

“Don’t be silly! You can’t go to ballet class dressed like that!”

“Yes, I can see that you’ve got a diaper on for any little tinkle accidents, and your tutu for prancing around... but that’s not the problem sweetie!”

“Your little baby boobs will be bouncing around for everyone to see! All the girls in your class will be able to see, and all the Mommies and Daddies!”

“C’mon let’s find a matching cute pink leotard and then we’ll go dancing”

“What?! You’ve had an accident already? Well it’ll have to wait until after the ballet class is over now!”
