\*Sigh\*...

"This exhibition is not interesting as I thought."

A woman with long blue hair is shown from the waist up, wearing a light blue, form-fitting, sleeveless dress. She is standing on a red carpet. The background is a blurred indoor setting with brown walls and a ceiling. Two speech bubbles are present: one on the left and one on the right.

Excuse me...

"I tried to get myself accompanied with other guests, but it seem so awkward."

I saw you was sitting  
alone at this table  
and drink alone...

"A-A beautiful lady!?"

Y-Yes... Ehem...  
Of course, Miss!

...Do you mind if I  
join with you?

No, with some other friends.

You came here alone?

What a boring  
exhibition, don't  
you think?

So... Let's cheer?  
Miss...

A close-up illustration of a woman with light blue hair, wearing a blue dress, holding a wine glass filled with a light-colored beverage. The background is a blurred indoor setting with a red curtain. A speech bubble is positioned above her hand.

Yes. But maybe  
it's not necessary  
to know my name.

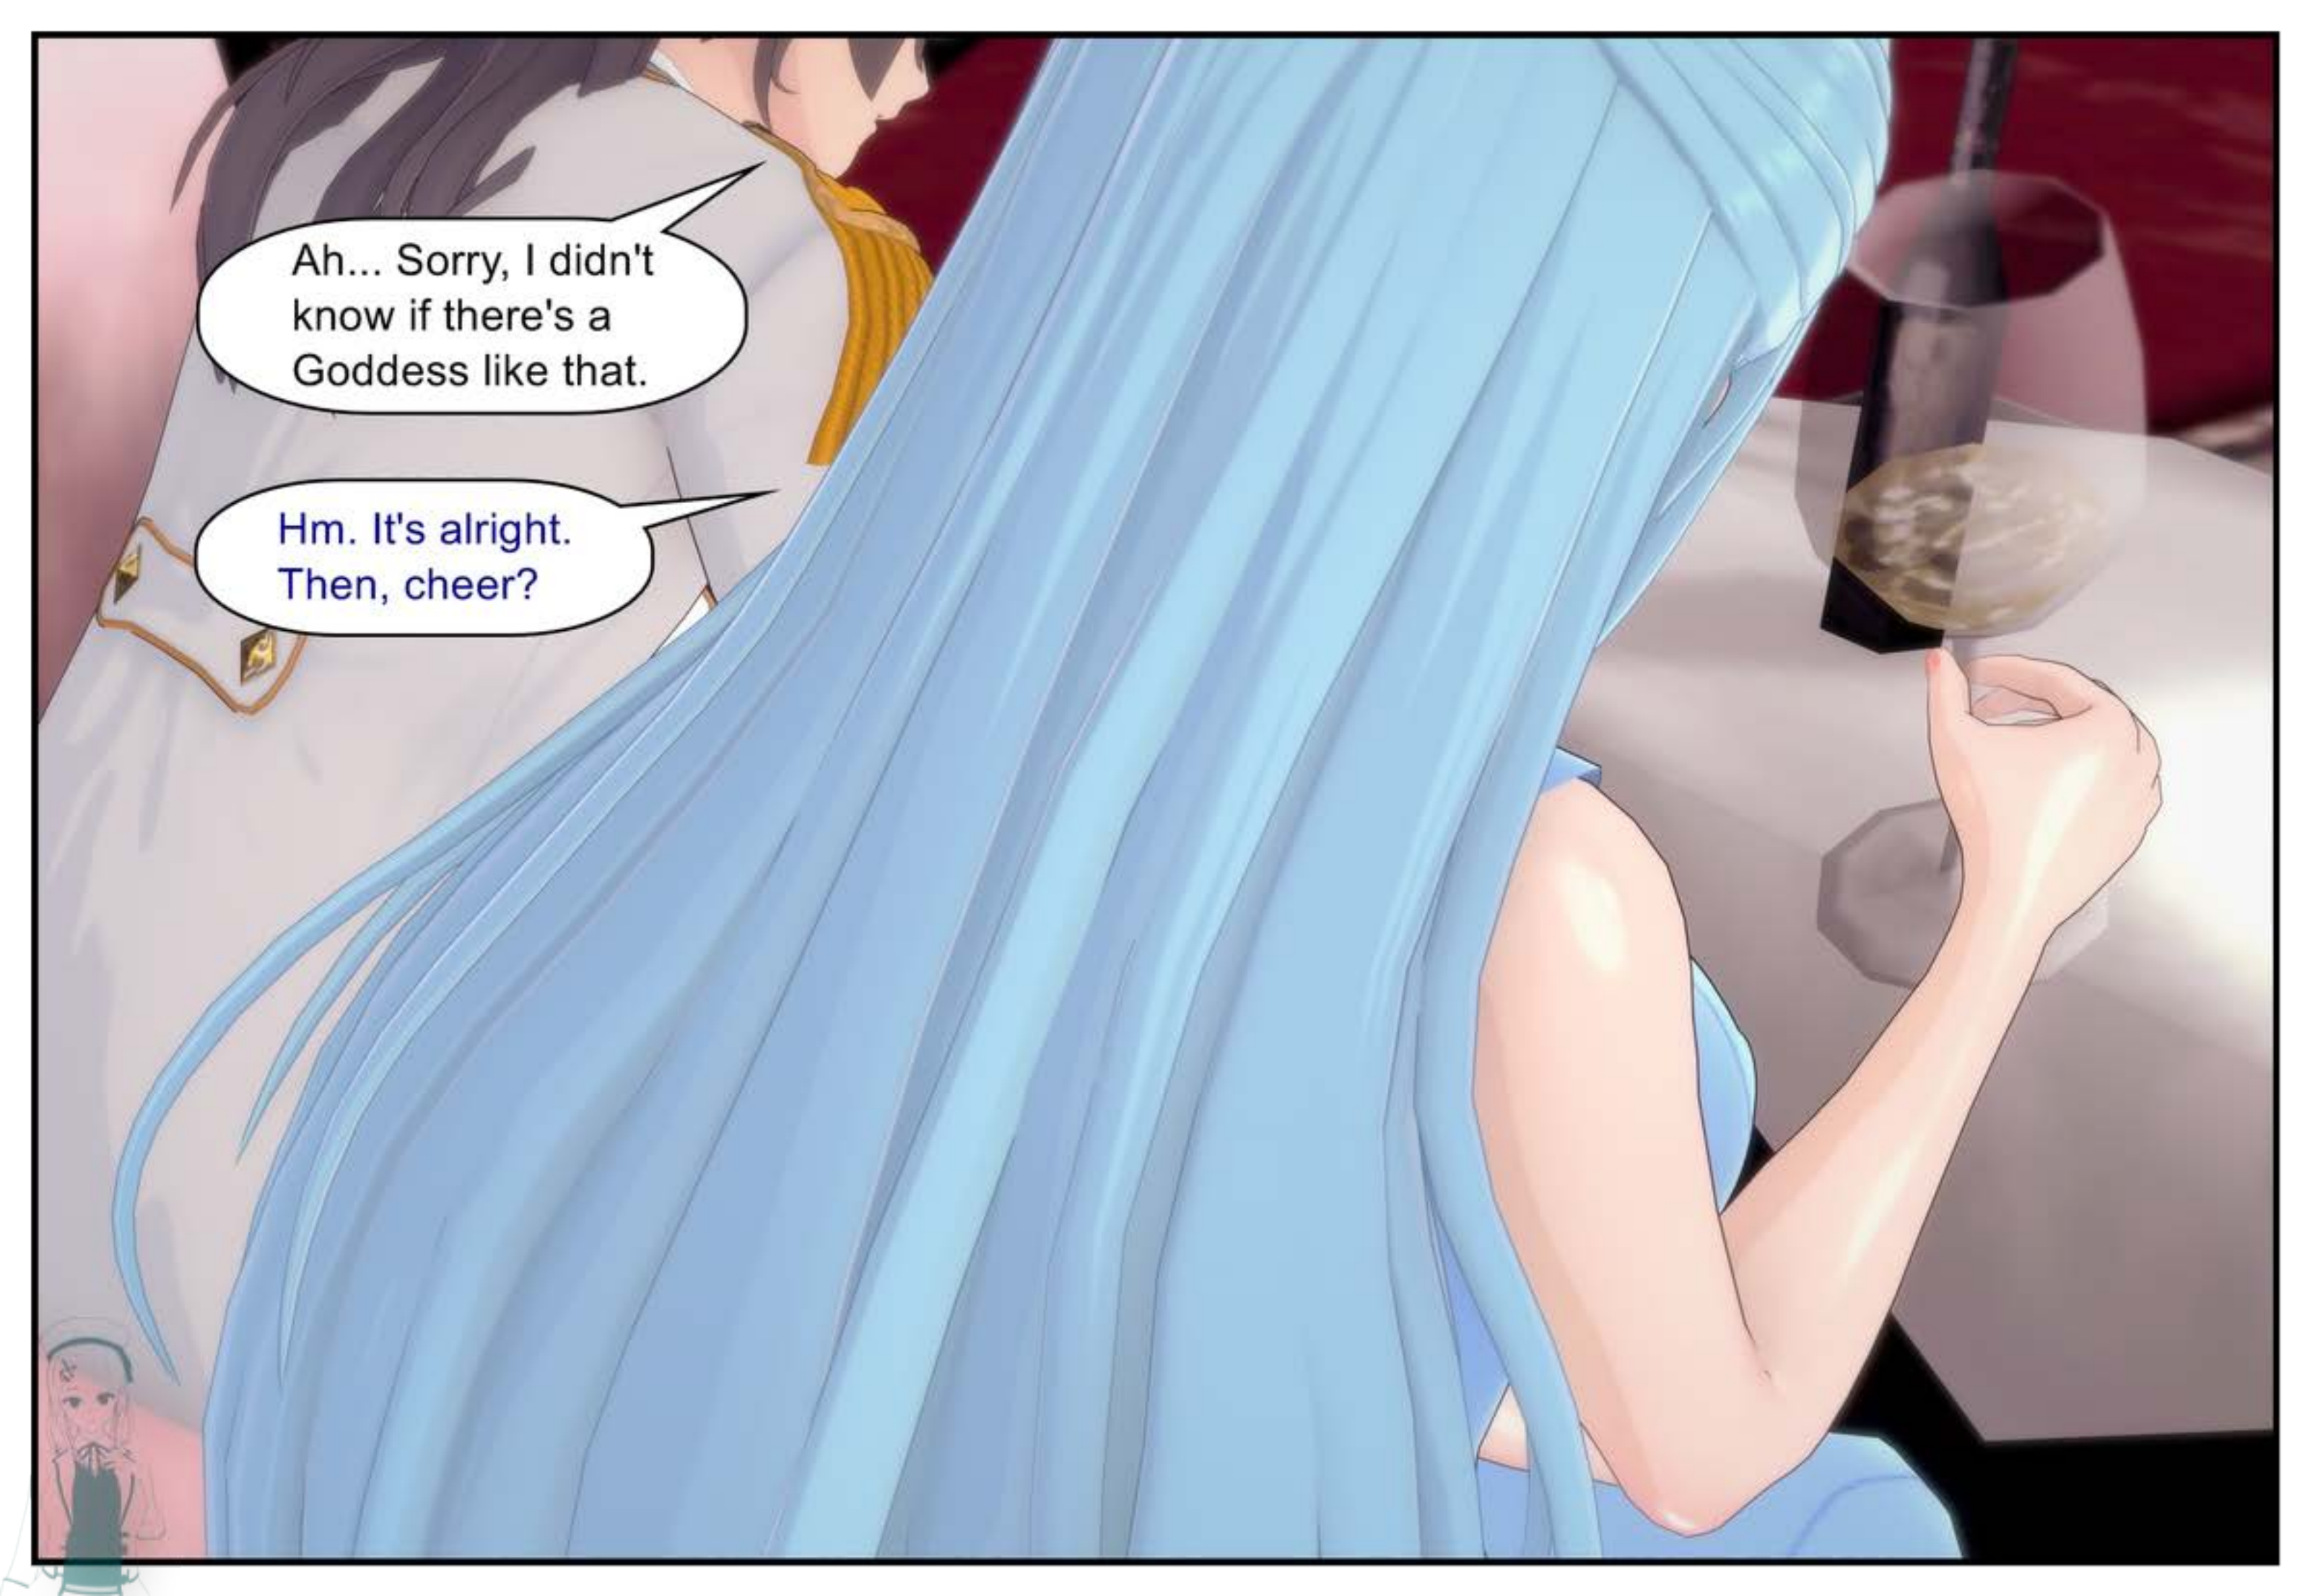

Aqua, Goddess of Water, ever heard of?

Ah... Sorry, I didn't know if there's a Goddess like that.

Hm. It's alright.  
Then, cheer?

Cheer. A good fortune for you in future, Miss.

After this drink,  
let's go stir up the  
night somewhere  
more private?

You will receive  
blessing from  
Goddess of Water.

Meanwhile...

Huuuuurraaaaayyy!!!

