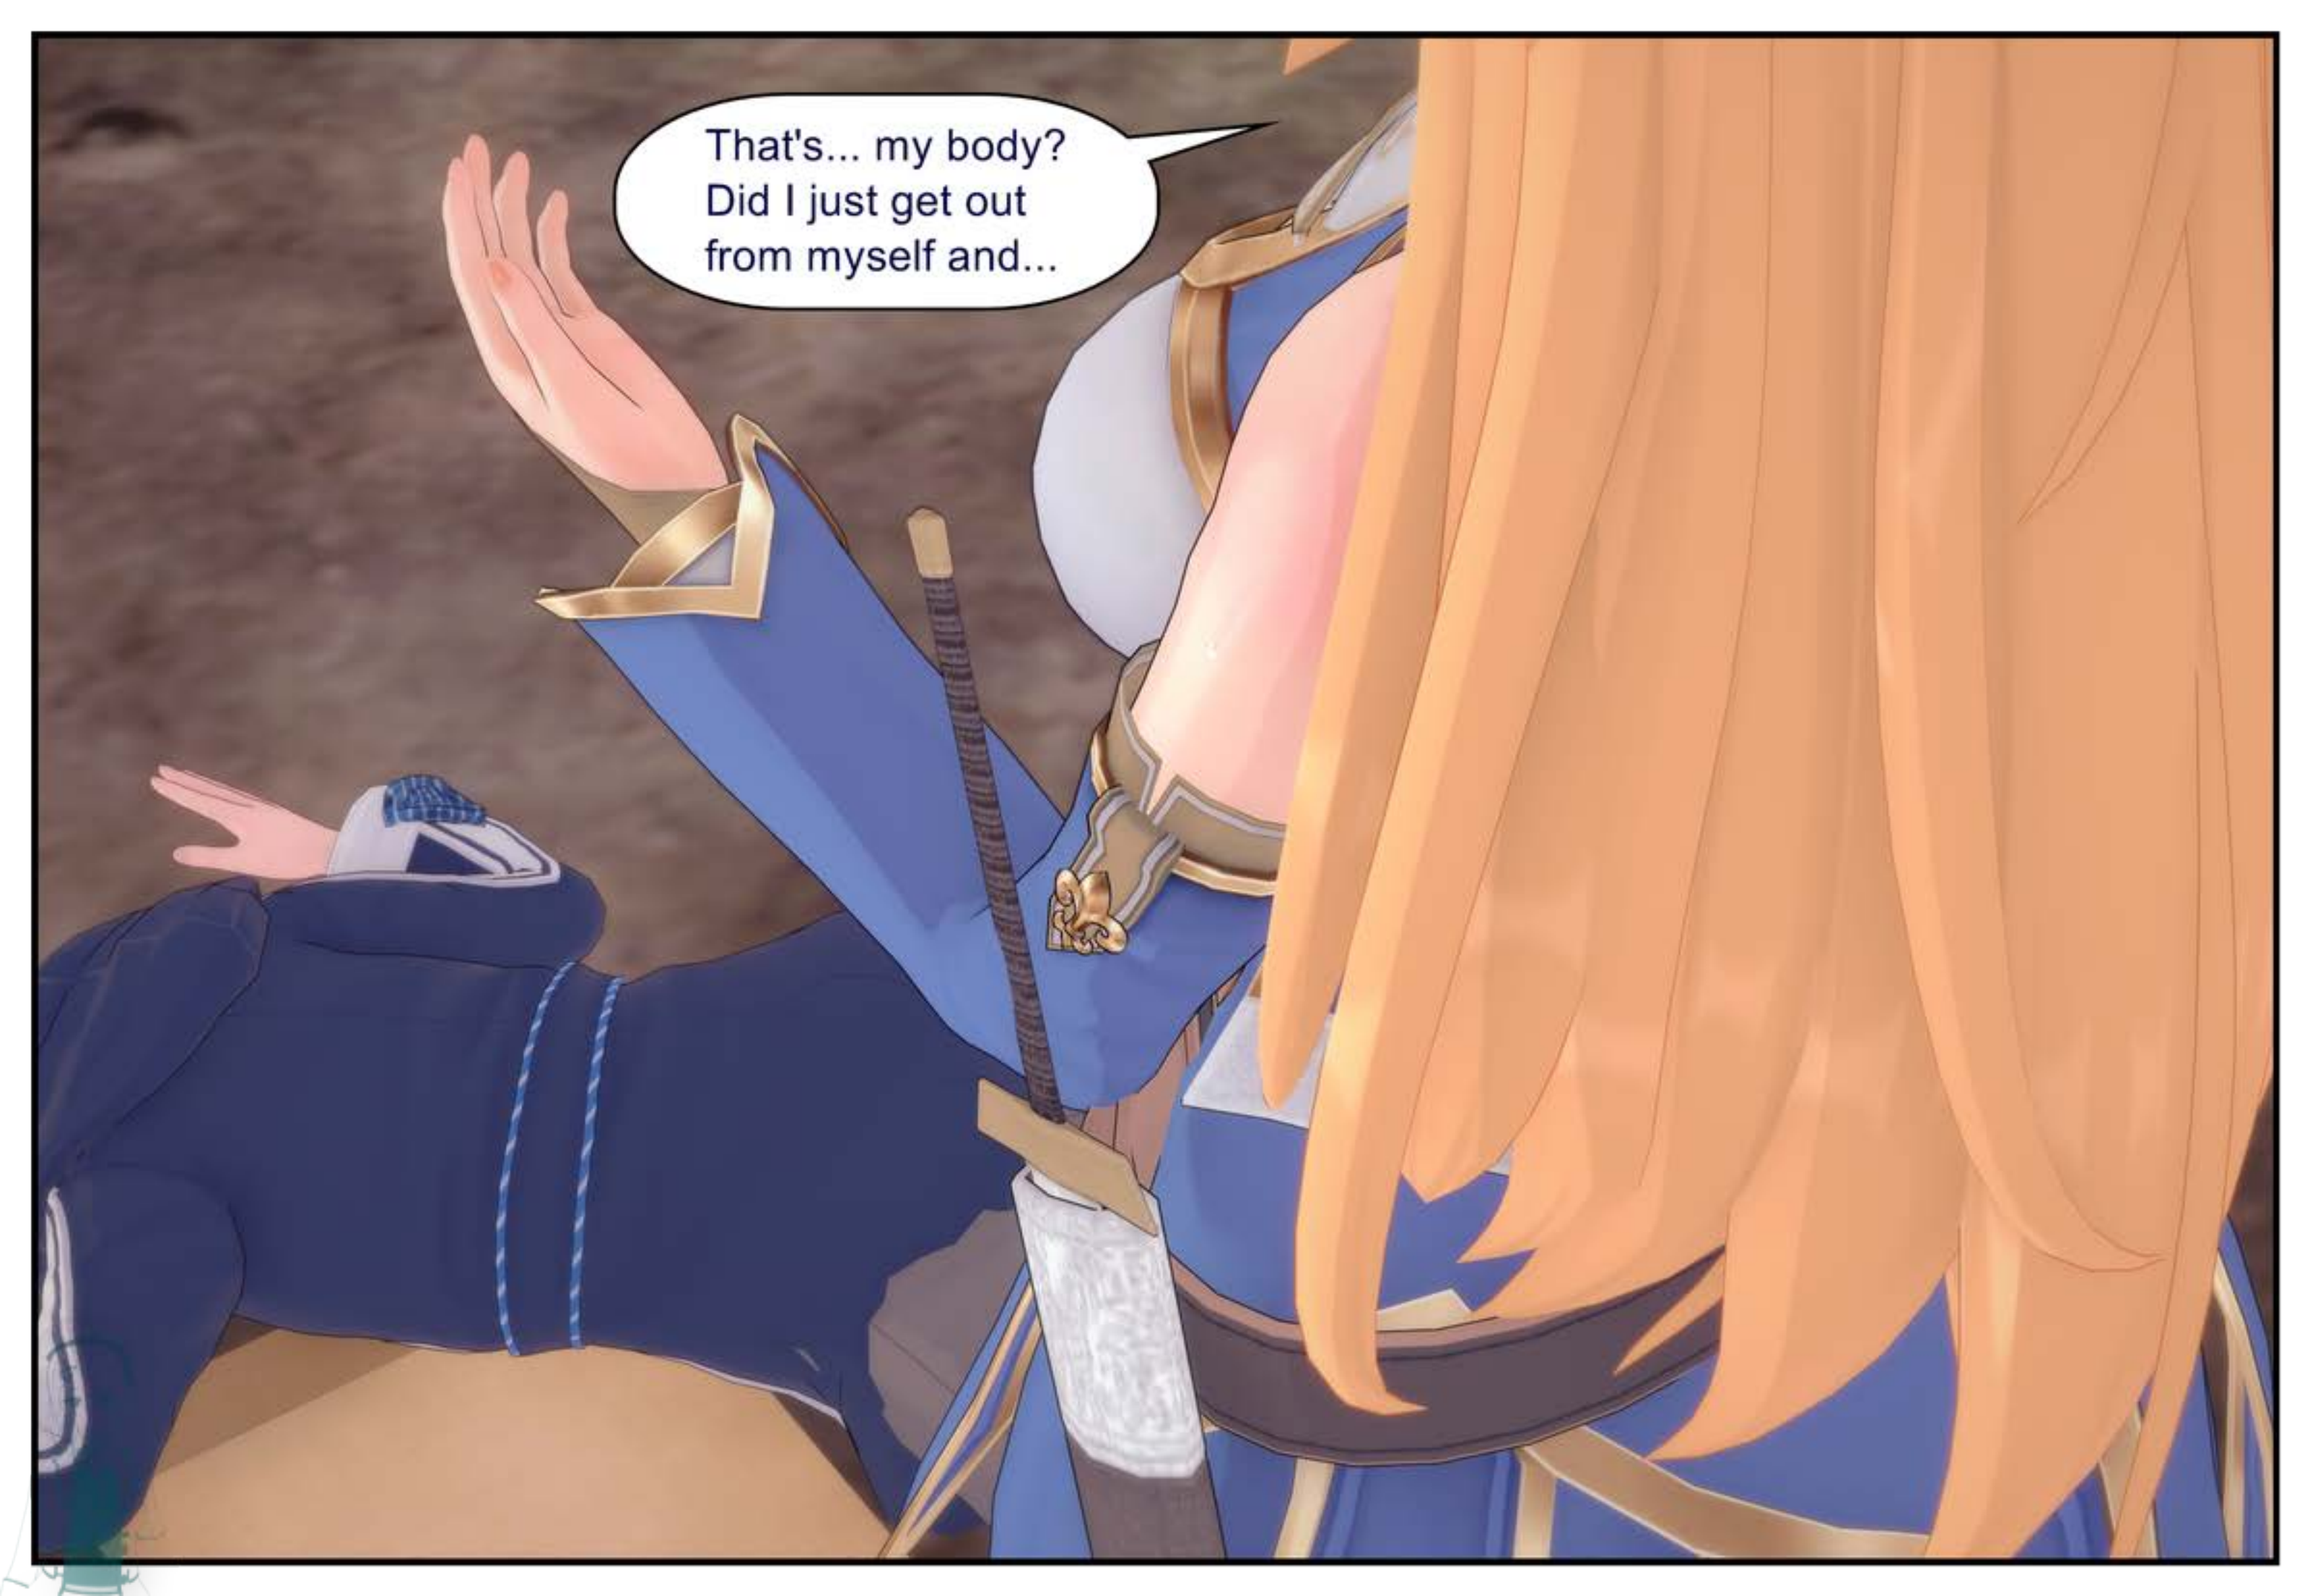

I... have become her...!? What is happening!?

That's... my body?
Did I just get out
from myself and...

...I was a slime...
and I possessed her...

I see... This is what that wizard said before...

It's like... I can
free change the
role now...

"Who gave you
the authority!?"

