## Prologue

---

*Pee right now*

*Not right now*

---

The second option doesn't close watersport; you will be able to change your mind

---

*... or girl*

*... definitely a boy*

---

Minor changes in dialogues. You will be able to change your mind

---

June 1, Monday. Day 1

---

*Spare me these dirty details*

*Make sure don't miss anything*

---

The first option closes Watersport fetish and all related repeating events permanently

---

*Order pizza on the Internet*

*Go to the groceries*

---

Ordering pizza will allow you to spare some time for going to the beach.

Going to the groceries and cooking food will take a lot of time, and you won't be able to go to the beach.

Both routes are acceptable.

---

*Shave pussy and armpits*

*Shave armpits only*

*Shave pubes only*

*Shave nothing*

---

Choose what you like more. This choice is permanent in game, but can be changed anytime from the game menu.

*If you didn't order pizza:*

---

*Masturbate*

*Not right now*

---

If you choose to masturbate, you won't be able to do this again till tomorrow. MC won't be aroused enough to have some fun at night and watch lewd videos.

*If you ordered pizza:*

The pizza will be delivered randomly by pizza boy or pizza girl

---

*Give nothing*

*Give normal tips*

*Give good tips*

---

Give nothing – next time a pizza will be delivered by another person;

Normal tips – next time a pizza will be delivered by a random person;

Give good tips – next time a pizza will be delivered by the same person

---

*Buy a swimming suit*

*Buy new cellphone*

---

The order doesn't matter. You will visit both locations anyway

*If you ordered pizza:*

---

*Go Home*

*Go to the Beach*

---

Both routes are acceptable

*If you go home:*

---

*Have a nap*

*Watch TV*

---

To have bedroom events, make sure you watched fun and erotic movie. MC will say, "It was just fabulous! It's the best movie I have ever seen!"

*If didn't masturbate yet:*

---

*Masturbate*

*Don't*

---

If you choose to masturbate, you won't be able to do this again till tomorrow. MC won't be aroused enough to have some fun at night and watch lewd videos.

---

*I should suppress them*

*I should have some release now and then*

---

Choose the first option if you don't want MC to masturbate or have sex. Otherwise, choose I should have some release now and then

Night bedroom event

*It's available if your mood is normal or better, health is okay or better, and arousal is aroused or higher.*

---

*Go to sleep*

*Have some relief*

---

Choose Have some relief

June 2, Tuesday. Day 2

---

*Workout*

*Relax today*

---

Workout is preferable because it eventually increases your health. Though, both options are acceptable. If you learned EX, you would have some extra content.

*If Workout:*

---

*Put on a green sport suit*

*Put on a grey sport suit*

---

The green sport suit is more revealing, but you can't wear it without learning EX

MC would be wearing another T-shirt during home routine events if you learned EX

---

*Order pizza*

*Go to the groceries*

*Cook something*

---

Don't order pizza if you did it yesterday. Otherwise, MC will feel bad at night. If you ordered pizza for the second time anyway, you would have some extra content if you learned EX.

Some extra content if you Watched something lewd yesterday

Some extra content if you learned PP yesterday. It will open travel to Red District in the future

---

*Answer*

*Ignore*

---

Choose Answer. You will get a new job. Also, it will increase your mood

*On the beach:*

*Events vary depending on what fetish you have learned:*

Some extra content if you learned EX

Some extra content if you learned FF

Some extra content if you learned PP

Some extra content if you learned AP

Some extra content if you learned TS

---

*Women don't have periods in my world*

*Obviously, they have periods (no physiological details)*

---

The first choice closes all related events permanently.

---

*Order Pizza (if hasn't ordered today)*

*Go to the groceries*

*Cook something*

---

Ordering pizza is not available if you ordered it in the morning. Don't order pizza if you did it yesterday. Otherwise, MC will feel bad at night. If you ordered pizza for the second time anyway, you would have some extra content if you learned EX.

When everything is done, MC goes to sleep. Before that, she can have [some fun](#).

Last choice of the day:

---

*Get up early for work*

*Don't go to work tomorrow*

---

If you choose the second option, you will skip the first day of your work. But it's not critical.

June 3, Wednesday. Day 3

*If "Get up early":*

**Car Wash**

---

*Check it*

*No need*

---

Check it will lead to some extra content if EX is learned; doesn't influence the storyline

*If "Don't go to work tomorrow":*

**At Home**

---

*Get ready for a new wonderful day*

*Skip morning routine*

---

*You can skip morning routine in the bathroom. Though, you will skip some extra content if EX is learned*

---

*Home workout*

*Jogging in the park*

*Watch TV*

---

Choose whatever you want. Though:

Jogging gives more health points than Home workout;

Watch TV will allow you to watch culinary shop (increases cooking skill) or watch a movie (increases mood/arousal, depending on movie type);

Home workout has extra content and two options of sports suit for EX

---

*Go to shower*

*Skip home routine*

---

Skip home routine will hide showering and having breakfast (you won't be able to order pizza.) You won't lose any points by skipping routine.

