

Office Party – Endgame 2
Dominant Lovers
Part F – Afterwork Fun

I feel so much more productive these days!

I know what you mean. Nicole is so much better at organizing stuff than Stacey.

Yup!
Remember Mr. Wilson from RBF? I've basically got him on board!

You look pleased. Had a good day?

Nice!
Sounds like we can give ourselves a huge pay rise soon.

Well... we could do that. But I was thinking about reinvesting...

Hey, Boss!
Charlotte's been a good girl all week. Me was thinking like could I get some payment in advance? Pretty please, boss!

Me so sorry for that! But me was good girl all rest of week!

I'm not sure you deserve that, Charlotte. What do you think, hon?

Well... I guess she did not do too many stupid things... though there was the coffee incident...

Pretty please, boss! I need it! My coochy is like on fire!

Hmm...

Remember Mr. Wilson?

Well... alright. But on one condition.

I love how my girl handles this bimbo.

Like... not really?

Chubby guy, brown hair, glasses...

Chubby Glasses! Yes! He's a thing for armpits!

Yeah... That one. He'll come over these days. You are going to show him a really good time.

Will do, boss!

Duh! That's like me job anyway!

Hi!

Will do, boss!

Have fun!

Hey, Sayo! Charlotte's been a good girl. Help her to an orgasm, will ya?

This will be fun to watch! Though I would have chosen Isabel.

Haven't you seen this a dozen times by now?

That's true. But we should head home.

But it never gets old. Don't they look lovely together?

Why the hurry?
How about I bend
you over that
counter and take
you from behind?
Let's enjoy the view
together.

Sounds
intriguing
...

But no.

push

I like surprises from you!

Trust me, you'll LOVE this one!

While Nicole and Dylan leave the office, the sapphic lovemaking continues at the reception desk.

Oh, Charlotte! You know you don't have to...

Oh god Yes! That feels good! Mhhh!

SLURP

I'm... I'm cumming!

Charlotte, I'm cumming!

Ahhhhhh!

Like not for work. Whenever we like want?

Like couldn't we do this for like fun?

Like me has some idea!

You know, Charlotte. I really enjoy our times together!

Oh, Charlotte. I appreciate the thought. But it's not your brightest moment.

You know I can't do that. Bosses' orders.

But feel free to ask her for my service again when you've earned your next orgasm.

Together the two lovers enter their apartment. Thankfully Nicole has found a way to dim the light in Dylan's flat so we can now enjoy a more romantic setting.

giggle
Just look ahead.

So?
Where's the surprise?

Uh, a French maid?! Nice touch!

Wait! Isn't that...

Hello, Master,
Hello Mistress.
Welcome home!

I've prepared a lovely dinner for you. Please follow me to the table.

I'll tell you over dinner.

But how? Her suggestions are only work-related...

Basically, stating she's our personal assistant/slave with the top priority of satisfying all our wishes and making us feel good.

The answer is simple. Julie here has gotten a new work contract.

And she did sign that?

Dinner is served. I hope you like lasagne.

Once I told her a good employee would trust her boss and not read the contract it was a piece of cake.

Are those lemon pieces on top of the lasagne?

Genius!

Alright!
Let's dig in!

MAMPF

Oh god!
What is this
taste?!

PUKE

GAG

Master, Mistress, how is it?

That's... actually a good idea. But no, I think she's genuinely bad at cooking. You might hurt her feelings...

Is this part of one of your scenarios? Am I supposed to punish her for the cooking?

Oh, my!
But I haven't
prepared any
dessert!

Don't fret, Julie.
You are the
dessert!
Off to the
bedroom, girl!

We are not that
hungry, Julie. We'll
directly skip to
dessert!

A woman with long, wavy blonde hair is sitting on a bed with a patterned sheet. She is wearing a black and white maid-style outfit, including a black top with a white lace collar, black gloves, and black thigh-high stockings with white lace trim. She is looking directly at the camera with a slight smile. The room has a dark headboard, two bedside lamps with white globe shades, and a shadow of the woman is cast on the wall behind her. A speech bubble is positioned above her head.

Like this?
Do you like
seeing me do
this?

Holy shit!
That girl's
eager to
please!

Dylan holds out for quite some time fucking his girlfriend and the young intern, but at some point he can't hold back the pressure anymore and releases all over his girlfriends chest.

GULP

Good girl!

You know
what time
it is now?

Cuddle
time!

Huh...
Was it that
bad?

Instead of
adding grapes
and chilly
powder...

Maybe I should
have followed
that recipe to
the letter.

I will work 24 hours a
day to improve. And
if that's not enough
I'll work nightshifts
as well!

I will double my
efforts to excel
at work and I will
take cooking
classes!

Master,
Mistress, I'm
dearly sorry for
my shortcomings!

Again, you really did nice work on her!

Oh, Julie...
Never lose that enthusiasm. It's the one thing you excel at, Julie.

clap

I love you,
Nico.

Love you
too, hon.

The End

And so with the conquest of Julie, the lovers have taken full control over the company and their employees. Their word is law at the office and everyone is more than happy to fulfill their every wish. But that does not mean they are lazing around! ... Well at least Nicole is not. She's combining her natural talent for business with the absolute loyalty of her workers to make the company flourish in ways Stacey could have never dreamed of. Already she is thinking about expanding the company and building a branch office. Of course, they can't expect the same sort of loyalty from their new employees, but Nicole will think of a solution...

But this is still some time from now. In the meantime, the couple enjoys their fun at the office and regularly they bring back home one of the girls to engage in a hot and steamy threesome.
