Then... we don't have to.

M-Miss...?

W-What are you going to do?

If you don't offer any service, I will gladly have you leave.

W-What are you!?

Security! Anyone!!!

Don't worry, I'm not intend to hurt her.

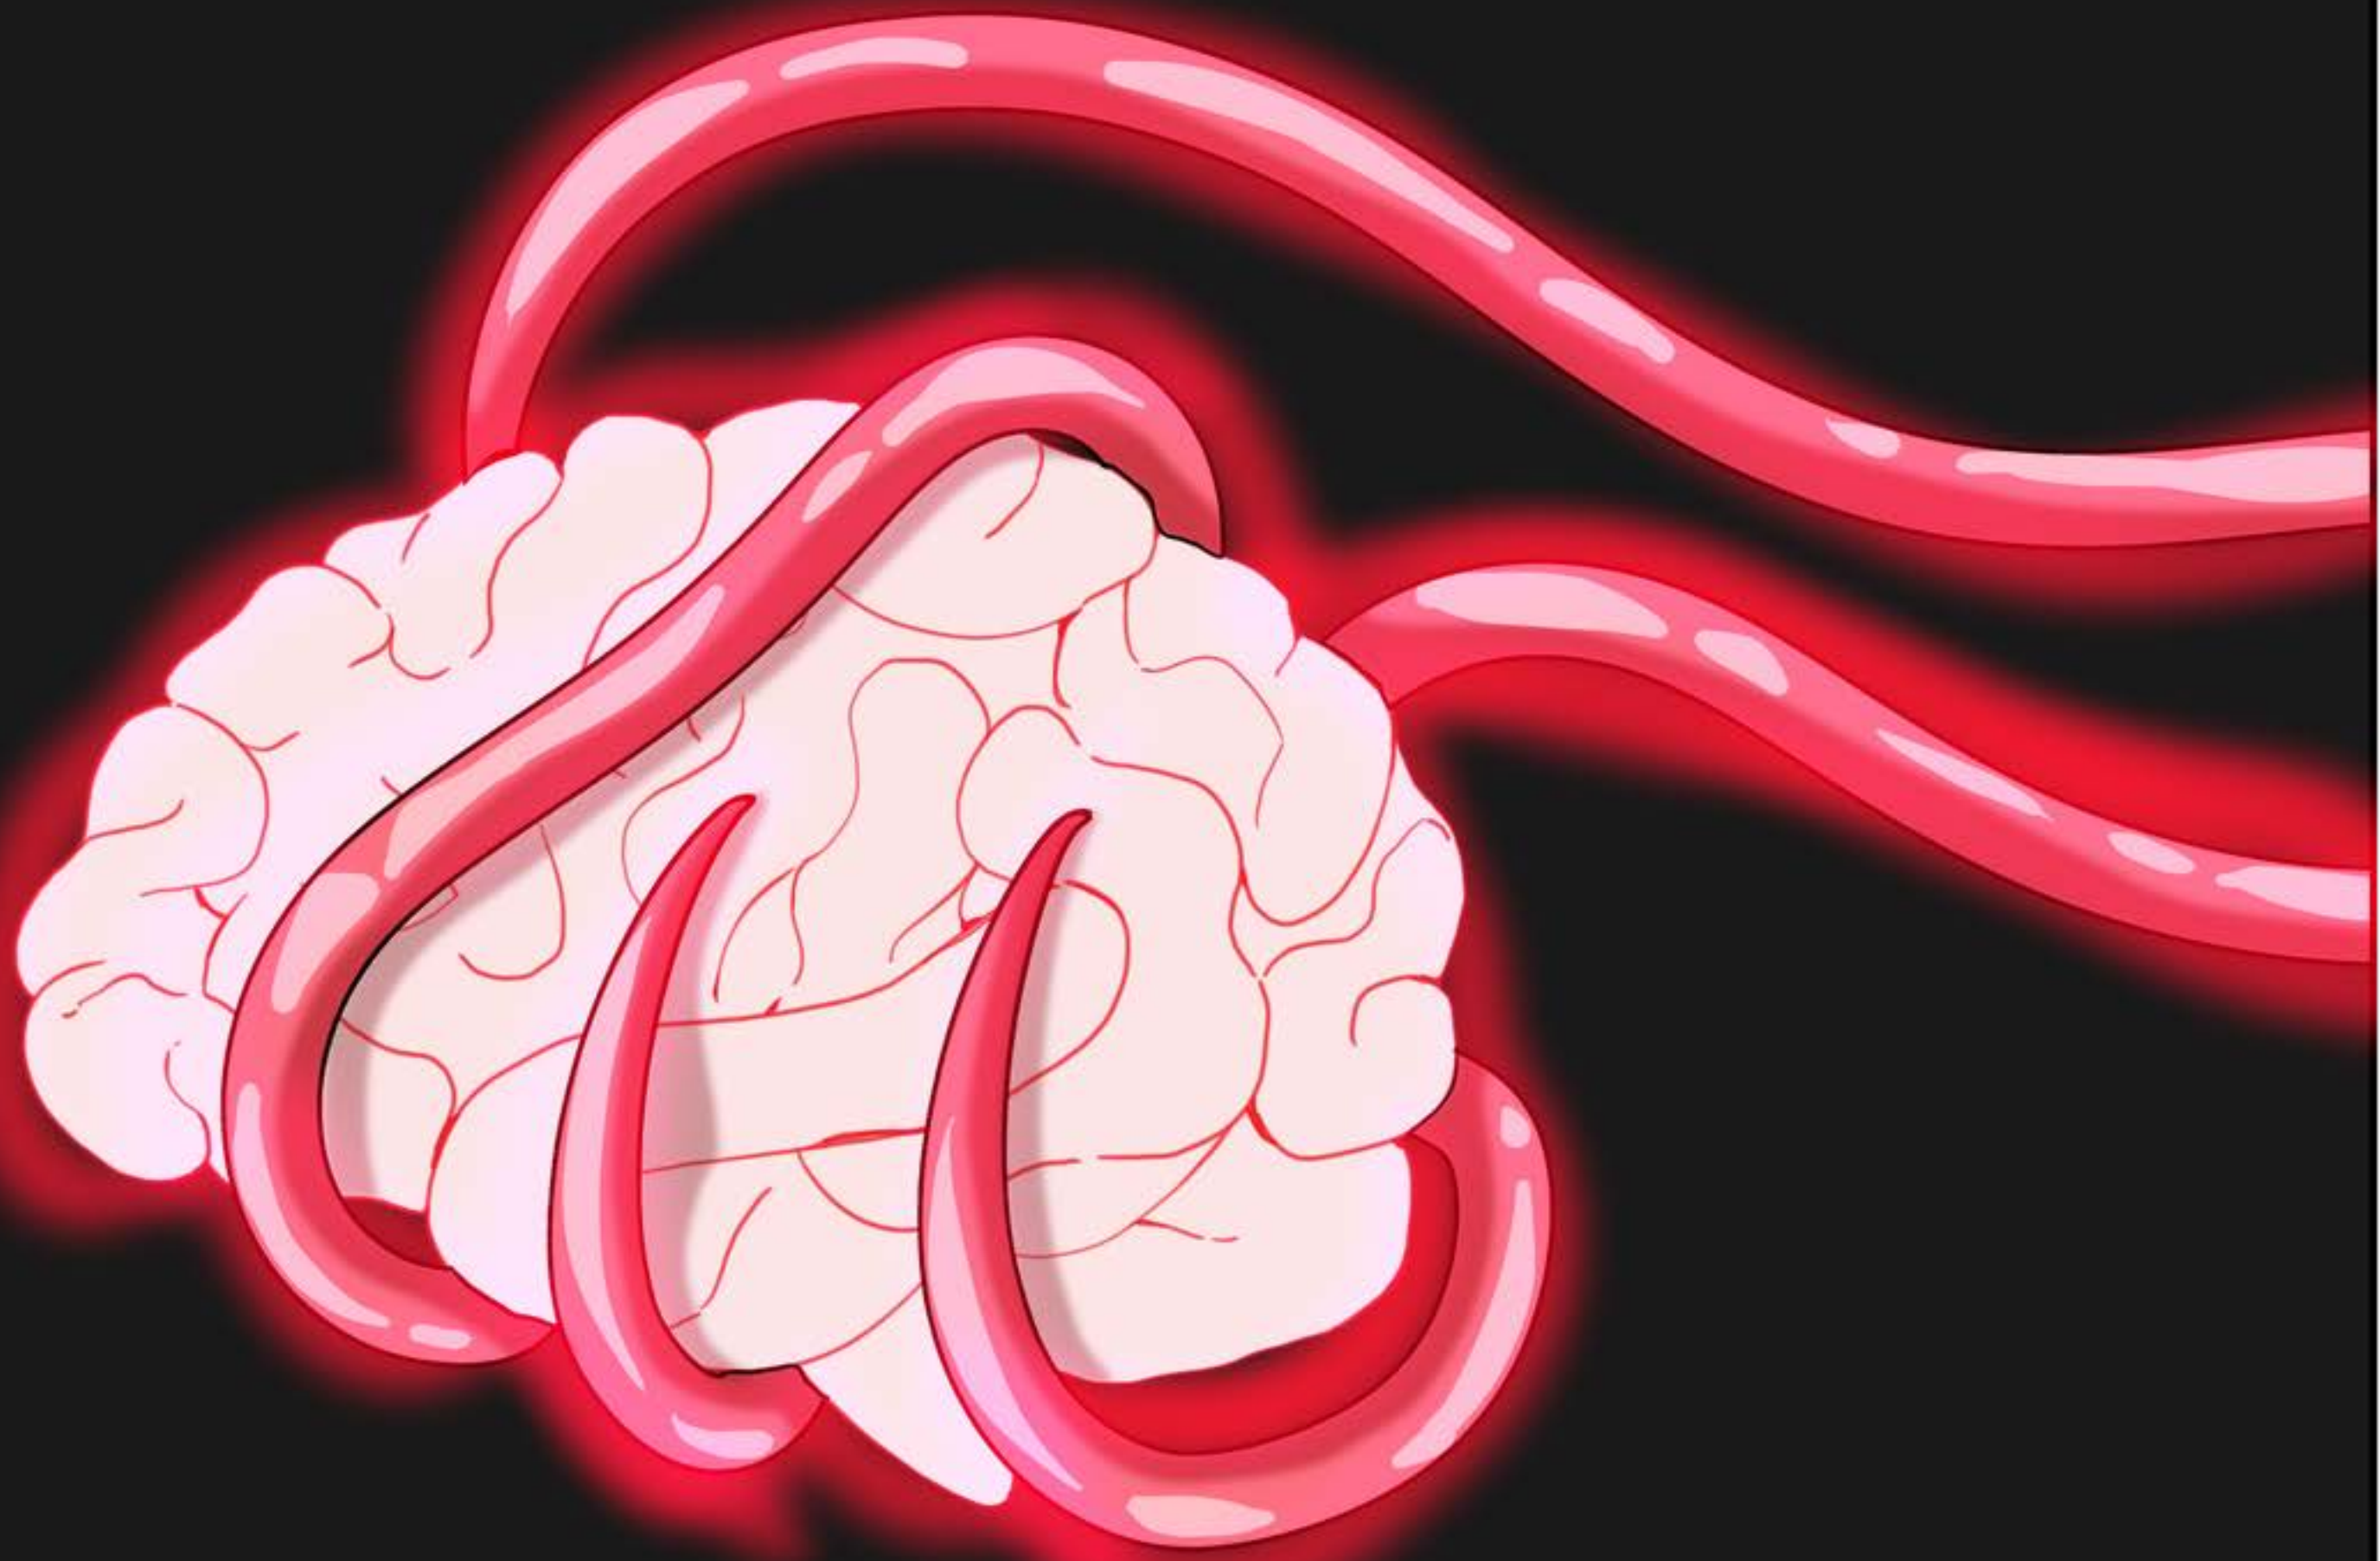

I only tried to access
her brain...

Through it, I able to
know everything
about her.

Komura Misaki, 35,
a professional designer.

Welcome! I'm sorry for my manner before. You must be the VIP, right?

Every service here
is free for you, Miss!

Did you... affect her
mind, too!?

Please wait me in
the bath, Miss. I will
be there shortly!