A woman with light blue hair, wearing a blue dress and a pearl necklace, is pointing her right hand towards a dark bottle. The bottle has a gold label with a crest. The background is a brown wall with a decorative pattern.

Never know this  
exhibition even  
have its own bar!

Now, everyone!  
Tonight, Goddess of  
Water will treat you!  
Drink all you can!!!

Ahahaha...  
Hic...!!!

Aqua...

Huh...? Who dare to interrupt my fun?

Don't drink too much  
and cause trouble, got it?

D-Darkness!?

I know... Hic... By the way, when did you change clothes?

That's not your business. Do you see Megumin anywhere?

Hah...? If you want  
to ask me, there must  
be... Hic... an offering!

Then... On the  
behalf of Dustiness...

This whole bar will be yours if you tell me where Megumin.

Oh, of course! She's looking for a challenger in Hall B!

That's great to hear.

Nothing nothing! I  
always bring bless  
to my followers!

"Still... Darkness  
seem a bit weird in  
that outfit."

"Well, it's just her  
being forced to act  
maturely in this party."

Earlier...

Do you have any  
plan in mind, Kazuma?

If we want to play  
Aqua, and find Megumi.

A few hours more,  
the exhibition will  
come to an end.

We must think  
of something fast...

Hmmm....

Let's go rouge in  
nude with these skin  
and stir up the Hall!

Don't attract much unnecessary attention to us!

I want a plan that we go in as quiet as possible.