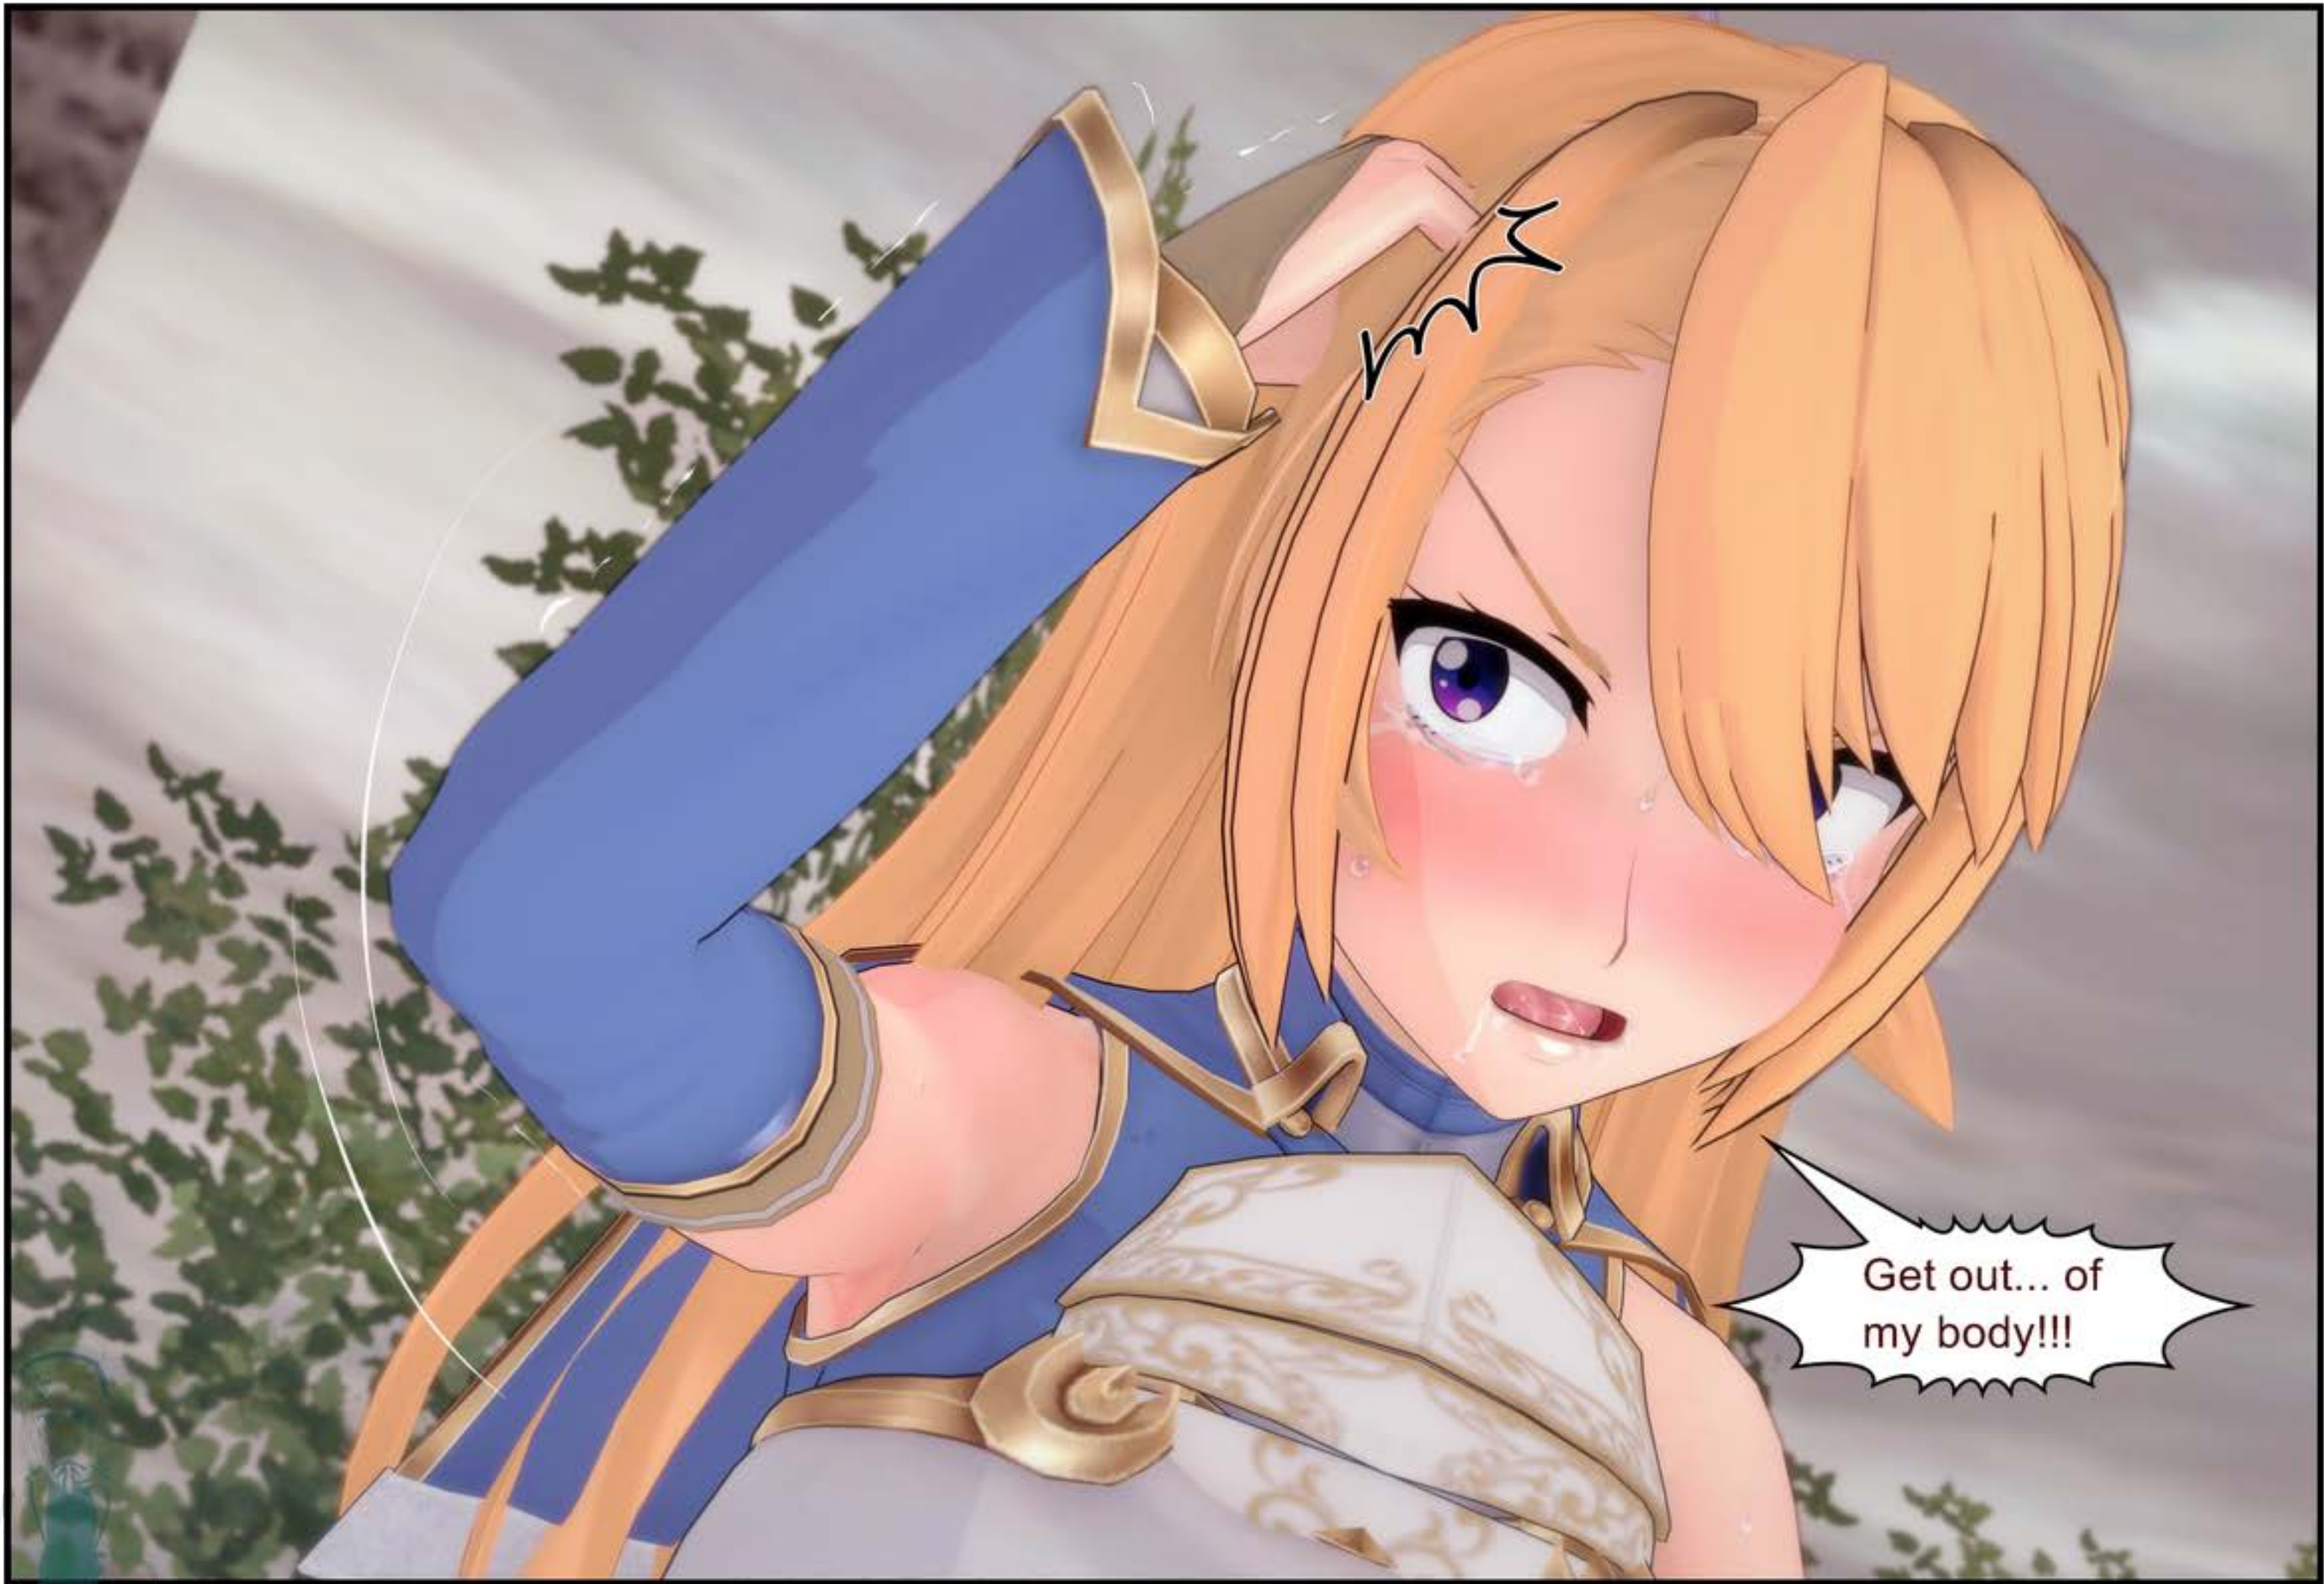

This is my body,
you jerk priest!