Why don't you go
enjoy yourself, Misstress?

U-Uhm...

Ahaha... I will.

Do your magic on
my Misstress.

Yes...

"My first time...
to enjoy a luxury
service..."

"I wonder... is
this necklace used
to be someone?"

A woman with short, dark red hair, wearing a dark grey or black suit with a white shirt and a grey tie, is shown from the side. She is leaning forward, using her hands to wash the hair of another woman. The hair being washed is dark and is completely covered in a thick, voluminous mass of white foam. The woman being washed has her eyes closed and a neutral expression. The background is a simple, light-colored wall with a subtle grid pattern. A speech bubble is positioned above the woman in the suit, containing the text "Miss? Is the water warm enough?".

Miss? Is the water warm enough?

Ah... Yes. It's perfect.

Please let me know if I rub too hard.

My action earlier, I hope you don't mind. Since we are losing customers...

I... see. That would be very hard.

It's alright. Don't mind me and enjoy your day, Miss.

A woman with short, dark purple hair, wearing a black suit jacket over a grey blouse with a large, ruffled grey bow tie, is leaning over a table. She is massaging the back of a person lying face down on the table. The person has long, dark hair and is wearing a black top. The background consists of a wall with large, light-colored stone tiles. A speech bubble is positioned to the left of the woman, containing text. The scene is lit with warm, yellow light, suggesting an indoor setting like a spa or a massage parlor.

"Hah... I have never fully relaxed like now..."

"After everything with
my life..."

Hyaaaaaaa!!!

"You seem pleasure,
Misstress."

"Wish you are still
alive to see your
daughter..."

A while later...

My employees will
do the rest for her, Miss.

I hope to see my
Misstress turn out great.

Yes, I'm sure she will.

Hm... You look okay.
Now it's time to serve me.

Just a bit...

I will need to
open you out first.

Un... Nn... Um...

~~~~~

~~~~~

Look like she
open to her max.

I will enjoy from you.

Later...

Apologise for having you
waited, Misstress...

I-It's okay... I
just finished, too.

The service was great,
though I chose the hairstyle
for myself.

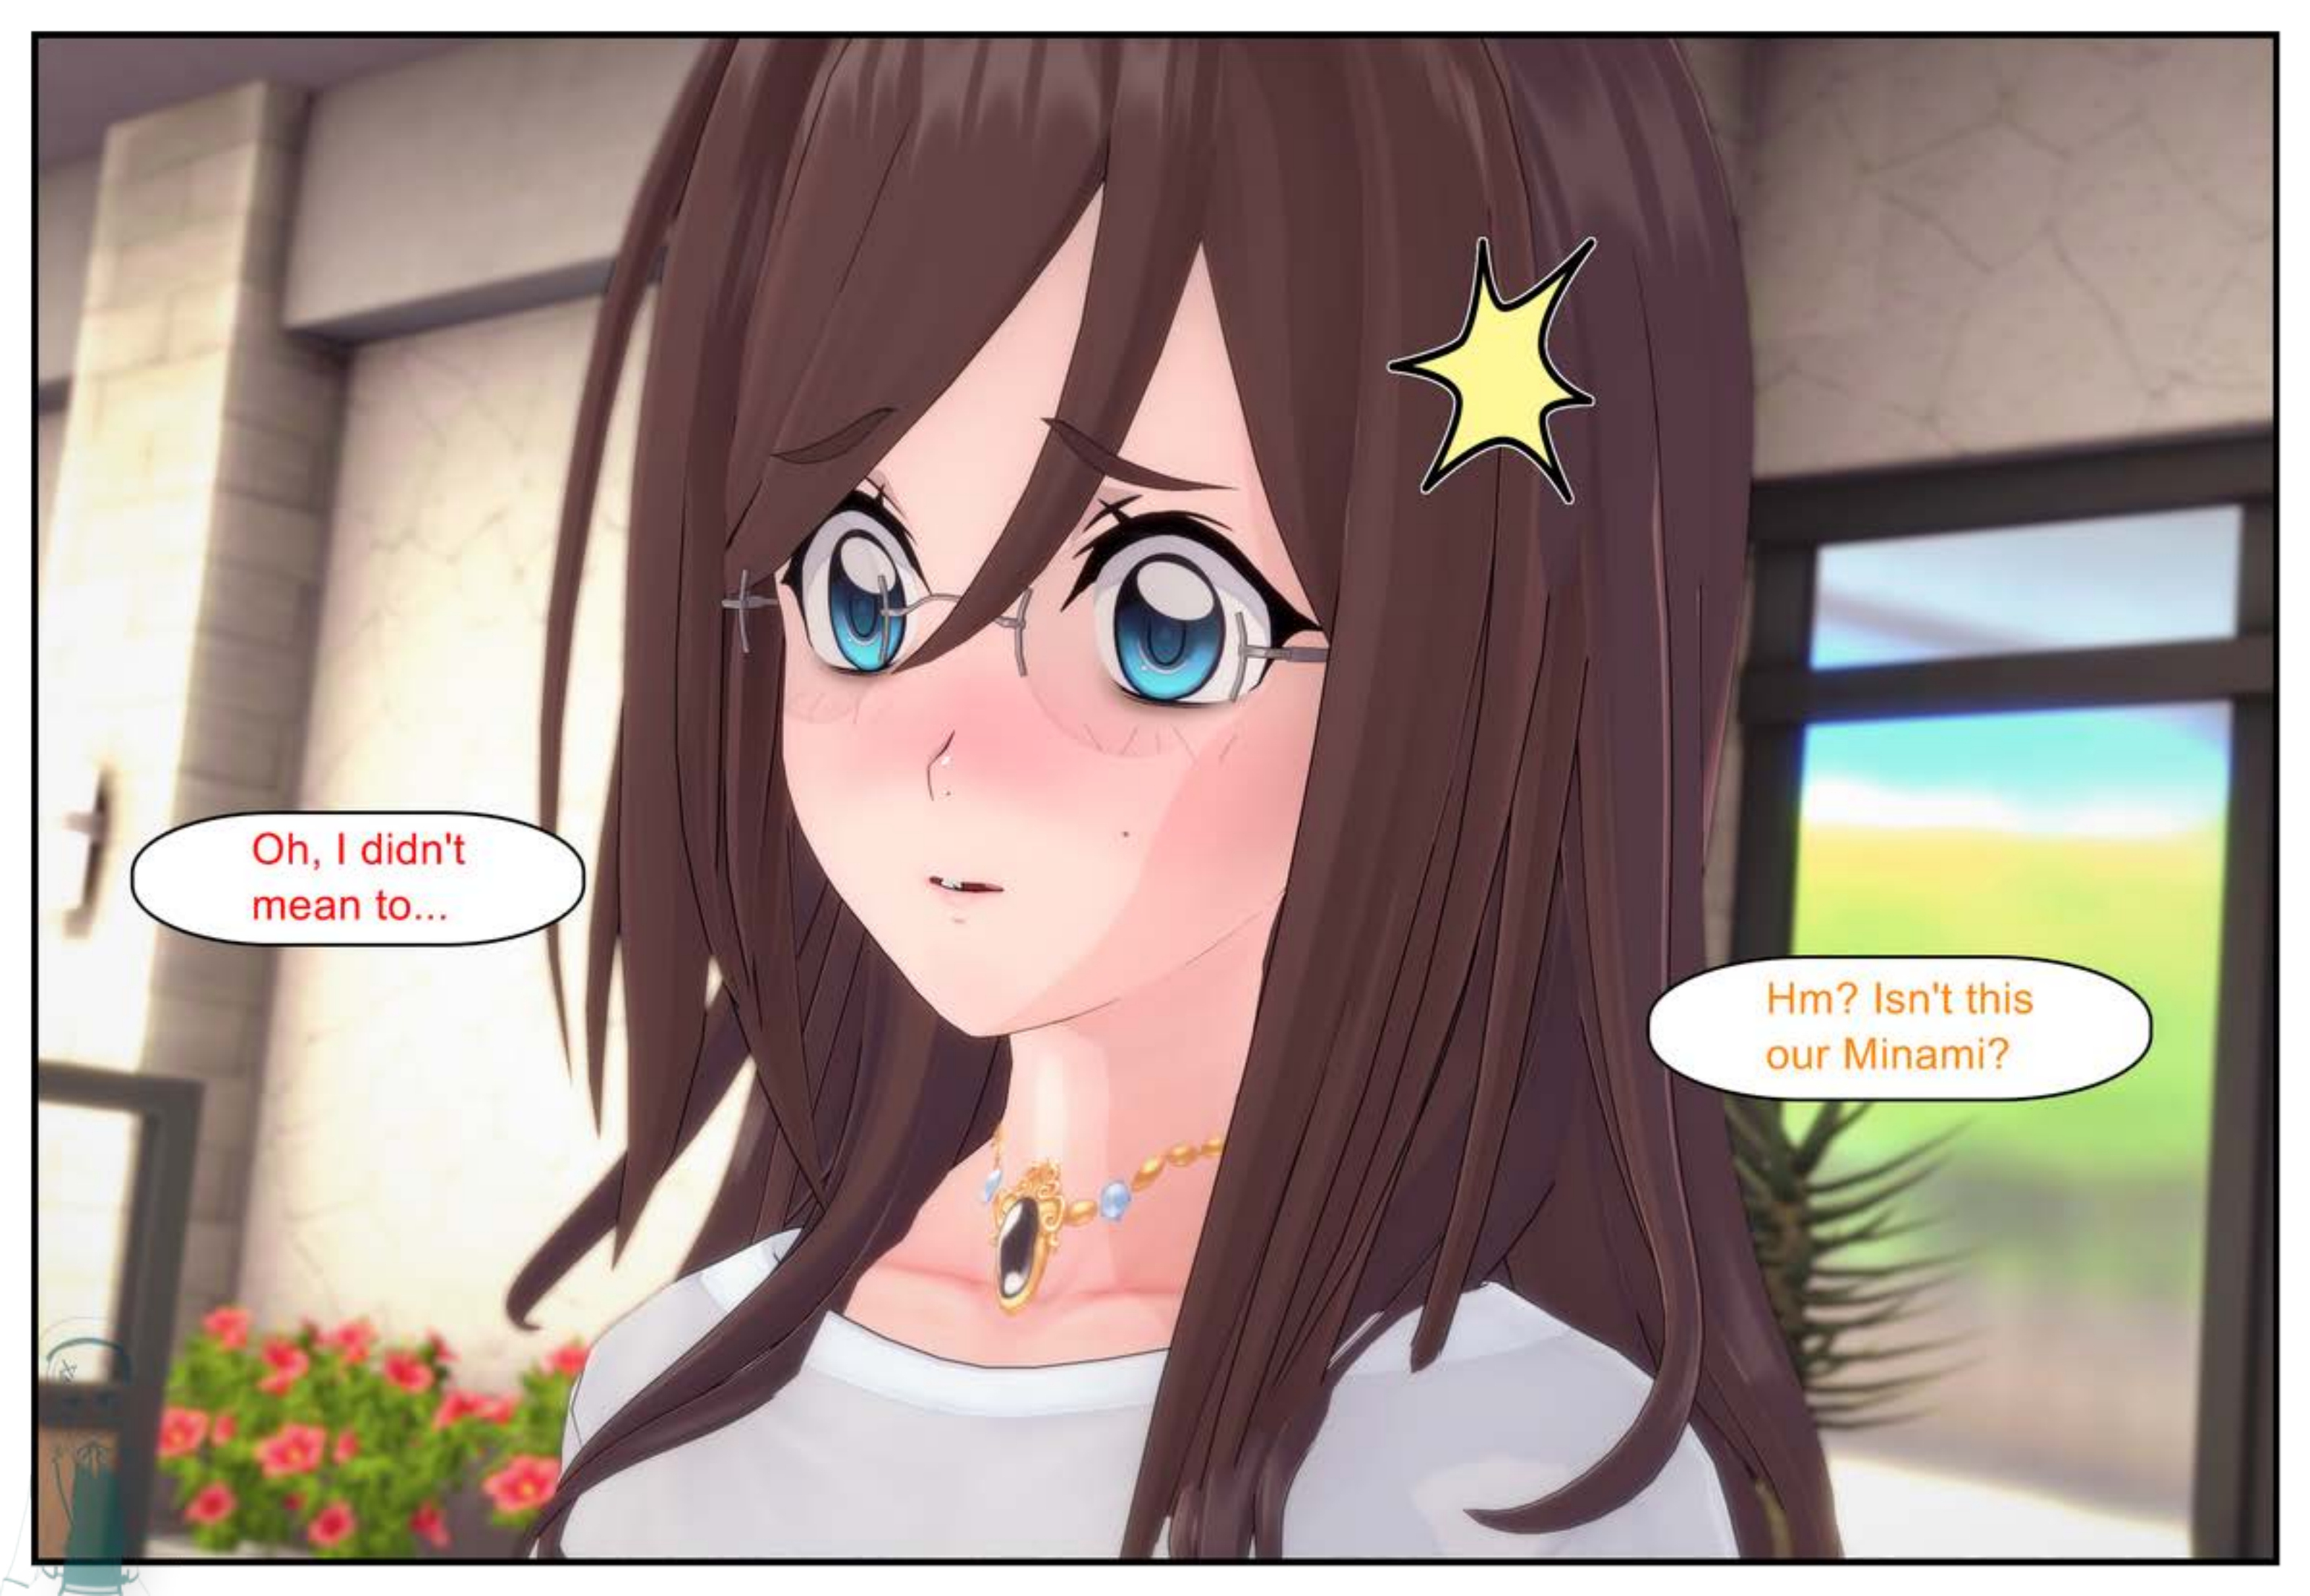

You look cleaner and tidier than before, I must say!