*Drunken Monkey*

---

*Stay at work (long shift)*

*Go Home*

---

Stay at work allows you to earn \$200, but you skip walking in the park and a travel to Red-Light District. If you choose Go Home, you will earn \$ 120, but return home early enough to have more options of what to do.

---

*Go work / Go home right now*

*Go pee first*

---

Appears only if you're into watersport. Choose the second option to pee at work, or the first option to pee at home.

---

*Don't even try to imagine – it's disgusting*

*Try to imagine – it may help*

---

Choose the first option if Futa/Trans is not your thing.

*If "Go Home":*

---

*Go for a walk*

*Go to Red-Light District*

*Watch TV*

*Have a Nap*

---

Choose Go for a walk or Red-Light District (if available) in order to maximize mood and arousal at night.

Red-Light District will be available if PP  $\geq$  5%+ or AP  $\geq$  13%.

Go for a walk contains some extra content for EX.

*If “Go for a walk”:*

---

*Sit on the bench*

*Stroll along the alley*

*Walk on the pond*

*Go deep into the park*

---

In order to maximize mood and arousal:

If EX is learned – choose anything; you will get extra content everywhere except for Stroll along the alley.

If TS 25% – choose Walk on the pond (you’ll find a feather.)

Otherwise, choose Stroll along the alley.

*If “Walk on the pond”:*

---

*Sit down for a while*

*Swim*

---

Swim appears only if EX is learned. Choose anything.

---

*Go home right now*

*Go to the restroom first*

---

Appears only if you're into watersport. Choose the second option for related scene (doesn't affect anything.)

*If "Go to Red-Light District":*

---

*Order Taxi*

*Don't go there*

---

Choose Order Taxi if you have enough money for taxi and sex shop stuff (taxi round trip \$40 plus \$25 for lube or \$60 for a dildo.)

---

*Walk home*

*Return to Sex Shop*

---

Choose Return to Sex Shop to befriend Jackie (Sex Shop clerk) and return home not too late for night jogging.

---

*Night jogging*

*Take a bath*

---

You will get this option if you didn't jog in the morning and didn't return too late from Red-Light District. Contains extra scenes for EX if you put on green sports suit.

---

*Get up early for work*

*Don't go to work tomorrow*

---

Choose first option to go to Car Wash tomorrow.

June 4, Thursday. Day 4

---

*Home workout*

*Jogging in the park*

*Watch TV*

---

Choose whatever you like. Jogging gives a bit more health points than home workout. Keep in mind that you can jog only once a day – in the morning or at night. After that, you'll [have a breakfast](#).

- You can go to the groceries without panties if  $EX \geq 17\%$ .
- Also, you can buy there some sweets that increase your mood.
- [Ordering pizza](#): you can make a show for pizza boy / girl if  $EX \geq 17\%$ .

Next is doing laundry. If  $EX > 0$ , MC will expose herself (the higher EX – the more exposition); if  $EX \geq 17\%$ , you can go pantieless.

---

*Do cleaning*

*Go to mall*

*Blowjob practice (if BJ 20%)*

---

Choose Blowjob practice if you have this option. It won't take much time.

If you need to buy a uniform got Car Wash – go to the mall. Otherwise, cleaning is preferable (but not necessary). Cleaning increases your mood, while dirty apartment decreases your mood.

*If go to mall:*

---

*Have a good time and spend some money*

*Just hang around and save money*

---

Choose first if you need to but a uniform for car wash (it costs \$40.) Additionally, first option would cost you \$50 – \$70, but your mood would raise (while the second option would change nothing.) If ex 17%+, you can go pantieless.

---

*I just do your job (rude)*

*Ask for excuse (polite)*

---

Polite answer would bring some benefits in the future.

---

*Dick*

*STD*

---

Choose whatever you like. Just minor dialog changes in the future.

---

*Stay at work (long shift)*

*Go Home*

---

Choose whatever you like. Long shift would bring more money, but you won't have time to visit Red-Light District today.

---

*If short shift:*

---

*Watch TV*

*Have a nap*

*Go to Red-Light District*

---

Choose whatever you like except for having a nap (it has no benefits.) Watching culinary show on TV would increase your cooking skills; watching movie could increase your mood and/or arousal. Visiting Red-Lights District could be beneficial if you need to buy something in Adult Boutique.

*If Go to Red-Light District:*

---

*Walk Home*

*Return to Sex Shop*

---

Returning to Sex Shop would lead to increasing relations with Jackie. Also, Walking Home should not be chosen if you are going to get up very early tomorrow.

*After returning home:*

---

*Night jogging*

*Take a bath*

---

It's healthier to have a night jogging before bathing. You won't get this menu if you have already jogged today.

If ex 20%+, you will be able to sleep without panties.