W-Wha... wait...

And I'm going to
take it back!!!

Get out... of
my body!!!

Gyyyaaaa...!!!!
S-Stop it!!!

A character with long, straight white hair and a black dress with white gloves is shown in profile, looking down with a distressed expression. The background is a textured, greyish-brown surface.

It hurt!!! Please!!!!

Karah... Batah...

I bet this is your first time doing this.

Never celebrate too soon...

If I hadn't come,
you would have been
in a monster prison.

I just put her to sleep for a bit. Don't get your hope up just yet.

Now, bring your body
along and follow me.
I will show you some.

Wait...

May I ask... who are you?

Not this place,
follow me.

I'm like you,
priest.

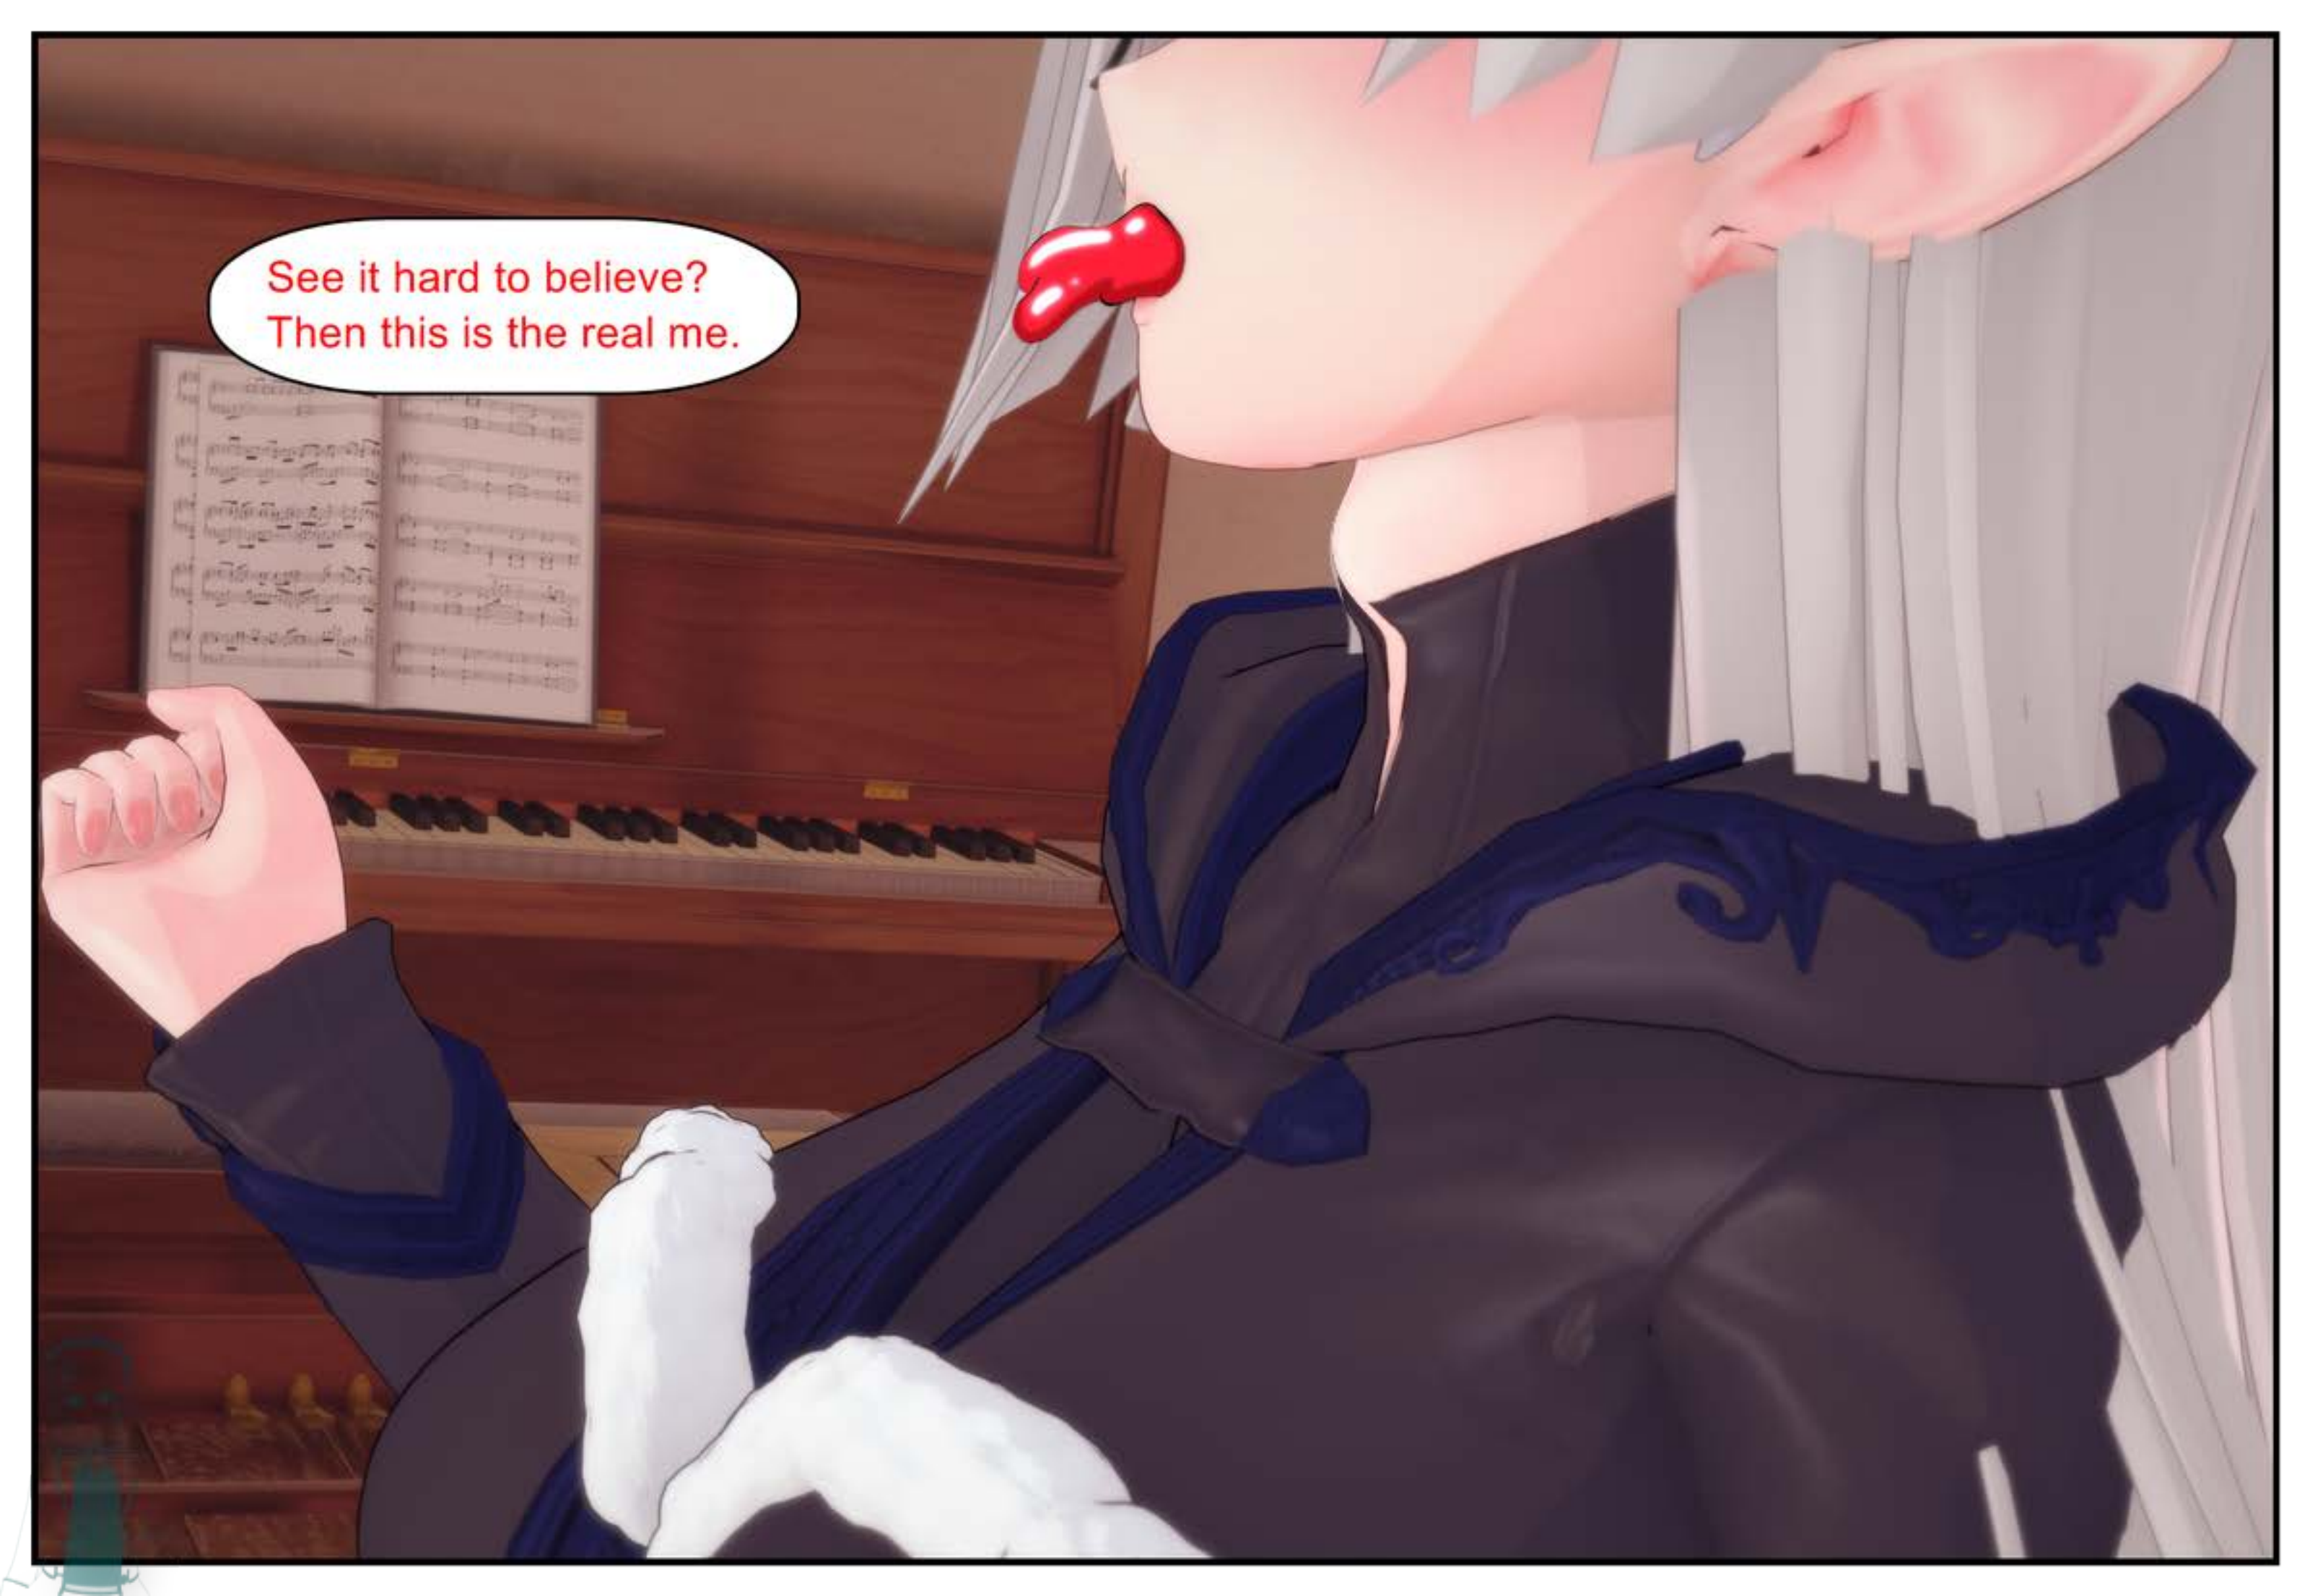

W-Wha...?

This was once...
a body of a female's
adventurer.