You say that mean
my old-self was
bad, right!?

Oh, I didn't mean to...

Hm? Isn't this our Minami?

I thought you should
be out there and do
low-life job.

Never expect you to show your face in this luxury salon.

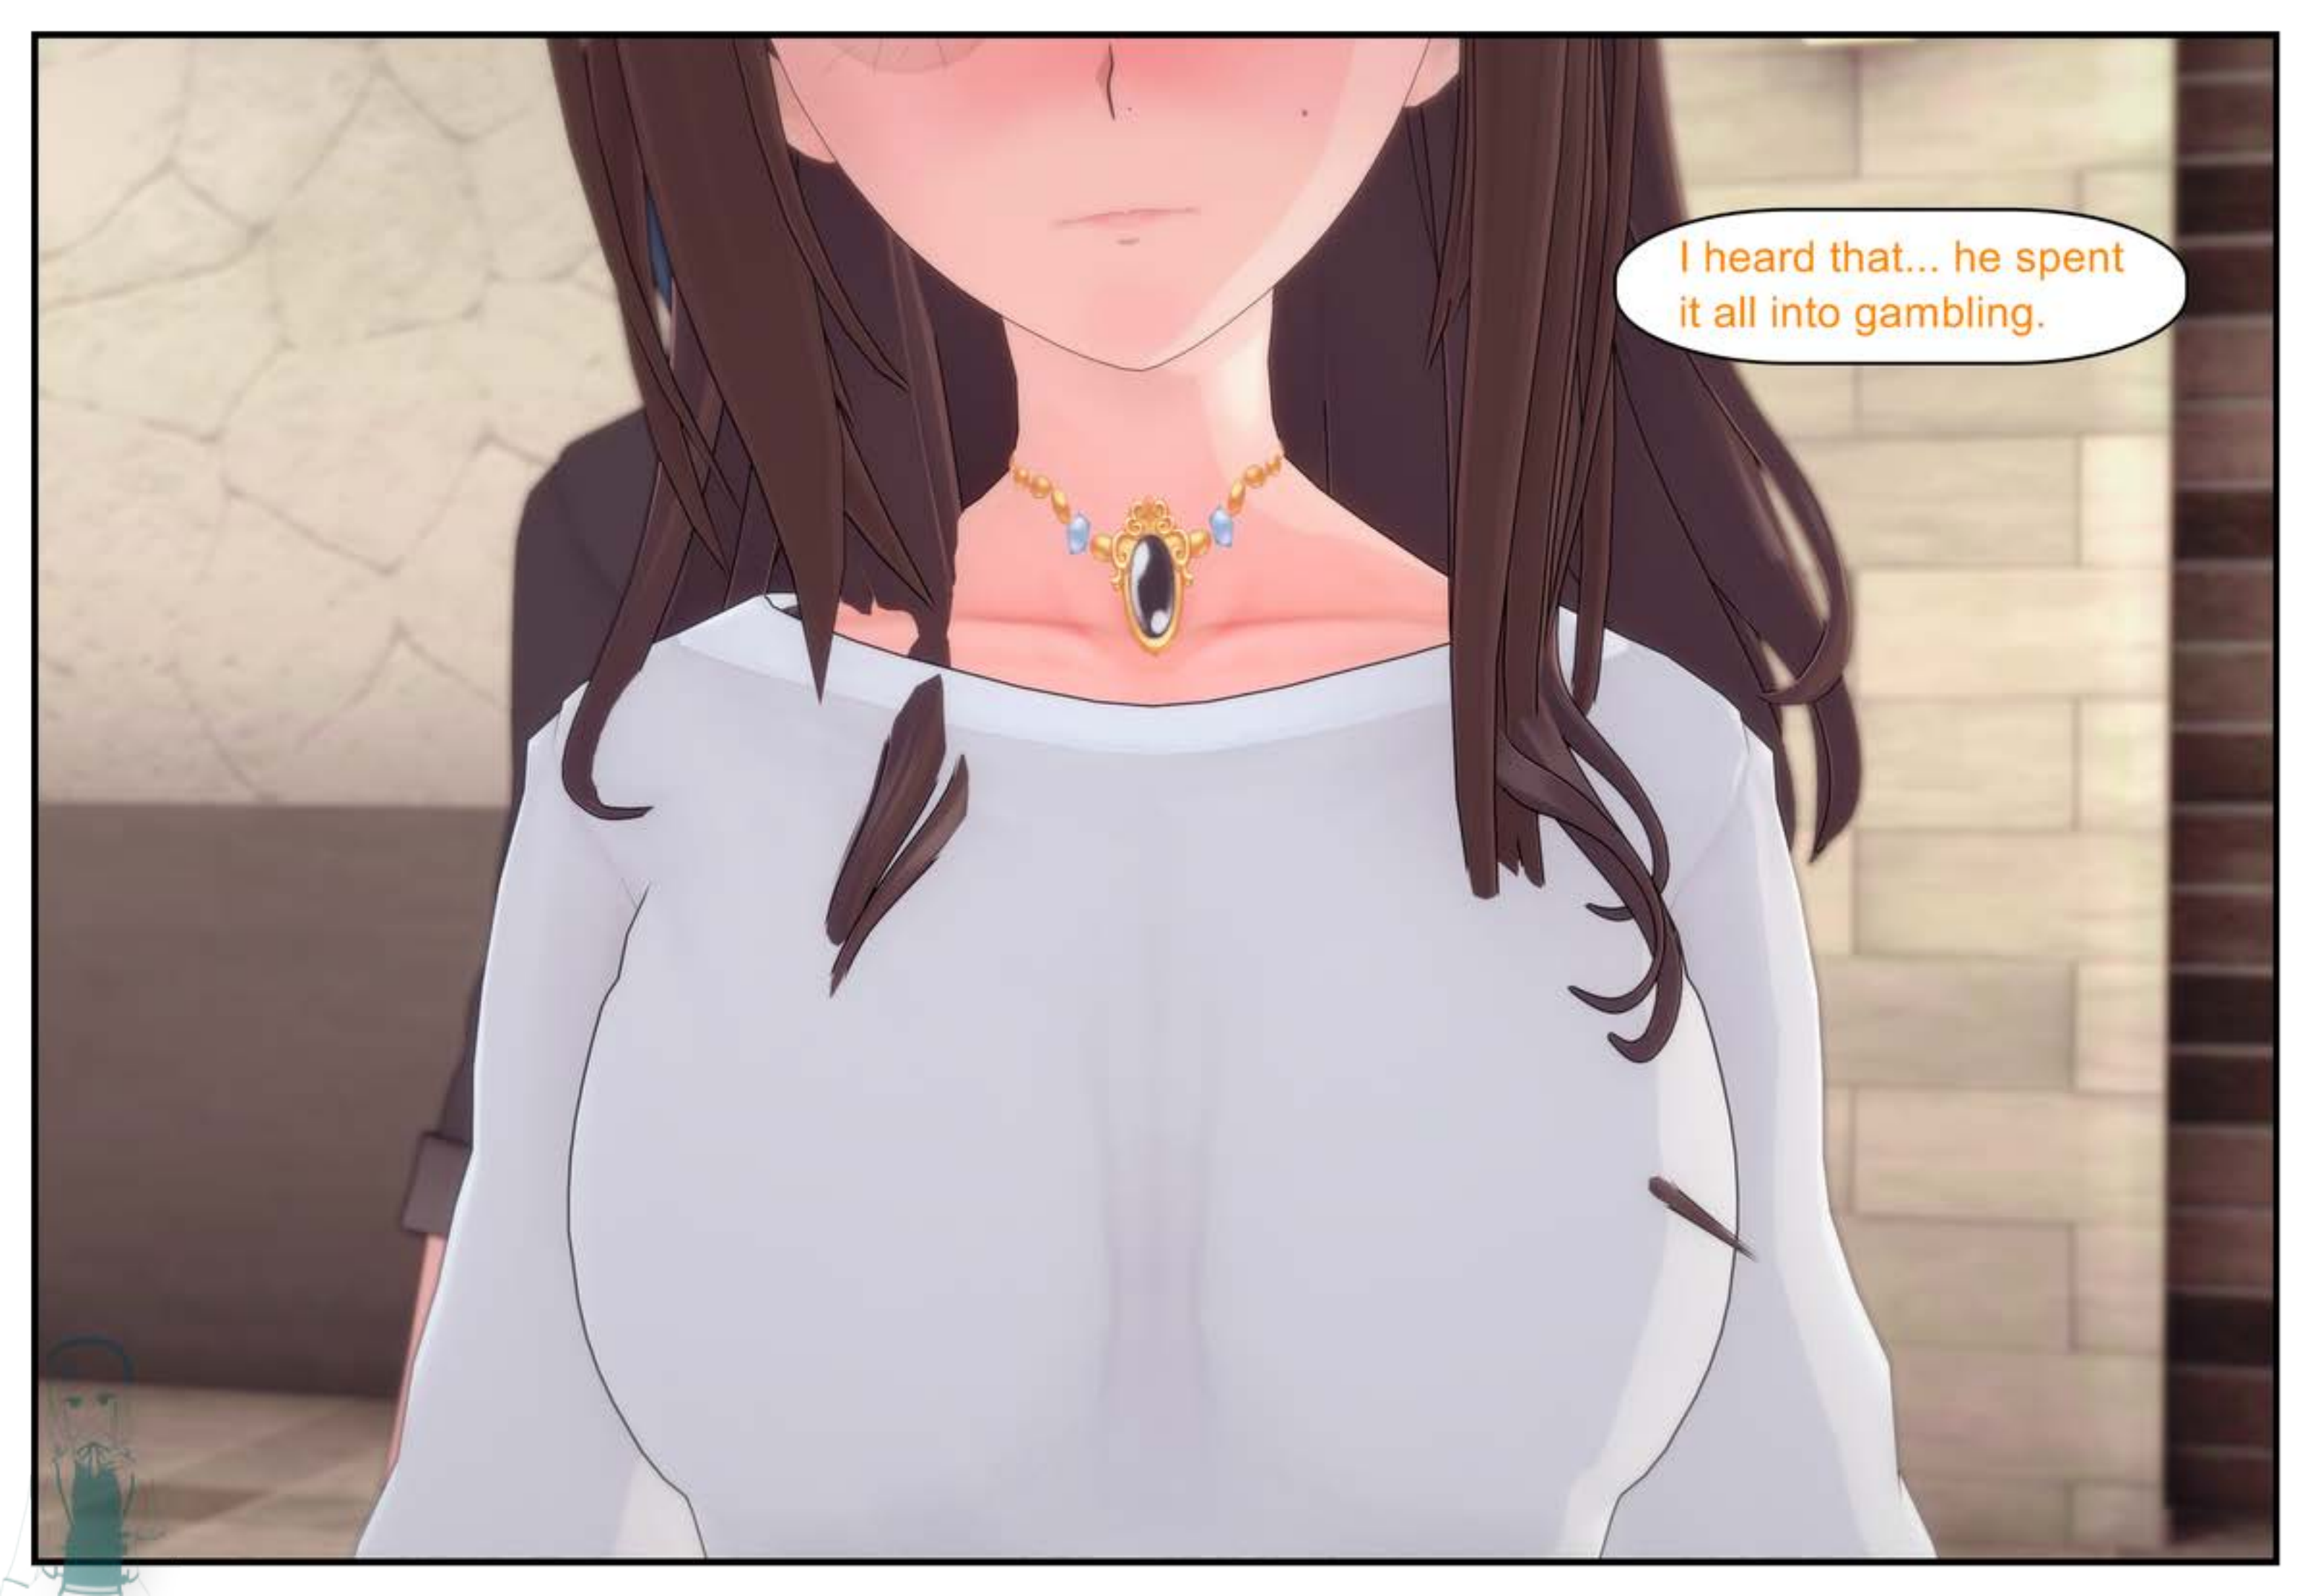

Oh well, you still
have debt on your
shoulder, am I right?