---

*Get up early for work*

*Don't go to work tomorrow*

---

Choose first option to go to Car Wash tomorrow.

June 5, Friday. Day 5

Regular “sandbox” day (no scripting events of the main storyline)

*Very early morning*

MC [gets up at 5 am](#) if you chose *Get up early for work* last night.

- If you haven't got *a uniform* at the [Mall](#), you won't go to work and MC will sleep until 7 am.
- If you returned late yesterday (walked home from [Red-Lights District](#)), you would get at options:

---

*Yes, I have to go*

*No, it isn't worth it*

---

In this case, going to car wash would cost you a small amount of health (because of lack of sleep). If you didn't return late yesterday, going to Car Wash would not affect your health.

- If you go to Car Wash, you will skip all following events until noon.

*Early morning*

[At 7 am](#) MC gets up full of energy and ready for a new day.

- You will have extra scene before getting up if  $FF \geq 50\%$ .
- You will have extra scene before getting up if  $TS \geq 33\%$ , and even more if  $TS \geq 42\%$ .
- If you went to sleep pantieless, you would do all morning routine (including extra fetish events) without panties as well.

You have a choice:

---

*Get ready for a new wonderful day*

*Skip morning routine*

---

Choosing the second option you would skip [having breakfast](#) and [taking a shower](#) but lose nothing in terms of stat points but skip all possible extra scenes and practices.

If you choose the first option, you may have:

- Extra scene if  $EX > 0$ . This scene will have continuations if  $EX \geq 10\%$  or  $\geq 13\%$ ;
- If  $AP \geq 21\%$ , you will have an option to improve your AP skill:

---

*Play with a toothbrush*

*Not today*

---

*Playing with toothbrush* improves your AP skills only once, though you can practice every morning.

Next, you'll have a choice:

---

*Home workout*

*Jogging in the park*

*Watch TV*

---

Choose whatever you like. Jogging gives a bit more health points than home workout. Keep in mind that you can jog only once a day – in the morning or at night.

After that, MC takes a shower and has a breakfast. You can skip this routine choosing *Skip home routine*.

*Late morning*

About 9 am, MC has to decide what she is going to do next:

---

*Cleaning*

*Go to mall*

*Spend day in the park*

*Spend day on the beach*

*Blowjob practice*

---

Taking into account that MC has a soft spot for cleaning, it is an important part of her home routine and affects her mood. Cleaning will last until 12 pm.

Going to the mall might take different time. Depending on your choice, you will return home at 12 pm or at 3 pm. Returning home at 12 pm allow you to go to work.

Spending day in the park or on the beach takes the whole day until 6 pm. Choosing one of these options, you skip all of the following events until 6 pm.

Blowjob practice occurs when  $BJ = 20\%$  (first stage) and  $BJ \geq 25\%$  (second stage.) It doesn't take any significant time, so after practicing you come back to the same options. MC can practice her BJ skills only once a day.

Noon

At noon, MC returns from Car Wash, [Mall](#), or finishes doing chores. Next, she can:

---

*Go to work*

*Do the cleaning*

*Go to mall*

*Watch TV*

*Have a nap*

*Blowjob practice*

---

Options for *Cleaning*, *Going to the mall*, *Watching TV*, and *Blowjob practice* can be done only once a day and will be absent if you have already chosen them.

- *Cleaning*, *Watching TV*, and *Having a nap* last until 3 pm;
- *Going to Mall* can last until 3 pm or 6 pm;
- Blowjob practice doesn't take any significant time.

Late noon

At 3 pm, you will have following options:

---

*Do the cleaning*

*Watch TV*

*Have a nap*

*Blowjob practice*

---

- Blowjob practice doesn't take any significant time.
- Everything else lasts until 6 pm.

Early night

At 6 pm, MC returns from wherever she was (work, beach, park, mall) or finishes her chores. Now, she has following options:

---

*Watch TV*

*Have a nap*

*Go to Red-Lights District*

---

- Watching TV and Having a nap last until 9 pm.
- Trip to *Red-Lights District* last until 9 pm as well except for you decide to return home on foot. In this case, you'll come back at 1 am. Returning home so late MC can't go for *Night Jogging*, though she is still okay for bedroom activities.

Late night

At 9 pm, MC returns from wherever she was (long shift at work or Red-Lights District) or finishing her home chores.

MC can have a *Night jogging* before *Taking a bath* if she hasn't jogged today. After that, she has a meal and write a new entry in her diary.

When all thigs are done, MC goes to sleep. If  $EX \geq 20\%$ , MC can decide not to wear panties for the night.

Before going to sleep, if MC meets all requirements, she can have some relief.

You will have some extra scenes for foot fetish (FF > 0), anal play (AP > 0), or armpits (ARM > 0.)

June 7, Saturday. Day 7

Dating with Hunter or Sandra and sandbox events

Early morning choice

Do whatever you want.