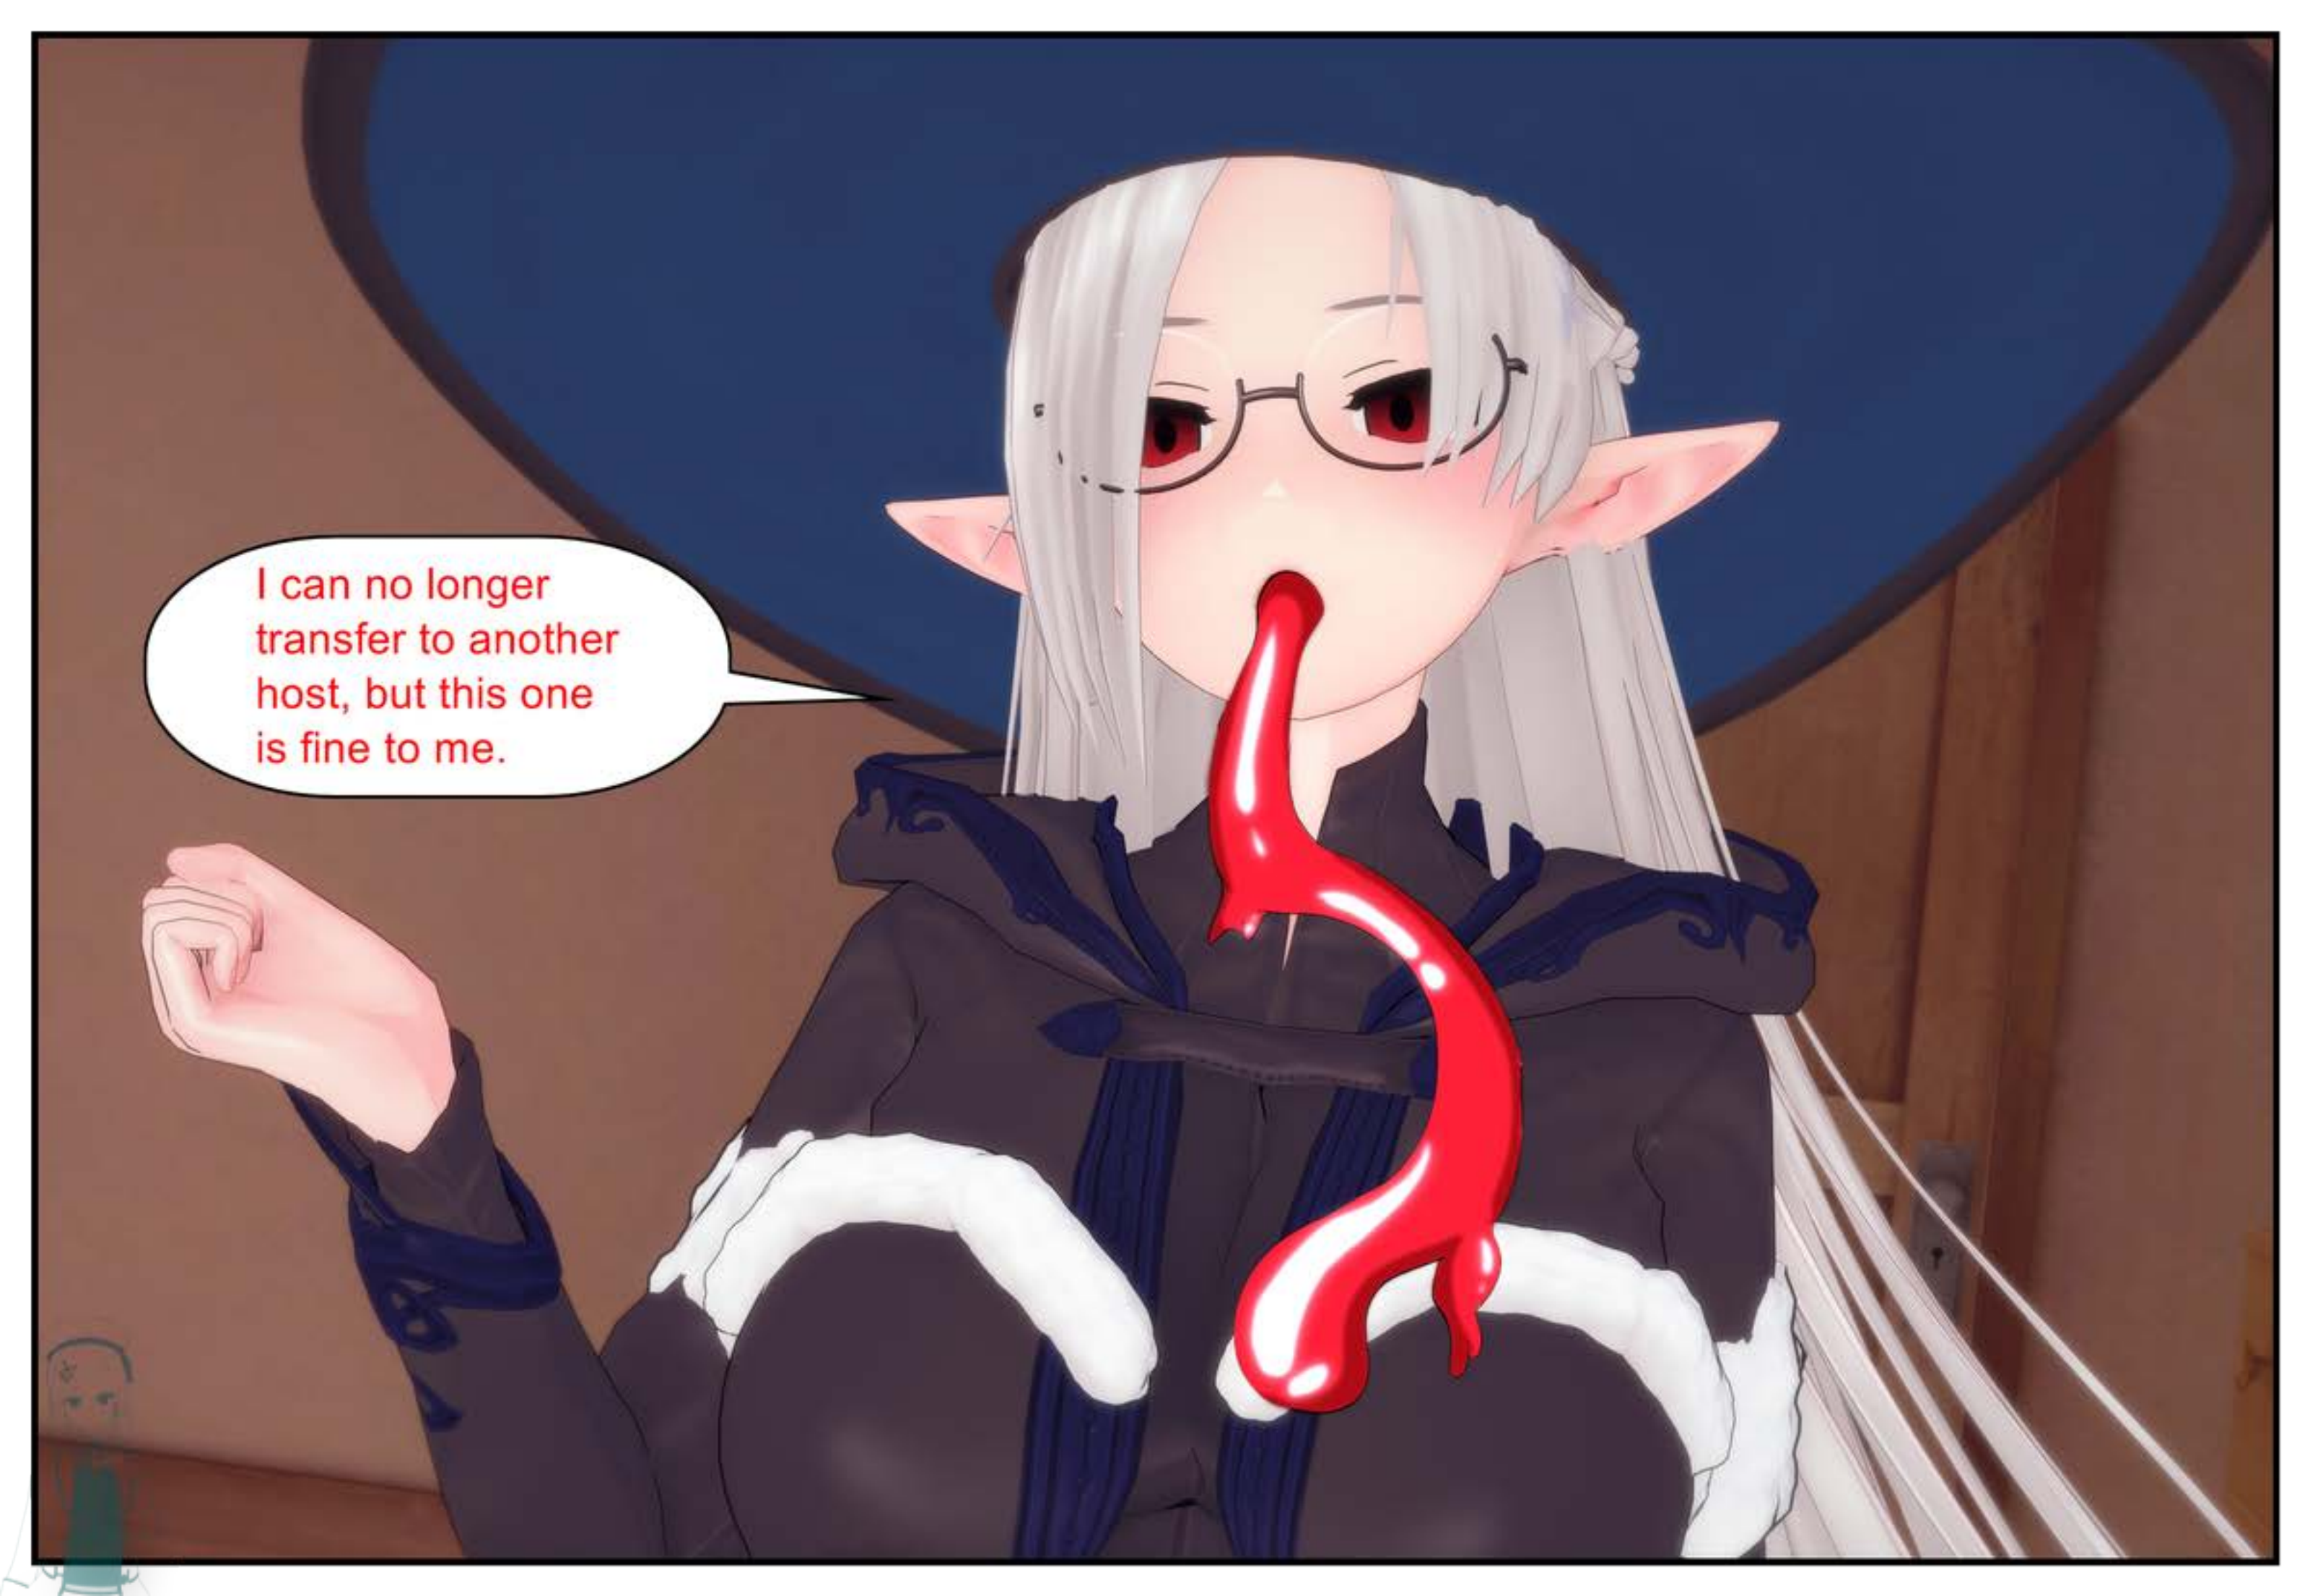

She died in her exploration, and I took the chance.

See it hard to believe?
Then this is the real me.

I can no longer transfer to another host, but this one is fine to me.

Then why me...?
You gave me the scroll...

If you can control
this ancient spell,
you will get it.

If not...

...like before. You will be killed by that female knight.

That's why I will
show you how...