Your father borrowed me a lot before, always promise that he would pay.

I wonder... where did those money into...

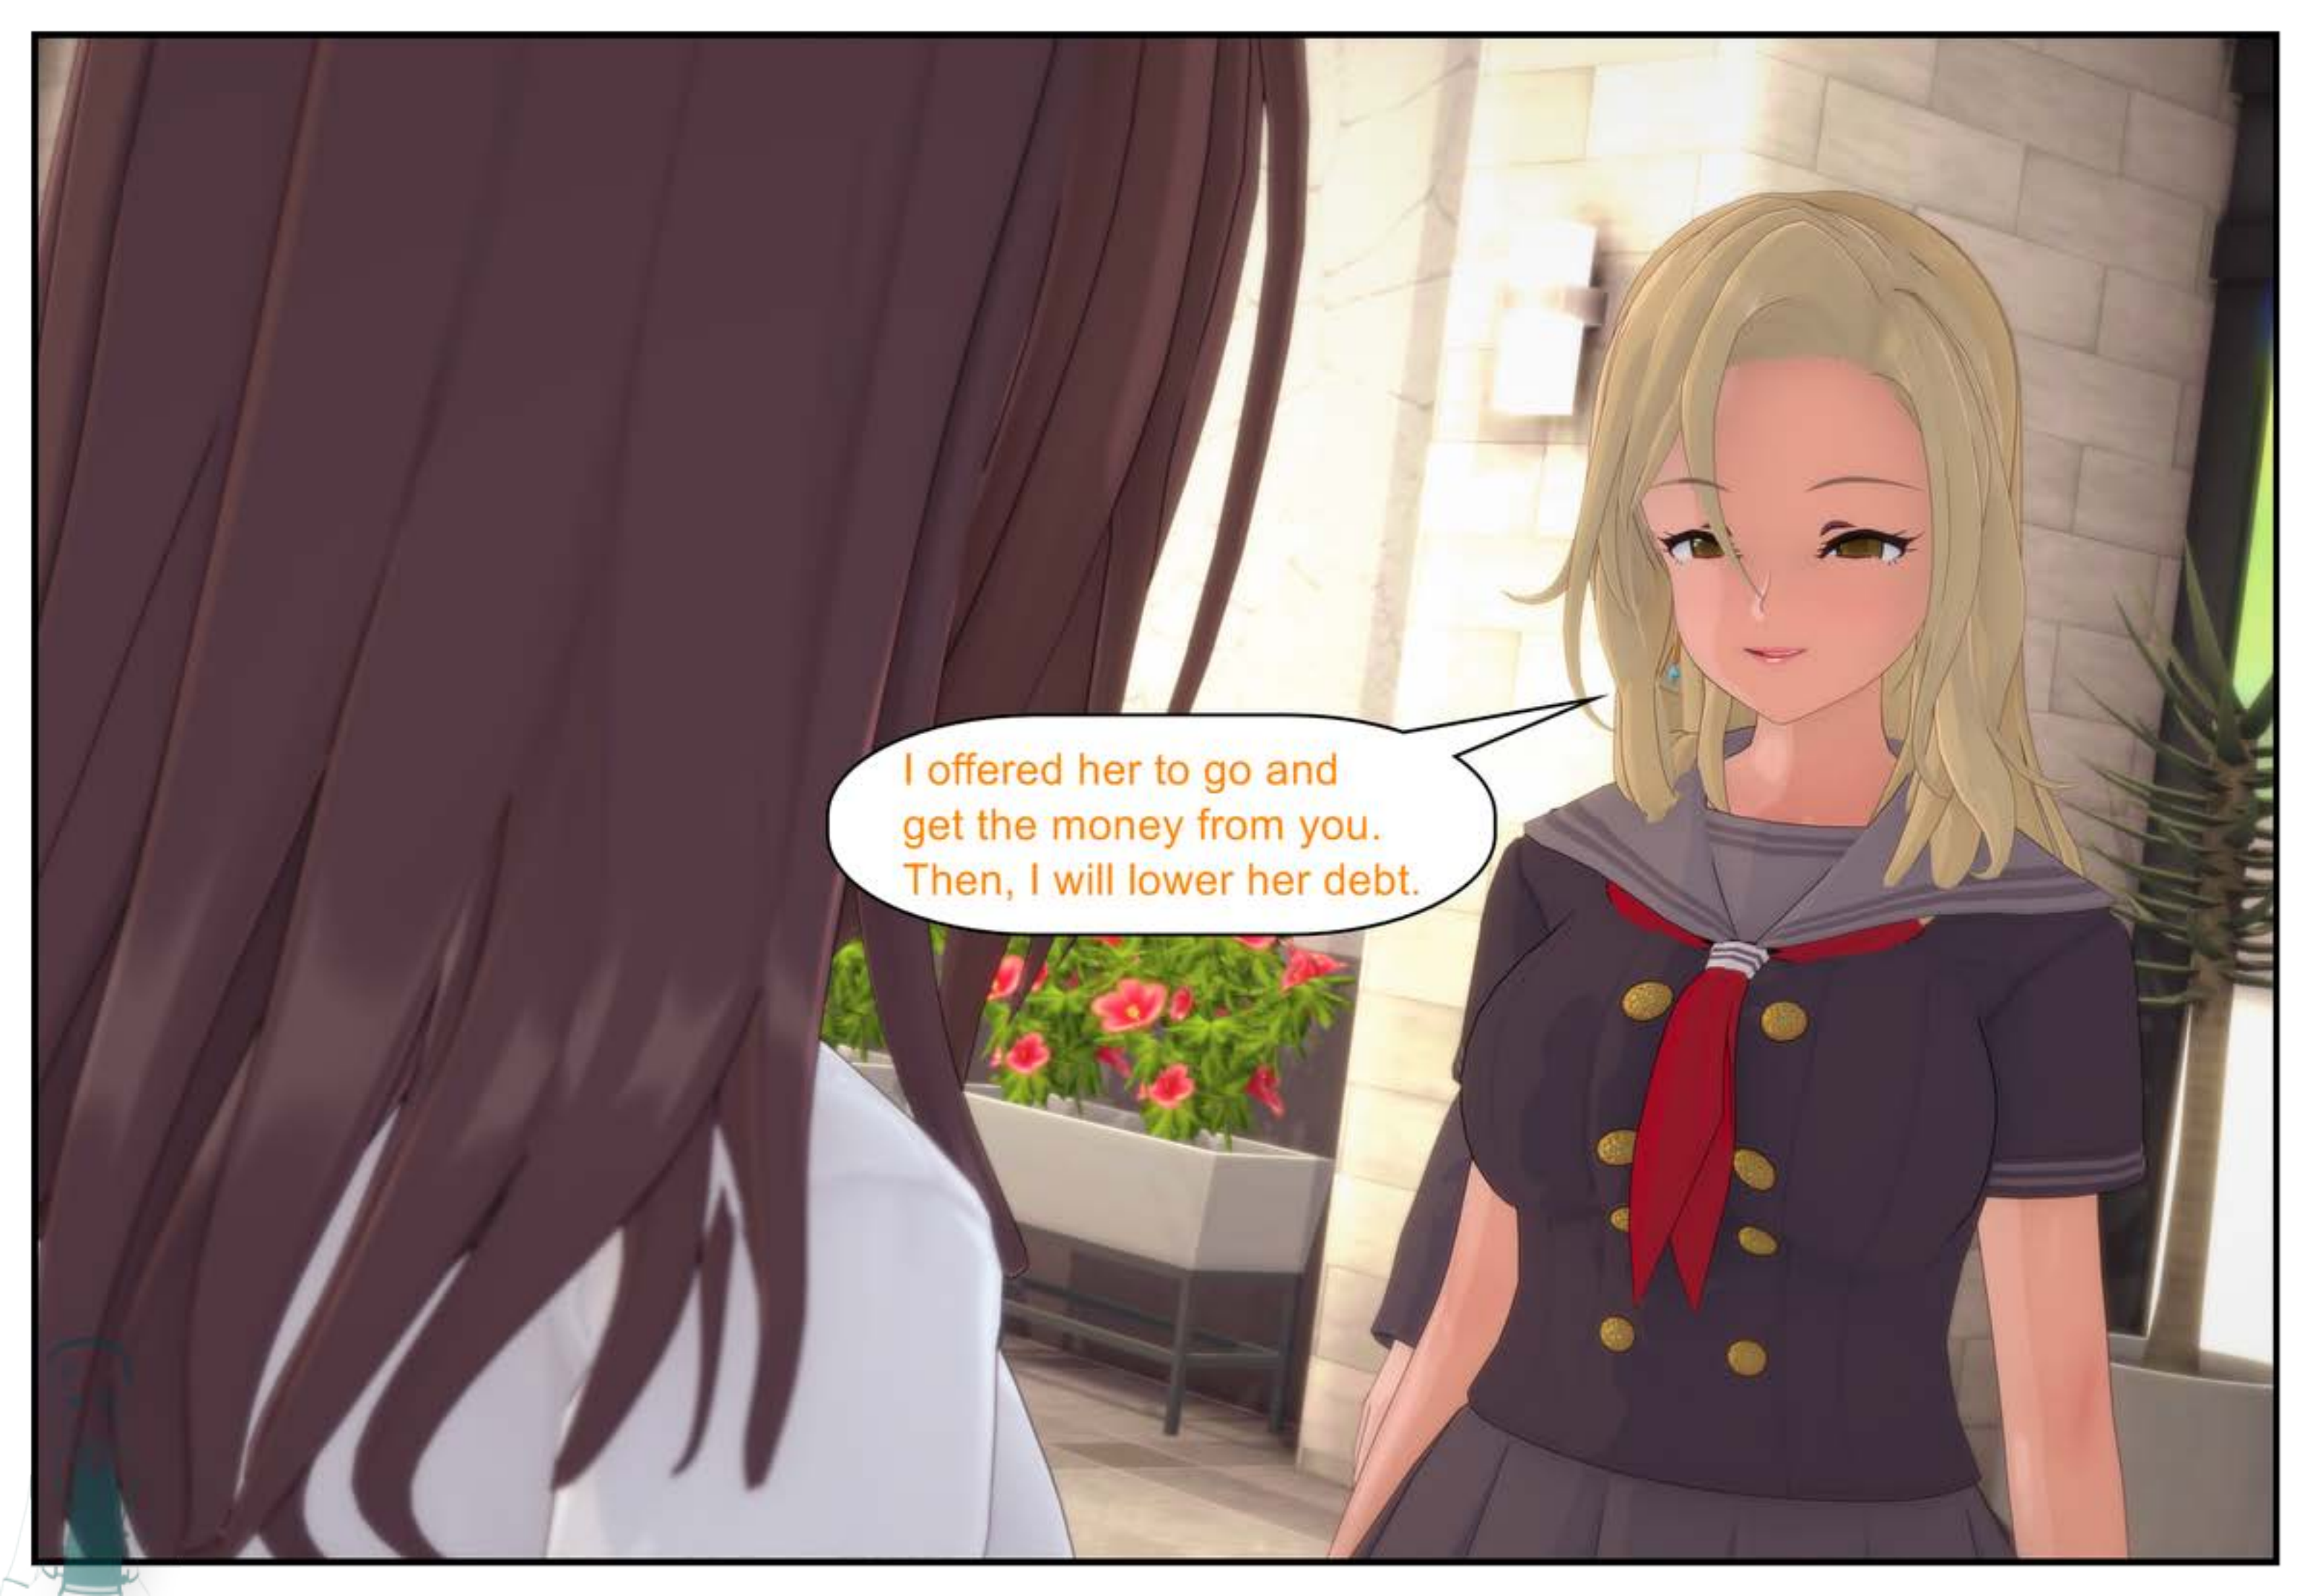

I heard that... he spent
it all into gambling.