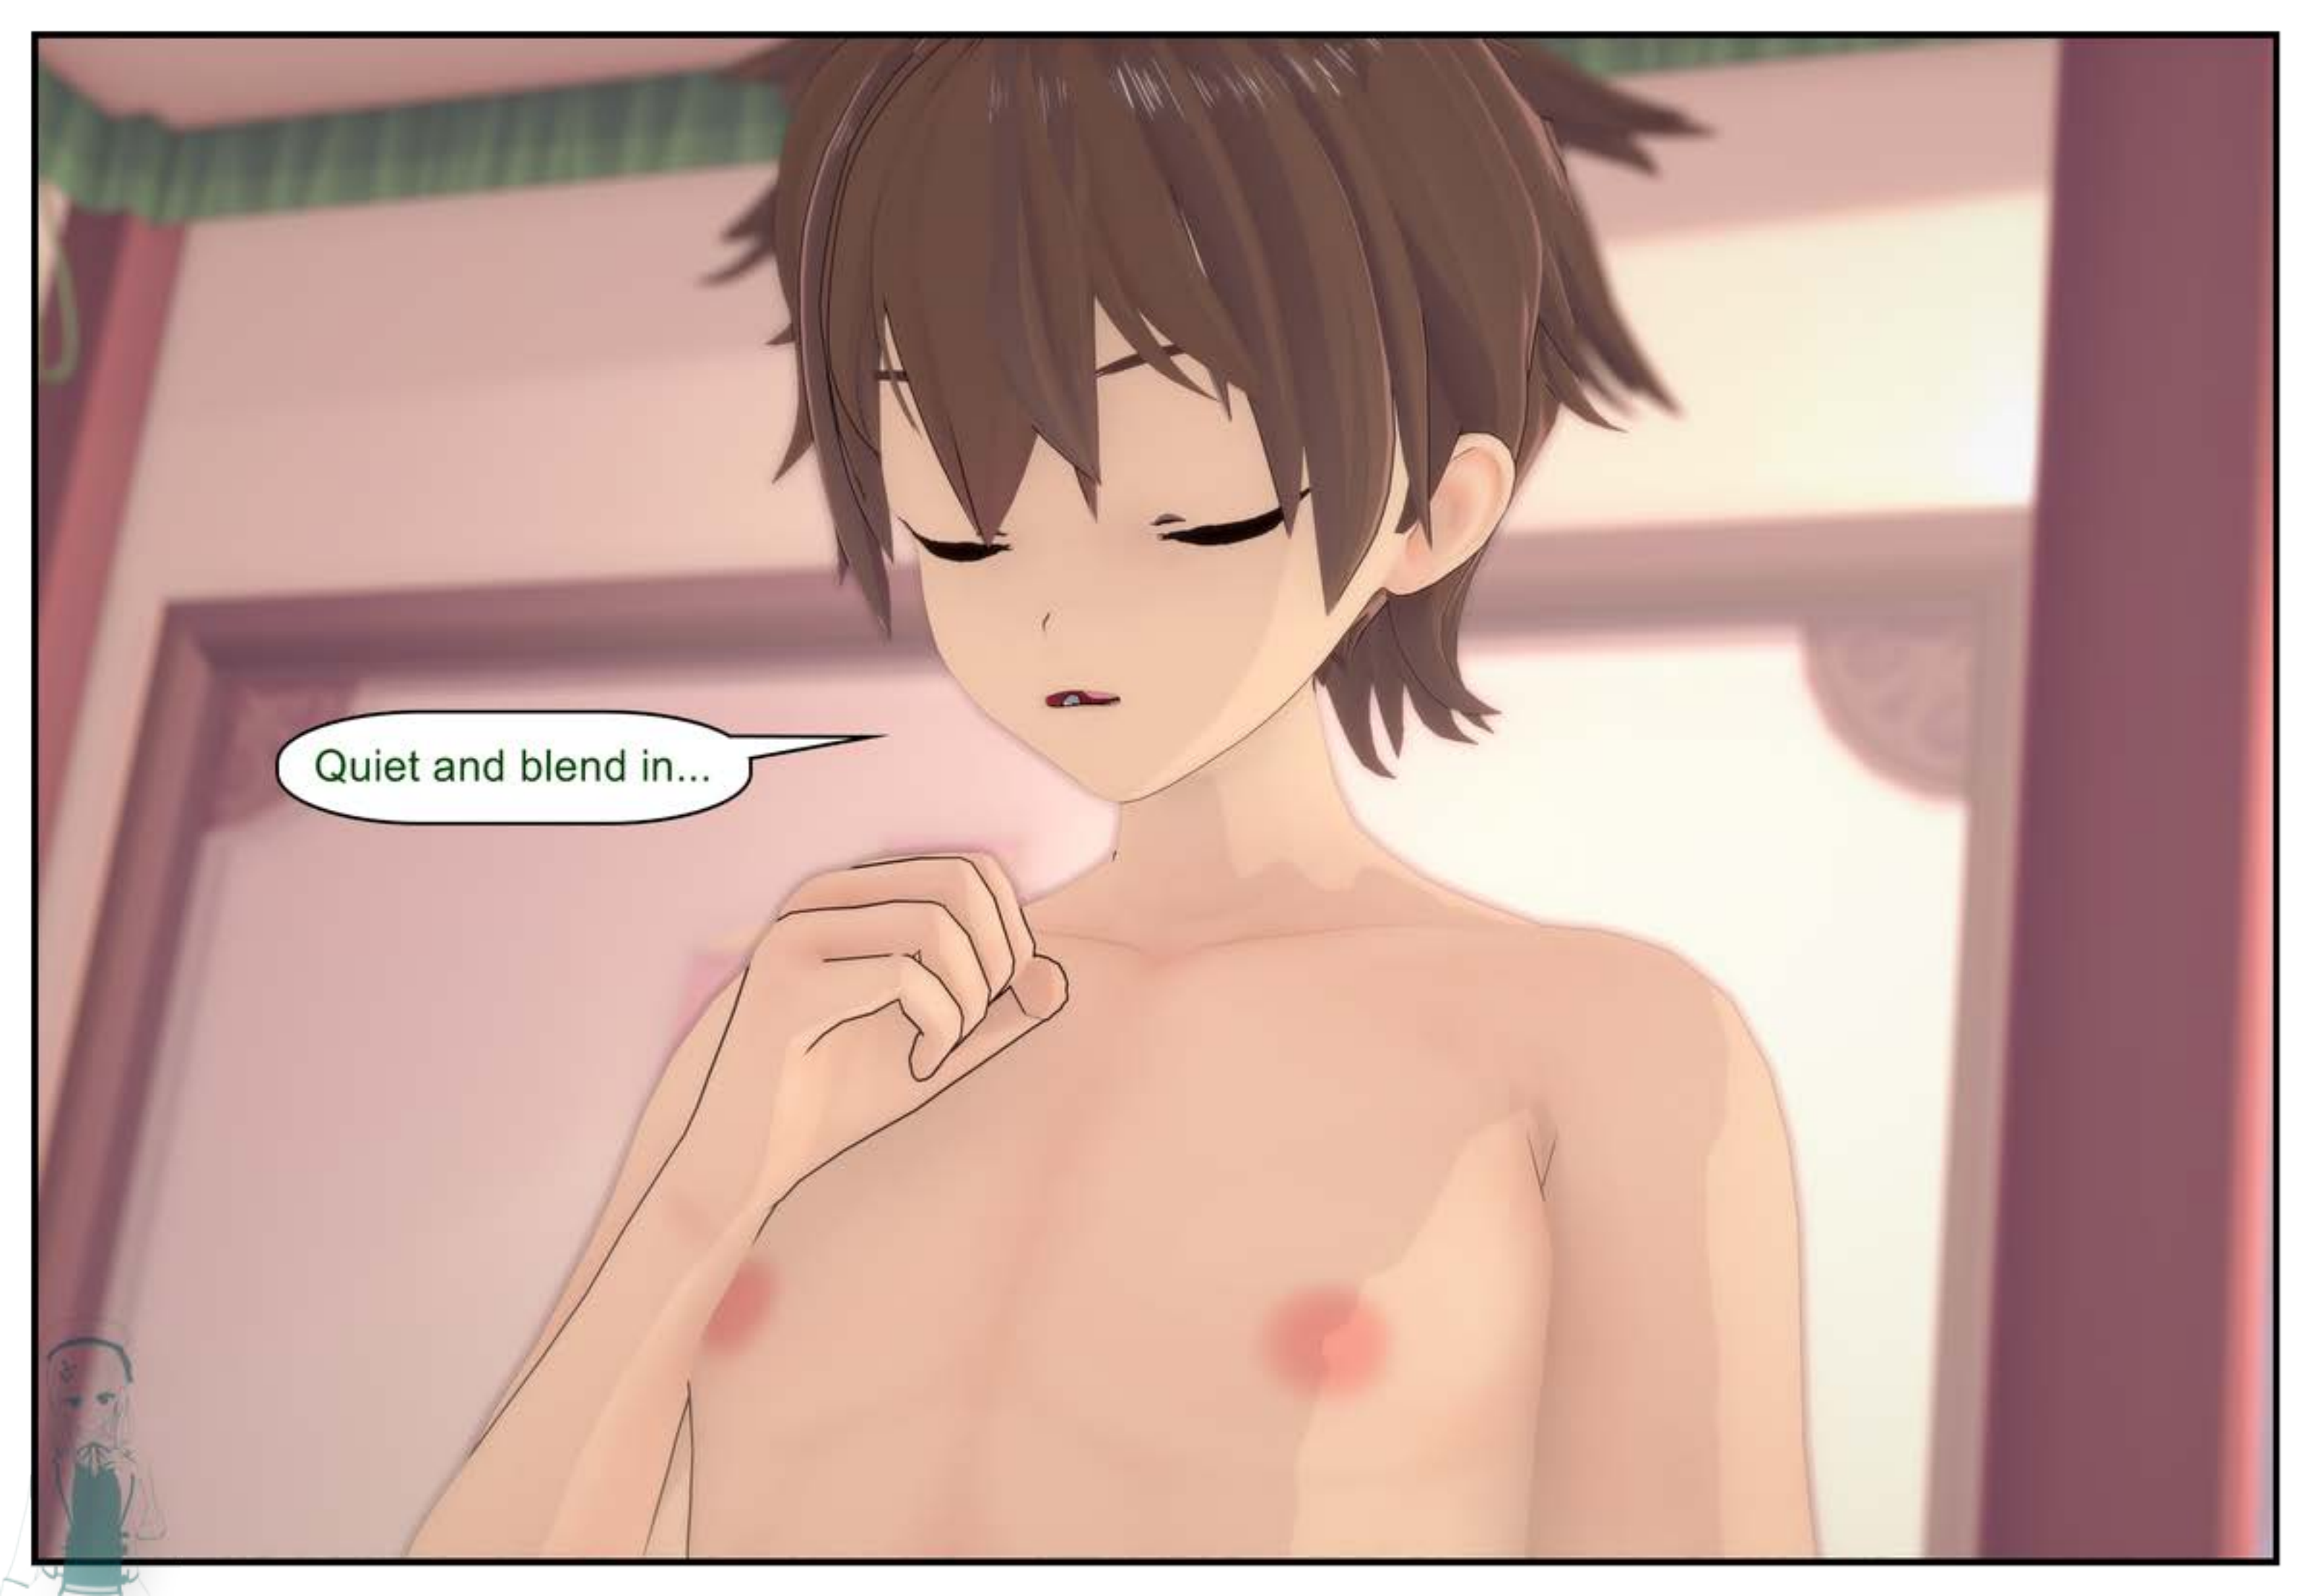

A red-haired anime-style character with a small white horn on her forehead. She has long, straight red hair and is looking down with a slight, enigmatic smile. She is wearing a red garment that is partially open, revealing her chest. The background is a library with bookshelves filled with books. A speech bubble is positioned to her left.

Slowly blend in the crowd, that's what our Demon usually do.

A young man with short, dark brown hair is shown from the chest up. He is shirtless and looking downwards with a serious expression. His right hand is raised to his chest, with his fingers slightly curled. The background is a simple room with a window and a doorway. A speech bubble is positioned to the left of his chest.

Quiet and blend in...

Let's take down Aqua and Darkness, then replace them!

Too complicated  
and time consuming!

You know that we have to lure them in, right?

Our main objective  
is to destroy Aqua's  
image and fine Megumi  
in this huge exhibition.

Then, I just got  
a perfect plan...

Hm... That's not bad.

Then, let's pick up the pace.

Kazuma, you said  
we only have one  
shot at this...

Yes, but I knew my team too well to fail.

