IMPORTANT INFORMATION

IN THE CONCEPT OR NOTE SECTION IN PAYPAL, JUST WRITE DOWN YOUR NICK OR NAME.

- DON'T WRITE ANY COMMENTS
 - DON'T MENTION IN ANY CASE THE WORD "COMMISSION"
 - DON'T MENTION OR DESCRIBE THE REASON OF WHY YOU'RE DOING THIS TRANSACTION
- ANY PERSON THAT DOES ANY OF THE PREVIOUSLY MENTIONED THINGS WILL HAVE THEIR COMMISSION CANCELLED AND THEY'LL GET THEIR MONEY REFUNDED.

I don't need anything else to identify you.

Once the payment has been done, I'll be able to start working on the first sketch.

Work process

This is the way I'll be working with you.

First thing will be to start working on the first sketch [Sketch #1], once I'm done with it, I'll send it over to you so that you can check it out, make any changes that you think need to be done so that you get the pic you want (*composition, facial expressions, proportions, etc...*)

Then you'll send the changes that you want made to my email.

(Please try to be as specific as you can and try not to diverge too much, I'm an artist... not a mind reader)

Once the changes have been made, I'll send you a second sketch [Sketch #2], so that you can see how things went after your revision.

(*DISCLAIMER: There's a limit of 5 Sketches that can be made per commission [Sketch #5]. That means that you can get up to 5 changes/sketches made, if you ask for more than that, I'll charge \$5 per every new sketch I make)

Once the sketch has been approved by you, I'll start working the line art and color. Once color is done, I'll send you a low-res image with my watermarks so that you can check the final result. You can make changes as long as they're easy ones (color, illumination), but NO changes in the composition of the drawing.

If you're happy with the low-res version, then you'll only have to pay the other 50% of the price. Once the payment has been received, you'll get your image in Full HD.

Once the pics are done, all the images Will be posted on my social media with the "Anon Commission" tag. If you wish to be credited for that commission, please let me know beforehand.

Commonly asked questions.

How long does it take you to finish a commission?

That depends more on the clients than me. If you answer my emails quickly and you're not making too many changes in the sketching phase... I could be done in less than a week.

Can I get a refund if I need to cancel my commission?

Sorry, but I don't give refunds. Once the Price has been set and the money has been sent, there's no going back...

Can I get the image just for me?

If we don't settle this beforehand, then all pics will be posted on my social media, since the artistic rights to the pic will remain mine.

But what if I want to use the image in a personal Project, or I just don't want anybody to see it?

Then we'll have to sit down and negotiate so that I get an economic compensation for it and I can give you the rights over that image.
