

Swoosh

Hm? What's that? And why is it glowing?

I don't know. It looks like a flier for dance-

-lessons?

Well, let's hurry. We don't want to be late.

Yes Mommy!

...HMM!?

# **VOTE TO CONTINUE OR DROP: SERIES 01, DANCE LESSONS**

Beta Tier patrons have the power to vote a series into cancellation, to be replaced by a new series.

(Each poll will run for over a month to give time for the content to be released publicly.)

See new pages first with the Omega Tier. See the exclusive other series with Gamma Tier.

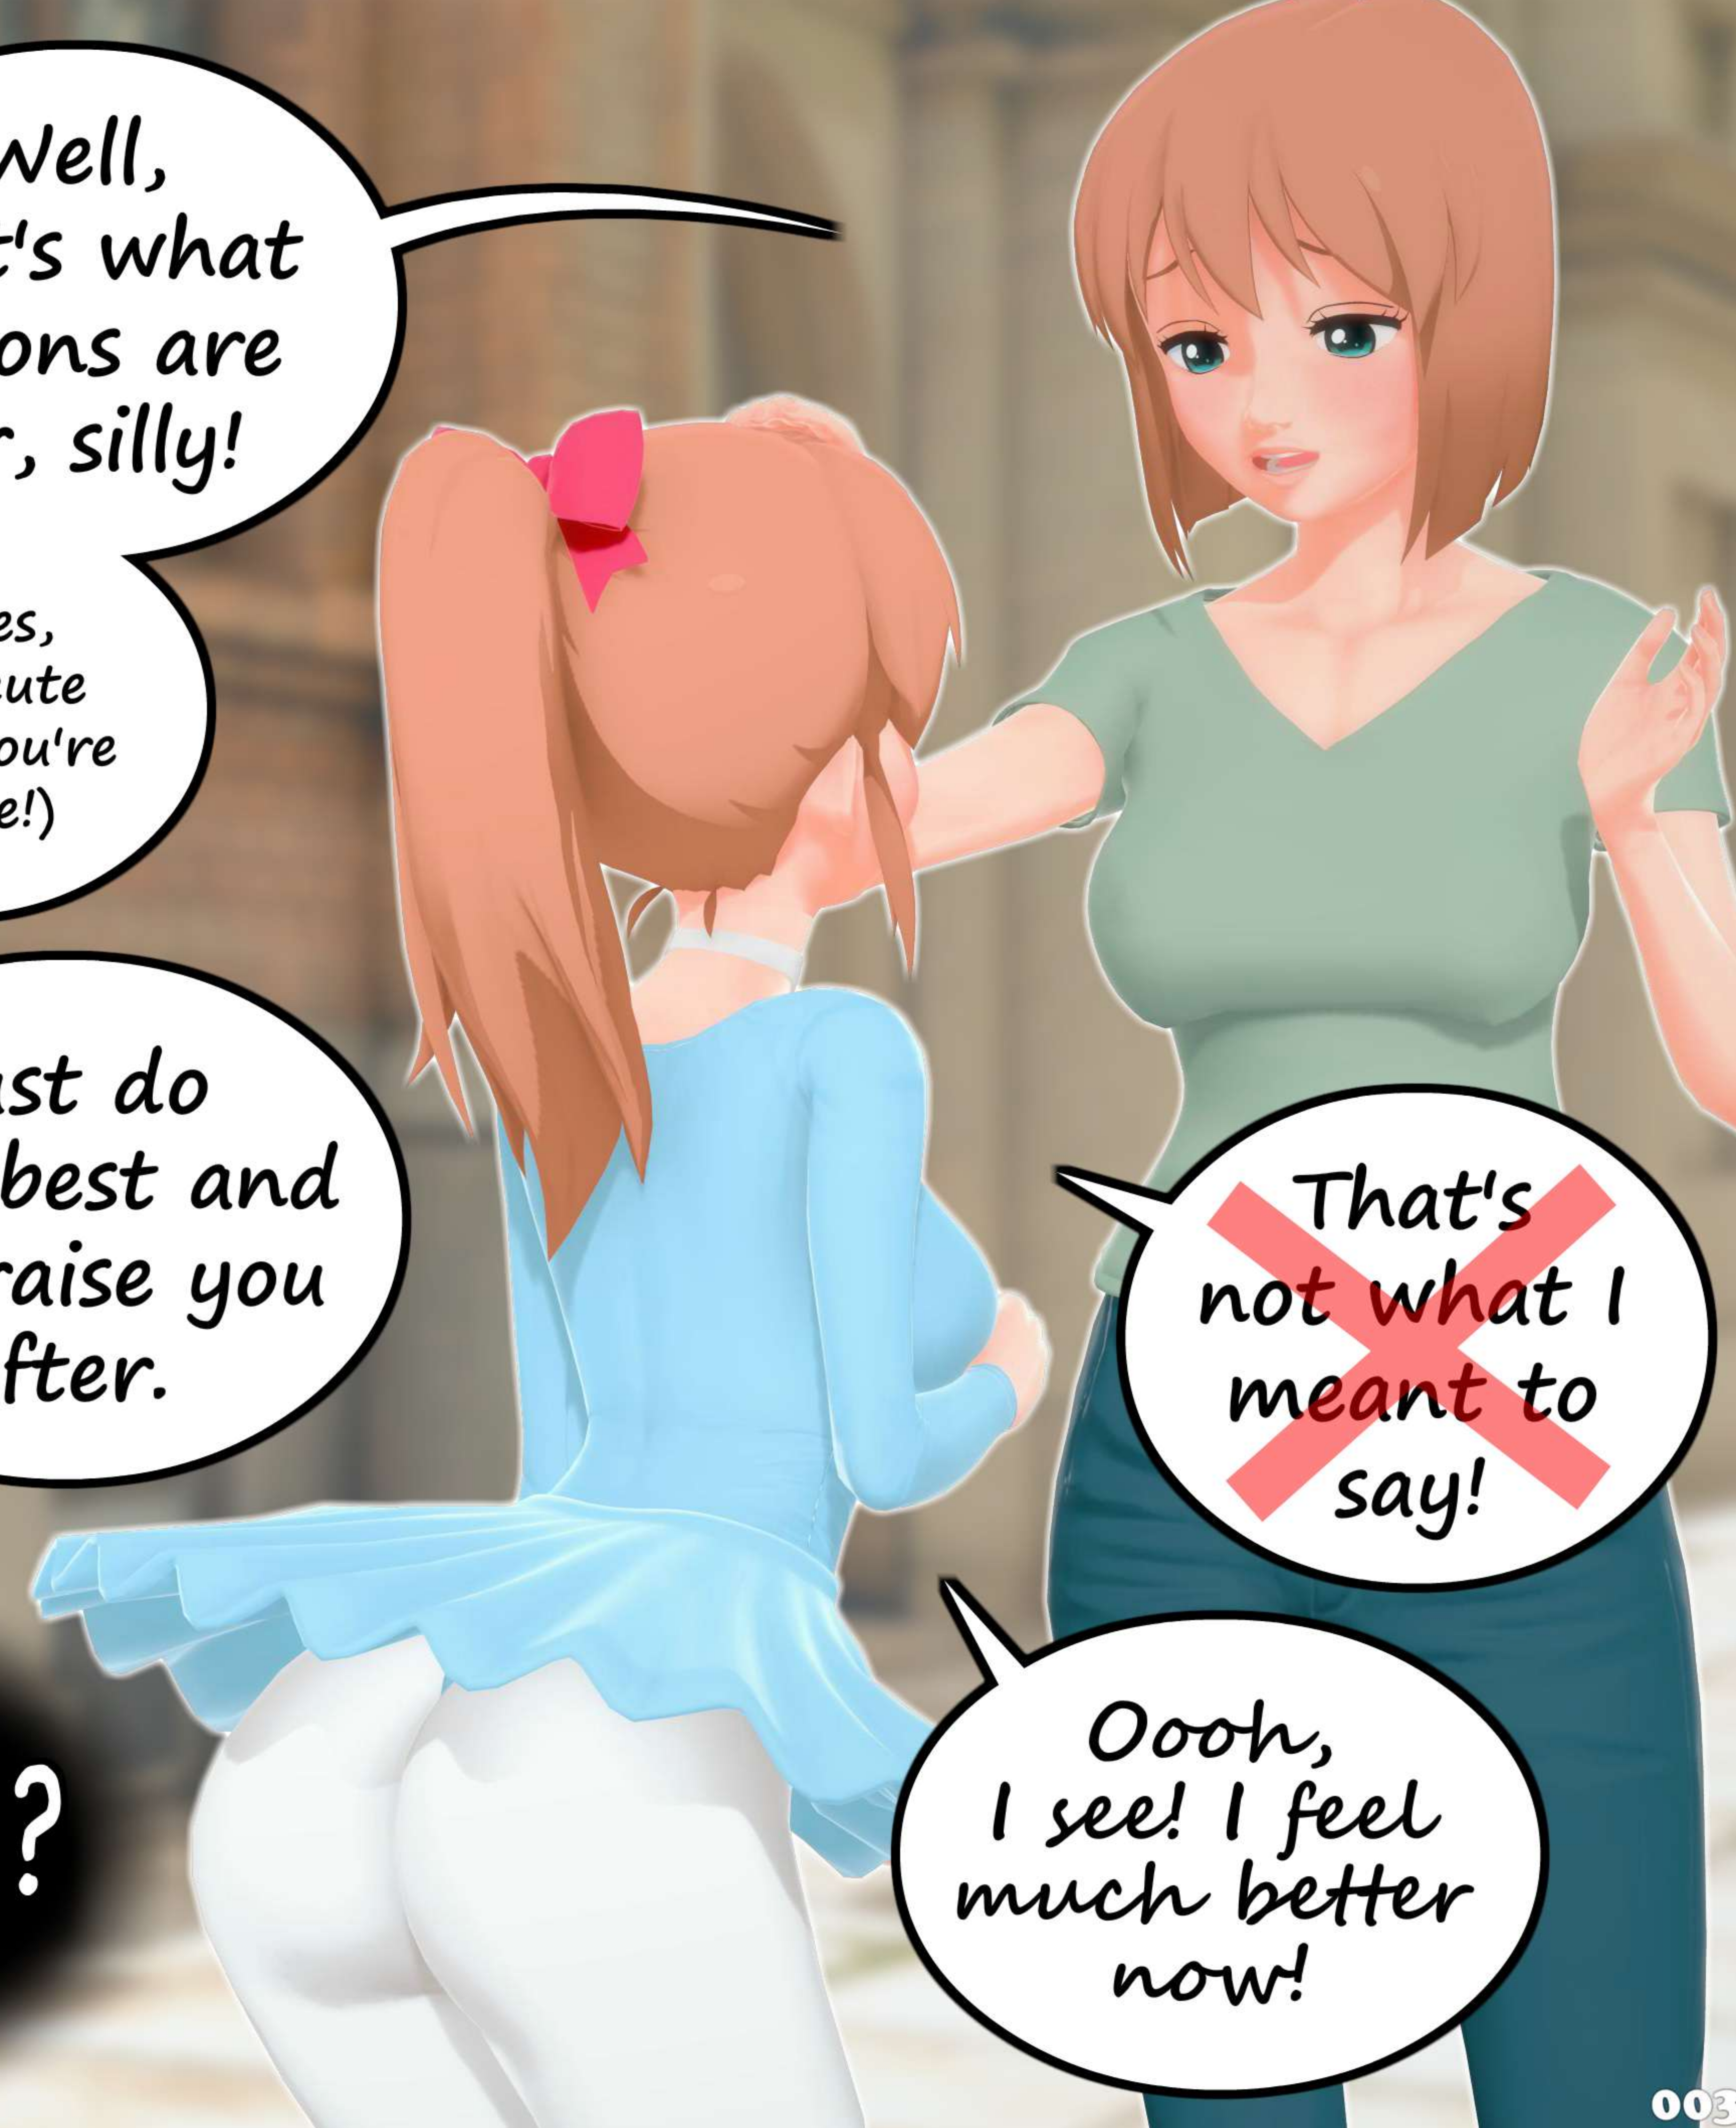

~~What's going on!? And why did I call you "Mommy!?"~~

I'm scared Mommy. What if I'm no good at dancing?

HUH!?

Well, that's what lessons are for, silly!

(Besides, it'll be cute even if you're terrible!)

Just do your best and I'll praise you after.

~~That's not what I meant to say!~~

Oooh, I see! I feel much better now!

Damn! I don't have control of myself...

...Oh?  
It feels like I can move on my own now!

Is it just speaking that's gone weird?

Don't fall behind, Phoebe.

~~No! I was almost free!~~

Oops, sorry!

A dance studio....

This is a dream, right?

When do things go back to reality?

Oh, are we early?

M-maybe we should leave!

Huh? I actually said it!?

Come in ladies. The rest will be here shortly.

I'm Kaz, the dance instructor.

Howdy!

I'm Liz,  
and this is  
my daughter,  
Phoebe.

He's big! Er,  
well, everything  
seems big right  
now...

Am I really  
going to have  
to dance?

Let me  
guess...

...You were  
"charmed"  
by one of  
our fliers,  
right?

He  
knows!