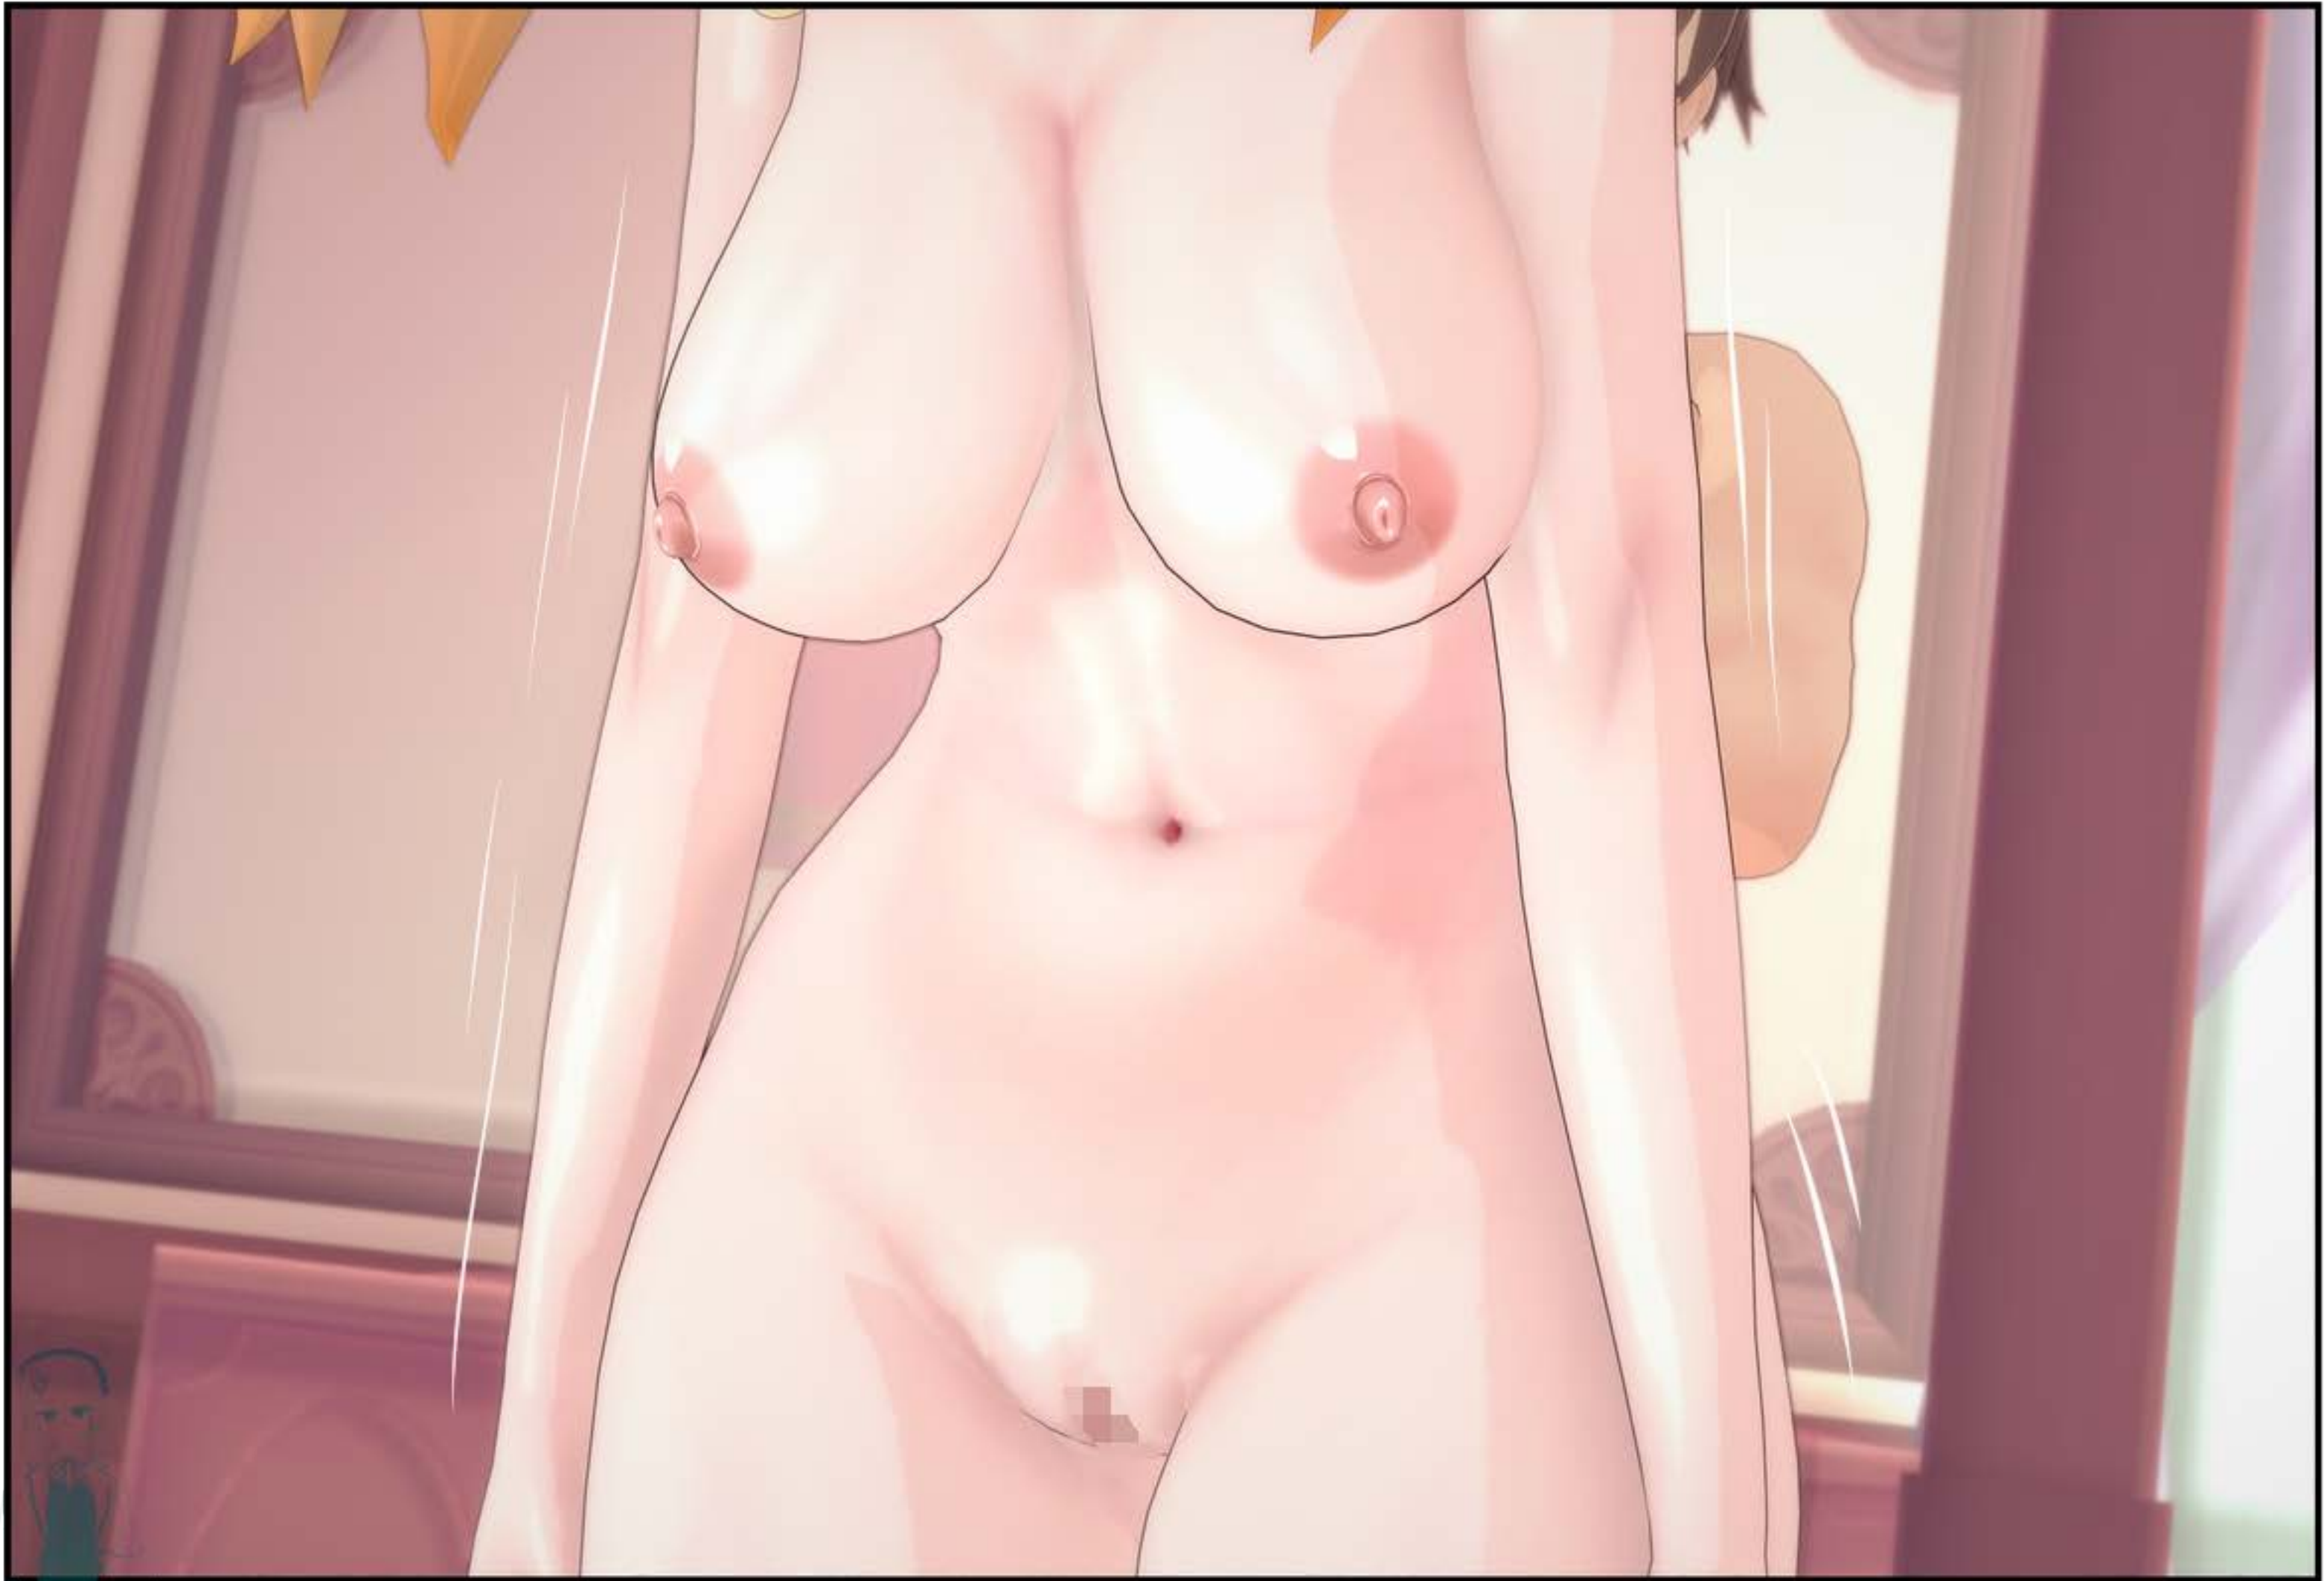

Rest assure and  
put the skin on quick,  
Arnes.

