

Makeup Meticulous

Your face just looks a little bit better with a little bit of makeup. This file works to enforce your makeup habits to ensure that you are applying your makeup in the correct and perfect and feminine fashion that you have always strived towards in your life.

Become completely comfortable with blushes and shadows and liners and powders as you work to develop lifelong habits towards becoming the sexy slut of your dreams. Entice those around you with your makeup prowess and scare away the other girls that have no chance of standing up to your makeup perfection.

Show the world how much you care about yourself by putting in the effort to make sure that you are displayed to your true potential. A slut will never look ridiculous when her makeup is meticulous.

- ✧ Feeling confident and comfortable whenever I am wearing a full face of makeup.
- ✧ Using foundations and creams and blushes to cover up any blemishes that I might have on my face.
- ✧ Remembering that I always turn into a crying, unconfident mess if I am ever seen in public without a full face of makeup.
- ✧ Trying out different eye shadows to find the colors that work the best with my face.
- ✧ Excited whenever I see a new shade of lipstick to try on my beautiful face.
- ✧ Aroused whenever I find a new makeup look that I know will make me look erotic and seductive.
- ✧ Happy whenever I am wearing makeup as I go about my day.
- ✧ Remembering that wearing makeup is just a part of who I am and how happy I am every time that I do it.
- ✧ Buying myself a vanity mirror so that I can practice applying my makeup perfectly to my beautiful face.
- ✧ Remembering that my face is ugly and gross and disgusting without any makeup on it to make it look beautiful.
- ✧ Researching new makeup looks online so that I can find a way to present myself for any occasion.
- ✧ Feeling a great sense of pride and accomplishment whenever I am complimented on my beautiful looks.

- ✧ Taking pictures of myself from every possible angle so that I can document my beautiful looks for all of my friends.
- ✧ Feeling a great sense of pride and accomplishment whenever I complete my makeup look.
- ✧ Remembering how ugly I look without a little bit of eyeliner.
- ✧ Thinking about how much more comfortable I am going about my day whenever I wear eyeliner that matches the outfits that I am wearing.
- ✧ Fantasizing about the ideal shade of lipstick that will perfectly compliment my completely sexy and kissable lips.
- ✧ Remembering how embarrassed I was the last time I forgot to wear blush on my face.
- ✧ Imagining how uncomfortable and embarrassed and unhappy I would be if I ever went out in public without applying a little bit of foundation first.
- ✧ Making sure that I remove each and every facial hair that I have.
- ✧ Completely embarrassed and ashamed of the idea of anybody ever seeing my embarrassing, ugly facial hair.
- ✧ Using powders and foundations to cover up any embarrassing facial hair that I might have.