I also lent your auntie
some money, too.

I offered her to go and
get the money from you.
Then, I will lower her debt.

Don't be so surprised.
Money can buy anything,
even power.

Either now you two
return my money, or
don't think about
getting out of here.

Oh? Do I have to?

What did you say?

I don't have responsibility
to pay your debt.

Minami, too. It was
her Father borrowed you.

Why don't you go to Hell and ask him to return it?

I see... You are all refuse to do as I said.

Teach them some
manner, bodyguard!

Heh. Leave it to me.

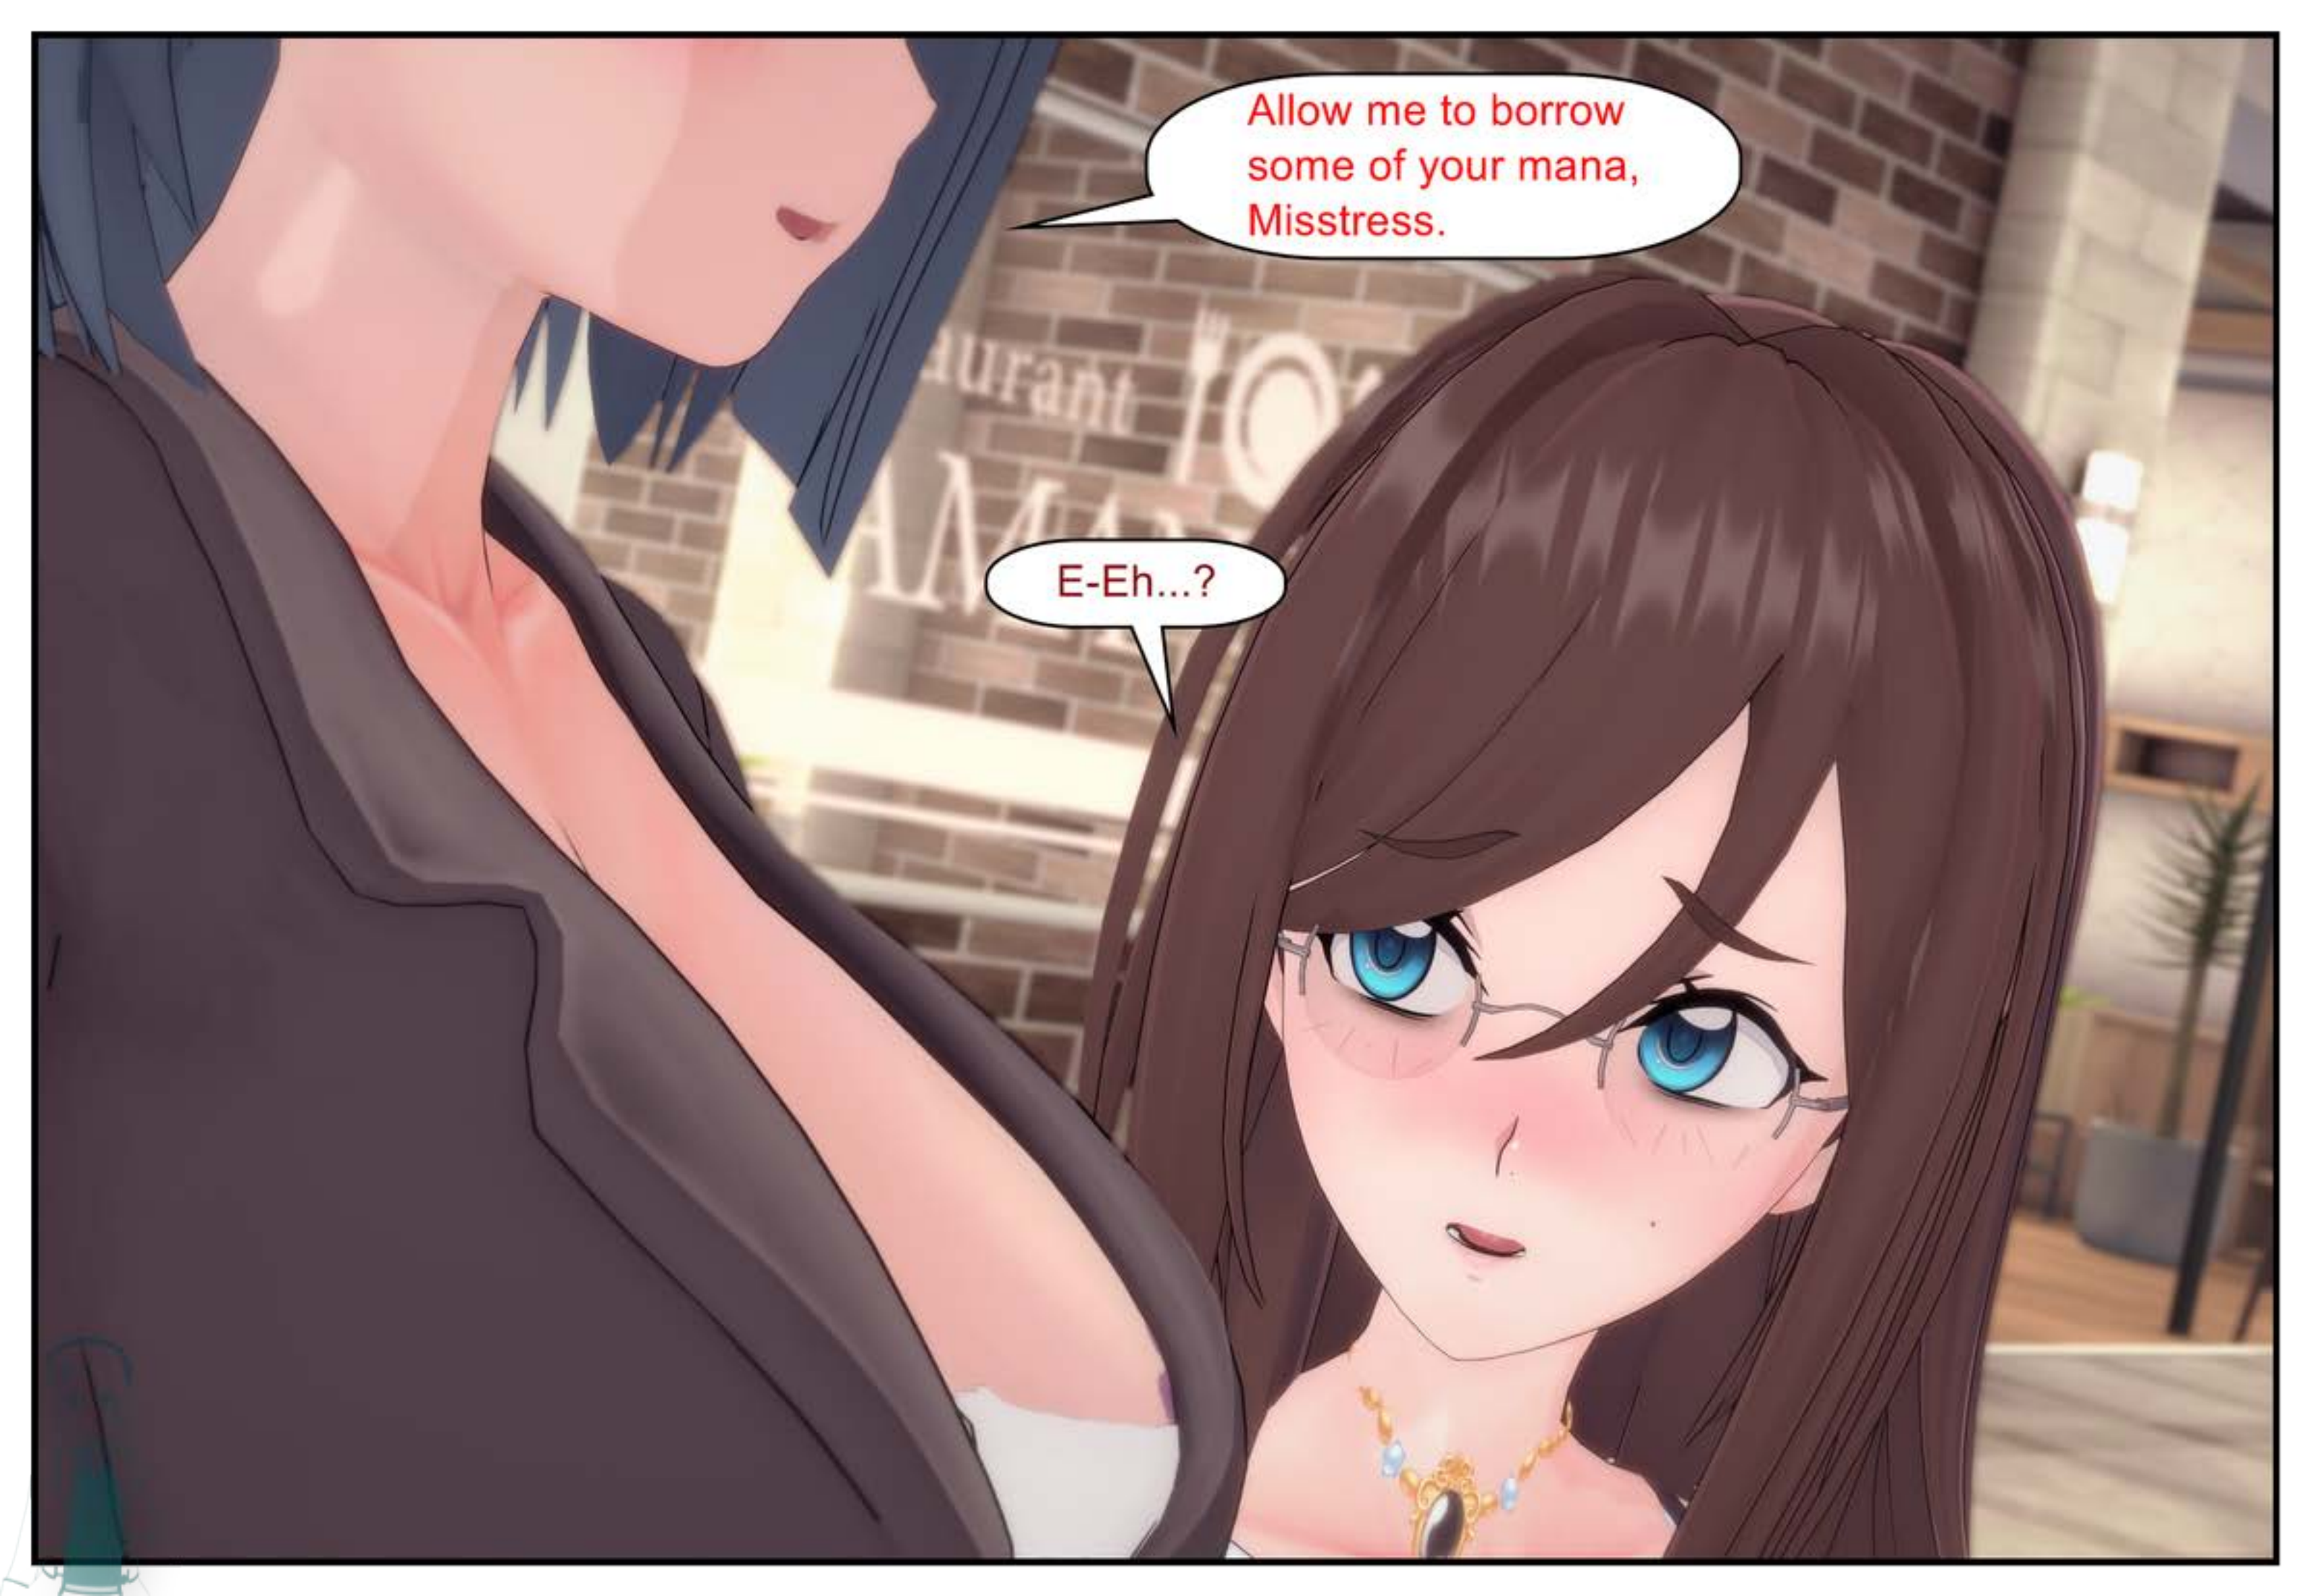

No one dare to
against my owner's will!!!