Back to present...

You know, I have many followers formed as Axis Order.

Oh, may you excuse me a bit. I need to talk with my friend.

Sure, take all the  
time you need, Miss Aqua.

How's going. Kazuma?

Megumin is in Hall B.

Before we move on,  
are you seek to have  
a battle with Megumin?

It depend.

A close-up illustration of a woman's hand and arm. She is wearing a light blue, sleeveless dress. Her hand is clenched into a fist, and her arm is extended downwards. The background is dark and out of focus, showing some architectural details and a small green plant. A speech bubble is positioned in the upper left corner of the frame.

But she is not able  
to get away from this  
exhibition tonight.

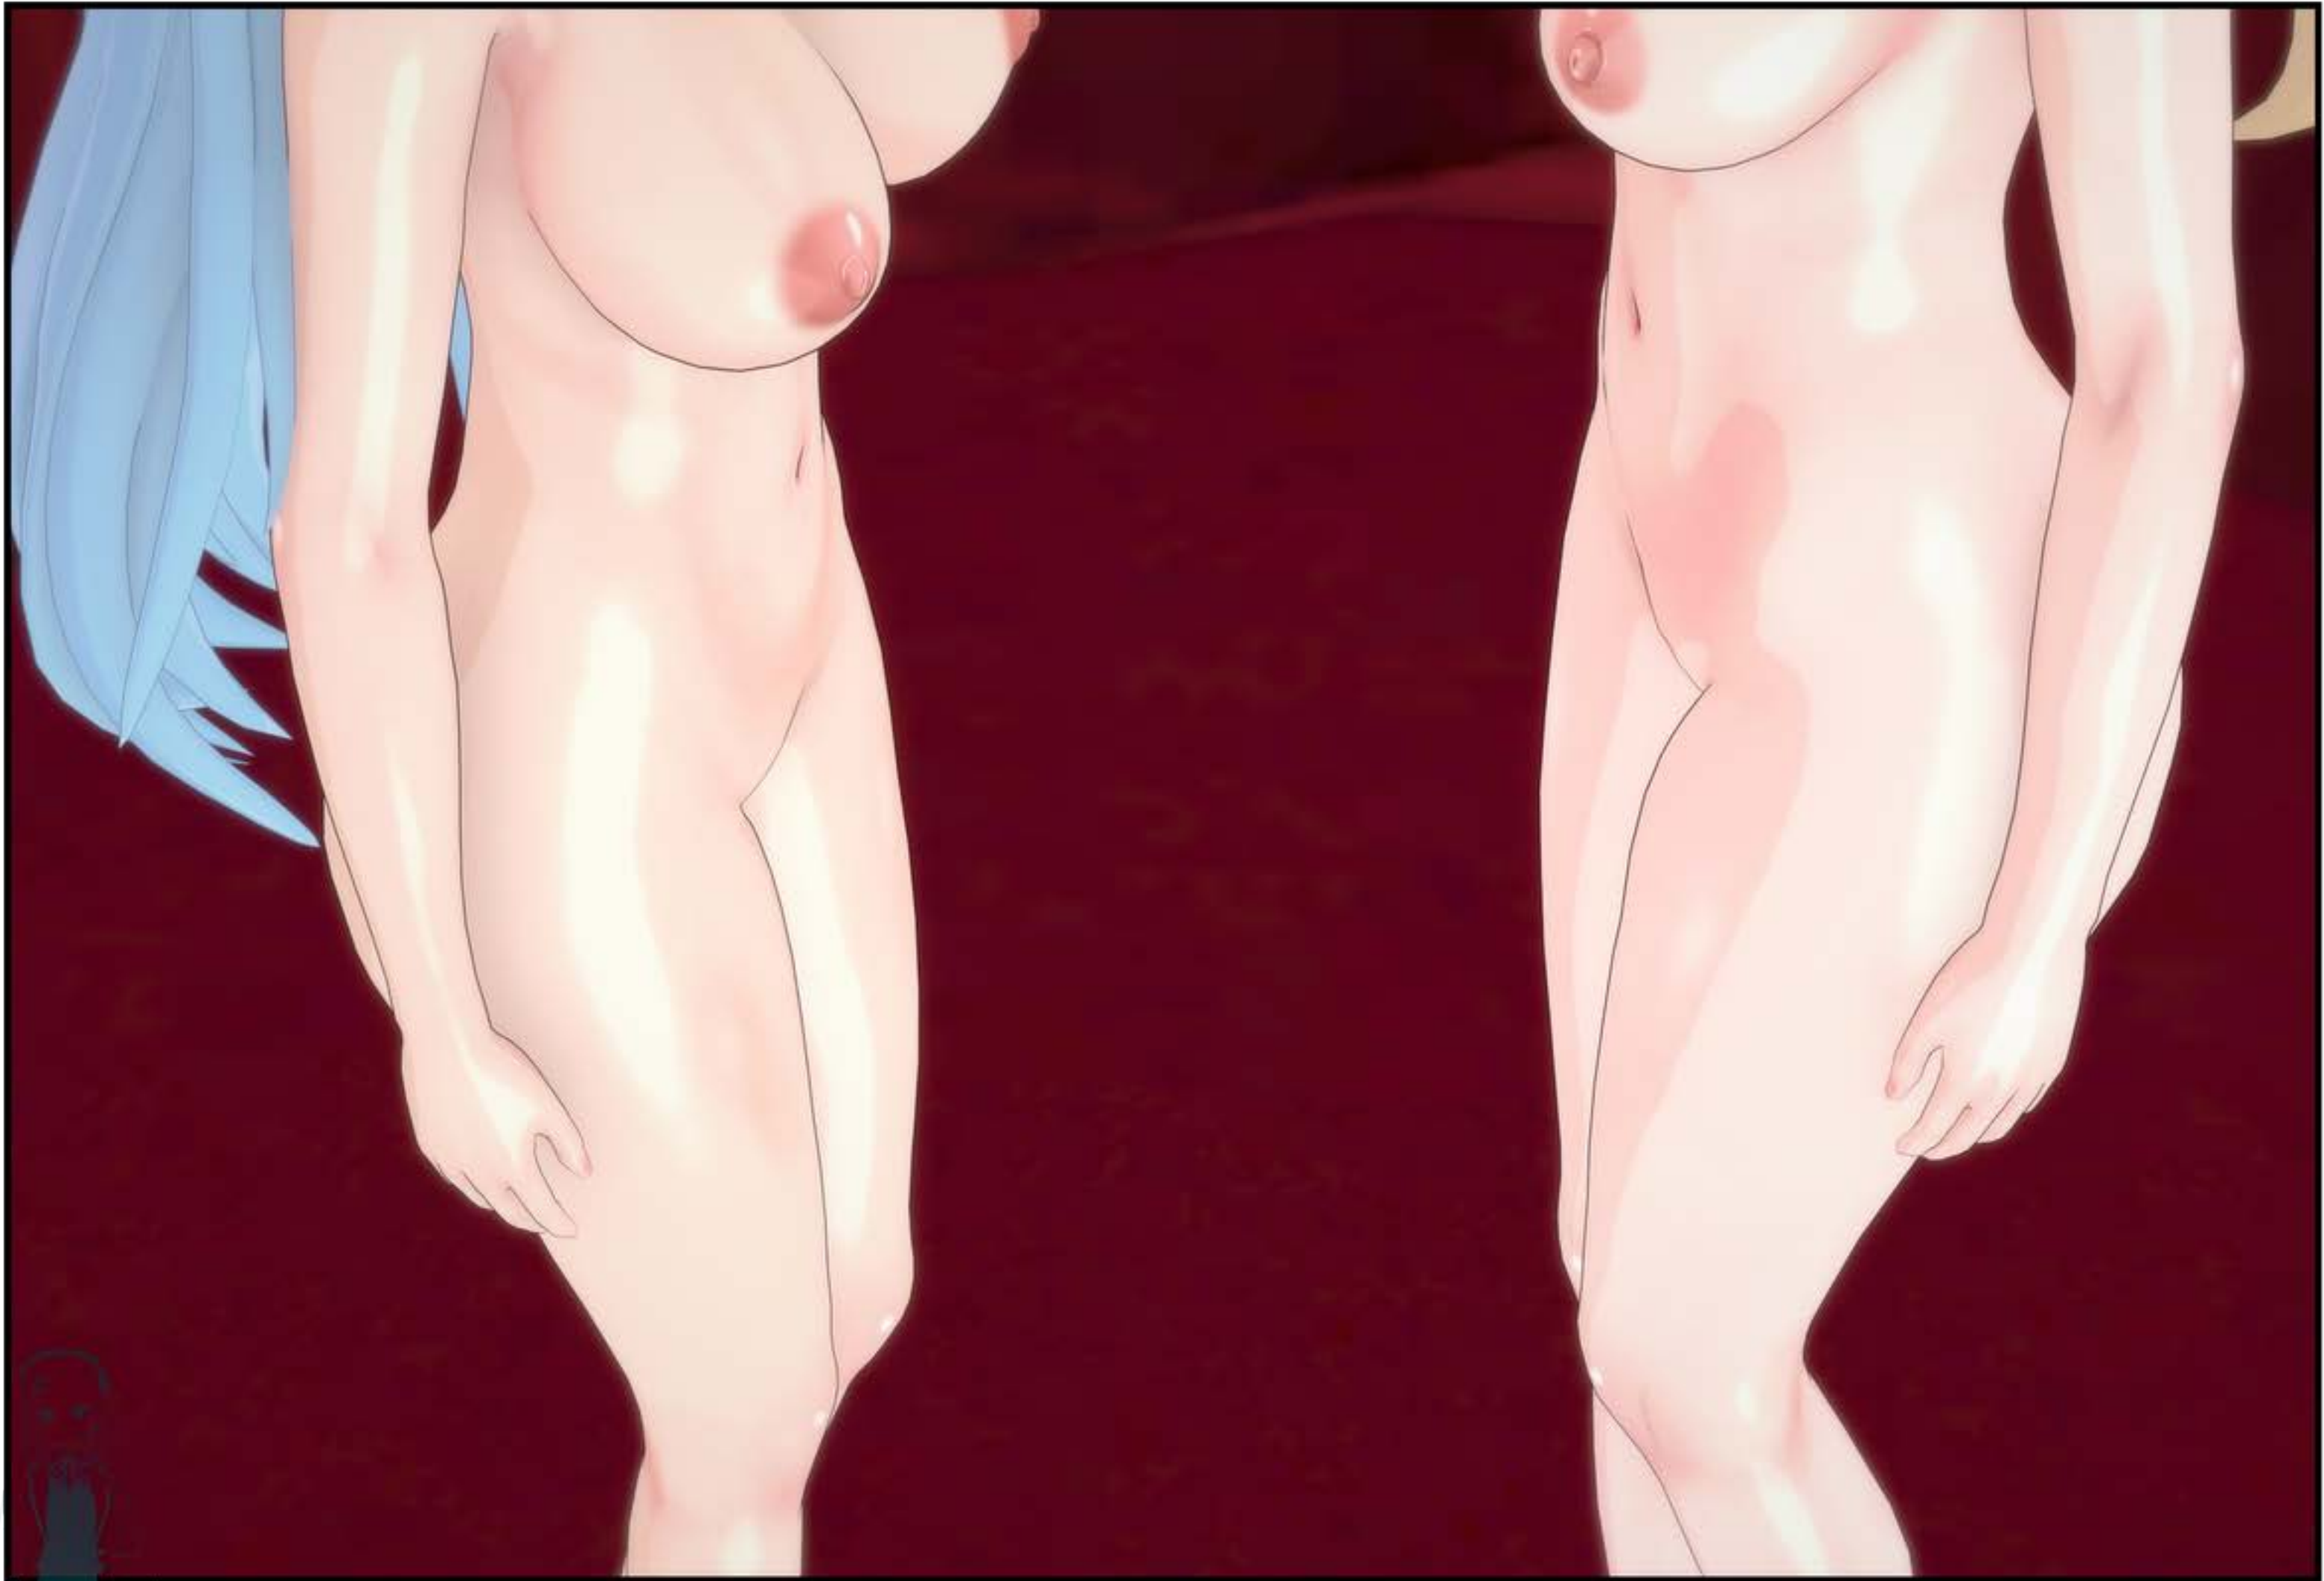

Do your part, Kazuma.  
I will take care of her myself.

I will leave the  
rest to you, okay?

Well, to make the plan success...

...you too, Arnes.  
Don't cause too  
much noise.

No worries, I won't.