Hunter calls

---

*Pick up the phone*

*Don't answer*

---

For straight route it's more reasonable to Pick up the phone, though it's not necessary. Choose Don't answer if you are:

- on the Lesbian Route;
- on the Straight Route, but you want to have fun with Sandra as well.

If you failed the first date, you wouldn't have an option to answer.

*If pick up the phone:*

---

*... to the park*

*... to the beach*

---

Choose whatever you like.

*If to the beach:*

---

*Did you pay for the cocktails?*

*What have you brought!? I drink milk shake at this time of the day*

---

Choose first.

*If to the park:*

---

*Did you pay for the ice-cream?*

*Again?! I hoped you'd bring something better this time*

---

Choose first.

*If don't answer (or no choice to answer):*

*Sandra comes*

---

*Ask her to go out*

*Go out alone*

---

Choose Ask her to go out if you want to have Sandra as a friend or a lover. Choose go out alone if you don't like her.

*If ask her to go out:*

---

*Kiss*

*Make her go*

---

Choose Kiss if you want to have a lesbian sex with Sandra. Choose Make her go if you want her to be your friend without sex.

*If kiss:*

---

*Yes, you're right*

*It's okay; I don't have a dick*

*Call your husband*

---

Choose Yes, you're right if you change your mind and don't want MC to have sex with Sandra. Otherwise, choose Call your husband if you have this option (it's unavailable if your EX < 17%) or It's okay; I don't have a dick if you don't have it.

If Lisa has sex with Sandra, they will sleep together and Lisa won't be able to Watch Lewd Videos.

June 8, Monday. Day 8

Starting from Day 8, Lisa can cum many times during a day. If Lisa's arousal won't be enough for Night bedroom event, use pills from Red-Light District.

*Lisa's dream.*

Lisa may have:

- *a scene with Dolly, Hunter, and orc if she Hunter love points are high*
- *a scene with Dolly and Sandra if Lisa had sex with Sandra before*

*If Lisa didn't go to Car Wash:*

*Morning*

Starting from Day 8, if Lisa has a Dildo and she is Very Aroused+, she will have a choice in the morning:

---

*Use a dildo*

*Don't use a dildo for now*

---

The choice doesn't affect the storyline. Pick *Use a dildo* to watch a new content.

*Bookstore*

In the morning, Lisa received email from Ms. Horner and goes to the bookstore to buy a math textbook. It will happen after a car wash or after breakfast.

---

*Check textbooks*

*Check culinary books*

*Check adult literature*

*Study in the library*

*Leave bookstore*

---

Choose *Check textbooks* to buy a math textbook (cost \$50.) Study in the library is optional, but recommended. *The main point is to reach math skills 100% by June, 26%.* Studying in the library gives more points than any other activity – 20%. You can check Math points in the Stats menu.

## Texting Hunter

During diary time, Lisa decided to text Hunter to figure out about Amy. If Hunter's love points are high, you'll have a choice:

---

*Send a super close-up*

*Give a link on the porn site*

---

Choose Send a super close-up for a Hunter's Route.

June 9, Tuesday. Day 9

There're no events linked exactly to this day. Use it to study math and develop your favorite fetishes.

At night, Lisa fills out her routine diary entry and decides to schedule an appointment with a gynecologist.

---

*Lisa schedules an appointment*

*Lisa decides not to go to the gynecologist*

---

The second choice closes the ability to visit the gynecologist. However, it won't affect the main storyline.

June 10, Wednesday. Day 10

If Lisa scheduled an appointment with a gynecologist yesterday, she will go there today in the morning, after the morning routine. After that, Lisa will be able to go to work, but not to the beach.

*If the appointment was scheduled:*

---

*Agree*

*Disagree*

---

The second choice closes the ability to visit the gynecologist. However, it won't affect the main storyline.

**Skype Conversation with Hunter**

Hunter called Lisa for the first time today, June 10. If Lisa invites Sandra, Hunter will call the next day. Lisa answers the skype call from Hunter if she has enough love points. She can obtain enough love points during their first date; the second date is not necessary.

- No matter what, Lisa agrees to take off her T-shirt.
- If Lisa's EX  $\geq$  40%, she will stay topless.
- If Lisa is topless and PE  $\geq$  20%, there will be one extra scene.

## June 11, Thursday. Day 11

Laundry day. After morning routine, Lisa goes to the laundry. She can't go to the beach today.

- If Lisa didn't invite Sandra on Day 7, she has a second chance to befriend / become a lover today.
- If Sandra is already a friend, there will be a special event with Sandra in the laundry. Lisa must have  $EX \geq 40\%$  to view the whole scene.
- If Sandra is already a lover, there will be another event that differs from Sandra-friend event. Lisa must have  $EX \geq 33\%$  and  $FF = 50\%$  to view the whole scene.  $PE > 0$  and  $AP > 0$  open a few extra renders.

## June 12, Friday. Day 12

Routine day. Lisa can go to Car Wash or to the beach or any other place.