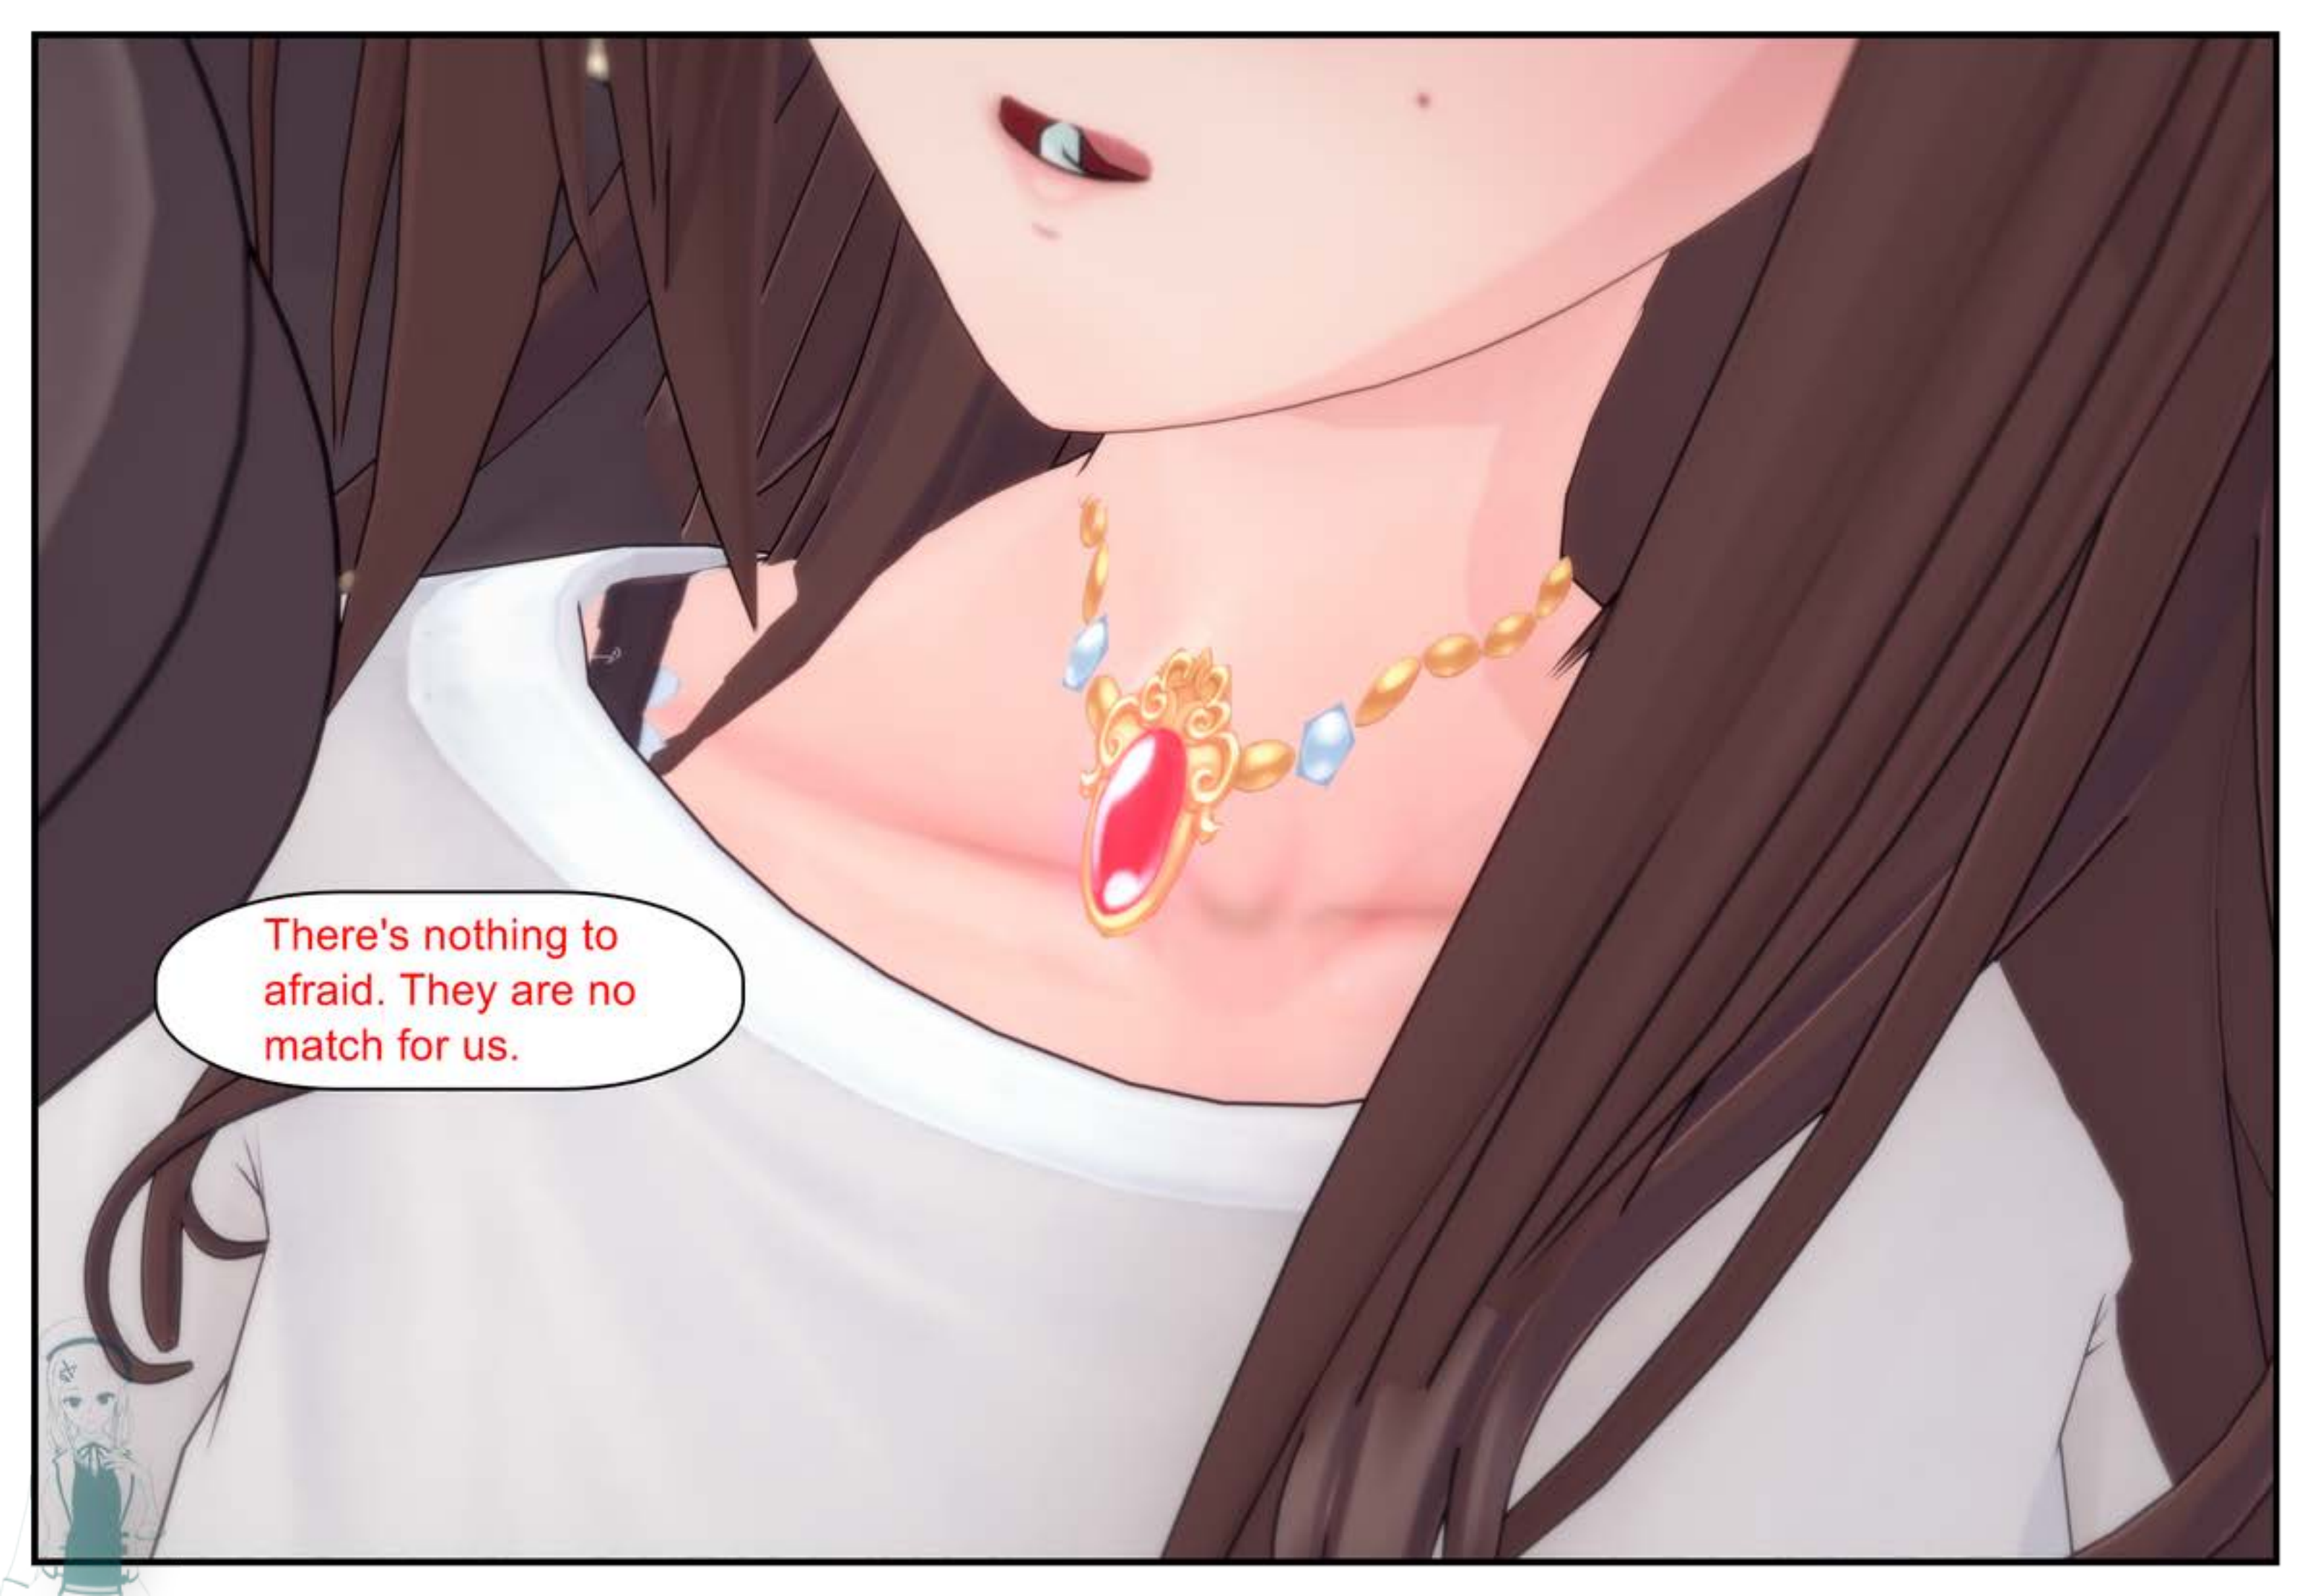

mm

Allow me to borrow
some of your mana,
Misstress.