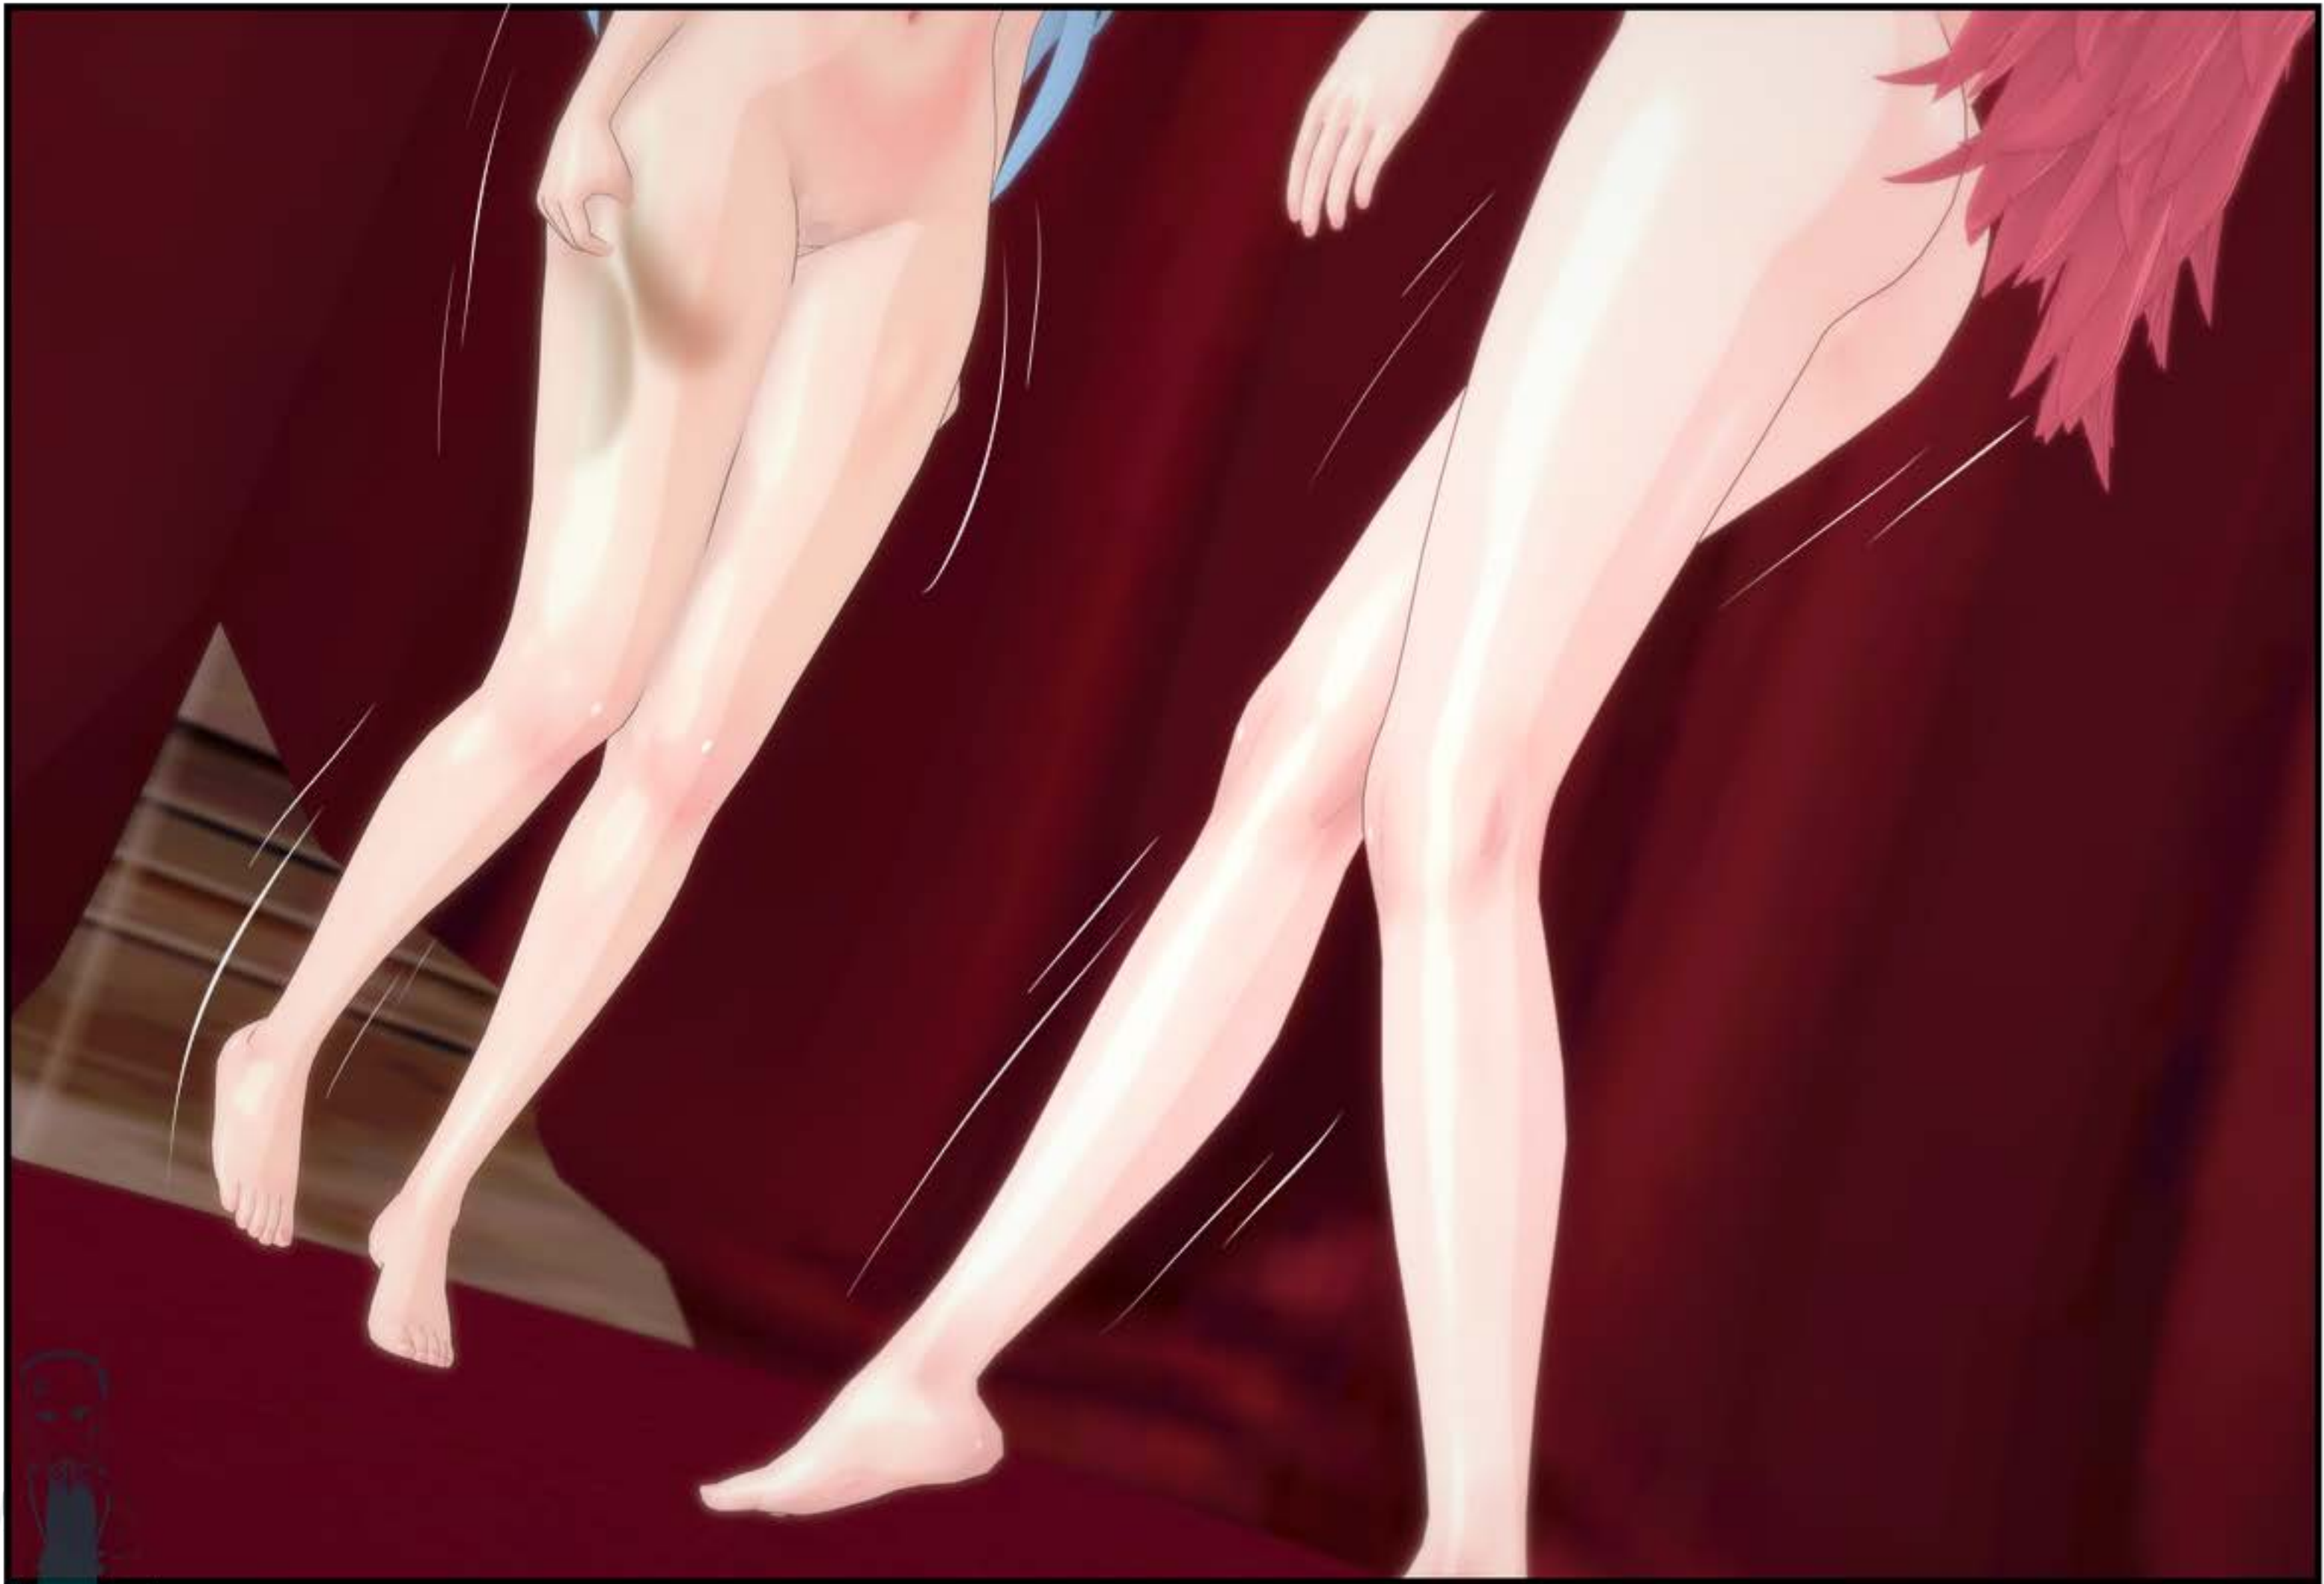

A blonde anime-style character with a large black hat is eating spaghetti. She has blue eyes and is looking slightly to the side. She is wearing a dark grey dress with a white lace collar and a red ruffled collar. She is holding a fork with spaghetti in it. The background is a blurred indoor setting with a red curtain on the left and a grey wall on the right.

Let's make this quick.  
Good luck to you, Kazuma.

"I knew that she  
wanted to kill Megumin."

Got it.

"Probably...  
Only my guess."

A blue-haired anime-style woman with her eyes closed, holding her breasts. She has long, light blue hair with bangs and a ponytail. She is wearing a blue sleeveless top. The background is dark with red curtains. A speech bubble is on the left.

"Well, it's best to leave  
Arnes do what she need."

I apologise for the delay.

A close-up illustration of a young woman with long, flowing light blue hair and matching eyes. She is wearing a light blue, sleeveless, form-fitting dress with a low neckline. Her expression is slightly coy or suggestive. The background is dark with red curtains and a golden decorative element. A speech bubble is positioned to her left.

Do you want to skip right to the greatest part for tonight?

**"Attention to all guest.  
The exhibition will end  
in an hour, please enjoy."**

Hah... Lucky that it's finally come to an end. I wonder where is Kazuma's gang.

"Did I just see  
someone look  
almost like me?"

"Maybe not...  
Probably my eyes  
played trick on me."

Oof... You seem  
to really good with this...