## June 13, Saturday. Day 13

If Lisa likes Hunter (love points  $> 4$ ), they have a date. Otherwise, Hunter visits Lisa anyway, but they have a conversation and decide to be friends. Hunter comes to Lisa after her morning routine.

*If Lisa likes Hunter:*

After the date:

---

***Let him in***

*Don't let him in*

---

***Let him in*** is a better choice.

*If Lisa doesn't like Hunter (they decide to be friends):*

Landlady Maria comes right after Hunter's leaving:

---

*Accept the punishment*

*Leave Maria's apartment*

---

***Accept the punishment*** – Maria spanks Lisa and will continue punishing her in the future.

***Leave Maria's apartment*** – Lisa confronts Maria and avoids punishment; Maria will not try to punish Lisa in the future. Pick up whatever feels more suitable for your understanding of Lisa's character.

*If Lisa accepts the punishment:*

Landlady Maria comes right after Hunter's leaving:

---

*Slap Right Ass Cheek*

*Slap Left Ass Cheek*

*Enough for now*

---

If you don't stop spanking Lisa, she will endure 20 slaps and then beg for mercy. Maria will stop spanking this time.

---

*It was terrible!*

*It was terrible, but...*

---

Pick the first option if Lisa feels nothing except for pain and humiliation; pick the second option if you want Lisa to be a masochist.

June 14, Sunday. Day 14

*Hunter's route:*

Hunter comes to Lisa right from the morning. The only choice of this day will be at night:

---

***Hell yes!!!***

*No, it's a bad idea*

---

***Hell yes!!!*** is a much better choice.

*Not Hunter's route:*

It's a routine day.

June 15, Monday – June 19, Friday.

On Monday, Landlady Maria comes to check her apartment if she didn't come on Saturday (if Lisa was dating Hunter.)

Tuesday – Laundry Day. One more Sandra event.

Wednesday – the second appointment with Dr. Stonghold.

Friday – Skype call from Hunter. Some extra content if  $PE \geq 20\%$ ,  $EX \geq 27\%$

June 20, Saturday. Day 20

Lisa visits her hometown and reconciled there with Amy.

---

***Ask Amy to come***

*Say nothing*

---

***Ask Amy to come*** for Amy's route.

June 21, Sunday. Day 21

A routine day.

June 22, Monday. Day 22

A routine day. Hunter will call at night. You will not miss his call. The conversation is different depending on if Hunter is a love interest.

June 23, Tuesday. Day 23

Laundry Day. Prepare to meet Sandra in the laundromat and have some fun (of course, if you have any relations with her.) This event is different for Sandra-friend and Sandra-lover.

Except for that, it is a routine day.

## Locations

### Beach

Lisa goes on the beach on Day 1 (optionally) and on Day 2 – both are scripting events. Starting from Day 5, Lisa has the Beach location as a sandbox event.

- Lisa can go to the beach at 9 am and spend there the whole day until 6 pm. Thus, Lisa can't go to the beach if she was at Car Wash, on laundry days, and most of script days.
- Drinking mojito increases mood and has no negative effects.
- During beach days, Lisa can visit four locations (activities):

---

*Go Swimming*

*Sunbathe*

*Go to Lavatory*

*Explore Right Side of the Beach*

*Explore Left Side of the Beach*

*Play Beach Ball*

---

- Swimming increases your health;
- Lisa *can pee* if it's been at least 5 hours since she did it last time. That means, she can pee during the second or third beach activity;
- If you go *Explore Right Side of the Beach* at 9 am (choose it first), you will meet Jackie from Adult Boutique. Depending on your relations with Jackie, you will have different scenes.

- To play volley ball, MC has to improve her health (not implemented yet);

### Lavatory

- *Lavatory* appears if Lisa didn't pee for at least 5 hours or if watersport is disabled. Thus, Lisa is still able to go to the Lavatory if watersport is disabled and can have the whole sequence of lavatory events, but the watersport scenes will be excluded;
- The entrance fee to the Lavatory is \$10;

If  $EX \geq 40\%$ , Lisa will get into one more exhibitionistic journey. When she goes out of the stall without wearing panties and notices a jar on the floor:

---

*That's not my business*

*Say them*

*Pick it up for them*

---

Choose ***Pick it up for them*** to trigger the scene.

When Sierra wants to slap Lisa's ass for the second time:

---

*Don't let her do it*

*Let Sierra spank Lisa's ass*

---

If Lisa allows her to do that:

---

*It was terrible*

*It was terrible, but...*

---

Pick whatever you think fits Lisa's character more.

- After the initial visit, Lisa can meet the same ladies again (another event) or meet there Jackie or Charlie. It's a random event.
- Charlie can appear only if Lisa has had the second photo session.
- Jackie can appear if she is a friend. If  $AP \geq 17\%$ , there will be expended event.