E-Eh...?

There's nothing to
afraid. They are no
match for us.

I bet you know where to throw that punch.

H-Hey! What is going on!? Why did you stop!?

Turn around. Your target is her, not us.

Don't you dare...!!!
I paid you to protect me!!!

L-Let go off ME!!!!
Hyyyyyaaaaaaa!!!!

That's enough...
Please stop him!

If Misstress already
said so... Let me make
her to apologise.

Stand aside.

W-Why...?

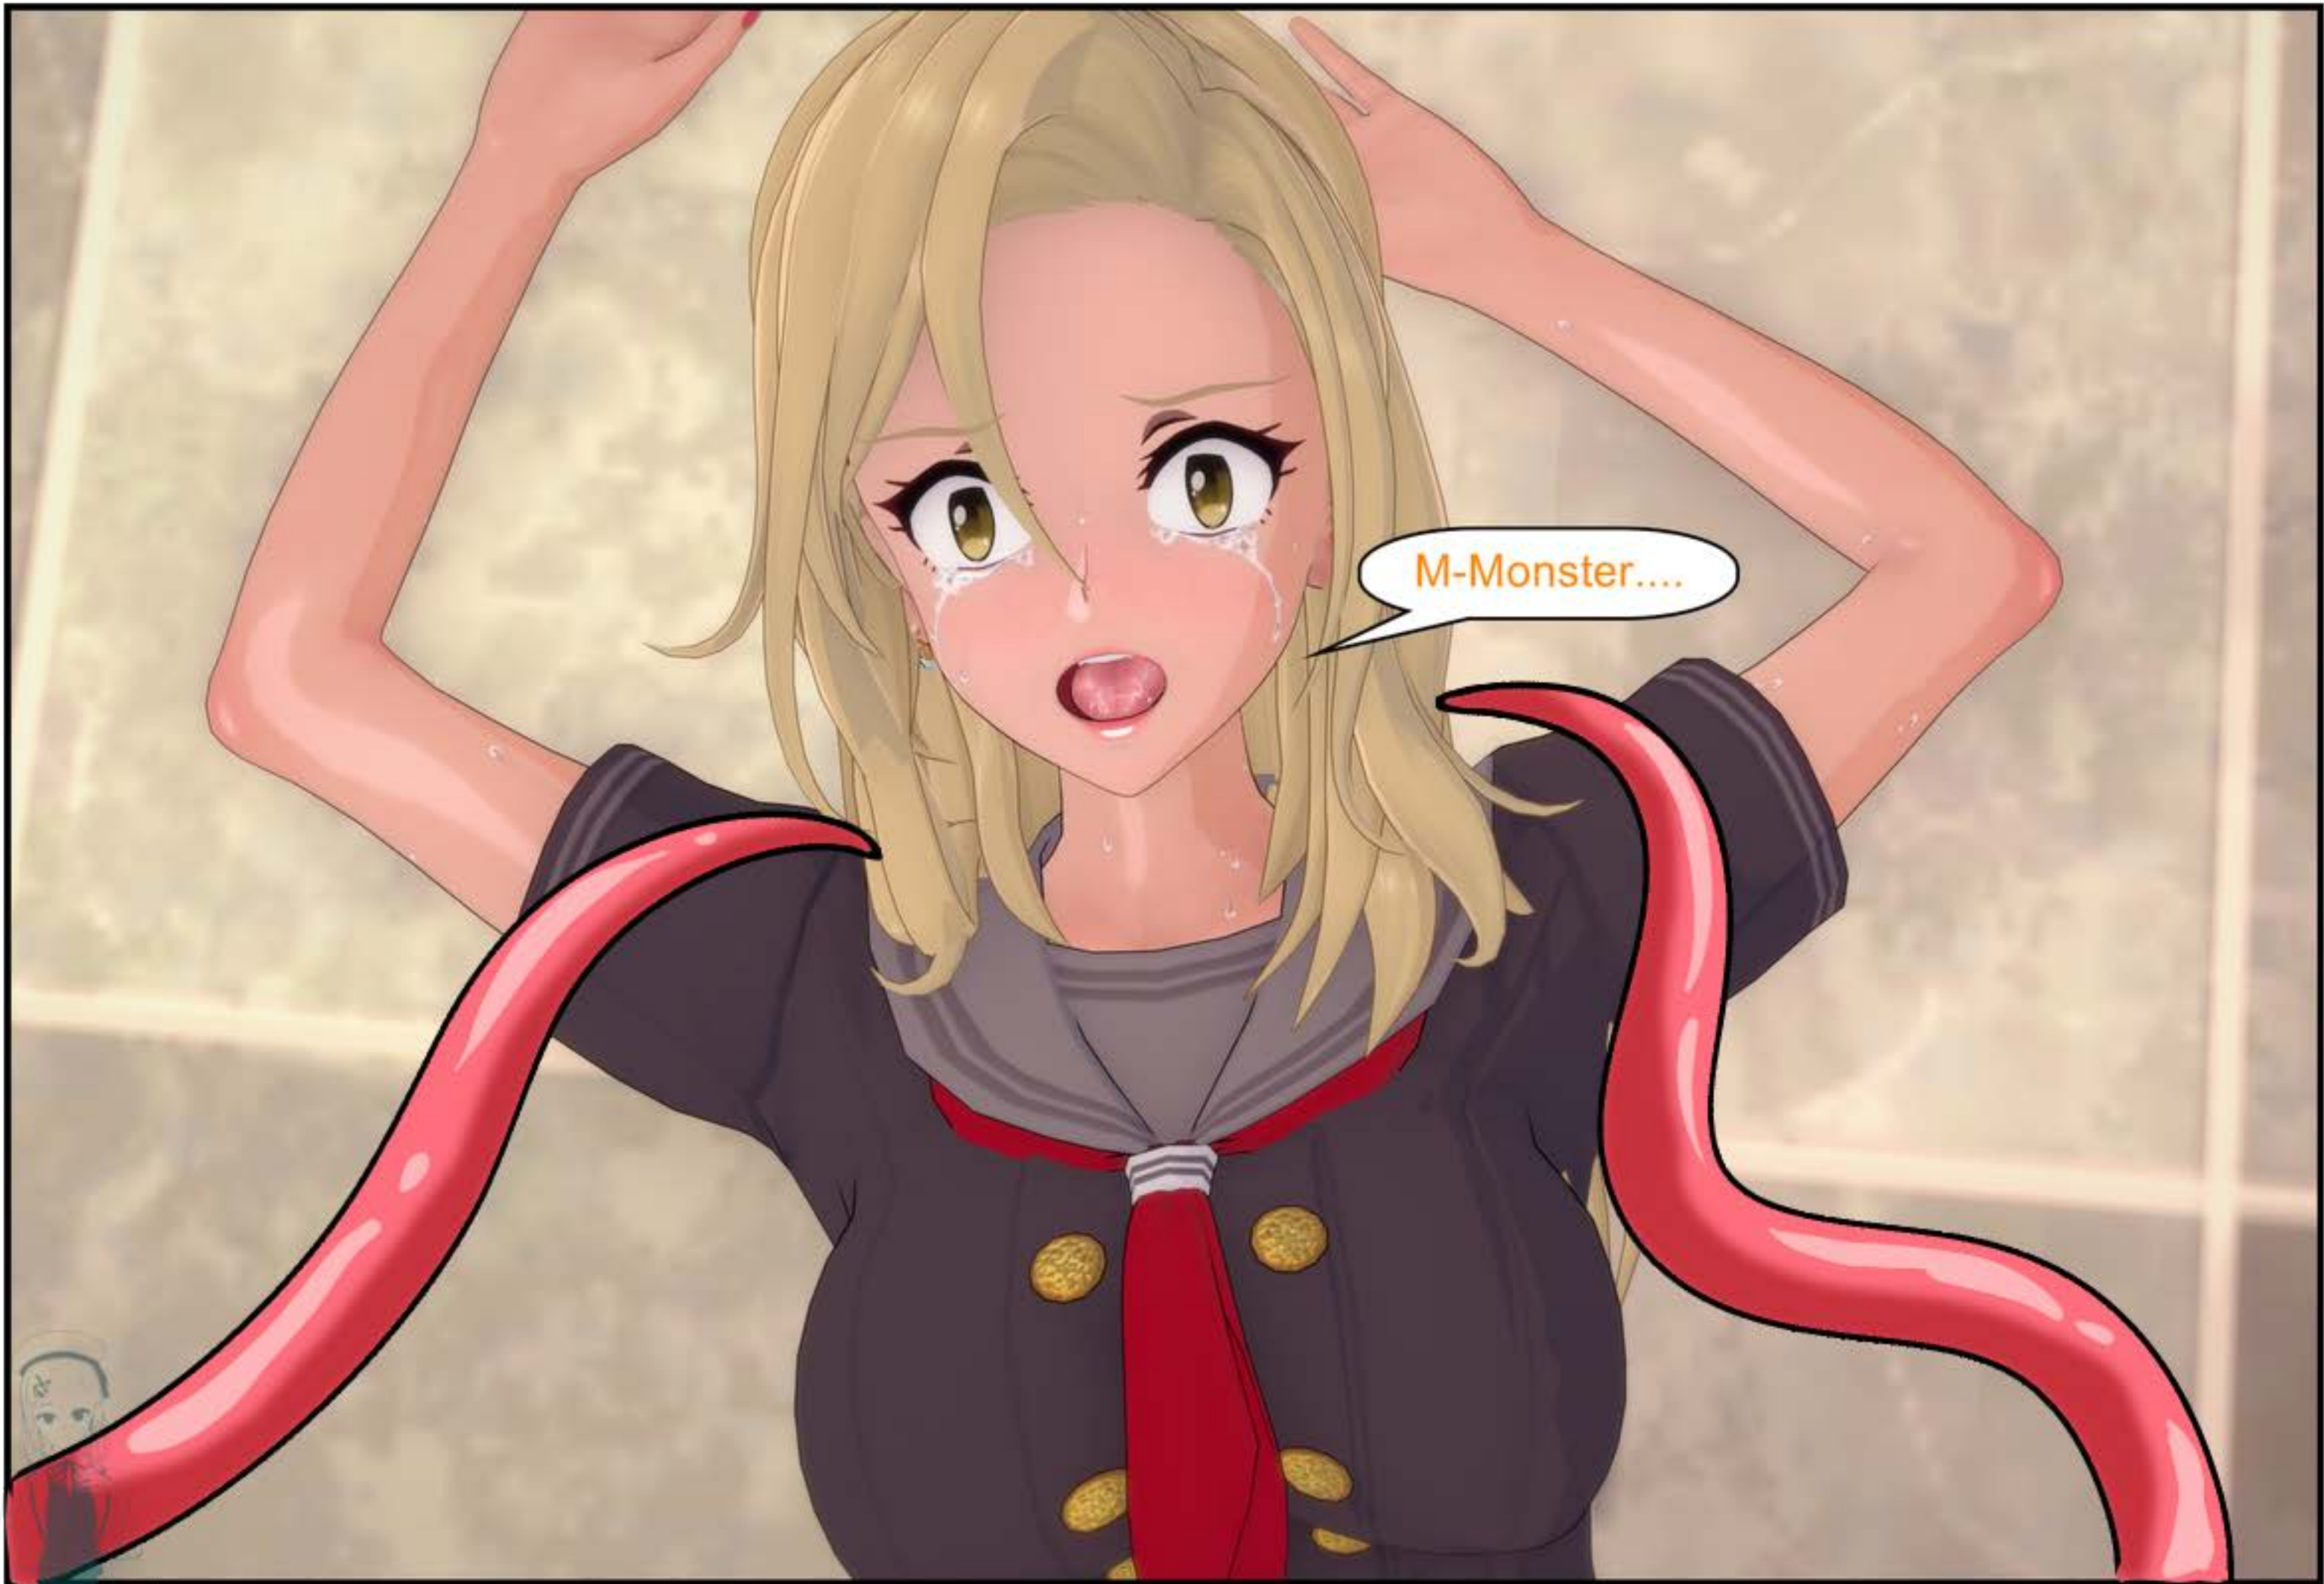

You may want to ask yourself...

To be true, I'm not
interest in money.