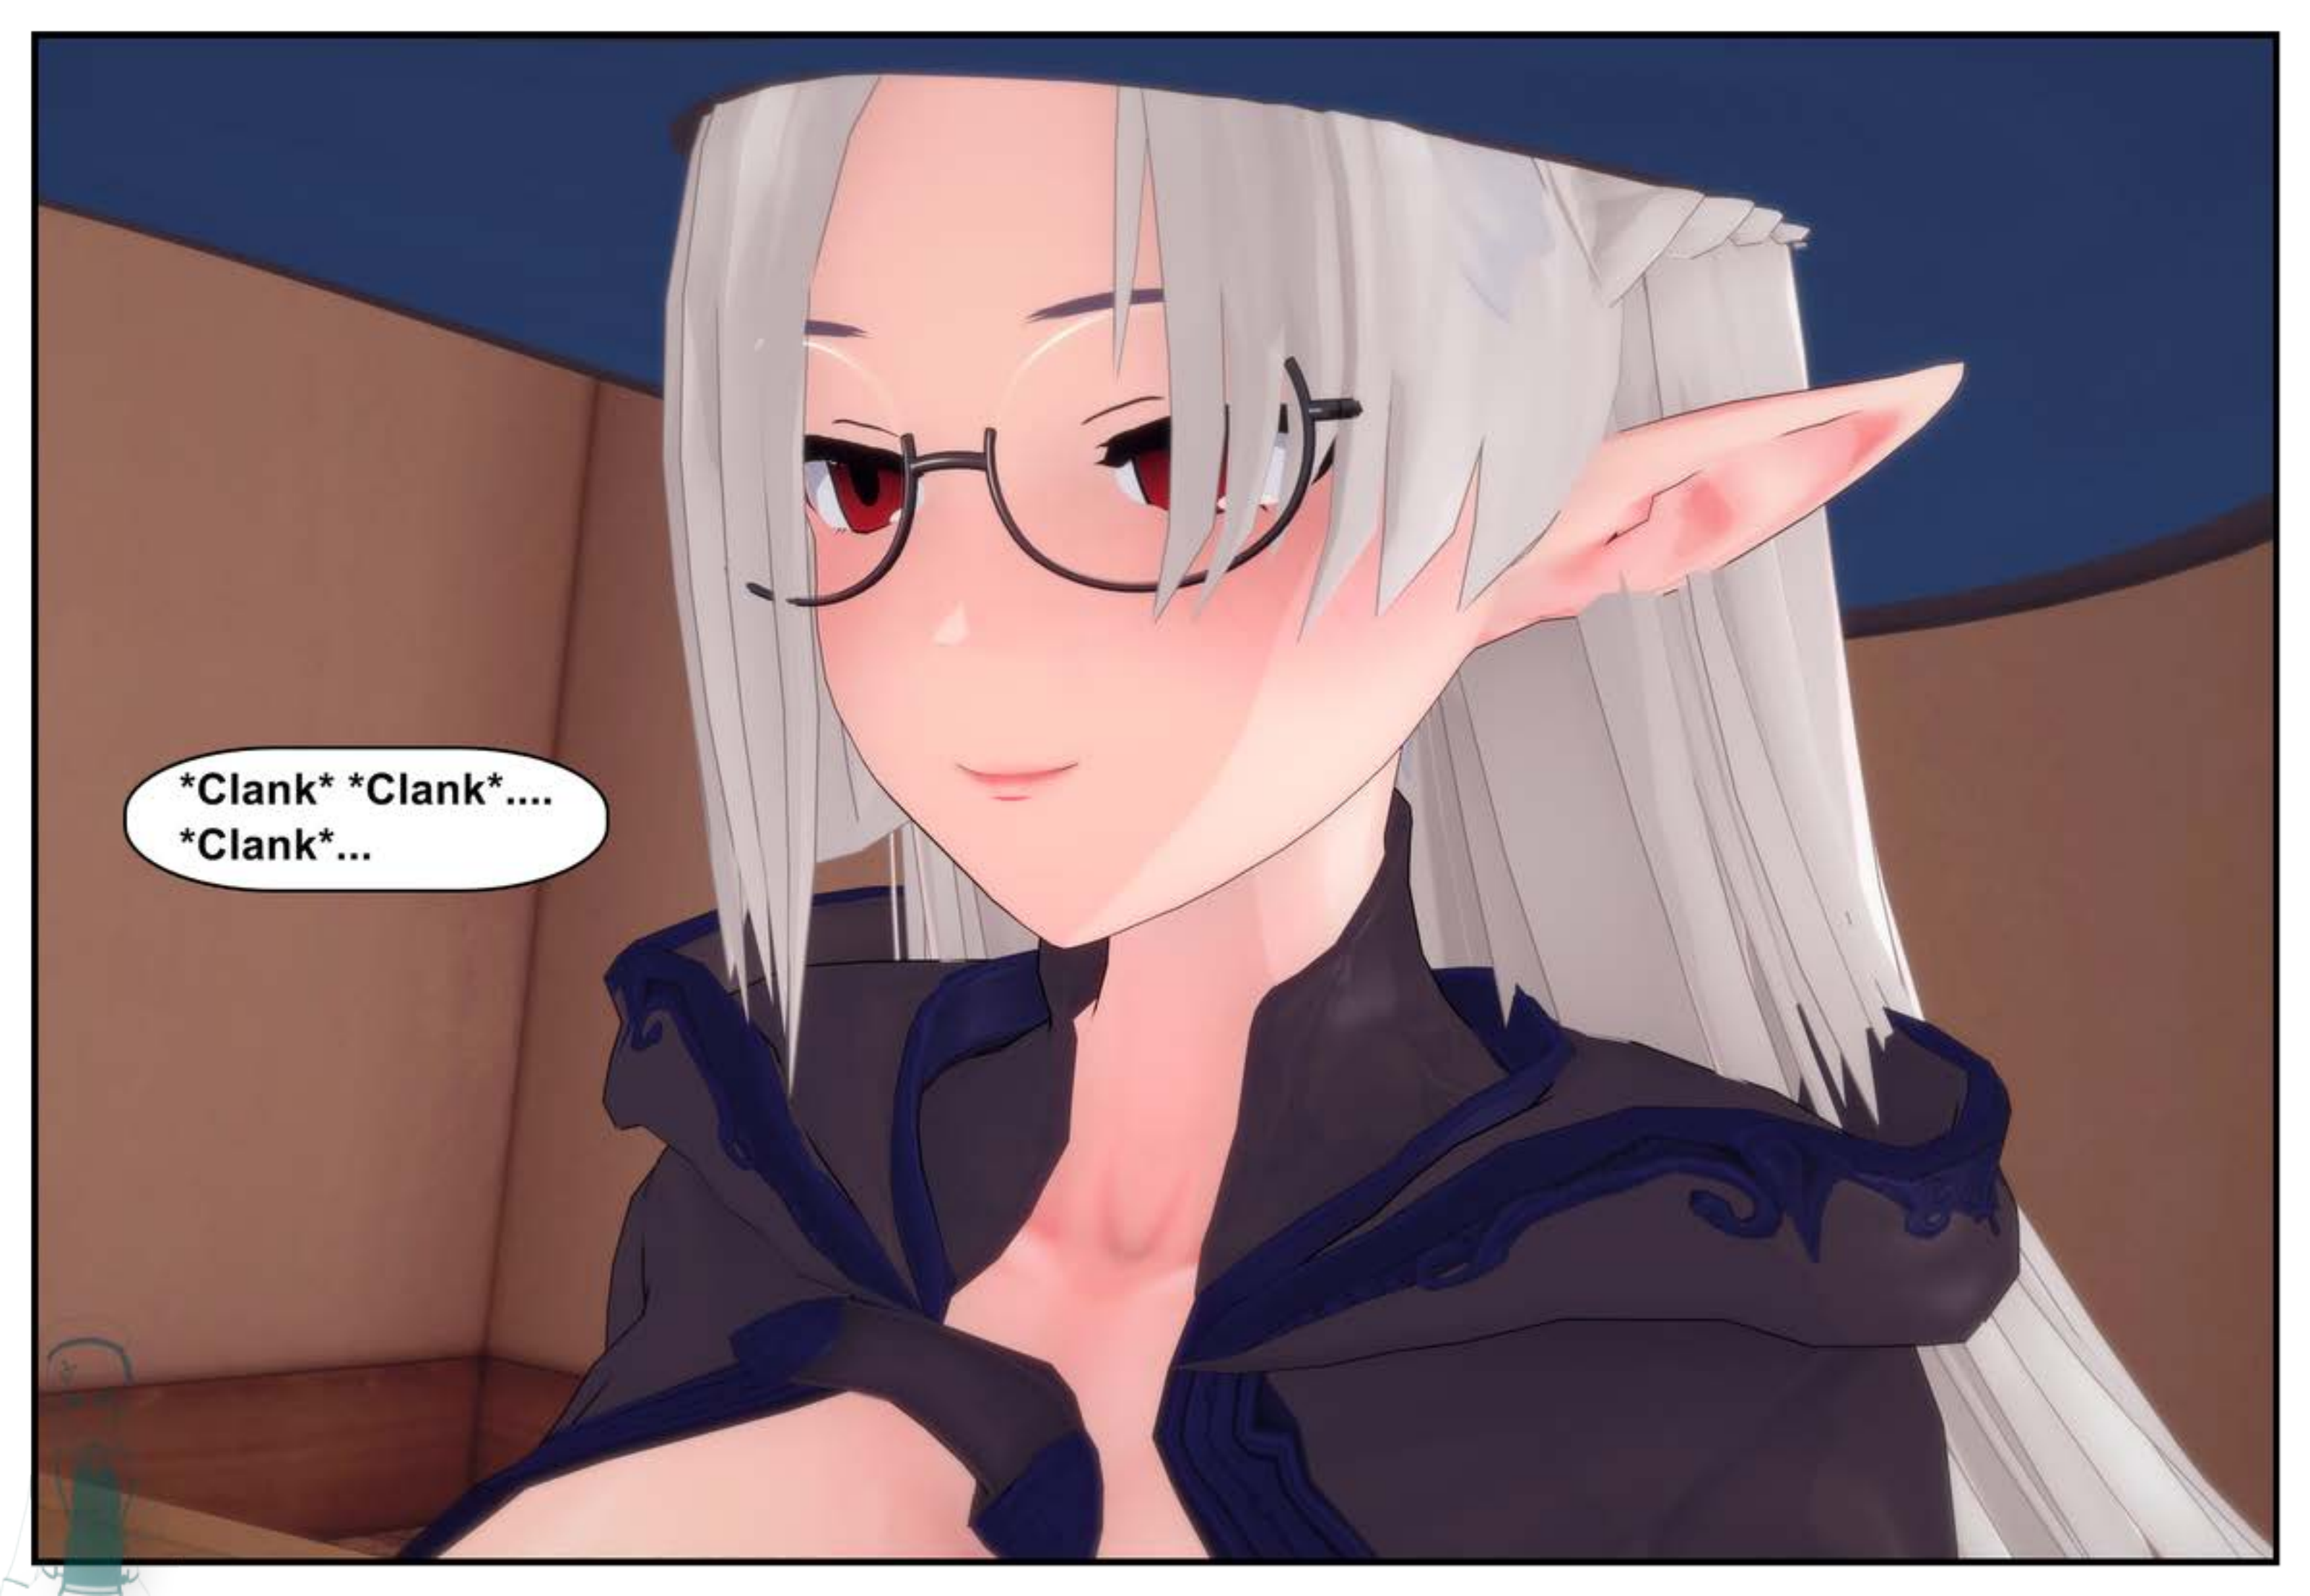

...to completely take over a host.

First, put off all that clothes and armor, will you?

***Clank* *Clank*....**
***Clank*...**

This is the first time
that I was asked to
get naked...

Then... What am I going to do next?

Even when you left your body, it still remain functional.

N-No... Are you saying that...

Do you ever have sex before?

Show me what you
can do, unknown priest.

Uhm...

Slurp... Nn... Um...
Nn... Mn... Um...

Um... Nn... Slurp...
Slurp... Un... Mm...

A close-up illustration of a young woman with long, flowing blonde hair. She is shown from the chest up, holding a clear plastic bottle with both hands and drinking from it. Her eyes are closed, and her cheeks are slightly flushed, suggesting she is enjoying the drink. The background is a soft, out-of-focus indoor setting with wooden beams. A speech bubble is positioned to the left of her head, containing sound effects for drinking. In the bottom-left corner, there is a small, stylized signature or logo.

Un... Mm... Nn...

I think... there's
a change in this body?

To be continued?