## Sunbathing and Reading

- During sunbathing, you will have an extra content if  $FF \geq 50\%$ ;
- If  $EX \geq 27\%$ , you can sunbathe topless;
- If Lisa has a math textbook, she will be able to read it to increase her math skills (+5% to math). It less effective than reading at home (+ 10%.) You will also have extra content if  $FF \geq 50\%$ .

## Charlie the photographer

During sunbathing, Lisa notices a photographer. If *MC isn't topless*, she will have two options to answer on the question “*Is it okay that she is taking photos of all these people?*”:

---

*Yes, it is okay*

*No, it's not okay*

---

If Lisa chooses the first option, she will get a new friend; otherwise, she will never meet her again.

Next time when Lisa's sunbathing, she meets Charlie again.

---

*Wave her*

*Continue sunbathing*

---

Wave her to have a conversation. If Lisa **continues sunbathing**, she will be able to meet Charlie on any other beach day. This time Lisa may be topless. After their conversation (they also meet Arleen), Charlie offers Lisa a new photo session. If  $ex \geq 40\%$ , Lisa accepts a topless photo session.

## Explore Left Side of the Beach

- *Exploring Left Side*, Lisa may decide to get rid of her bikini top. It happens not early then on Day 7 and if EX  $\geq 27\%$ .
- If EX  $\geq 40\%$ , Lisa gets rid of her panties, too (Day 7 or later.)
- If Lisa is totally nude and she hasn't pissed for at least 5 hours, she may decide to pee sitting on the big sone next to the pier and watching the sea (Day 7 or later.)
- If Lisa is totally nude, she meets an old man with a dog. If Lisa still wants to pee, she will have an extra watersport scene with the old man (Day 7 or later.)
- As the end point of Lisa's journey, she reaches a cliff with a Scooba diver's base. But you can't reach it until you improve your health;
- If Lisa's health is at least Fine, she has already had a Jet Ski ride, and she reached the cliff nude, Lisa will jump from the cliff. There she will meet Maya and Axel – scuba diving instructors. It may happen not earlier than on Day 15.

### Explore Right Side of the Beach

- If Lisa didn't pee for at least 5 hours, she will need to pee under the Guard tower. Peeing there for the first time is safe.
- While peeing under the guard tower again, Lisa will have a 60% chance to get busted by the Life Guard.
- Ski Jet opens on Day 15. To have a ride, Lisa has to pay \$60.
- Have three Ski Jet rides to open all content. Lisa's Exhibitionism has to be at least 40%.

### Carla and Mia

- Lisa meets Carla and Mia on Day 2. Later, around Day 9, Lisa has an option to stand for the girls. If she decides not to stand for them, this side story will be terminated. Otherwise, Lisa and the girls become friends and Lisa will have an option to spend the day with Carla and Mia each time she will go to the beach.
- After spending at least one beach day with Carla and Mia, Lisa will get an option to run into them in the changing cabin (pick an option "Use the larger stall".) Run into them for three time to open all content.
- If Lisa ran into Carla and Mia at least once and her EX  $\geq 27\%$ , the girls will be okay to sunbathe topless.
- If riding Jet Ski alone at least once, Lisa will get an option to ride with Carla and Mia. Do it twice to open all content, and make sure that EX  $\geq 27\%$ .

### Twins

- Lisa meets twins Herani and Yebani after Day 14. She notices that the twins came over Carla and Mia. However, they look friendly and Lisa decides not to interrupt them.
- When Lisa visits the beach next time, she meets the twins again – this time with Kyle (the barista guy.)
- During next beach day, Lisa has a conversation with Kyle about the twins.

- After that conversation, when Lisa Jet Skiing alone, she meets the twins in the see.

## Home Workout

- Can be done about 8 am; improves your health.
- If  $EX > 0$ , you can put on green (skimpier) outfit;
- If  $FF > 0$ , you will have a small extra scene;
- If  $EX \geq 10\%$ , you will have an extra scene; you will get the continuation if  $EX \geq 17\%$ .

## Mall

Starting from Day 4, MC can go to the mall to spend some time (and money.) You will have two options:

---

*Have a good time and spend some money*

*Just hang around and save money*

---

- Choosing *Have a good time and spend some money*, MC spends 50\$ – 70\$ and her mood gets better; also, she can buy some clothes if necessary:
  - Uniform for Car Wash;
  - Apron for cooking at home (two options);
  - Rope for bondage sessions (BN 15%+);
- If  $EX \geq 17\%$ , MC can go pantieless.

## Meal

Before having a meal, you get the following options:

---

*Go to the groceries*

*Cook something*

*Order pizza*

---

- You spend 1 portion of meal during each cooking; if you don't have any meal, you have to go to the groceries;
  - Each time when you cooking, you increase your cooking skills. Also, you can increase your skills watching culinary show or inviting Sandra.
  - After reaching a certain level, you'll start cooking better. In v.0.1.1 Lisa can progress from Dummy to a Newbie (requires cooking skills 17%.)
  - If  $EX \geq 17\%$ , you can go to the groceries pantieless.
  - Starting from Day 3, you can buy sweets in the grocery store. Eating sweets increase your mood.
  - If you bought Pills in [Red-Lights District](#), MC will have an option after her night meal:
- 

*Take a pill*

*Not today*

---

- Taking a pill increases Arousal and doesn't have any negative effects.