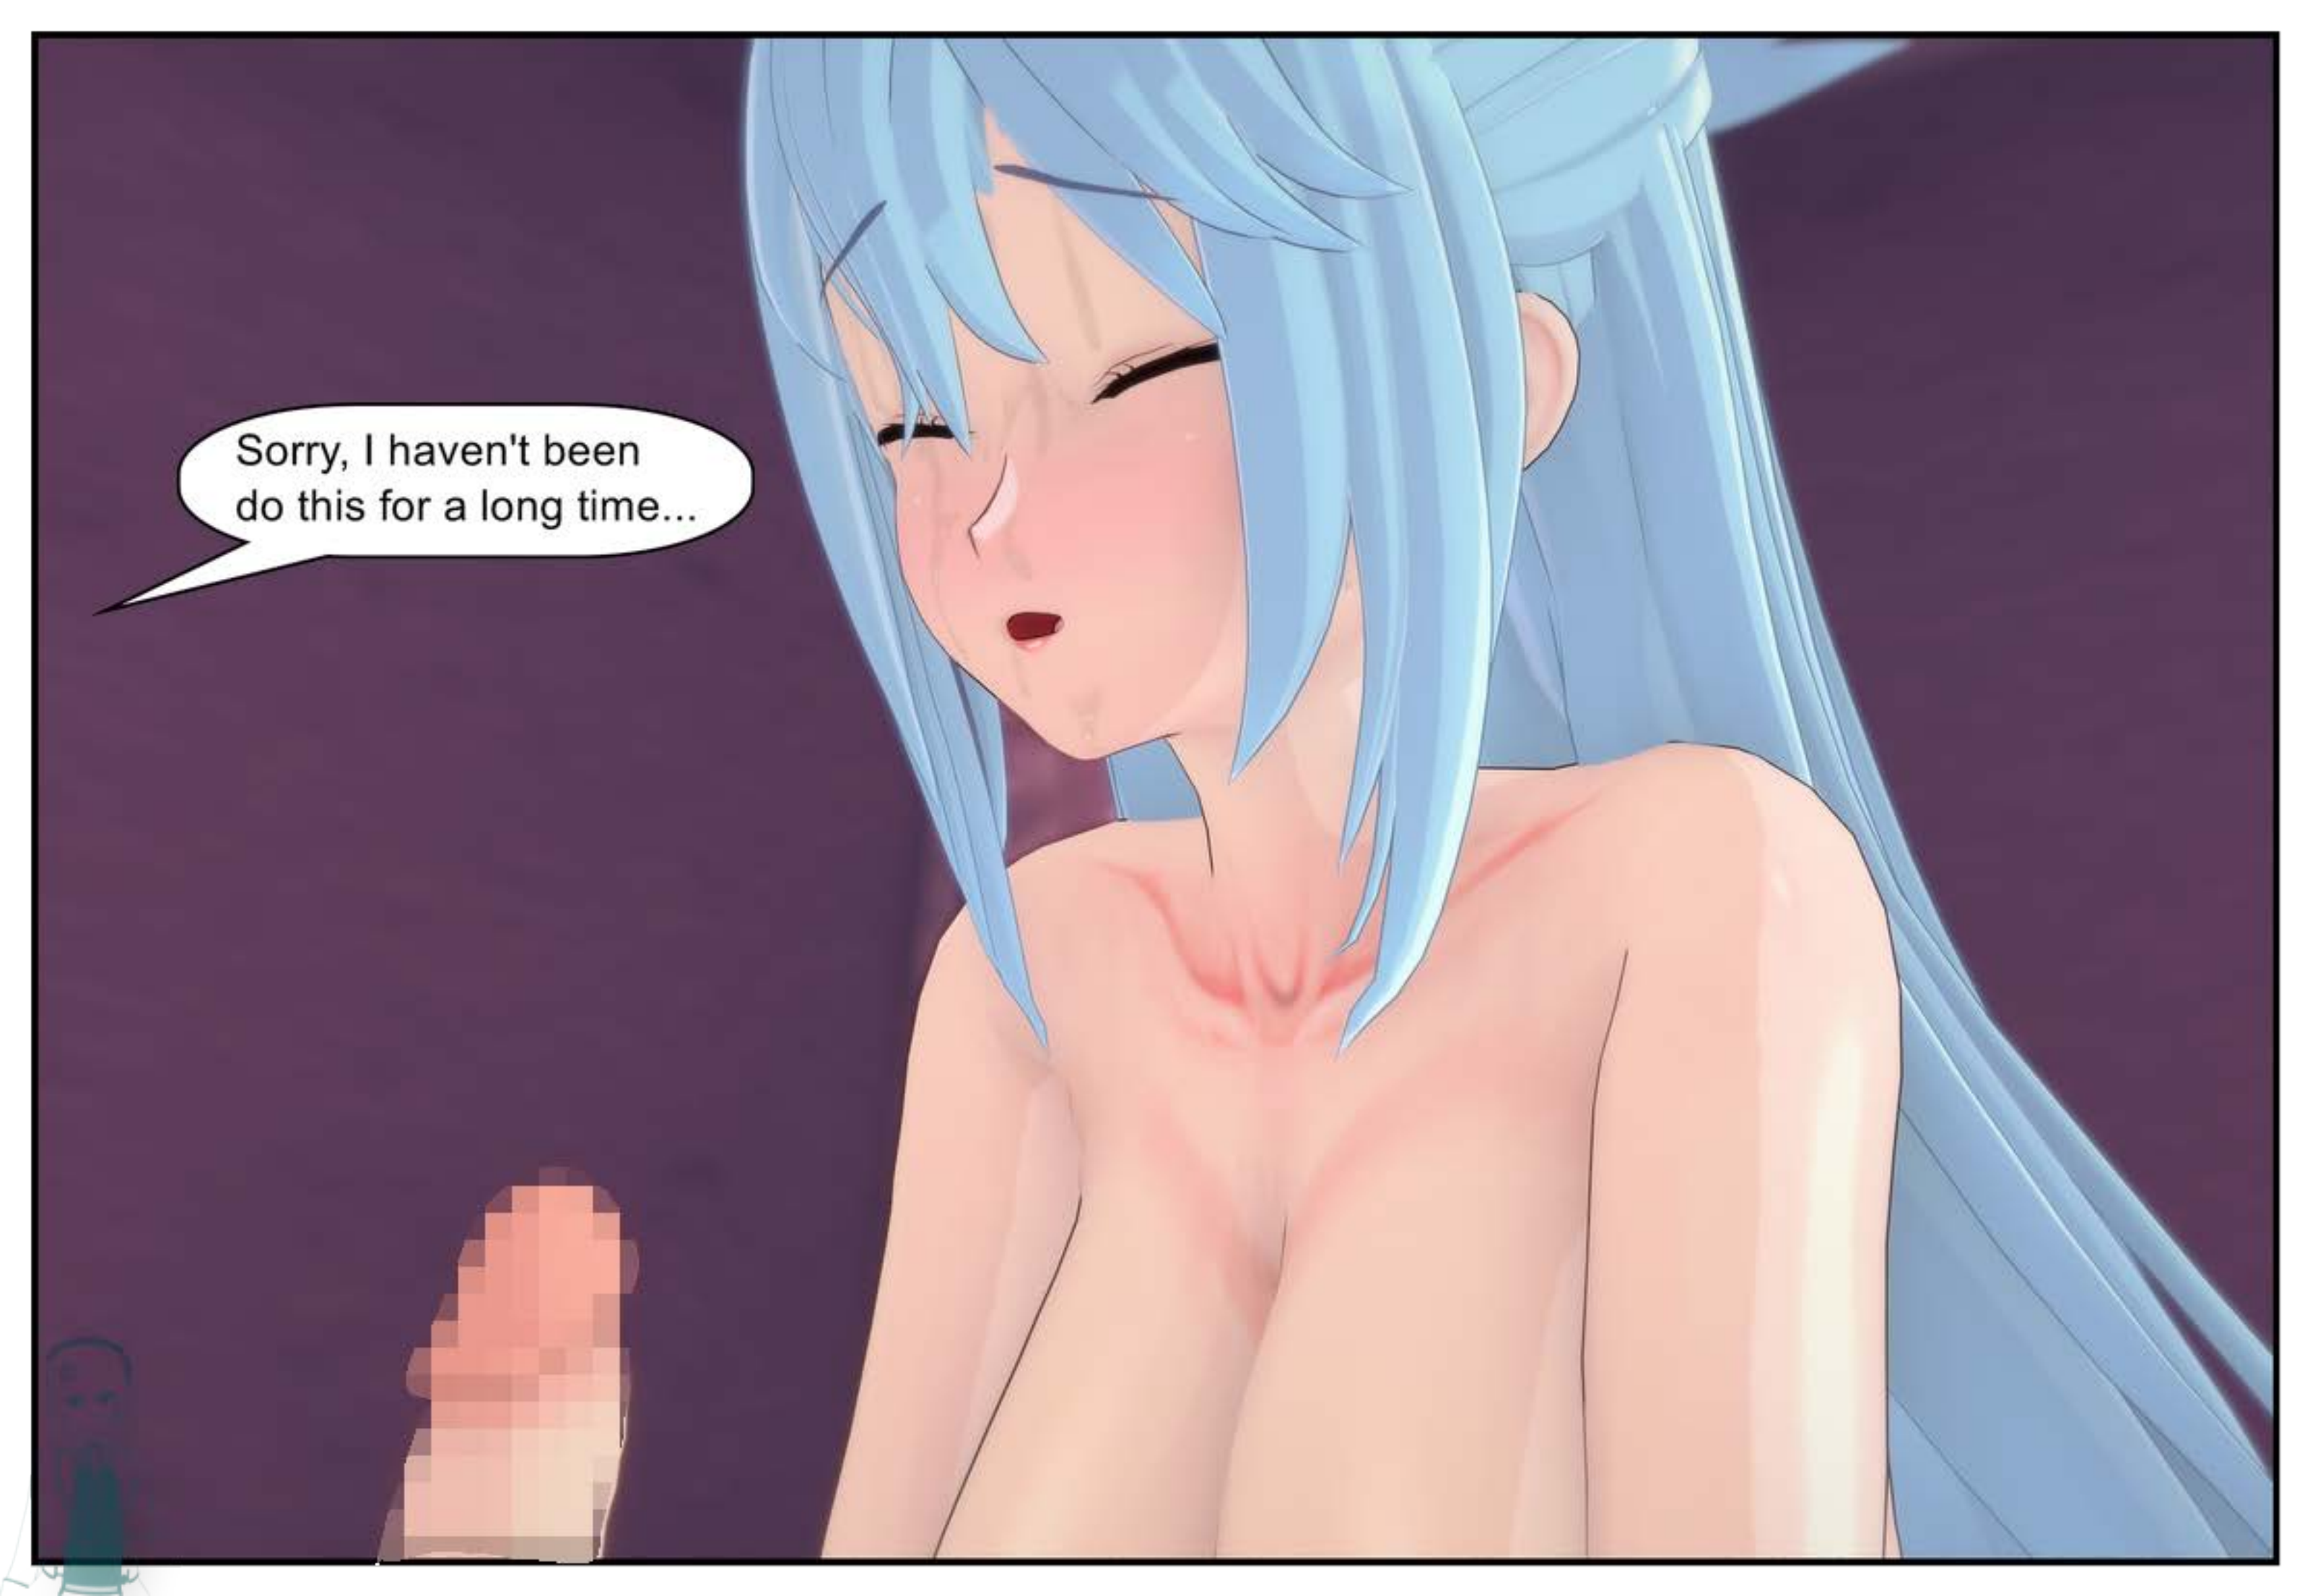

I'm... going to cum now!!!

Sorry, I haven't been  
do this for a long time...

Let's go to  
insertion then?

Ah... What a  
pleasure moment...

Thank yo...  
Hm?

Who... are you?

"W-Wait... If this  
new drug has duration..."

A character with short, spiky blue hair is shown from the back, wearing a purple cape with a gold trim. They are looking towards a large red pillar in a courtyard. To the left is a planter with red flowers, and to the right is a green bush. A speech bubble is positioned to the left of the character.

"There you are..."

"I have waited for this moment..."

"Even if a fight  
broke out..."

"You are not leaving here tonight, Crimson Girl."

Even... if my skin  
crumble, and back  
to hell...

"I will repay you  
everything in full."

To be continued?