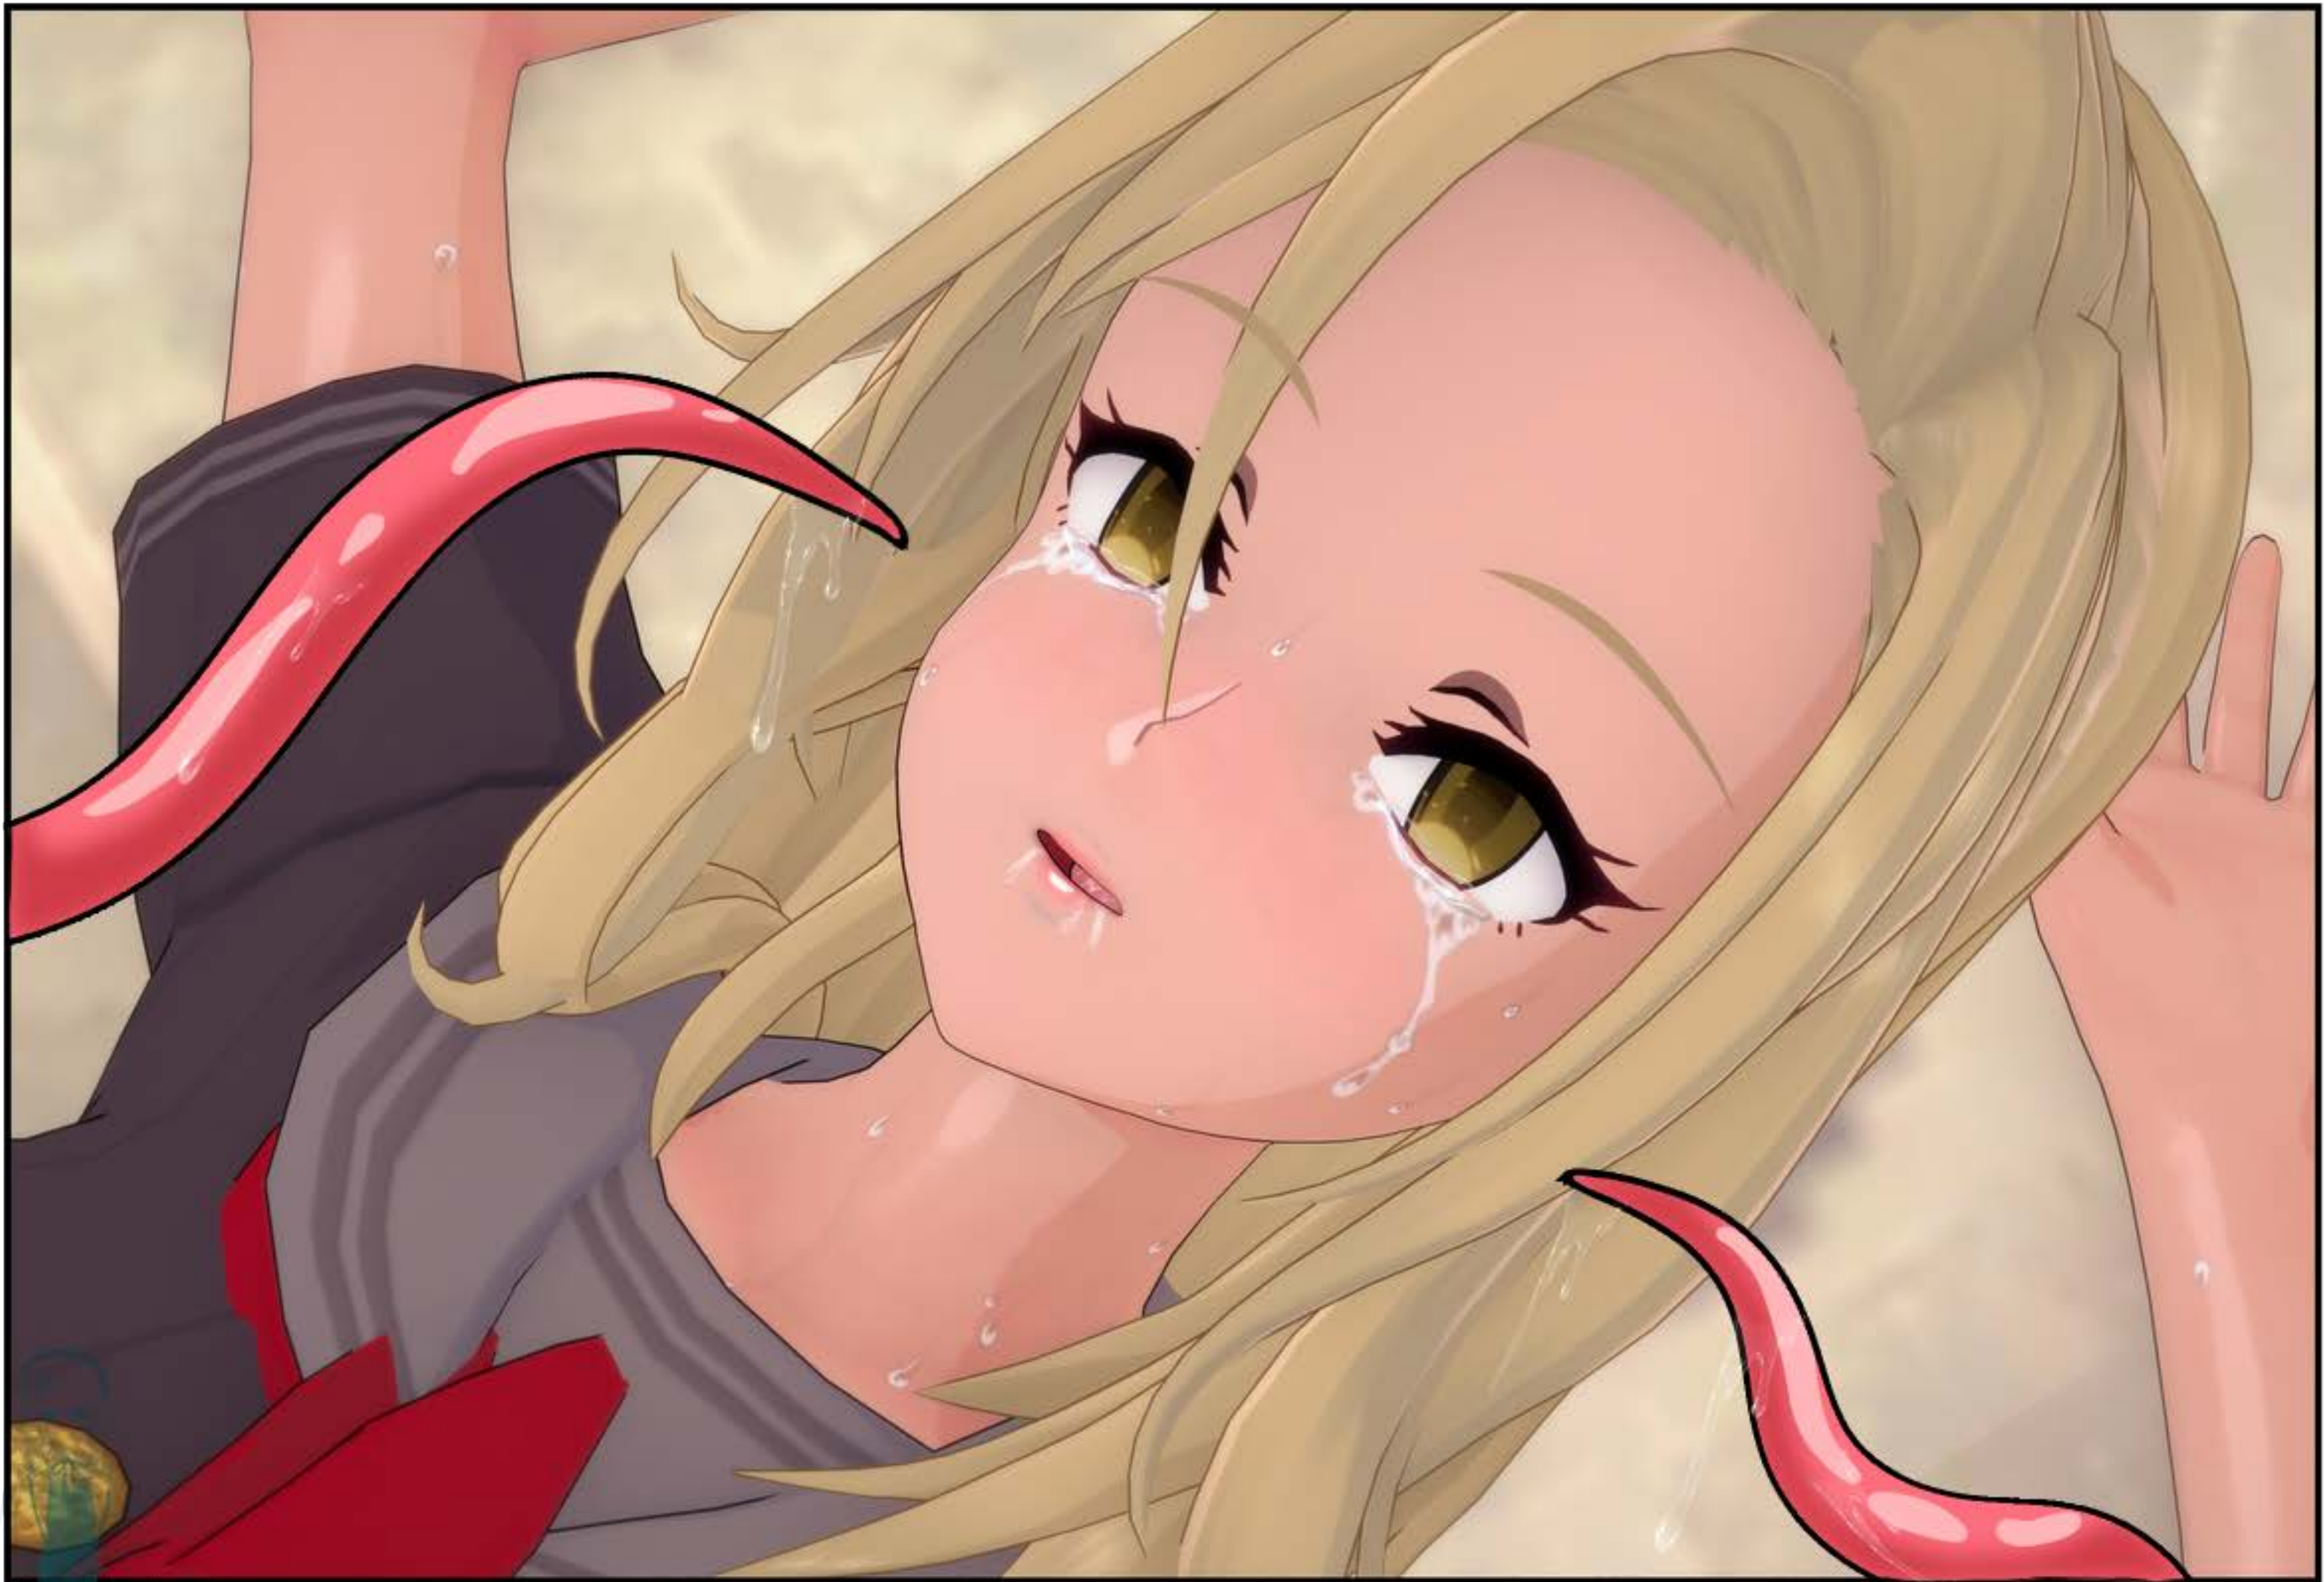

M-Monster....

You know what
to do.

I'm sorry for putting
a debt on you, Minami!

You can do anything
you want to me!
Even torturing!

What do you think,
Misstress? I won't stop.

I only need my Father and Aunt's debt to be erased...

I already have you,
so I must think
more careful...

I won't hurt her because
I'm not a person like them.

Haha. Just as I expected what you would say, Misstress.

To me, this one pretty delicious. To be fair, I will punish her.

From now on, your mind always desire for sex, get it?

Let's go home,
Misstress. We
done here.

Um. Thank you
for everything you
did today.

A moment later after
Minami left...

W-What in the world are they doing!?

What an embarrassment
to the Council!

To be continued?

President Saya,
one word and I will
show them mercy!