## Morning Jogging in the Park

- Morning jogging starts about 8 am and is the most effective way to improve your health.
- You will have an option to put on a green suit if  $EX \geq 17\%$ . Also, you will have extra content similar to *Home Workout*.
- You can jog only once a day – in the morning OR at night;

## Nightclub Paradise

Lisa is able to visit the club starting from the second week (Monday, Day 8). You'll have a few activities there:

---

*Dance*

*Get a cocktail*

*Watch striptease*

---

The best first option is to *Get a cocktail*. One cocktail is not harmful for Lisa (drinking too much is not realized yet.) After drinking, Lisa will have extra content while dancing and watching striptease.

After any two activities, Lisa will have the following options:

---

*Dance the whole night! Yay!!!*

*Go home... (Yawn)...*

*I need to pee first!*

---

The option *I need to pee first* initiates a Glory Hole, so you will see it even if you optioned out watersport (however, all watersport-related content will be hidden from you.)

If Lisa decides to stay at the nightclub for the whole night, it's better not to go to the Car Wash the next day (undersleeping affects Lisa's health.) Also, Lisa won't have a meal if she returns home late (it doesn't affect Lisa's health.) Apart from that, *Dance the whole night! Yay!!!* is an absolutely viable option.

## Glory Hole

Glory Hole sequence initiates when Lisa visits the Club Restroom. She must have BJ 55%.

After visiting Glory Hole for the first time, Lisa will see a dream. If she decides to stay away from the Glory Hole, the dream will correct Lisa's stats to allow her to maximize them without visiting Glory Hole. In this way, you can skip Glory Hole if you think it doesn't fit Lisa's character.

---

*Occupy normal stall*

*Check the stall that is out of order*

---

Choose ***Check the stall that is out of order*** to trigger the event.

---

*Run away*

*Stay*

---

Obviously, ***Stay***.

---

*This is sexism. Both genders must be treated equally for their sexual desires*

*This is not sexism. We have to take into account cultural specificities and traditional values*

---

Choose ***the first option***.

At the current version, Lisa doesn't spend significant time at the Glory Hole. It will be changed in the following versions.

## Night jogging

- Available only if MC didn't jog in the morning.
- If  $EX > 0$ , MC can put on her green (skimpy) sports suit.
- Extra content if  $FF \geq 50\%$ .
- If MC's wearing a green sports suit and  $EX \geq 7\%$ , MC will have a special event while resting on the bench after jogging; if  $EX \geq 20\%$ , MC will go further.
- If MC's wearing a green sports suit and  $EX \geq 33\%$ , MC will have a special event during jogging;

## Park

- MC can go to the park on Day 3 for a short walk and can visit only one place
  - Starting from Day 5, MC can go to the park at 9 am and spend there the whole day until 6 pm. During this visit, MC can attend three places.
  - Going to the park for the while day, MC can put on skimpy panties if  $EX > 0$ , and no panties if  $EX \geq 17\%$ . Be aware that MC may dare not do certain things being pantieless which she would do wearing panties.
- 

### *Sit on the bench*

### *Stroll along the alley*

### *Walk to the pond*

### *Go deep into the park*

---

### Sit on the bench

- Some extra content if  $FF \geq 50\%$ .
- Some extra content if  $EX > 0$ . To not chicken out, MC requires:
  - $EX \geq 10\%$  if she is wearing regular panties;
  - $EX \geq 17\%$  if she is wearing skimpy panties;
  - $EX \geq 33\%$  if she is wearing no panties;

### Walk to the pond

- You can *sit down for a while* next to the pond and, if  $EX > 0$ , *swim*.

### *Sit down for a while:*

- Some extra content if  $EX > 0$ . Continuation if  $EX \geq 10\%$ . To not chicken out, MC requires:
  - $EX \geq 13\%$  if she is wearing regular panties (in v.0.0.7a –  $EX \geq 17\%$ );
  - $EX \geq 17\%$  if she is wearing skimpy panties;
  - $EX \geq 33\%$  if she is wearing no panties;

*Swim:*

  - $EX \geq 17\%$  if she is wearing skimpy panties;
  - $EX \geq 33\%$  if she is wearing no panties;
  
- Returning from the pond, you will find a feather if  $TS = 25\%$ .

Go deep into the park

- Some extra content if  $EX > 0$ . Continuation if  $EX \geq 10\%$ . To not chicken out, MC requires:
  - $EX \geq 13\%$  if she is wearing regular panties (in v.0.0.7a –  $EX \geq 17\%$ );
  - $EX \geq 17\%$  if she is wearing skimpy panties;
  - $EX \geq 33\%$  if she is wearing no panties;

## Pizza

- First time, your pizza will be delivered by pizza-boy or pizza-girl randomly.
- If you don't give tip, next time pizza will be delivered by another person; also, MC won't be able to give a special show if her EX is high enough;
- If you give normal tips, next time pizza will be delivered by a random person;
- If you give good tips, next time pizza will be delivered by the same person.
- If  $EX \geq 17\%$ , you can meet delivery person in a skimpier home outfit and give them a "special show."
- After giving a "special show" at least once to the delivery boy/girl and if  $EX \geq 23\%$ , MC can meet the same delivery person wearing red lingerie and give one more "special show."
- After meeting the delivery person wearing red lingerie and having  $EX = 33\%$ , Lisa will dare to meet the same delivery person topless. It' will increase EX to 40%. Lisa will have an option to put on red or white panties. Choose whatever you want – no difference except for visuals.

## Reading textbook

## Reading erotic books

- If TS > 33%, Lisa may decide not to cum.
- In v.0.1.1 erotic books have no influence on Lisa's fetish development.

## Invite Sandra

- This activity will appear if Lisa spent Day 7 with Sandra. If not, Lisa will have one more chance to meet Sandra later in the game.
- Sandra can be a friend or a lover depending on Lisa's choices on Day 7.
- Sandra teaches Lisa how to cook. Lisa uses twice more food when invites Sandra. If Lisa has not enough food, she will go to the grocery before inviting Sandra.
- If Sandra calls her husband on Day 7, the girls will have an option to pose for Sandra's husband (to have this option on Day 7, EX must be > 13%.)
- If Lisa has a dildo or vibrator, the girls can use them.
- Developed FF, PE, and AP give more scenes.
- In v.0.1.1b or higher, Sandra is not available on Day 8. However, Lisa can invite her next day.

## Bookstore & Library

MC goes to the library on Day 8 to buy a math textbook. Since that, she will be able to there again.

---

*Check textbooks*

*Check culinary books*

*Check adult literature*

*Study in the library*

*Leave bookstore*

---

- Choose Check textbooks to buy a math textbook (other textbooks will be added later);
- Check culinary books – Lisa is not interested in culinary books for now;
- Check adult literature allows Lisa to buy erotic literature. She will be able to read them later at home. The list of available books depends of Lisa's fetishes:

- Lisa may go to the store wearing her buttplug or Ben Wa balls.
- When Lisa is studying for the second time and her  $PP \geq 20\%$ , she decides to alleviate her arousal. She goes even further during her third studying (if she is not wearing Ben Wa Balls).

## Red-Lights District

- If EX  $\geq$  20%, MC can wear skimpy panties for the trip; if EX  $\geq$  33%, she can go without any panties (the second option appears starting from the second trip.)

## *Return to Sex Shop*

---

- *Walking home* is a viable option; though, you will come home late at night around 1 am and you would rather not be going to Car Wash tomorrow (lack of sleep would affect Lisa's health). Returning home for the second time, Lisa will get an option to pee on the open air.
- *Returning to Sex Shop* Lisa makes a new friend – Jackie, a sex shop clerk. During the second trip to the Red-Light District, Lisa can Return to Sex Shop again and make bonds with Jackie even stronger.
- After *Returning to Sex Shop* twice, next visit to the sex shop starts with a special greeting kiss from Jackie (Stage 2 of friendship with Jackie.)
- At Stage 2 and if  $AP > 0$ , Jackie show her butt plug;
- At Stage 2, Jackie mocks Lisa assuming that she's virgin and innocent. Lisa will have an option to argue:

---

*I'm not an innocent!*

*Ughh... Whatever*

---

- Arguing would lead to a special scene if:
  - Lisa is wearing skimpy panties and  $EX \geq 20\%$ ;
  - Lisa is wearing no panties and  $EX \geq 33\%$ .
- If  $TS \geq 63\%$ , Jackie could wear ben wa balls and show them Lisa. If  $PE > 30\%$ , Lisa will lick them off (and buy Jackie's ben wa balls);

MC can repeat it several times, but with every next attempt Lisa has a greater chance to fail and cum. Every time using this option Lisa becomes better in suppressing her orgasm.

- If MC has good relations with Uncle John, he will come and offer assistance for cleaning.
- *Talking to uncle John* requires good relations with him (obviously);
- *Relax on the couch* may lead to an awkward episode with Ellis if MC got up very early for Car Wash. In this case, MC falls asleep and... you will see.
- Visiting Restrooms for the second time, MC meets there a new friend – Megan. If you chose to avoid and watersport events, you would meet Megan anyway, but won't see any watersport-related content.

- MC won't get this event if she chose *I should suppress them* on Day 1.
- If MC eats pizza two days in a row, she will have stomach ache and won't be able to continue; also, it will affect her health.
